GUIDE
2018**

WELCOME TO YOUR BENEFITS!

This is a benefit summary only and may not outline all of your benefits. When you enroll, you will receive a summary plan description or certificate of coverage. This booklet does not replace, supplement or change any of the individual benefit product summary plan descriptions or certificates of coverage and should not be used in determining actual benefits available. Remember this is a summary only and the legal plan documents determine actual benefits. Please be aware that if there are differences between the statements in this booklet and actual legal plan documents or laws, the legal course will prevail. Contact the insurance carrier for more information and answers to specific questions, or see your Human Resource Office for a copy of the plan document before making a decision.

This booklet provides an overview of the following insurance benefits:

- Health Reimbursement Arrangement (HRA) / VEBA

Commonly Asked Questions

What is HRA?

HEALTH REIMBURSEMENT ARRANGEMENT

~Allows reimbursement of your un-reimbursed health, dental and optical expenses and is funded by your employer.

How do I enroll?

You can enroll during your company's "annual open enrollment period" which is typically during the 1-2 months prior to your employer's "Plan Anniversary Date" (you will be notified with exact dates). The ONLY other opportunity you may have to make or change an election is if you experience a "Family Status Change".

How are the HRA rules determined?

The IRS determines the rules and regulations for the HRA. All HRA's must meet IRS Revenue Rulings 2002-41 and IRS Notice 2002-45 and be in accordance with Sections 105 and 106 of the Internal Revenue Code of 1986 and with Revenue Ruling 2002-41 (June 26, 2002).

Where are the funds held?

The funds are held in a VEBA 501(c) (a) trust account managed by Trust Point and invested in an interest earning money market account.

Are my HRA expenses coordinated with my Flexible Spending Health Care account?

Yes. If you participate in the Flexible Spending Health Care account, expenses must first be submitted and processed under the Flexible Spending Health Care account and those monies exhausted prior to reimbursement under the HRA account.

When are HRA funds available to me for reimbursement?

Once your Flexible Spending Health Care account is exhausted (if applicable), you can be reimbursed for money which your employer has already contributed to your HRA account. If your employer has not yet contributed an amount equal to your claim, OneDigital will reimburse you up to the amount contributed, pending the remaining amount until further contributions have been made. The remainder of the claim, up to the deposited amount, will be paid out automatically until the entire claimed amount has been reimbursed.

How do I get information regarding my HRA Account?

Go to <https://corporatehealthsystems.lh1ondemand.com/Login.aspx> to view your account's claim history, account balance and payment history. Claim forms can also be printed from the website. Enter your login ID (ssn without dashes) and password (changeme) to access your account for the first time. Your account information can only be accessed with these codes. You can also contact your OneDigital Benefit Administrator.

What happens to money I do not use by the end of the plan year?

If you do not have claims that equal or exceed the amount of the annual contribution, your remaining funds will be moved to the next plan year and will be available to you for reimbursement after the plan run-out period has been exhausted.

This summary is only an outline of general information. It is not a contract for coverage. Please refer to your summary plan description or certificate for detailed information

Commonly Asked Questions Continued

Is there an alternative way to be reimbursed?

Yes, the debit card is an alternative to traditional reimbursement methods.

While it does not completely eliminate reimbursement claim forms, it can significantly reduce them.

- *When used for expenses such as office visit and prescription co pays, which make up **55%** of all claims, a claim form will not be required. You may be asked to provide documentation of the expense, if the expense cannot be auto-adjudicated.*

Simply swipe your card at an eligible location such as pharmacies, physician or dental offices and the funds are directly withdrawn from your HRA Account and auto-adjudicated – eliminating all out of pocket expenses and reimbursement waiting periods.

OneDigital may request documentation for claims paid using the debit card that cannot be auto-adjudicated. OneDigital will request that you submit documentation to support your purchase via email. You then submit your receipt and a copy of the email to OneDigital and your claim will be processed without your completing a traditional reimbursement claim form.

If you do not submit the required documentation, your debit card will be deactivated and the expense paid using the debit card will be deducted from your paycheck. ***It is important that you retain documentation for ALL claims, regardless of the reimbursement method.***

Where can I use my Debit Card?

The IRS now requires that the Debit Card can only be used at health care providers who have a health care-related merchant category code (such as physicians, dentists, vision care offices, hospitals, and other medical care providers) or at grocery stores, discount stores and pharmacies who utilize an Inventory Information Approval System (IIAS).

You may **not** use the Debit Card at any merchant, including pharmacies, that does not have a health care related merchant category code unless that merchant or pharmacy utilizes an IIAS.

- When utilizing an IIAS, the Debit Card may be used to purchase only those items identified on a list of eligible medical expenses maintained by the merchant.
- When purchasing eligible health care-related items AND ineligible non-health care-related items, the merchant will only accept the Debit Card as payment for the health care-related items. You must pay for the ineligible items with another form of payment (cash, personal credit or debit card, etc).
- In rare circumstances, purchases made at merchants utilizing an IIAS may fail to process appropriately. In those cases, you will be required to submit substantiating documentation as described below. You must maintain proper documentation for purchases made with your Debit Card.
- A list of merchants utilizing an IIAS is available online at <http://www.corphealthsys.com/forms/IIAS/>. Please note that some merchants, including Walgreens, have implemented a custom IIAS solution and do not appear on this list.

Please remember to keep documentation for all purchases made with the Debit Card. per IRS regulations, we may be required to request itemized receipts to verify the eligibility of purchases made with the card.

- Valid documentation of a purchase must include the dollar amount, date of service, name of provider, and a description of the purchased service or product. For over-the-counter health care items, the name of the product must be listed on the receipt.
- Any receipt that does not contain the detailed information described above is not acceptable. Credit card receipts are not acceptable.
- If the requested receipt is lost or otherwise unavailable, most providers can provide a detailed statement documenting HRA eligible purchases.

Important point to remember: You cannot use your Debit Card at stores that do not participate in IIAS, even if you have used your Debit Card at these stores before. (Your transaction will be declined.)

Commonly Asked Questions Continued

How do I submit a claim?

To be reimbursable, the Participant must have incurred an eligible expense after his/her entry date into the plan. An expense is "incurred" when the Participant is provided with the care giving rise to the expense, not when the service is billed or paid. Reimbursement shall not be made for future projected expenses.

Complete a Request for Reimbursement claim form and submit an **ITEMIZED BILLINGS** for each line you have filled out. Receipts must include the following information:

- Nature of the expense – the specific service that was provided (not payment on accounts)
- Date of service – when the service happened (not when the service was paid for)
- Person receiving service (can be an eligible dependent)
- Amount of the service
- Name of the provider – clinic name and/or doctor's name and address

If any of these requirements are not met, the line missing the documentation cannot be paid until the corrected portion is received. All other lines with correct documentation will be paid. The IRS regulates the requirements for documentation.

All claims must be incurred during the plan year. Claims incurred outside of the plan year, before your enrollment date or after your participation terminates, will not be reimbursed.

Claim forms and documentation must be mailed, faxed or emailed to:

OneDigital
PO Box 46040
Plymouth, MN 55447
Fax: (952) 939-0990
Email: Mn-reimbursement@onedigital.com

You have the ability to enter your claims via the OneDigital/CHS Website.

<https://corporatehealthsystems.lh1ondemand.com/Login.aspx>. Simply log into your account, click on "File A Claim", complete all applicable fields, and click on the submit button. Once you have submitted your claim, you can either upload your receipt and email or simply fax your receipt for review. Step by step instructions will be included with your confirmation mailing if you choose to enroll in the medical health plan with the HRA component.

When must a claim be incurred in order to be eligible?

All claims must be incurred during the plan year. Claims incurred outside of the plan year or before your enrollment date will not be reimbursed. Claims incurred after your participation terminates can be reimbursed, if you file the request for reimbursement during the plan year and if you have funds remaining in your HRA account.

This summary is only an outline of general information. It is not a contract for coverage. Please refer to your summary plan description or certificate for detailed information

Please note: The first time a reimbursement is made on an Automatic Direct Deposit basis, your financial institution will process the reimbursement as a trial run. The funds will not actually be deposited to your account. Instead you will be issued a reimbursement check that you will have to cash and deposit yourself. After the trial run all subsequent reimbursements will be deposited directly into your account. Remember to attach a voided check if you want deposits made to your checking account.

AUTOMATIC DIRECT DEPOSIT
Another Convenient Feature of Your Reimbursement Account

You have the option to have your Reimbursements automatically deposited into your checking or savings account. This added service is designed to save you time handling your reimbursements from the plan. Instead of receiving a check for your Reimbursement, which you need to take to your bank or credit union to deposit, you will receive a notification stating the amount that has been deposited directly into your checking or savings account. You will continue to receive the flexible spending account summary highlighting the activity of your Reimbursement account(s) from OneDigital To sign up for Automatic Direct Deposit:

- ◆ Fill out the form completely, including: your name, Social Security number, telephone number, name and location of your financial institution and the name of your employer, including your division or location.
- ◆ Mark the appropriate box to indicate whether your Reimbursements will be deposited to your checking or savings account. If Savings, please indicate the 9 digit Federal Routing/Transit Number of your account.
- ◆ Attach a voided check to the form if you want Reimbursements deposited in your checking account.
- ◆ Sign the form and mail it along with the voided check to:
