Welcome Back:

I would like to welcome you back for the 2012-13 school year. I hope you have all had a nice summer break and found time to do some vacationing, relax and enjoy family time. The ALC was a busy place this summer. Two sessions of summer program was available for students, and we had a number of students take advantage of this opportunity. John and Jerry have been busy making sure all rooms are in tip top shape upon your return. Thanks to John and Jerry for the great job. Sheila has also been busy making sure all orders and supplies are ready for you.

I would like to welcome back all our returning staff and a special warm welcome to our new staff. Elaine Harries will be teaching Special Education at both the ALC and High School. Amy Moeller who has worked with Curriculum and Staff Development will be with us teaching a section of Language Arts during 2nd block. Our Promise Fellow this year is Simone Greenleaf.
