To ensure that all individuals have a chance to speak, speakers will be limited to one three-minute presentation. This is not a time to debate an issue, but for the Board to hear your comments.

The Minnesota Government Data Practices Act prohibits comment about specific student matters, even without naming the student, in open session. This includes the public comment portion of our meeting. The Board respects and values input on student matters, but when it relates to a specific student or to a specific student matter, such input must be heard by the appropriate personnel - such as the building principal or superintendent - and not during an open meeting of the School Board.

 1. Truth in Taxation Presentation for the Payable 2017 Property Tax Levy followed by Public Comment.
The amount of the proposed levy for 2017 is \$15,577,064.60 and represents a \$28,962.48 increase from the prior year. Director of Finance Val Mertesdorf will review the levy and the current year's revised general fund budget. The public is invited to speak following the presentation.
 2. District Youth Council Update (DYC).
Berit Hendel, representing the DYC, will update Board on the Council's progress this year and their plans for the next few months.
- VII. Superintendent's Report.
 - A. Items for Individual Action
 1. Certify Final 2016 Payable 2017 Tax Levy.
This action completes the School District's process that began in July with the initial submission of data to the Department of Education, our subsequent review and analysis of the Department's calculation, and the estimate of the School District's property tax base by Rice, Goodhue and Dakota counties. A Truth in Taxation presentation followed by public comment was held as part of the Regular Board Meeting on December 12th to provide a final opportunity for community feedback to the proposed levy. This levy, payable in 2017, will be a component of the 2017-18 fiscal budget.

Superintendent's Recommendation: Motion to certify to County Auditors the 2016 Payable 2017 Final Certified Net Tax Levy in the amount \$15,577,064.60.
 2. Fiscal Year 2016-2017 General Fund Budget Revision.
The Director of Finance Val Mertesdorf is recommending the following revisions to the School Board for the FY 17 general fund budget. The adopted general fund revenue and expenditure budget for FY 17 was \$49,189,318 and \$50,870,109 respectively. The recommended revised budget for FY 17 is revenues of \$50,055,505 and expenditures of \$50,084,219. The major factors contributing to these changes include increased enrollment, final settlement of employee agreements and final audited data from FY16.

Superintendent's Recommendation: Motion to approve the revised 2016-17 general fund budget of revenues of \$50,055,505 and expenditures of \$50,084,219.

3. Early Childhood Special Education Request.

Director of Special Services Cheryl Hall is proposing adding 1.5 FTE to the ECSE program to meet state mandated caseload limits. The rationale for this request and the proposal is enclosed.

Superintendent's Recommendation: Motion to approve a 1.5 FTE increase for licensed staff to provide services for Early Childhood Special Education.

4. Contingency Fund - Second Semester 2016-2017.

Superintendent Hillmann proposes additional contingency funding to provide two additional sections for the second semester at Northfield Middle School and two additional sections at Northfield High School. The purpose of additional contingency funding is to address some class size issues at our secondary buildings during the second semester – most likely in the form of overload assignments. The anticipated cost would be no more \$31,388 based on a pro-ration of the District's general full time equivalent (FTE) estimate.

Superintendent's Recommendation: Motion to approve two additional sections for the second semester at Northfield Middle High School and two additional sections at Northfield High School for the second semester not to exceed \$31,388.

5. Site Improvement Plans.

Over the last several Board meetings, Board members have had an opportunity to hear presentations for each of the elementary and secondary buildings, the Area Learning Center and Community Services concerning their progress on their 2015-16 school improvement plans as well as their continuous site improvement plan for the 2016-17 school year. Each site identified one or more achievement and climate goals and provided specific activities, benchmarks and evaluation criteria that will be used to chart their progress in supporting increased student achievement and enhanced building climate. The action of the Board is to affirm the work of each site in the development and implementation of these plans.

Superintendent's Recommendation: Motion to approve the seven site improvement plans submitted by building or program staffs for the 2016-17 school year.

B. Items for Consent Grouping

Superintendent's Recommendation: Motion to approve the following items listed under the Consent Grouping.

1. Contract for Services Agreement with Gary E. Lewis, Ed.D.

The District proposes contracting with Dr. Gary Lewis to serve in the role of Assistant Director of Special Education on a part-time basis for the remainder of the 2016-17 school year. The Assistant Director of Special Education position became available when Lynn Krominga was hired to be the Executive Director of the Cannon Valley Special Education Cooperative. Dr. Lewis's vast knowledge of special education, the District, and programming will allow the District to provide excellent support for our special education students, families, and staff. Truth in Taxation | Pay 2017 • Budget Revision Narrative

Val Mertesdorf, Director of Finance

The Truth in Taxation presentation is designed to provide an opportunity for the District to share information with the public regarding our levy and our budget. The law also allows the public an opportunity to speak.

2016 Pay 2017 Property Tax Levy Summary

Our maximum levy authority and certified levy authority is up \$28,962.48 or 0.19% compared to one year ago. Our proposed Pay 2017 levy is a total of \$15,577,064.60.

This is due to a few factors, including:

1. Phased in Long Term Facilities Maintenance (LTFM) revenue.
2. Change in the operating capital formula which provides more state aid and helps offset the increase in LTFM revenue.
3. Several adjustments both positive and negative from prior year formulas.

Levy Authority vs. Certification

Our Pay 2017 property tax levy seeks to use the maximum authority provided by the Minnesota Department of Education. By seeking maximum authority, the District will levy \$28,962.48 more than it did last year.

2017 Property Tax Levy Breakdown

The District's property tax levy of \$15,577,064.60 breaks down this way:

- Debt Service 32%
- General Fund: Referendum 48%
- General Fund: Other 13%
 - Includes Location Equity Revenue, Operating Capital, Health and Safety, Building Lease, and OPEB
- Capital Levy: 5%
- Community Services: 2.0%

Subtotal Comparisons

The District's Pay 2017 levy includes a 4.12% increase in debt service, a 1.56% decrease in general fund dollars and a 1.37% decrease in community services. The District's Pay 2017 levy will include a 2.36% increase in the amount authorized by the voters and a 3.91% decrease in the 'other' portion of the levy. This change is largely due to the inflationary increase allowed by our referendum and the reduction in our operating capital levy.

As a testament to this community's generous support of education you can see that 67% of our total levy is voter approved.

QUESTIONS?

2016-17 General Fund Budget Amendment

Each year the District revises the General Fund Budget after the year has started and we have more accurate information. As a requirement of the Truth in Taxation process we must discuss the General Fund Budget so we take the opportunity to revise it at this time.

We now have our audited financials from the prior fiscal year, our October 1 enrollment is no longer a projection, we have settled our employment agreements, hired staff and we have our allocations for federal funding from MDE. We take all this information and compare to the adopted budget presented in June and see which areas of the budget need to be adjusted.

Our October 1st enrollment was significantly higher than what was projected in June. We input the October 1st enrollment into our model and use historical averages and the cohort survival method to predict future enrollment. In June we projected that we would have roughly 3,846 adjusted pupil units which is typically a conservative estimate. With our updated Oct 1st enrollment we are not showing 3,980 weighted pupil units. Pupil unit revenue is roughly \$9,300 per weighted pupil unit. An additional 134 pupil units is a significant amount of revenue.

The General Fund Budget Amendment will include increasing revenues by \$866,187 which is due to the increased enrollment. We still have a conservative amount budgeted for special education revenue. Our revenue and expenditures will appear lower in 2016-17. The shift to the Cannon Valley Special Education Cooperative means that we will see a reduction in our revenue from tuition billing rather than additional expenditures. We will monitor this throughout the year as the Cooperative becomes more established.

The General Fund Budget Amendment will include decreasing expenditures by \$785,890, this is primarily due to an over estimated payroll and supply budgets in 2015-16. The adopted budget is typically forecasted from the current fiscal year budget. Once the audit is complete we do a budget to actual analysis to make sure we are on track or make corrections if needed.

The 2016-17 adopted budget is based on several estimates and the unassigned fund balance is one of them. We ended FY16 better than expected which is why there is a shift from the audit results and adopted budget to the revised budget. The revised budget is based on how we ended FY16 and started FY17. We are still projecting a slight spend down of the unassigned fund balance and the fund balance in total. We are currently projected to end FY2016-17 with 23.7% unassigned fund balance as a percentage of our total general fund expenditures.

The District continues to strive to be good stewards of the dollars entrusted to us by the taxpayers. The District has demonstrated this by using fund balance to pay for the security upgrades instead of borrowing funds, refunding debt so the tax payers don't endure as much of a burden and increasing the unassigned fund balance consistently over the last several years even in years of limited revenue increases. The District's goal is to provide a high quality educational experience for all of our learners.

Re: Early Childhood Special Education Request
Date: December 12, 2016

Over the last year and a half, we have seen a significant increase in the number of birth-through-age five referrals to our Longfellow Early Childhood Special Education (ECSE) Intervention Team. The following is a summary of the data that is impacting the decision to request additional staff for the ECSE programs. At the end of the document, I am proposing adding 1.5 FTE to our ECSE program to meet state mandate caseload limits.

Birth to Age 3 Referrals by Year (July 1 – June 30)

2014-15: 41
2015-16: 43
2016-17: 31 (7/1/2016 – 12/7/2016 - 72% of last year's total through less than 50% of the year)

Of these referrals:

- 14 have qualified
- 6 in process
- 6 waiting for consent
- 5 did not qualify

The current full time (1.0 FTE) Birth-Age 3 ECSE Teacher is at the state mandated caseload capacity. Other staff assigned Birth-to-Age 5 are close to state mandated capacity and are projected to be at capacity in January.

Ages 3-5 Preschool Referrals

2014-15: 45
2015-16: 55
2016-17: 30 (7/1/2016 – 12/7/2016)

Of these referrals:

- 6 have qualified
- 10 in process of evaluation
- 11 waiting for consent
- 3 did not qualify
- Total of 21 students entering into evaluation

Ages 3-5 caseloads are not yet at capacity and we have room to serve students currently in evaluation in the Hand-in-Hand programs. Our data projects these caseloads will be capacity by February 2017.

FTE Need

Our Birth-to-Age 5 program has 7.8 FTE able to serve a total caseload capacity of approximately 109 students. We currently serve 82 students through ECSE with 33 additional students in evaluation. If all or most of those students being evaluated qualify, we would be serving 115 students – which is above the state determined capacity.

Proposal

Please consider approval of the following 1.5 FTE increase for licensed staff required to provide services for ECSE. This additional FTE is required to meet the caseload limits set for ECSE staff in MN Rule 3525 as well as required speech service minutes. The total projected cost of salary and benefits is \$64,010 with approximately 52% of the salary reimbursed through special education revenue for a net district cost of \$35,614.

| <u>Building</u> | <u>Position</u> | <u>FTE</u> | <u>Rationale</u> |
|-----------------|-----------------------------|------------|-------------------------------------|
| Longfellow | ECSE Teacher Birth-to Age 5 | 1.0 | Meet state mandated caseload limits |
| Longfellow | Speech Language Pathologist | 0.50 | Meet the required services on IEPs |

Re: Contingency Funding | Second Semester 2016-17

Date: December 12, 2016

The District's contingency fund was developed to allow administrative flexibility in addressing isolated class size issues as they arise. All approved contingency funding has been utilized this school year. Due to increased enrollment, the District proposes adding two additional sections at Northfield Middle School and two additional sections at Northfield High School for the second semester. These additional sections will allow administrators to reduce some of the largest class sizes in the secondary schools. The sections will be assigned at the discretion of the principals.

These additional four secondary sections will most likely be staffed through overload assignments for existing staff. The total estimated cost is \$31,388 based on a pro-ration of the District's general full time equivalent (FTE) estimate. The sections would be scheduled through the end of this school year only and not carry forward automatically to building staffing allocations for the 2017-18 school year.
