## SUMMERVENTURES

2011

Join us this summer for an exciting day camp program for children entering grades 1-6. SummerVentures offers kids the chance to make the most out of their summer in a safe environment with friendly, caring and experienced staff.

This summer we have fun-filled camps such as "Island Explorers," "Kid's News" and "Mystery Week" For kids entering grades 5 & 6, we have TweenVentures, design especially for older youth. We will again be offering our extremely popular Field Trip Fridays.

SummerVentures has many enrollment options to choose from including our Half Day Sunrise (6:30-12), Half Day Sunset (12-6) program and Full Day (6:30-6). Families can register for one day or all summer!
