News from the Principal

Middle School Families:

At the time I am writing all of you, we are watching yet another possible weather issue approaching us. Because of this, I find it most appropriate to speak about our pilot flexible learning days that we have rolled out this winter.

The thinking about flexible learning days is that even though we are clearly not replicating a regular school day, the hope is that student learning is greater than it would be in June, if we added days to our calendar. Only time will tell if this is a good plan or if adding days to the end of the school year is the better option. However, either way I want to thank you for being willing to partner with us in an effort to keep learning moving forward, even on days we cannot attend.

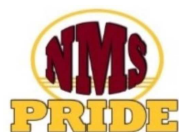

Flexible learning days do come with some challenges we need to work through. The first is how to handle students who do not have access to technology outside the school day. Our first attempt at allowing these students the same or similar opportunity is to allow students three days to complete assignments after we return to classes. Some other pieces to this that we are still working through are, students procrastinating to complete the assignments given and evaluating the additional workload for students who did not have technology access. This pilot is a work in progress. With student, family, and staff feedback we hope a plan to support all our students through unexpected school cancellations will fall into place.

How can we strengthen this partnership during flexible learning days? The first way is to encourage your student to communicate with their teachers and then follow up and make sure it happened. Secondly, sitting down and having them show you the assignments on Schoology that they need to complete or showing you what they accomplished when you get home from work. Finally, sit down and help your student map out a plan on how and when they will get all the work completed and then checking in to see if they are on track.

I would love to be writing you and saying we will not have another flexible learning day this year, but the odds are we will. My goal is to do my best to support all of you and our teachers as they do their best to create assignments that will keep the learning process going.

I would like to thank you for having such amazing students and the incredible support you show the middle school. Please take some time to read through this newsletter and know we are here to support all of you.

Student Support Services

6th/7th Grade Students:

Registration for next year's classes will occur the first two weeks in March.

Stay tuned more information to come out on Schoology.

7th Grade Courage Retreat:

The Courage Retreat is **Friday, March 8**. Students will be bussed to either St. John's or Bethel Church for the day. A group called Youth Frontiers spends the day with our 7th graders, working on respecting others, developing friendships, and

improving how we treat one another. High school leaders will be selected to run small group activities. More details will come out in the next few months.

8th Grade Students:

High School registration will be on **February 25**. The counselors will be visiting 8th grade geography classes to go over course options for 9th grade.

*Parent night for 9th grade will be the **evening of February 25**. More information will be sent out from the high school.

Future events:

Fun Fest: We are hosting an 8th grade party night on **May 17 from 5-8 pm**. More details to come in future months.

Student Council

Student council helped the Community Action Council with their Holiday Sharing program in December. Student council members set up the "wish list" display at the middle school. Items on the list could be purchased and were donated to families in need.

We held our second Films 4 the Food shelf event on January 18 and showed the movie Cool Runnings. Students were

asked to bring an optional donation of \$2.00 or a non-perishable food item. All food and money donations went to the local food shelf.

The next Student Council sponsored dance is **Friday, February 8, from 3:00 to 5:00 pm**. This dance is open to students who attend the Middle School at least halftime. The cost is \$4.00, and there will be concessions for sale in the cafeteria.

All school rules apply throughout this event. Students should be picked up promptly at 5:00 pm.

Knowledge Bowl

Northfield Middle School's Knowledge Bowl team has concluded a successful season of competition. This year we increased our participation from six to eight teams totaling 42 students in grades 6 and 7. All eight teams competed successfully during our round-robin competitions this past fall. Four of the eight teams advanced to the Regional final competition which was held on January 18. Knowledge Bowl students have also brought a lot of enthusiasm and excitement to my classroom for practices after school. Thanks for a great season- I look forward to next year.

Math League Wrap Up – 2018-19

The NMS Math League team recently completed another phenomenal season. The NMS Maroon and Gold teams placed 1st and 3rd against Cannon Falls, Kenyon-Wanamingo, Zumbrota-Mazeppa, Pine Island, and Goodhue. This is Northfield's 7th consecutive regional title!

A special recognition goes out to four of the team members who were in the "Top 10" performers for the region this season:

9th - **Evan Musicant** (6th grade),
5th - **Sebastian Brunelle** (7th grade),
4th - **Amelia Rosenhammer** (7th grade)
1st - **Kieran Decker** (8th grade)

Congratulations Mathletes!!!

Band News

We have some band concerts coming up! **Monday, February 4**, the 8th grade band will be playing with the high school bands in the middle school auditorium at 7:00 pm. The 8th grade band students should arrive in the middle school band room by 6:30 pm wearing their concert attire. Because this is mostly a high school concert, admission will be charged- \$3 for adults and \$1 for students & senior citizens.

Tuesday, Feb. 5 is when the 5th, 6th, and 7th graders take the stage at the middle school. The 5th graders will perform at 6:30 pm. The 6th graders will perform at 7:00 pm and should be at the middle school at 6:40 pm and plan to stay to hear the 7th grade band. The 7th graders will play at 7:30 pm and should be at the middle school at 7:10 pm. The middle school jazz band will take the stage at 8:00 pm. All of the bands have made tremendous progress this year! Please

come and support them and plan to stay for the entire evening.

Congratulations to **Anna Imdieke, Allie Hoffert, Juliet Murphy, Sam Boardman, Ethan Arndt, and Jaden Hietala** for their participation in the SEMBDA (South East Minnesota Band Director's Association) regional concert honor band. They had rehearsals and a concert on Jan. 12, in Farmington. The band sounded fantastic!

There are two middle school jazz band events coming up in March. On **March 2**, we will be attending the U of M Jazz Festival in Minneapolis. More information will be coming out when I get the specific performance schedule. Our final district jazz band concert of the year will be on **March 18**, in the high school auditorium. Admission will be charged at the March 18, concert.

Lesson attendance has been very good this year. Please encourage your band student to practice regularly. There is no substitute for focused practice on his/her instrument. Technology has changed many things in our lives, but one thing it has not changed is the amount of work that it takes to become proficient on a musical instrument. Your son or daughter will never regret practicing and improving their musical ability, and the self-discipline that they will develop in this process will help them in countless ways!

See you at the concerts!

Orchestra News

Three students from Northfield Middle School have been invited to participate in the 2019 Minnesota String and Orchestra Teacher's Association (MNSOTA) Middle Level Honors Orchestra. This select group of string players from across the state earn an invitation to play in the Honors Orchestra (grades 7-9) based on an audition recording of their playing. Congratulations to **Kieran Decker** (viola), **Cricket Mohring** (violin) and **Grace Ryden** (cello)! Congratulations also goes to **Sam Nelson** (bass) being selected as an alternate. The MNSOTA Middle Level Honors Orchestra will perform on **Saturday, February 16 at 11:00 am** in the Minneapolis Convention Center in conjunction with the annual Minnesota Music Educators Association Mid-winter Clinic.

At the Winter Orchestra Concert on December 17, we collected more than \$320 and 406 pounds of food for the local food shelf. WOW! That is a record for this concert. Thank you for your generosity!

The 7th and 8th Grade Orchestras have an opportunity to perform in the MNSOTA Middle Level Orchestra Festival. This festival will be on **Wednesday, March 6** at Faribault Middle School. Detailed information will be sent home soon in preparation for this event.

The next orchestra concert will feature all of the orchestra students from the Northfield Public Schools Orchestra Program (grades 4-12). This All-District Concert is on **March 21 at 7:00 pm** in

the High School Gymnasium. Information about our mass rehearsal prior to the concert will be sent home closer to that date.

Please do not hesitate to contact me if you have any questions about any of these upcoming events. And as always, thank you for supporting your Middle School orchestra student and the orchestra program in Northfield!

Choir News

Thank you to the parents and guardians who are continuing to support the NMS choir program. Winter Walk was a success by both the large choirs and the small caroling groups! Working with your children has been amazing so far, and as we begin our more challenging music, choir has only become more exciting for both your students and me!

As we enter quarter 3, we have some big events coming up. On **Friday, February 8** we have our district choir festival, and on **Thursday, April 25** we have our Spring Choir Concert. Please keep an eye on Schoology for updates as we get closer to these bigger dates.

Please feel free to call or email me anytime at (507) 663-0675 or mmlaudenbach@northfieldschools.org.

Thank you!

Nurse Notes

ATTENTION 6th Grade students: Minnesota State Immunization Law requires the following immunizations before entering 7th grade in the fall of 2019. Please provide a copy for the Health office when shots are given so your health records can be updated at school.

- Tdap, a new one needs to be given unless they had one after their 7th birthday.
- 2 Varicella vaccines OR proof of Chickenpox
- Meningitis (meningococcal)
- All childhood vaccines must be on file OR, provide a Legal Exemption, This must be notarized or signed by your physician, if a medical exemption.

You may schedule your immunization appointment now with your clinic. Get them done early since supplies become limited in August.

Influenza (Flu)

Is a contagious disease that spreads by coughing, sneezing and close contact? It is caused by the influenza viruses. Vac-

cines are available to help prevent this illness.

Symptoms are: fever 100 or higher/chills, sore throat, muscle aches, fatigue, cough, headache, congestion.

Good hand washing with soap and water is the best defense against spreading unwanted illness. ****When calling in your sick child on the attendance line, please list symptoms of illness.**

Strep

Signs and symptoms you may have:
Sudden onset of sore throat
Fever/nausea/vomiting/stomachache
Bad headache
Inflammation of throat, tonsils, enlarged cervical lymph nodes.
May have skin rash.

A throat culture is necessary for diagnosis and antibiotics are prescribed for treatment. May return to school after 24 hours of antibiotics, fever free and feeling better.

Medication

For prescription medication to be given at school, a completed School Medication Administration Form must be on file. The name of the medication, dose, time of day, and a parent & physician signature is required. School staff may not administer

any prescription medication without this on file or another dose that is not listed on the medication form.

Injuries/Surgery/Special health care

In the event that your student would have an injury, require surgery or have any special health care needs, please contact the school nurse and a health care plan can be set up for accommodations while at school. Please provide a physician note with the diagnosis and their recommendations for activities/gym.

W.E.B. - Where Everybody Belongs

Even though winter can get long, WEB is keeping it exciting here at NMS. In December we played winter charades with our WEB groups and celebrated our leaders' hard work with a formal sit down dinner and games. On **February 1**, WEB groups will play SPOONS and other WEB leader favorite games.

On January 24, our WEB leaders had the opportunity of participating in our annual

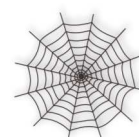

Buck Hill Tubing event. This meant 2 hours of fun, going down a hill over and over again! WOOHOO!

Sixth graders can look forward to **February 13**; they will have a WEB lunch and catch up with their group, summarize the first half of the school year and set goals for the second half.

Special note to 7th graders: we will begin

the 2018-2019 WEB leader selection process in April. Morning announcements will have more information in the future.

Middle School Athletics

It may seem a bit early to be thinking about spring sports, but the season will be here before we know it. The middle school offers Boys'/Girls' Track, Boys' Tennis, and Fitness Center. For more information or if you have any questions, please contact Jen Henriksen at jhenriksen@northfieldschools.org or 507-663-0680.

Sports offered through the high school that grade 7 and 8 students can participate in are Boys' Baseball, Boys'/Girls' Clay Target, Boys'/Girls' Golf, Boys'/Girls' Lacrosse and Girls Softball. These sports will require students to have a sports physical on file and sent over to the high school activities office. For more high school activities information, you can reach Sheryl Docken at sdocken@northfieldschools.org or 507-669-0632.

Registration for spring sports will be available starting **March 1, 2019**. Practices will begin on Tuesday, **April 2, 2019**. You can register online at www.northfieldschools.org and click on the red clipboard. Registration must be completed before an athlete can begin practice. The last day to register and begin practice is **Friday, April 12**.

Athletes should come to practice prepared for chilly weather. Dressing in layers works best. Practices will be 3:00 – 4:30 pm, Monday - Friday, unless specified otherwise by the coach.

In the event that we are not able to practice outside, Track/Field will practice in the gym on **maroon** days and Boys Tennis will practice in the gym on **gold** days.

Game/Meet schedules will be available online as the season approaches at

<http://big9.org>.

Activities Hotline: **507-645-3559**
This line provides updated information regarding competitive events only. Information regarding practice schedules or changes to practice schedules ARE NOT announced on this line unless there is a cancellation due to weather.

Please contact Jen Henriksen or Michael O'Keefe at 507-663-0680 if you have questions about NMS activities.

Announcements and News on the Web

Middle School students start each day with televised morning announcements. These announcements are also posted on our middle school website during the school day. Parents can access the announcements by going to www.northfieldschools.org and clicking on Northfield Middle School and then announcements. Announcements usually remain posted by date for approximately two weeks. In the event that our web-master is absent, there may be a delay in

posting. Our eight-minute long, student run morning news show is available for streaming from our website. Please check it out.

Our bi-monthly parent newsletter is also posted on the web. You can access this information by going to www.northfieldschools.org then clicking on News and Publications and then Newsletters. You will find newsletters for all buildings on this webpage.

Parents are also invited to check out the Northfield School District web page at www.northfieldschools.org. If parents have not already done so, they can create a Family Access account to view student data. You can apply for an access user name and password on line. You should receive this information back via e-mail within a couple of days.

Yearbook

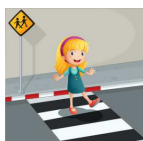

Order your 2018-2019 school yearbook and capture all the memories! Buy now for the best prices all year! Yearbooks are for sale now on the Northfield Middle School website. Click on the blue “Jostens Yearbook” link to place your order.

Safety

Reminder for a safe AM drop off and PM pick up at NMS: Thank you to all families for pulling as far forward in the loop area before letting your students out in the morning and picking them up in the afternoon. We want to be sure that all of our students and staff are safe when entering/exiting vehicles, so please remember to **drive slowly**. Only use the inside lane around the loop if you are parking, and pull your vehicle all the way around before dropping off or picking up passengers.

For our walking families, please stress the importance of staying in the crosswalks and not entering them until the crossing guard tells them it is safe. With winter in our future, a little extra time and patience will be needed to make sure we stay accident free.

Cell Phones and Electronics

Cellular phone use is prohibited during school hours at the Middle School. All cell phones should be turned off prior to entering the academic wings and not visible during or between classes. Students who do not follow this policy could have one or more of the following consequences:

- Cell phone will be confiscated until the end of the day.
- Parent will need to pick up the cell phone in the office.

Radios, CD Players, MP3, I-Pods are not allowed in the classrooms and/or in the hallway. If a student chooses to listen to them on the way to school or on the way home, they must turn them off and keep them out of sight.

Violation of the above policy could result in one or more of the following consequences:

- Detention
- Confiscation until the end of the day

- Confiscation until the end of the year
- Parent Conference
- School Service Project

We appreciate your support with these policies.

Attendance: (507) 663-0655

Please call the 24-hour attendance line or email Jen Henriksen, each day that your child is absent. You may reach the attendance line at 663-0655 or emailing jhenriksen@northfieldschools.org.

E-mailing teachers DOES NOT count as official notification for state attendance records. When calling or emailing the attendance, please leave your student's name, grade, reason for absence and your relationship to the child. If calling or emailing an illness, please leave information regarding symptoms. Our health services staff is required to file a report with the State Health Department if there is an unusual increase in certain illnesses. Students who are not called in

or emailed to Jen Henriksen, will be considered unexcused until a parent/guardian notifies us. If you should forget to call in, your child may turn in a note to the attendance window outside the office when he/she returns to school. Students may not call in their own absences.

If a parent knows of a student's extended absence in advance, the absence should be called into the attendance line or emailed to Jen Henriksen. Students should also connect with their teachers to assure any missed work will be posted to Schoology. Students are responsible for completing all work posted to Schoology. Students returning from an extended absence will need to schedule

arrangements with the teacher for completing any work that could not be completed during the absence. Homework will not be collected in the office for a student prior to absence.

Parents call attendance line 507-663-0655 or email Jen Henriksen at jhenriksen@northfieldschools.org to report the absence.

Students contact the teacher to assure that any missed work will be posted to Schoology and schedule arrangements to
