

July 20, 2016

Welcome Back:

It is your favorite time of year again, the letter gearing up for another great school year. This upcoming school year should be another great year as we have some new positive changes and extra opportunities for our students. We will be welcoming a new staff member who will be working through a grant that we received to offer career pathways classes for students 14-24 years old. I will give more info on this when we meet in August.

The schedule for August/September workshops is included, but below are a couple additional items.

Tuesday August 16, 2016:

ALC Registration Open House 12:00-6:00 pm (this is optional)

Please let me know if anyone wants to volunteer their services for a little while.

August 29-September 1:

Workshops (see attached schedule)

**August 31 at 9:30-10:30 any ALC staff interested are presenting to district employees explaining what the ALC is, our goals, and the students we have. This is a breakout session during the staff development part of the schedule.

September 6, 2016:

First Day of School

I hope your summer was relaxing and you all feel recharged and ready to fly through another school year. See you soon.

Enjoy the rest of your summer.

Daryl Kehler
