FY 2012-2013 is revenues of \$40,859,982 and expenditures of \$40,965,359. The major factors contributing to the changes in expenditures are:

- VI. Items for Discussion and / or Reports
  1. Professional Learning Communities Presentation – Northfield High School.  
The tenth grade US History PLC team presented their SMART goal to increase performance of American History 10 students so that 100% will demonstrate 70% or greater mastery, as measured by common unit summative assessments. Eric Sandberg, Mary Schmitt and Sarah Swan McDonald spoke about their re-take policy, individual re-take plans and “front loading” of preparation materials for students falling below 70% mastery of standards. They also provided assessment data that supports the success of this policy, and their next steps.
  2. English Learner (EL) Transition Kindergarten.  
The EL Transition Kindergarten class was created to address the needs of native Spanish speaking students who possess minimal skills in both their first language (L1), Spanish, and in their second language (L2), English. The goal of the Transition Kindergarten is to provide students with a solid foundation in L1, making it easier to acquire L2 in the future. Since its creation, changes have occurred within the native Spanish speaking population in Northfield. The total number of students across the district who are classified as non-English speakers is declining. Similarly, the number of students entering Kindergarten who have minimal skills in both Spanish and English is decreasing. Given these changing demographics, Director of Student Services Gary Lewis presented how the structure of the EL Kindergarten class will be modified to provide instruction in both English and Spanish and insure the Kindergarten curriculum is addressing the current needs of our English learners.

Re: Summer Eagle Bluff Trip through Community Services

**Background:** At the January 14, 2013, meeting of the Northfield School Board, the Board unanimously approved transitioning the 7th grade environmental learning center experience to a minimum of two one-day trips (team building and environmental studies) during the school year that enable all students and their current teachers and supporting staff members to experience off-campus activities together. In addition, the Community Services Division will offer an optional residential experience at an environmental learning center for all incoming 7th graders prior to the beginning of the 2013-14 school year.

**Trip Dates:** The Community Services Division has made arrangements with Eagle Bluff to have an environmental learning center trip take place August 21-23, 2013. Students interested in participating in this trip will leave from the Middle School at approximately 8:30 a.m. on Wednesday, August 21 and return to the Middle School at approximately 3:00 p.m. on Friday, August 23.

**Cost:** The cost to participate in this trip is \$220.00 per student and scholarships are available.

**Eagle Bluff Reservation:** The Community Services Division will be billed for a minimum of 85% of the confirmed reservations. In order to help determine the number of reservations needed, the Eagle Bluff trip dates and cost were communicated with current 6<sup>th</sup> grade families in the following ways:

- February 19 – email to all Northfield Public Schools current 6<sup>th</sup> grade families
- February 25 – reminder email to all Northfield Public Schools current 6<sup>th</sup> grade families
- February 27 – email to all St. Dominics and Arcadia current 6<sup>th</sup> grade families
- February 28 – information available at Middle School conferences
- March 4 – information available at Middle School conferences

A response was received from 97 families. Of the 97 responses, the majority expressed an interest in participating in the trip while others wanted to continue to receive information, but did not want to commit to the trip. A reservation for up to 80 participants is available at Eagle Bluff.

**Registering for the Eagle Bluff Trip:** Community Services will begin registering participants for the Eagle Bluff trip on Friday, April 19. This is the same date as registration begins for all other summer Community Services programs. Registration can take place online, by phone, by visiting the Community Services office, by fax or by mail. Prior to the April 19 opening of registration, an email will be sent to the 97 families who wanted to continue receiving information about the trip. This email will detail when registration begins and how to register.

**Next Steps:** Below are the steps to be completed in the next month.

- Begin registering participants for the trip.
- Hire a coordinator for the trip.
- Hire chaperones for the trip.
- Finalize reservation contract with Eagle Bluff. This contract is due with deposit on May 17, 2013.

Northfield High School -- Co-Curricular (Activities Department) potential additions

Lacrosse and Clay Target teams

Further discussions will occur with the Activities Advisory Committee (AAC) regarding Lacrosse and Clay Target additions to the Northfield High School Activities program. Lacrosse and Clay Target have shown participation numbers that can sustain each program now and into the future.

Opportunities for the past few years in the sport of Lacrosse have been provided by Community Services and the Northfield Lacrosse Association and we are now in a position with participation and interest to consider this addition. If added, Lacrosse would be a spring sport and would be offered to both genders as a JV and Varsity program. The Minnesota State High School League adopted Lacrosse about six years ago and the Minnesota and Big Nine Conference each have a number of schools playing Lacrosse so we see this as a good fit.

The Northfield High School Clay Target team is currently run through Community Services. To be a lettered activity Clay Target needs to be listed with Northfield High School Activities and be part of the High School's co-curricular program (also a spring season). The addition of Clay Target as an official activity of Northfield High School may have a structure similar to how Bowling is configured (boys and girls program). The Minnesota State High School League (MSHSL) is a presenting partner of the Minnesota Clay Target League (meaning the Minnesota Clay Target League runs the state tournament, not the MSHSL).

Again, both Lacrosse and Clay Target will be discussed and evaluated at length by the Activities Advisory Committee. The AAC will next convene on April 10, 2013. More information and perhaps recommendations for additions may be presented to the School Board in either May or June, 2013.

Northfield High School Activities Director

School Board information (4-8-13)

Please see below regarding the recommendation to our School Board for Northfield High School to join the Big Nine Conference.

With the dissolution of the Missota Conference commencing with the conclusion of school year 2013-14, Northfield High School needs to be a member of another conference. After much research, time, discussion, and thought it is my recommendation that the Northfield School Board vote in favor of Northfield High School entering the Big Nine Conference.

With the departure of Farmington, Shakopee, Chaska, Chanhassen, Red Wing, and Holy Angels from the Missota Conference at the conclusion of school year, 2013-14 it's important for Northfield to be relocated with conference affiliation. We checked with many school districts in our general vicinity and the most viable, and perhaps the only viable option is the Big Nine Conference. A major plus of the Big Nine is that they really want Northfield to rejoin the conference. Northfield had been a Big Nine Conference member up to 1970 when we left to join the Missota Conference. The Big Nine Superintendents have already voted to accept Northfield pending our application. With Northfield School Board approval we would expect to see the official acceptance of Northfield into the Big Nine at the Big Nine Executive meeting in early May, 2013.

We will work hard with Big Nine schools to ensure the best possible co-curricular opportunities and experiences possible. There will be creative and innovative scheduling done to keep students in school and to not get them home too late at night. Northfield will be "at the table" with a voice on how best to complete the tasks listed above. The Big Nine Schools have programs similar to Northfield High School; athletic, academic, and in performing arts. We will not see diminished opportunities for our students.

I ask the Northfield School Board to officially vote in support of Northfield High School to join the Big Nine Conference, beginning on July 1, 2014.

# NORTHFIELD HIGH SCHOOL

## Activities Office

**TO:** Dr. Richardson

**FROM:** Tom Graupmann

**DATE:** March 22, 2013

**RE:** **Dissolution of Cooperative Sponsorship**  
**"new" Application of Cooperative Sponsorship (non-exclusive)**

The purpose of this memo is to ask the board to take action to dissolve our current cooperative sponsorship with Arcadia School and Randolph Schools in Boys' Swimming and Diving, and then to reform a co-op with Arcadia.

With the Minnesota State High School League's formula for reclassification, the combined enrollment with Arcadia, Randolph, and Northfield High School places Boys' Swimming and Diving into the competitive class with the largest schools in the state (AA). If students from Arcadia wish to participate we are still able to form what is called a "non-exclusive" cooperative agreement with them. By doing so, we do not take on the entire enrollment of Arcadia, thusly not pushing Northfield High School into the larger classification. However, we do need to drop Randolph Schools from this Co-op, since Randolph's enrollment (which we need to claim the entire 9-12 numbers) does move Northfield High School Boys' Swim and Dive team to AA.

Attached is the form for dissolution that will need to be signed. Also attached is the "new" application, to Co-op with Arcadia (non-exclusive).

For the reasons mentioned above, I would ask you to recommend the School Board to sign both the dissolution and "new" application.

Upon the passage of this resolution, the attached form must be signed and should be returned to me.

Let me know if there are questions.
