2015-16 Site Progress Report

Community Services Division

Site Improvement Objective: #1

Site Improvement Objective: Expand and enhance the Northfield Promise (Collective Impact Initiative) in the community that will focus on supporting ALL Northfield youth from cradle to career

New/Continuing Objective: New **Length of Objective:** 2 years **Which Year:** Year 1 of the plan

District or DEPAC Strategy/Strategies Supported:

- Strategic Plan Communications/Partnerships - We will build and strengthen bridges of open communication that engage staff, students, families and communities as effective partners in education.
- Strategic Plan Curricular Outcomes - We will implement a consistent, comprehensive and challenging set of curricular outcomes that reach and engage all learners.
- Strategic Plan Diversity - We will implement plans and practices that foster full participation by all learners and that address issues that include, but are not limited to, race, gender, culture, religion, sexual orientation, language, disabilities and socio-economic factors.

Measurable Evidence of Need:

1. Locally, Northfield Promise is being led by the Northfield Healthy Community Initiative, of which the school district is a partner.
2. The most recent state budget included money for Northfield Promise because the Collective Impact Framework has gained attention due to measureable results seen in other communities.
3. Community Services convened the action team around one benchmark.

2015-16 Action Plan Completion Details:

Task No.	Tasks	Done	Not Done	Evidence of Completion if Completed
1	CSD Director serves on the HCI Collective Impact Steering Committee	X		- Community Services Director has attended monthly Collective Impact Steering Committee meetings since July 1, 2015.
2	Additional staff serving on action teams	X		- 8 Community Services staff are serving on the following action teams – Ready for Kindergarten, Connectedness Team and School-Age Social Emotional Action Team.
3	CSD staff helps to facilitate the work of the “Ready for K” action team	X		- A “Ready for Kindergarten” roadmap was developed and 500 copies were printed. These roadmaps were distributed at the Kindergarten meetings held in March. - In partnership with the United Providers Association, 2 trainings were held for local daycares: - Oct. 19, 2015 – I am Moving I am Learning training - May 16, 2016 – Six Keys of Social Emotional Development

4	Promote existing early childhood programming opportunities	X		<ul style="list-style-type: none"> - On August 21, 2015 Community Services hosted a lunch attended by 9 community organizations to inform them about the additional early learning scholarships available in the Northfield community. - 250 postcards advertising the availability of Pathway I and Pathway II scholarships were distributed throughout the Northfield community. - The “Ready for Kindergarten” roadmap included early childhood programming opportunities.
5	CSD staff helps to facilitate the work of the “Reading Team,” working on the benchmarks around reading by grade level in 3 rd and 6 th grade	X		<ul style="list-style-type: none"> - 3,459 books were distributed through free bookshelves throughout Northfield. Book collection continues. - A database of local bookshelves was developed. This database includes the contact information for each site. - A tracking system was developed to count the number of books distributed through the free bookshelves throughout Northfield. - Since October 22, 2015 all books distributed through the free, local bookshelves have the “1-2-3 Read with Me” sticker inside the cover. - Little libraries were built during Middle School Youth Center (MSYC) time during the school year and are in the process of being placed in Growing Up Healthy neighborhoods.
6	CSD staff provides general support to the Northfield Promise initiative	X		<ul style="list-style-type: none"> - Community Services has provided meeting space for Northfield Promise meetings. - Community Services has provided childcare for Northfield Promise meetings, as needed. - The Community Services Director helped to facilitate 4 Council of Champions meetings in 2015-16.
7	Share the work of Northfield Promise in the Northfield community and beyond	X		<ul style="list-style-type: none"> - On Oct. 1, 2015 the Community Services Director and the HCI Director presented on Northfield Promise at the National Community Education Conference. - On Dec. 11, 2015, the Community Services Director presented on Northfield Promise to the Big 9 Community Education Directors. - On April 5, 2016 the HCI Director presented on Northfield Promise to the Community Services staff. - On Dec. 1, 2015 the Community Services Director presented on Northfield Promise to the Community Services Advisory Council.

Which of these steps were especially powerful?

1. The completion of the “Ready for Kindergarten” roadmap (allows families to pair developmental needs with local opportunities).
2. The increased access to free books throughout the Northfield community.
3. The increased promotion and access to Pathway I and Pathway II Early Learning Scholarships.

What implications do this year’s results have for 2016-17?

1. Continue to disseminate the “Ready for Kindergarten” roadmap.
2. Continue to expand the teaming and partnerships among Early Childhood and Kindergarten staff and continue to work towards Pre-K to Grade 3 alignment.
3. Expand the involvement in various Northfield Promise benchmarks.

2015-16 Site Progress Report

Community Services Division

Site Improvement Objective: #2

Site Improvement Objective: To successfully implement security enhancements at the Northfield Community Resource Center and within Community Services Division programs.

New/Continuing Objective: Continuing

Length of Objective: 3 years

Which Year: Year 3 of the plan

District or DEPAC Strategy/Strategies Supported:

- Strategic Plan Stewardship - We will consistently demonstrate good stewardship by analyzing information, prioritizing needs and managing our financial, physical and human resources to support our mission.
- Strategic Plan Climate - We will create and strengthen an environment that fosters mutual respect, responsibility and rigor, and ensures the right to physical, emotional and intellectual safety for every person.
- Strategic Plan Communications/Partnerships - We will build and strengthen bridges of open communication that engage staff, students, families and communities as effective partners in education.

Measurable Evidence of Need:

1. Every participant deserves to feel safe in Community Services programs
2. Every instructor deserves to feel safe in Community Services programs.

2015-16 Action Plan Completion Details:

Task No.	Tasks	Done	Not Done	Evidence of Completion if Completed
1	Continue to monitor and improve security measures at the Northfield Community Resource Center (NCRC)	X		<ul style="list-style-type: none"> - Seven blinds were installed on interior ECFE classroom windows. - NCRC parking lot has a large crosswalk to the Community Services entrance. - Six parking signs (4 for “parking for families with small children” and 2 for “15 minute parking”) were added to the Community Services parking lot. - On Mar. 1, 2016 three members of the Northfield Police Department met with CSD staff and building partners.
2	Improve building signage at the NCRC	X		<ul style="list-style-type: none"> - In October 2016, an electronic sign was installed outside the NCRC. This sign will contain information about Community Services programming. - Room signs, that are perpendicular to the hallway, were added to all Community Services rooms - Two direction signs were purchased for early childhood screening. - Room signs were added outside ABE classrooms

3	Improve signage and security at Community Services Division programs	X		<ul style="list-style-type: none"> - A sign recognizing Early Ventures and Hand in Hand's 4-Star Parent Aware status was hung outside the front of Longfellow School in the spring of 2016. - Early Ventures second fingerprint reader was installed in May 2015. It was determined in the fall of 2015 to keep the reader as a permanent fixture outside of door #4. - On June 7, 2016 the Director of Buildings and Grounds attended the Community Services staff meeting. - Piloting tracking volunteers using CitySpan was put on hold due to changes required by the MN Alliance with Youth in Promise Fellow reporting..
---	--	---	--	--

Which of these steps were especially powerful?

1. Many of the improvements at the NCRC were suggested by staff and families as part of the facility conversations and it has been valuable to follow through on these items.
2. Improved signage at the NCRC has helped people find the Community Services Division.
3. The Parent Aware signage at Longfellow increases awareness of early learning scholarships.

What implications do this year's results have for 2016-17?

1. This is the last year of this site improvement plan objective.

2015-16 Site Progress Report

Community Services Division

Site Improvement Objective: #3

Site Improvement Objective: Determine appropriate space and programming needs for Community Services programs.

New/Continuing Objective: New **Length of Objective:** 3 years **Which Year:** Year 1 of the plan

District or DEPAC Strategy/Strategies Supported:

- Strategic Plan Quality Education - We will hire and retain highly qualified educators and provide them with ongoing support and training to deliver high quality instruction that meets the unique needs of all learners.
- Strategic Plan Stewardship - We will consistently demonstrate good stewardship by analyzing information, prioritizing needs and managing our financial, physical and human resources to support our mission.
- Strategic Plan Climate - We will create and strengthen an environment that fosters mutual respect, responsibility and rigor, and ensures the right to physical, emotional and intellectual safety for every person.
- Strategic Plan Communications/Partnerships - We will build and strengthen bridges of open communication that engage staff, students, families and communities as effective partners in education.
- Strategic Plan Diversity - We will implement plans and practices that foster full participation by all learners and that address issues that include, but are not limited to, race, gender, culture, religion, sexual orientation, language, disabilities and socio-economic factors.

Measurable Evidence of Need:

1. Participant numbers in Community Services programs continue to grow.
2. We are in the second year of the 21st Century Community Learning Center grant, which provides funding for the Greenvale Park Community School.
3. Northfield's demographics continue to change and Community Services needs to provide access to programs and services to meet community needs.

2015-16 Action Plan Completion Details:

Task No.	Tasks	Done	Not Done	Evidence of Completion if Completed
1	Explore, modify and expand programming spaces for early childhood learners.	X		<ul style="list-style-type: none"> - One additional Hand in Hand preschool classroom was added at Longfellow School. This included purchasing supplies and furniture, setting up technology, hiring staff and marketing the additional classroom to the community. - One additional EarlyVentures preschool room has been added for the 2016-17 school year. The classroom was approved and licensed by the Department of Humans Services (DHS) for 20 preschool students on July 15, 2016. - Materials for the new EarlyVentures preschool room were collected and purchased throughout the spring and early summer of 2016. All materials for licensing were on site by July 11, 2016.

				<ul style="list-style-type: none"> - A new EarlyVentures preschool teacher was hired on August 25, 2016. - In September 2015, ECFE Family School programming moved to Emmaus Church. It has since moved back to the NCRC. - Early Childhood Screening moved to the NCRC to allow for space for the additional EarlyVentures preschool room.
2	Explore space options for afterschool elementary and middle school programming.	X		<ul style="list-style-type: none"> - All KidVentures after school programming took place in the lunchroom, gym, outside and computer lab for the 2015-16 school year. - A conversation was had with the Middle School Principal in spring 2016 regarding MSYC space. The Middle School Principal suggested one additional space on the second floor.
3	Expand programming at Greenvale Park Community School.	X		<ul style="list-style-type: none"> - Days and times of Adult Enrichment programming were reviewed. - November 2015 – May 2016 a bimonthly Kindergarten Club was held. Childcare was offered on Tuesday and Thursday evenings throughout the year. - Dental clinic with HealthFinders and Minds on Theater Club with Carleton College teaching mental and physical health concepts and body awareness through theater.
4	Increase access and awareness of Community Services programs.	X		<ul style="list-style-type: none"> - 35 students accessed scholarships to attend Hand in Hand preschool. - The ECFE sliding fee scale was reviewed and modified. - Books and furniture were added to the link space at the NCRC near the Community Services Division to provide a family literacy space. - Community Services programming was showcased at Healthy Kids Day, the Greenvale Park Community School's Health Fair and the Community Youth Fairs. - An early bird rate option was implemented for the Northfield Skating School and the British Soccer program. - Yard signs advertising Community Services programs were posted around Northfield for 4 months.
5	Explore additional locations in the Northfield community for Community Services programs.	X		<ul style="list-style-type: none"> - On Mar. 3, 2016, five Community Services staff toured the Dakota Valley Educational Center in Apple Valley and the Crystal Lake Educational Center in Lakeville. - Community Services programming was added at the Northfield Skatepark and the outdoor pickleball courts.

Which of these steps were especially powerful?

1. The addition of the Hand in Hand classroom and Early Ventures preschool room allows us to serve more students.
2. Moving Early Childhood Screening created more space for classrooms at Longfellow School.
3. Increasing access and awareness to Community Services programs has allowed us to serve more members of the community.

What implications do this year's results have for 2016-17?

1. Continue to expand programming at the Greenvale Park Community School.
2. Continue to improve Community Services spaces and provide input on the district's Master Facilities Plan.
3. Expand outreach to Early Childhood children and families.
