

Directions for Updating your iPad to iOS 7

1. On your iPad navigate **Settings** icon, tap to open

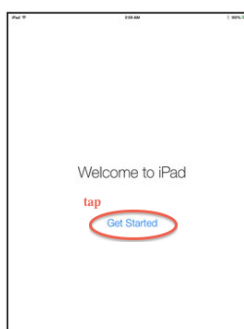

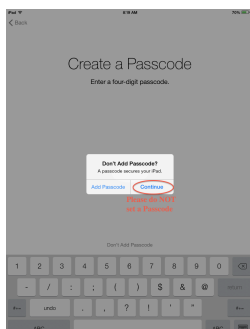

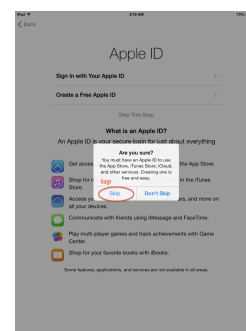

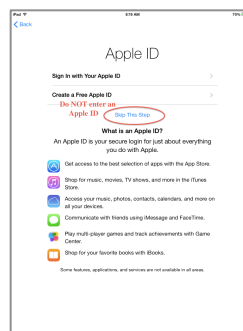

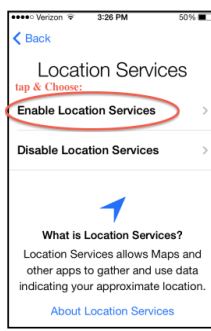

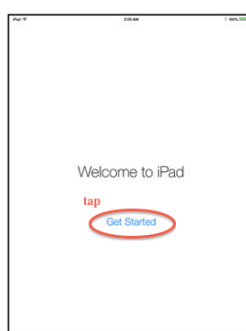

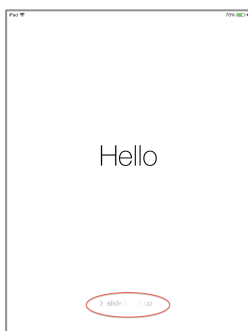

2. Navigate to **General** and then tap on **Software Update**

3. Tap on **Download and Install** and then tap to Agree to Apple's terms and conditions.
Note: It is best to connect your device to a power source during the download to save battery. Depending on the speed of your Internet, the update process could take anywhere from as short as 30 minutes or as long as overnight.

4. After the Update installs you will need to scroll through the next screens to finish the process:

5. For more information about the new features in iOS 7 please visit:
<http://www.apple.com/ios/whats-new>

*Note that because iPads are supervised by Northfield Public Schools, not all features of iOS 7 are available to students at this time. If you have questions, please see your schools Media Specialist or Technology Department.
