## WELCOME TO KIDVENTURES SUMMER!

March 2017

Welcome KidVentures Families!

Although there is still a chill in the air, it is time to start thinking sun, sand, and everything summer! We are beyond excited to begin another year of the KidVentures Summer program and we know that summer 2017 is going to be the best one yet! We look forward to working with all of our returning families and we are eager to meet families new to KidVentures as well.

The KidVentures summer program allows kids to experience a multitude of enrichment opportunities as well as a wide variety of recreation—based activities. Our mission is to foster a fun atmosphere where children are encouraged to explore new interests and develop new friendships. Throughout the summer, children will participate in a variety of hands-on activities that build social, emotional, physical, and academic development.

This year's summer registration options remain the same as last year. Parents must register for a minimum of 20 days throughout the summer, but families pick the days and components in which they wish to register. Families that cancel a day at least two weeks in advance in writing will not be charged for the day unless it puts them below the 20 day minimum. Families may also add a day (depending upon availability) by calling the site before 6:00 PM the previous weekday or by emailing Mary Hansen at least 24 business hours in advance.

Families have the option of registering for Sunrise (6:30 AM-12:00 PM), Sunset (12:00 PM-6:00 PM), or full day (6:30 AM-6:00 PM). Due to Friday field trips, Sunrise and Sunset are only available M-TH. All children registering for Fridays will be charged a full day. We strongly encourage families to register early as space is limited (especially on Fridays) and we may not be able to accommodate all requests for days. Depending upon availability, children may be placed on a wait list.

For children that will be attending Plus, there will also be a before/after Plus option for which families can register. Families will be charged the same rate as the Sunrise and Sunset options, but staff will know to expect them before and/or after Plus.

KidVentures will also once again be offering a special space for youth entering grades 5, 6, and 7. Our "tweens" generally have more privileges and have a designated space that is off-limits to the younger kids. While they participate in the Friday field trips and have the option of afternoon swimming as well as the themed activities, KidVentures also places a strong emphasis on leadership, growing independence, and service learning for these older youth.

As always, please let me know if you have any questions or concerns. It's looking to be a fantastic summer, so please be sure to secure your spot as soon as possible!

Breezy Barrett Ventures Coordinator

#### **KidVentures Frequently Asked Questions**

#### Q: Can we sign up for Field Trip Fridays only?

A: No. There is a minimum of 20 days for the summer. If you only sign up for Fridays, you do not meet this minimum.

#### Q: Do I need to pack a lunch for my child?

A: Food Service is available to children Monday-Thursday for the duration of summer. Children will use their regular meal account for the purchase of Food Service meals. There must be money in your family's food service account in order for a meal to be purchased. The Food Service lunch costs approximately \$3.35 and there are no free or reduced lunches throughout the summer. Children are also more than welcome to bring a bag lunch with drink daily and **ALL CHILDREN ARE REQUIRED TO BRING A DISPOSABLE LUNCH WITH DRINK ON FRIDAYS.** Friday lunches should also be completely disposable (EVERYTHING can be thrown away), unless otherwise indicated. An afternoon snack will be provided.

#### Q: What is the staff to student ratio?

A: We maintain a maximum of 1:15 staff to student ratio for children entering grades 1st-7th.

#### Q: When are payments due?

A: KidVentures is a pay ahead program. Payments are due each Friday for the following week's care.

#### Q: What if it rains on a Field Trip Friday?

A: An alternate field trip or on-site activity will be arranged.

#### Q: Can families request a vacation credit?

A: Families may cancel a day at least two weeks in advance IN WRITING without penalty unless it puts you below the 20 day minimum. If canceling a day puts you below the 20 day minimum, your family will still be charged for 20 days.

#### Q: What should my child wear each day and what do we need to bring?

A: Children must be adequately dressed each day for both indoor and outdoor play. Children should always have a swim suit and towel on site as well as shoes that they can safely run in (tennis shoes, Keens, or sandals with back straps). Flipflops can be stored in children's bags and are for pool/water use only. Children also need their field trip shirt EVERY Friday and on days that they choose to go to the Northfield Pool. It is highly recommended that children leave their shirts on site and take them home once per week to wash. Since children are required to wear their KidVentures shirt in the pool, it is much easier for girls to wear a two piece swim suit rather than a one piece. A two piece is certainly not required, but it does make it easier for girls to change/use the bathroom!

Toys and other items of value should be left at home UNLESS there is a designated sharing/bring a toy from home day. This means that all electronics should be left at home unless it is a designated day. It is also a great idea for children to have a water bottle each day with their name clearly labeled. It is strongly recommended that children bring a book/magazine for our daily D.E.A.R. time (drop everything and read) as well. Books/magazines can be kept on site, but please have your name clearly labeled.

#### Q: Do I need to provide sunscreen for my child?

A: We are asking that all families that are willing and able to please donate two cans of Coppertone Kids or Target Brand spray sunscreen to the summer program. The kids definitely prefer the spray as it is much quicker to sunscreen a large group, but it is a large expense on our program. Any donations of spray would be very much appreciated! We also ask that families sunscreen children BEFORE bringing them to KidVentures. We will reapply and provide sunscreen throughout the day, but the first application at home is extremely helpful and beneficial. If your child is allergic to Coppertone Kids or Target's spray and lotion sunscreens, please provide your own bottle with your child's name clearly written in multiple spots on the bottle. Due to allergies, children will be responsible for applying their own specialty sunscreen from home.

### **KidVentures Summer 2017 Authorizations**

Please initial all permission statements to which you agree:
Walking Trips/Field Trips: I give permission and authorize my child to participate in Ventures walking crips and field trips. I agree that Ventures staff involved in the walking/field trips are not liable or responsible for an accidents or injuries which may occur in the absence of negligence by the Ventures staff. In the event of an emergency situation, I authorize the staff to follow Ventures emergency procedures. I further acknowledge and agree that in the event of a non-emergency situation, such as sickness, minor injury, or behavioral issue, I will make arrangements to transport my child from the field trip site at the request of Ventures staff. In the event that there are behavioral issues on a field trip, the child's family may be contacted to pick up their child immediately from the field trip location. Behavior issues while on field trips may result in suspension from the next field trip or all remaining trips.
Publicity: The Northfield Public Schools Community Services Division often takes pictures of activities t use in brochures, Ventures scrapbooks/slideshows, and on the web, including social media. Children's names are NOT used. I give permission for my child to be photographed and for the photos to be used in Northfield Public School's publications.
Movies: I give permission for my child to view "PG" movies, content to be previewed by staff.
Sunscreen: I give permission for Ventures staff to apply sunscreen throughout the summer as needed. KidVentures uses Coppertone spray, Target brand spray, and/or Target Brand Lotion. Lotion is always used for sunscreening faces. I understand that if my child is sensitive/allergic to these sunscreens, I must provide sunscreen wit my child's name clearly labeled and that I am responsible for making sure my child has enough sunscreen throughout the summer.
**Ventures is asking that all families that are willing and able to please donate two SPF50 spray sunscreens to the KidVentures Summer Program. Spray sunscreen must be Coppertone Kids or Target Brand. The spray sunscreen sends to be much quicker and more efficient when sun screening a large group of kids, however, it can be a large expense on our program. Any donations of spray sunscreen would be VERY much appreciated.
Bug Spray: I give permission for Ventures staff to apply bug spray throughout the summer as needed.

#### KidVentures Summer 2017 Behavior Contract

I/We understand that my child will be expected to abide by Northfield Public School's expectations for appropriate student conduct at all times as stated in the Student Citizenship Handbook and Ventures Parent Handbook. In order to ensure the health and safety of my child in attendance at Ventures, I/We understand that certain rules must apply to ALL children in the Ventures program. The rules are as follows:

- 1. Keep hands, feet, and objects to yourself.
- 2. Follow directions and be respectful of the person(s) in charge as well as my peers.
- 3. Use appropriate language.
- 4. Respect other people and property.

If a violation of the rules stated above occurs, the Ventures Coordinator and Site Leaders will work with the parent and child to develop a plan that addresses the behavior.

I/We understand that if my child exhibits any of the following behaviors, it may result in my child being suspended or expelled from the Ventures program.

- 1. A behavior that takes away any person's right to feel and be safe.
- 2. A behavior that keeps any staff person from fulfilling their job requirements to be available for all children because of constant interference of a child.
- 3. A behavior that includes inappropriate touching of a person's body, and/or using inappropriate sexual language and/or actions.
- 4. Any behavior involving purposeful destruction or theft of property.
- 5. Blatant disrespect or absolute refusal to follow directions of those in charge.

I/We have read and discussed the Ventures behavior contract. I/We understand the behavior contract's expectations and implications.

This summer, KidVentures participants will have the option of going to the Northfield Pool on Tuesday and Thursday afternoons at an additional cost to each family. Swim time takes place between 1:00-3:00 PM, weather permitting. There will be alternative programming on site for those that choose not to go to the pool. Children may pay per time, however, it is highly recommended that families purchase a Pool Pass if their child is interested in swimming multiple times throughout the summer. If paying per time, **exact** cash is needed.

Since the summer program will be located at Sibley, transportation to/from the Northfield Pool will not be needed. Instead, children will walk to/from the pool since it is within walking distance, about half of a mile.

Children will be tested on their swimming abilities by the Northfield Outdoor Pool lifeguards during their first visit to the pool. Children can take the swim test multiple times throughout the summer as their ability progresses. Children must bring a swim suit, towel, and shoes they can walk in comfortably and get on/off themselves when their feet are wet. (Examples include Keens, Crocs, and sandals with back straps). We are also asking that children wear their KidVentures shirt any time they go to the pool. This helps significantly with safety, especially on busy days when there are multiple kids' programs in attendance. Kids may keep their t-shirts on site at Sibley, but please take them home once per week to wash. Children must be signed up to go to the pool by 9:00 AM each Tuesday and Thursday morning.
