FROM: Matthew Hillmann, Ed.D., Superintendent
RE: Explanation of Agenda Items for Tuesday, May 28, 2019, Regular School Board Meeting

- I. Call to Order
- II. Agenda Changes / Table File

III. Public Comment

This is an opportunity for residents of the Northfield School District to address the Board. You are requested to do so from the podium. After being recognized by the chair, each individual will identify themselves and the group they represent, if any. Please state your reason for addressing the Board. To ensure that all individuals have a chance to speak, speakers will be limited to one three-minute presentation. This is not a time to debate an issue, but for the Board to hear your comments. The Minnesota Government Data Practices Act prohibits comment about specific student matters, even without naming the student, in open session. This includes the public comment portion of our meeting. The Board respects and values input on student matters, but when it relates to a specific student or to a specific student matter, such input must be heard by the appropriate personnel - such as the building principal or superintendent - and not during an open meeting of the School Board.

**Career & College Readiness
Spring Update
Joel Leer & Mark Ensrud
2018-19**

Presented to the Board on May 28, 2019

What got us to 2018-19 Implementation:

Two conversations converged in the 2017-18 school year that lead us to both the FLEX schedule and the current CCR program. The first, regarding FLEX, began at the department chair level focused on lessening the hectic rat-race nature of our school day. The second began as a result of the requirement that we implement a career and college readiness initiative. Months of dialogue led to a vote by building teachers on the following question:

Should the Northfield High School teaching staff adopt a Flex schedule, which would include, in part, an activity period where the teaching staff would implement Career and College readiness curriculum to students no more than 25 minutes per week?

- a. If approved by 70% of votes cast by teaching staff, this plan will go into effect for 2 years beginning fall of 2018.*
- b. Prior to the conclusion of a school year on any even numbered year (i.e. every two years), high school staff will vote to reauthorize said activity period.*
- c. Career and College Readiness Curriculum shall be chosen, outlined and modified by members of the Northfield High School teaching staff.*
- d. Daily schedule is outlined in addendum.*

The ballot passed with the following vote totals and percentages:

Yes: 59 or 85.5%

No: 10 or 14.5%

The result of that vote lead to the creation of a FLEX period implementation team that prepared the staff and students for FLEX and CCR to start at the beginning of the 2018-19 school year.

2018-19 Implementation Model:

- Shared leadership by grade level: two staff members took lead in planning scope and sequence for each grade level. Planning and organizing took place over summer and throughout school year.
- CCR Cohorts took place once per week, on Tuesday, during the first or second half of Flex Hour. Grades 9 and 12 had CCR 1st half of Flex Hour and grades 10 and 11 had CCR 2nd half of Flex Hour.
- 32 Weeks at 25 minutes per session = 800 minutes, that is the equivalent of 17 47-minute class periods. That's less than half a quarter (our average is 43.5 days in a quarter).

Goals/Objectives of CCR Cohorts:

- By 2019, 100% of Northfield graduates will develop a realistic plan for their future tailored to each student's interests, skills and abilities and share that plan with a caring adult
- Completing the above goal will improve both graduation rates and postsecondary completion rates (Northfield Promise Career & College Readiness Action Team goals)
- Building and fostering relationships (district near-term priority)
- Equitable opportunities and support for all career and college paths (district near-term priority)

What NHS used to meet Goals/Objectives stated above?

- Ramp-Up to Readiness: Five Pillars frame the Ramp-Up to Readiness curriculum: Academic Readiness, Admissions Readiness, Career Readiness, Financial Readiness, and Social/Emotional Readiness. Learning and reflection about each are embedded in the curriculum so that students learn more about these areas in age appropriate ways.
- Naviance Student: Our school purchased Naviance to help students explore their interests and strengths and develop a course of study that matches long-term goals with an actionable plan. Naviance Student also contains access to free ACT prep and provides a way to manage the college application process.

CCR Cohort Student Expectations:

1. Attend
2. Participate (submit activities)
3. Understand goals and objectives
4. With regular attendance and participation, a note is included on each student's transcript to the effect of: "Student has successfully completed ____ years of Career and College Readiness activities at Northfield High School."

Achievement and Integration Plan
Mary Grace Hanson
2018-19

Presented to the Board on May 28, 2019

The Minnesota Department of Education (MDE) notified Northfield Public Schools (NPS) in mid-March that NPS is eligible to participate in the Achievement and Integration Plan (A & I). The due date for the written plan was March 15. Because MDE notified NPS just days before the due date, the deadline was extended until mid-June. NPS is eligible for this program because our district borders the Faribault Public School District-the racially isolated school district. The purpose of the Achievement and Integration Program aligns very well with the NPS vision and mission statement as well as the priorities.

We began the learning and planning process in March with a Leadership Team meeting. We have added people to the table as the discussion and planning evolved. I had a meeting with Heidi Oanes of Faribault and the NHS District Youth Council as part of this process. The A & I requirements include a board presentation and vote. If the plan is approved, it is then submitted to MDE for final adjustments and approval. This is a three year plan with annual updates included in the World's Best Workforce presentation and an updated budget.

Goal 1: 80% of HS seniors will demonstrate college/career/choice readiness by reaching an ACT college ready benchmark of 21 OR an Accuplacer score of 250. The strategies that will be used to help meet this goal include the Odysseyware program at the High School, an academic advocate at the ALC, a diversity and integration liaison for K-12, a youth development coordinator for the Plus program students and families, and a coordinator for the HS Multi Tiered System of Supports (MTSS) program.

Goal 2: The reading proficiency gap between Non-FRP and FRP student groups at NMS will decrease from 27% in 2018 to 14% in 2022 by increasing the proficiency rate of each student group. The strategy that will be used to help meet this goal is to implement the Advancement Via Individual Determination (AVID) program at the Middle School. The 2019-20 school year will be used for planning and training with student implementation to begin in school year 2020-21.

Integration Goal: Students from the four school districts in the Cannon River Collaborative (Northfield, Faribault, WEM, and TCU) will meet to discuss, analyze, and generate ideas of data from each district. Students who attend should represent the racial diversity of each district. Northfield will host the first Data Summit at Carleton during the Carleton fall/winter break. Bringing the students together will lead to greater understanding of the diversity of the populations of each district and the challenges and opportunities provided by that diversity.

Proposed Budget: The budget reflects the requirements of the A & I plan. At least 80% must be used for direct student expenses; with the remaining 20%: up to 20% can be used for professional development, and no more than 10% for administration costs. The budget will be adjusted to reflect the actual expenses of AVID training and salary and benefits for people who are hired to fill the positions.

Potential Modifications: The Reading Corps internal coach may need to be adjusted depending on requirements of Reading Corps. Due to the dates of AVID training (July 1, 2, 3), the number of people who are able to attend and be trained may need to be adjusted.

Goal 1: 80% of HS seniors will demonstrate college/career/choice readiness by reaching an ACT college ready benchmark of 21 OR an Accuplacer score of 250

Aligns with WBWF Goal #4: All students are ready for career and college.

Objectives: To provide equitable academic opportunities for all students; to provide support for students and families as they access the education system; to determine timely and correct interventions for students.

Key Indicators of Progress: At the end of the freshman year, we will identify students who will not be college/career/choice ready on the ACT. We will intervene with 100% of the students who score below the benchmark.

Strategies:

- Odysseyware
- Academic Advocate: ALC
- Reading Corps Internal Coach
- Diversity and Integration Liaison K-12

General Fund | Proposed Budget | 2019-20

Val Mertesdorf, Director of Finance

Presented to the Board on 5.28.2019

Enrollment: Enrollment drives roughly 65% of our total revenue. We have seen increased enrollment for the past several years with particularly large increases in 2015-16 and 2016-17. However, our enrollment models are projecting our enrollment to begin declining. Our projected Kindergarten enrollment for next year appears to be consistent with this year. I have increased the Kindergarten enrollment number from what was presented with the financial projection in January. Even with the additional Kindergarten enrollment, the model is still projecting a slight decrease in overall enrollment. The state uses our adjusted pupil counts and weights each student based on their grade level. This weighted calculation is called Adjusted Pupil Units or APU. Beginning with the 2014-15 school year the weightings were simplified, Kindergarten through grade 6 earn 1.0 and grades 7-12 earn 1.2. Consistent with our demographic study projection, we have seen an increase in the secondary enrollment which has been positive for the district since these students are weighted higher. The proposed budget assumes 4,460.2 adjusted pupil units for the 2019-20 school year.

Revenue Assumptions: The basic formula generates approximately 52% of our total revenue. We know the basic per pupil funding will increase 2% to \$6,438 per pupil unit. While we are certainly grateful for the 2% increase, I feel it is imperative to point out that this provides an inflationary increase on 52% of our total revenue. The state puts districts in a situation where they are required to raise fees for programming and ask for additional operating referendum dollars. We are incredibly fortunate to live in a community that supports education robustly.

The state made significant changes to the special education funding formula beginning with the 2015-16 school year. While the Minnesota Department of Education (MDE) suggested this would simplify special education funding it certainly has not. In addition to a formula change, we also became a member district of the newly formed Cannon Valley Special Education Cooperative (CVSEC). This also changed the way we were funding our Setting IV special education programs. The Minnesota Department of Education on average reimburses districts between \$0.55 - \$0.65 on the dollar. MDE provides a calculation that includes a ceiling and a floor for the special education revenue.

Our operating referendum includes an inflationary increase. We already know how much revenue we will receive from property taxes due to the timing of the levy certification in December. This proposed budget includes holding federal and local sources flat. We have not been made aware of any further sequestration at the federal level and intend to hold all local fees flat.

The proposed revenue for 2019-20 is \$55,174,191. This is slightly higher than the amount forecasted in January, due to the additional Kindergarten enrollment and the additional 1% on the basic formula over what was forecasted.

Expenditure Assumptions: Salaries are projected to have an aggregate increase of 5.2%; this is a combination of settled agreements as well as assumptions for the agreement currently being negotiated. The increases we've seen in special education are a significant part of this increase. Over the past four years, special education expenditures have increased at an average of 9.7% each year. The impact of additional special education students, and state mandated caseload requirements has driven a lot of our staffing additions or modifications.

When creating the budget, we often utilize the current budget and increase based on a percentage. Even when adding additional positions to the budget, it is clear that the current special education budget has not been keeping pace with actual expenditures. The revised budget for 2018-19 special education is \$10,485,080 which is less than our actual 2017-18 expenditures. We are not projecting a 9% increase for special education next year, but the compounding

impact of correcting the current budget plus an appropriate inflation for 19-20 results in total expenditures being higher than projected in the forecast.

Benefits increased by approximately 7%, primarily due the increased salary budget, the .21% increase to our employer TRA contribution and increased participation in our dental program. In our most recent renewal, our life insurance premium increased by approximately 50% due to our claims experience. We also continue to project an increase to the districts contribution to a retirement HRA as required by our contract language. The retirement health insurance was sunset in 2009 and this amount will continue to increase as we have more staff becoming eligible for this benefit rather than retiree health insurance. We have also seen a pretty significant increase in our 403(b) matching contribution program over the last two years.

Our non-salary budgets have remained relatively consistent. We have some on-going licensing costs associated with the individualized software that complements the new Collaborative Classroom curriculum.

Included in the presentation is a summary of expenditures by both program and object code. These summaries have capital outlay on the bottom. This is all of our larger equipment or building improvement items. Showing these amounts as a separate category helps to show the true increases and decreases categorically.

The proposed expenditures for 2019-20 are \$55,728,526 which is significantly higher than the January forecast.

Summary: When all the assumptions come together we are proposing a general fund budget with revenues of \$55.17 million and expenditures of \$55.73 million. We expect to decrease the fund balance by approximately \$554 thousand dollars. We are projecting to end fiscal year 2019-20 with a 17.6% unassigned fund balance which is above the Board's recommended goal of 16%. In January, we projected ending 19-20 with 18.3% unassigned fund balance. The forecast projected having \$9,934,496 in unassigned fund balance, the proposed budget is projecting to end with \$9,828,231 in unassigned fund balance. These two estimates are only \$100,000 apart, but the percentage calculation is greatly impacted by the total expenditures.

As always, the budget is an estimate and a plan of how we intend to spend our resources. Stewardship is a core belief in this district. While 17.6% unassigned fund balance is nearing our goal, we are still in a much stronger financial position than many other districts. Our financial cycle will allow us to monitor and respond to the changing enrollment and increased expenditures in a thoughtful, proactive manner. We are incredibly grateful to this community for believing in our stewardship and our programming enough to have not only renewed but also increased the operating referendum. We have been and will continue to be good stewards of the resources entrusted to us. We have built the fund balance and kept our promise to the community. The legislature's chronic underfunding of Minnesota schools continues to be the most significant challenge we face as an organization.

~~I. GENERAL STATEMENT OF POLICY PURPOSE~~

The school board encourages maximum use of school facilities and equipment for community purposes if, in its judgment, that use will not interfere with use for school purposes. The school board expects members of the community who use facilities and equipment to do so with respect for school district property and an understanding of proper use.

Requests for use of school facilities and equipment by community groups or individuals shall be made through the community services office. The administration will present recommended procedures for the processing and review of requests to the school board. Upon approval by the school board, such procedures shall be an addendum to this policy.
- C. The school board may require a rental fee for the use of school facilities and equipment. Such fee may include the cost of custodial and supervisory service and energy use if deemed necessary. Individuals and groups shall be responsible for damage to facilities and equipment. The school board may also require a deposit or surety bond for the proper use and repair of damage to school facilities and equipment. A rental fee schedule, deposit or surety bond schedule and payment procedure shall be presented for review and approval by the school board.
- D. If unforeseen circumstances arise that necessitate rescheduling the use of school facilities, the school district may cancel the facility use agreement. If a facility use agreement is canceled, the school district will refund the facility use rental fee, which was paid to the school district. The school district is not responsible for expenses incurred to any group or individual due to cancellation or scheduling change.

ATTENDANCE INFORMATION

Parents or Guardians of a student who will not be in school should call every day of absence to the appropriate Student Absence Answering Service: (They are available 24 hours a day).

Bridgewater507-664-3306
Greenvale Park.....507-645-3506
Sibley.....507-645-3474

If a phone call is not received by 8:30 a.m. and your child does not arrive at school, you will be telephoned to verify the absence.

Students who arrive after the beginning of the school day are to check in with the front office for a late arrival slip before reporting to their classroom. If an absence is anticipated, call the attendance line prior to the absence.

Note: Parents **may not** take their child from the school premises without notifying the office. For students to leave school early, parents must send a note to the classroom teacher and call the front office or attendance line. **When leaving early, parents are to meet students in the office and sign them out.**

It is believed that elementary students benefit from continuity in their educational program. If an educational family trip needs to occur during school, parents should contact their child's teacher so that class work that is missed can be made up. Because it is difficult to predict exactly how instruction will be paced during a student's absence, it may be necessary for students to make up work after they return.

Attendance Areas

District resident students attending Bridgewater, Greenvale Park, or Sibley shall be eligible for transportation to the school in their attendance area provided that they live beyond the walk boundary.

Walk Zone

The walk boundary for students in grades K through 5 is approximately .75 mile. Distances are calculated from the school property, using streets and paved pedestrian paths. If you are unsure whether your child is eligible for bus transportation, call Benjamin Bus.

Non-Resident Students (Open-Enrolled)

The district will provide transportation to open enrolled (non-resident) students who are attending Northfield Public Schools, using the closest safe pick-up/drop-off point on an existing route that serves the school that the student attends.

After School Activities

Transportation is not provided on regular route buses for non-school activities such as work, music or dance lessons, scouts, church activities, etc.

Safety

All elementary students in kindergarten through grade 6 are required to complete bus safety training at the beginning of every school year.

Parents should review the following safety rules with their children.

- Bus doors will not be opened until students form an orderly line ready for boarding.

- When crossing the road to get on or off the bus, students must wait until the bus has stopped, the stop arm is out with red lights flashing, and the driver has indicated to the student to cross. **Students must cross in front of the bus only; never behind the bus.**
- Students should follow the directions of the driver.
- Students are to remain seated while the bus is in motion. Share the seat with others. Keep arms, legs, and belongings to yourself.
- Students will not be allowed to extend any part of their body or place objects outside the windows. Windows may be opened halfway only, with permission of the bus driver.
- Students should talk quietly and act courteously at the bus stop and on the bus. No swearing, fighting, teasing, harassing, or horseplay. Be respectful of property at the bus stop.
- Students must not throw any object inside the bus or out of the bus.
- No eating on the bus. No beverages other than water on the bus. Use of tobacco, drugs, alcohol, lighters, matches, or vaping products on the bus or at the bus stop is prohibited.
- No weapons or hazardous object on the bus.
- No animals, insects, or pets on the bus or at the bus stop.
- Students must not damage the bus or tamper with emergency exit devices.
- Students should help to keep their bus clean and safe.

Behavior, Bus Incident Reports

If a student is involved in a behavioral incident on a school bus or at a school bus stop or transfer point, a bus incident report form is issued by a driver, the bus company safety director, or school employee. The purpose is to provide communication to parents regarding the incident. A copy goes to the student's school, and corrective action may be initiated by the school district. When a student receives a bus incident report, the parent/guardian must sign the form and the student must present the signed form to the bus driver when boarding in the morning on the following day, or the next time the student rides the bus, whichever comes first. If a child is suspended from the bus, parents will be notified by school district administration.

Suspension of Riding Privileges

Transportation is a privilege and not a right for an eligible student. A student's eligibility to ride a school bus may be revoked for a violation of school bus safety or conduct policies, or violation of any other law governing student conduct on a school bus pursuant to the school district's discipline policy. Revocation of a student's bus riding privilege is not an exclusion, expulsion, or suspension under the Pupil Fair Dismissal Act. Revocation procedures for a student who is an individual with a disability under 20 U.S.C. §1415 (Individuals with Disabilities Act), 29 U.S.C. § 794 (the Rehabilitation Act), and 42 U.S.C. § 12132, (Americans with Disabilities Act) are governed by these provisions. (Minn. Stat. § 121A.59)

Repayment for Damage to School Buses

Students and/or parents/guardians shall repay the bus owners for damages due to vandalism of school buses.

Attendance Procedures

Every minute of a child's time at school is important. Children who are absent for even one day, or who arrive later than their classmates, miss valuable instruction time and can easily fall behind in school. They also miss important socialization time and fun with their peers. With that in mind, please note the following.

Excused absences or tardies require parental communication with the school on or before the day of absence or tardiness. If such communication takes place, the following shall be considered an excused absence.

- A. Ill – flu, cold/cough, headache, strep throat, etc.
- B. Family emergency/special events – accident, funeral, wedding, educational family trip
- C. Childhood diseases
- D. Doctor/dental appointments that cannot be made outside of school hours
- E. Taking child home at the request of the school

Unexcused absences or tardies: No parental communication with school, sleeping in and suspension from school.

1. Any student not in school will be counted absent. Please call the **school attendance line** at your child's school (see numbers on previous page) by 8:30 a.m. every day that your child will not be in school. This line is a recorded message that you can call anytime, 24 hours a day. If the student is absent and there is no contact with a parent/guardian, the child will be considered unexcused.
2. Any student that arrives after the bell rings or leaves school early, for any reason, will be counted tardy. You must call the attendance line to report that your child will be tardy.
3. A letter of concern will be sent to the parents of any student who has three unexcused absences or six tardies, or excused absences that are negatively affecting the students' classroom achievement. **Four (4) unexcused tardies will be considered one (1) unexcused absence.**
4. A letter will be sent to parents requesting a meeting with the principal, nurse, social worker, and teacher to discuss their student's attendance when the student has five unexcused absences or ten tardies or excused absences that are negatively affecting the student's classroom achievement.
5. Since unexcused absences, tardies or excused absences can negatively affect the student's classroom achievement, should they continue after a meeting with staff and parents/guardians, a follow up by the District Truancy Coordinator will take place. If appropriate, an educational neglect report will be filed with the County Social Services.

Please try to schedule dentist, orthodontist, and doctor appointments outside of school hours. Also planning family vacations during days when school is not in session will help ensure minimal loss of instructional time for your student. Share with your child how important it is to be at school on time. Make sure they are in bed on time every night so that they can get up on time in the morning. We can help children learn a valuable life-long lesson by always encouraging them to be on time.

GENERAL STUDENT INFORMATION SCHOOL POLICIES, PROCEDURES, SERVICES AND PROGRAMS

ACCEPTABLE USE POLICY FOR THE NETWORK/INTERNET/E-MAIL SYSTEM

Student use of technology and the Internet is governed by District Policy 524-2. The policy can be viewed at <http://northfieldschools.org/files/policies/524.2boardpolicy.pdf>

ACCESS TO STUDENT RECORDS

The law allows the parent or guardian to inspect student school records. Any information believed to be inaccurate, incomplete, or unnecessary may be challenged. In most instances information in a student's cumulative record has been originally submitted by the classroom teachers or discussed at parent/teacher conferences. Requests to see student records should be directed to the building Principal. Information concerning students and their family is confidential. Professional staff who work with the student are allowed access and must sign a review sheet in the cumulative folder.

AFTER SCHOOL PLANS

If a student is not going to his/her regular after school destination, a note signed by the parent/guardian must be sent to school. **REMINDER:** Once school is dismissed, there is NO supervision on the playground. It is required that all students go home after school.

For safety reasons and our way of knowing you have knowledge of your child's whereabouts, **please send a note on any day you would like to make other arrangements.**

ART

The goal of the art education program in grades K-5 is to introduce students to a wide variety of art media and materials while teaching basic art concepts such as line, shape, color, space and texture. Students are also taught skills in painting, drawing and construction, which direct them to use their visual senses. Viewing, discussing, and appreciating famous art works are also an important part of the art program.

TESTING PROGRAM ASSESSMENT

Teaching involves constant evaluations of students so that learning activities may be appropriate to their needs, interests, and abilities. Evaluation provides the basis of determining student readiness for certain learning experiences and the growth resulting from previous learning experiences. The two procedures most frequently used in evaluation are behavioral observations and testing.

The district's elementary teachers constantly carry on the process of checking learning through direct observation. Many insights are gained by observing each student's vocabulary, ability to express thoughts and ideas, interests, ability to think quantitatively, physical development, motor skills, values, social skills, and emotional qualities. These characteristics are essential to planning successful learning experiences. The Minnesota Comprehensive Assessment tests are also given in grades 3, 4 and 5. (Please see the Appendix for the parent/guardian guide to statewide testing.) You may contact Director of Assessment Services Hope Langston at hlangston@northfieldschools.org with any questions.

BAND

Membership in band is available to students in the fifth grade when they are physically mature enough to play the instruments. A high percentage of the students take advantage of this activity. Individual and group instrumental instruction, as well as band practice, is provided each week.

BEFORE SCHOOL PLANS

There is no supervision on the playgrounds at Greenvale Park until 7:45 a.m., Sibley until 7:55 a.m., and Bridgewater until 8:00 a.m. (all one hour later on Wednesdays). Please DO NOT send your student to school before that time unless they are having breakfast at school. See Breakfast Program on the next page.

BICYCLES/OTHER POSSESSIONS

Students may ride bicycles to school, but once they have reached the crossing guard area at the front of the school, they are to walk them to the bicycle rack. Students are not to ride their bicycles on the sidewalks to the racks. Bicycles must remain in the racks during school hours. Please emphasize to your students the need for bike chains/locks to secure their bicycles to the rack. The school is not responsible for bikes on the school grounds.

OTHER POSSESSIONS

Skateboards, roller blades, Heelys, or any other type of roller shoes, scooters, etc... are NOT allowed at school or on the playground. They are a safety concern for all.

BIRTHDAY INVITATIONS

Building a strong sense of community is an important part of a successful school year. Teachers work hard at building inclusive classrooms. The practice of students passing out birthday party invitations to some (or certain) classmates while excluding others negatively impacts our efforts at building strong inclusive classrooms. Families should plan on passing out birthday party invitations outside of the school day.

BREAKFAST PROGRAM

Bridgewater, Greenvale Park and Sibley Elementary provide the opportunity for all children to purchase breakfast at their school on a daily basis. Breakfast will not be available at Longfellow for the Ventures Pre-K programs.

Breakfast is served at Greenvale from 7:45 a.m. until school begins, Sibley from 7:55 a.m. until school begins, and at Bridgewater from 7:45 a.m. until school begins. The cost for a student breakfast is \$1.55. All children who qualify for the free or reduced meal benefits receive a free breakfast daily. All kindergarten students receive free breakfast daily. Adult breakfasts are also available and cost \$2.05.

BUS TRANSPORTATION

Transportation is an essential part of the school district services to students and parents. Along with Benjamin Bus, Inc., we welcome all community members to play a part in keeping our students safe. Every person can make a difference in the safety of students as they board, ride and exit school buses. Questions regarding transportation should be directed to Benjamin Bus, Inc. at 507-645-5720.

Routes

Bus routes and times are determined in coordination with scheduled school start and stop times. Routes are planned for safe and efficient use of school buses. Generally, school buses will not travel down dead-end roads or cul-de-sacs due to resulting added ride times and turn-around issues. However, there may be some things that cannot be anticipated and routes may need to be adjusted after the school year begins. Parents will be advised of any significant changes.

Pick Up and Drop Off Locations

School bus service is between home and school. Based on their address, students are assigned to a specific bus stop and bus route. Students must ride to and from school on the bus(es) to which they have been assigned. Students are assigned to one pick up location and one drop off location. A student's daycare facility may be regarded as their home residence for the purpose of transportation, but the request must be consistent every day. A student's daycare facility must be located in the same attendance area as the student's school. Students are not allowed to alternate between bus stops. Although this policy is not always convenient for parents, it is the safest for students. If a child lives at two different addresses due to shared custody arrangements, please contact Benjamin Bus.

Students should be at the bus stop five minutes before scheduled bus arrival time. They should stay out of the street so that they do not become a traffic hazard. Parents are encouraged to wait with their child at the bus stop.

CELL PHONES/IPODS/HAND-HELD ELECTRONICS

Students should be discouraged from bringing cell phones, iPods, or other expensive technological equipment/games to school for lack of secure locations to store them during the school day. If for personal reasons an item of this type needs to be brought to school, please have the student bring it to the office upon arriving at school in the morning for storage until the end of the day. The school is not responsible for articles students bring to school.

We recognize that cell phones/hand-held electronic devices (i.e. iPods) are common tools for communication with many families. Our goal is to help students maintain a focus on learning. Please know that most elementary students have no need to carry a cell phone or a hand-held electronic device to school and these devices are vulnerable to theft. We are committed to using technology as an accelerant for student learning and provide the appropriate tools for our students in their classrooms.

Students who do need to carry a cell phone or a hand-held electronic device to school must have them turned off and stored out of sight during school hours. These devices may not be used to talk, take pictures, play games, record or text during school hours, including recess.

Consequences for not following the rules are as follows:

- 1st infraction – student will have the device taken away and can pick it up in the office at the end of the day.
- 2nd infraction – student will have their device taken away and placed in the office until a parent can come to school to retrieve it.
- 3rd infraction – student will no longer be allowed to bring a device to school until a parent conference with the Principal is held.

Please note: The school is not responsible for lost, damaged or stolen phones or other electronic devices brought from home.

CHOIR

The elementary choirs welcome participation by any student in fourth and fifth grade. No auditions are necessary to join. The choir program promotes advancement of vocal techniques and performance skills. Group cooperation and the opportunity for solo performances are added features of the program. Each elementary school has its own 4th and 5th grade choir. The two groups perform in the schools and community throughout the school year.

CITIZENSHIP

Schools, like families, need a few basic rules to ensure that each student's rights are respected. Please refer to **Student Citizenship Handbook**.

COMMUNICATION BETWEEN SCHOOL AND HOME

School staff has a commitment to good communication between school and home. If a child is having difficulty at school, parents are encouraged to contact the classroom teacher. The social worker and principal are also available to help resolve a problem that your child might encounter at school. You may contact any of these people by sending a note or placing a phone call to the appropriate school office.

504 PLAN

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against individuals with disabilities by school districts receiving federal financial assistance. Section 504 protects students from discrimination based

upon their disability. A person is handicapped under the definition of 504 if he/she: 1.) Has a physical or mental impairment which substantially limits one or more of such person's major life activities; 2.) Has a record of such an impairment; or 3.) Is regarded as having such an impairment. "Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

When a condition significantly limits a major life activity, an accommodation plan must be developed for that student. These services are determined by a team of educators with the parents and sometimes the student. For more information on the Northfield District Section 504 Plan, contact Dr. Cheryl Hall, 504 Coordinator at 645-3410.

DENIAL OF RELEASE OF INFORMATION

The Denial of Release of Directory Information (as set forth on the next page) will be available in the fall. In completing this form, please read it carefully. If you sign and return this form, you are stating that you do not want the information made public, which includes your child's photo in the Class Picture and School Memory Book/Yearbook.

DRESS POLICY FOR STUDENTS

Students have the right to choose their manner of dress and personal grooming unless it presents a clear danger to the students' health and safety, is sexually suggestive by words, picture or appearance; exhibits profanity, or interferes with the educational environment of the school or the classroom, or causes undue distraction in the classroom. Clothing with lewd or vulgar expressions, with expressions which are sexually or racially offensive, or which advertises products that are illegal for minors or prohibited on school property will not be allowed during school hours or at school events.

Any students who feel offended by an individual's dress may report that concern to an adult in the building or to school administration.

Students who dress inappropriately will be subject to student discipline procedures.

It is important that parents keep the changing seasons in mind when it comes to clothing. As the colder weather approaches, hats, heavy coats, mittens, and boots should become a part of every student's wardrobe.

- Students are expected to wear appropriate clothing during the winter season, **which includes coats with hoods, or hats, mittens or gloves, boots, and snow pants.**
- Please mark all clothing items with some distinguishing identification and check the Lost and Found area frequently.
- Students are outside daily in the morning before school and during recess; therefore, being appropriately dressed for the weather is important.
- If the temperature is at or above 0 degrees the children will go outside.
- If the temperature is lower than -10 degrees wind chill they will be inside.
- State law dictates that students wear shoes on school property at all times.
- Hats, bandanas, and tattoos are not to be worn in school.
- Midriff tops, offensive shirts and tank tops with shoulder straps less than two-inches wide are not permitted.

EMERGENCY CLOSING OF SCHOOLS

The following procedures will be observed when school is closed due to weather.

- When school is not in session, a decision to close schools will be made the night before, if possible, but not later than 7:00 a.m.
- When the weather is too severe to open school at the normally scheduled time, but is improving, a decision to have a late start may be made. In this case, school will be delayed for two hours. Bus pick-up and school opening times will be exactly two hours later than normal.
- When school is in session and the decision is made to close schools, dismissal times will be set to coincide with the anticipated arrival of buses.

Families will be notified via Skylert. Communication will be sent via email and/or phone. In each instance, the community will be informed by KYMN (1080 AM), KDHL (920 AM), and WCCO (830 AM) radio stations. If weather conditions are poor or worsening, please listen to one of these stations. You may also check the district website at: www.northfieldschools.org for updates.

It is necessary for us to know where students should be sent in the event school would be closed during the school day. A form requesting this information will be sent home the first week of school. It is essential that it be returned promptly.

E-LEARNING DAYS

Northfield Public Schools uses e-Learning days (formerly called flexible learning days) to mitigate the loss of instructional time when the weather forces school closures. Students receive e-Learning day instructions for learning at home on these days from their school and teacher(s). The latest district e-Learning day guidelines can be found online at: <https://northfieldschools.org/parents/school-closings/>.

ENVIRONMENTAL EDUCATION

Greenvale Lone Oak Nature Area (GLONA)

The Greenvale Lone Oak Nature Area is made up of prairie and woodland. Student activities and units of study have been developed which are used throughout the year. This valuable resource is available to all students and community members.

Rachel Carson Nature Area at Bridgewater

The newest nature area to be developed in Northfield is located at Jefferson Parkway and Highway 246 South. Many elementary students grew the plants and trees and then planted them at Rachel Carson Nature Area during the 1996-97 school year. A pond and "feeding kitchen" are focal points of this area. Student activities and science lessons will be held in the performer/audience arrangement of this nature center.

Sibley Marsh and Prairie

The Sibley Marsh and Prairie is a ten-acre wilderness preserve next to Sibley School. As part of their life science studies, students learn about the environment and inhabitants of the marsh. Volunteers help with classroom preparation and teachers guide their classes in their outdoor exploration during fall and spring.

FIELD TRIPS

Occasionally a student's teacher will extend classroom instruction and concepts through a field trip experience. The teacher will provide rationale for the trip and request that permission slips be signed by the parent/guardian. No student is allowed to participate without written parental permission.

FIRE DRILLS

Fire drills will take place throughout the year. Fire drills are held on those days when the weather is least likely to be a problem. Each building is required to hold five drills per year.

HEALTH POLICY

The Board of Education of the Northfield School District recognizes the importance of good physical, emotional and mental health and supports the well-being of all students and families. The following guidelines define this statement:

1. The school district acknowledges that students have a right to developmentally appropriate information about their health care in accordance with state and federal laws. The school recognizes the right of a student and the student's parents, together, to request that the student not be provided health care information. Waiver forms are available, if desired, in each building in the nurse's office.
2. The school district recognizes that parents and families have the primary responsibility to provide health care. Professional employees of the school district will encourage minor students to seek the involvement of their parent(s)/guardian(s) in decisions relating to health care. School employees will not bring students to health care providers, except in cases of medical emergency.
3. Confidentiality of student communications will be maintained unless a student presents a danger to self or others.
4. Professional employees will not impose their personal values on students.
5. All employees of the school district will report suspected incidents of physical and sexual abuse and neglect in accordance with the Minnesota mandated reporting.

First Aid

In case of an accident, first aid will be administered in the health office and the parent/guardian will be called. If a student needs further treatment, the parent, ambulance, or rescue squad will transport the student to the doctor or hospital. In the event that a parent/guardian cannot be reached, the school will contact the physician listed on the student Health and Emergency Form on file in the office to make whatever arrangements necessary to provide health service to the student or call the rescue squad.

Fragrances

Many people are sensitive or allergic to fragrances. Students, staff and families who choose to wear a personal fragrance should do so sparingly. All fragrance containers should be left at home.

Illness

To help assure good health care for students and alert health authorities to the presence of specific disease, parents are asked to call the school **by 8:30 a.m. EACH** morning the student is absent for any reason and to notify the school later if a specific disease develops.

Since most diseases spread before being recognized, it is impossible to prevent exposure. Control measures are designed to protect individual students from complications. Parents are urged to keep their children home if they develop any symptoms suggestive of a communicable disease. Their temperature should be normal at least 24 hours **BEFORE** a student returns to school. The parent/guardian will be called if a student becomes ill at school. It is their responsibility to take the student home.

Temperature Guideline: 100 degrees the student goes home automatically. Student should not return to school unless the temperature goes below 100 degrees for 24 hours. Please do not send students who have an undiagnosed rash to school. *Your child should be fever, vomit and diarrhea free for 24 hours before returning to school.*

COMMON CONCERNS IN SCHOOL-AGE CHILDREN

Note: Children and adolescents should not be given aspirin containing medications unless specifically prescribed by a physician. Good hand washing is the best prevention of disease.

DISEASE	SYMPTOMS	INCUBATION PERIOD	USUAL SCHOOL ACTION AND COMMENTS ON COMMUNICABILITY	SOURCE OF INFECTION AND MODE OF TRANSMISSION
Shingles/ Chickenpox	Slight fever, general feeling of illness, rash resembling water blister appearing after 3-4 days. Scabs appear later.	2 to 3 weeks	1. Exclude from school until chickenpox vesicles are dry and crusted. 2. Contagious a few days before eruption and about six days after last crop of vesicles. 3. May be in school if shingles covered.	Virus spread directly from person through discharge from the nose and mouth, also by discharges from the skin and mucous membranes of infected persons. Readily communicable. One attack usually confers immunity. Children on immunosuppressive drugs at high risk.
Cold Sores (Herpes Simplex)	Vesicles usually on lips but may occur anywhere on skin or in mucous membranes. May be confused with Impetigo.	2-12 days	1. No restriction. 2. May be communicable as long as seven weeks after lesion appears.	Virus is transmitted by direct contact with infected persons, a majority of whom have inapparent infections.
Common Cold	Acute upper respiratory signs, including watery eyes, sneezing, running nose, general feeling of illness.	12 hours to 3 days	1. No restriction unless fever more than 100 degrees 2. Communicable 24 hours before onset and for five days after nasal involvement	Virus spread directly through coughing and sneezing and indirectly through articles freshly soiled by discharge of infected person.
Influenza	Chills, body ache, headache, fever sore throat, followed by cough, runny nose and possibly stomach ache.	24-72 hours	1. Exclude from school until well, usually 2-7 days. Fever of more than 100 degrees for 24 hours. 2. Use non-aspirin products to treat fever.	Virus spread directly through coughing, sneezing and contact with nose or throat discharges of patient. Possibly airborne.
Impetigo	Blisters, pustules rapidly covered with honey-colored crust. May be confused with cold sores. Usually seen first near mouth or nose, can spread rapidly.	1-6 days, occasionally longer	1. Contagious until lesions are healed. 2. May return to school when treated with over-the-counter antibiotic ointment.	Bacteria spread by direct contact with sores, sometimes with contact from discharges from nose or throat of patient; airborne transmission also occurs. Usually caused by Streptococcus or Staphylococcus bacteria.
Mononucleosis	Fever, sore throat, swollen lymph glands (neck)	Probably 2-6 weeks	1. Restrict only according to doctor orders. 2. Period of communicability unknown.	Virus spread by saliva, kissing, sharing drinking glasses.
Lice (Pediculosis)	Infestation of the head hair or other hairy parts of the body or clothing with lice or nits. Scratching causes reddened rash-like area. Nits are tiny white eggs, stuck to hair usually close to scalp and neckline and/or behind ears.	Variable, eggs hatch in one week	1. Exclude until live louse are adequately treated. 2. Nurse to check head when return to school. 3. Advise exam of household contacts for nits and lice. 4. When appropriate, school may exclude until all nits are removed.	Louse transmitted primarily by direct contact with infested person. Lice can also be transmitted through combs, brushes, bedding, wearing apparel and upholstered furniture. Thorough cleaning and washing of clothing and bedding required to rid household of lice.

COMMON CONCERNS IN SCHOOL-AGE CHILDREN, cont'd

DISEASE	SYMPTOMS	INCUBATION PERIOD	USUAL SCHOOL ACTION AND COMMENTS ON COMMUNICABILITY	SOURCE OF INFECTION AND MODE OF TRANSMISSION
Pink Eye (Conjunctivitis)	Redness of conjunctiva. May or may not have purulent discharge. Eye irritation.	24-72 hours	1. Refer for medical diagnosis and treatment of purulent drainage. 2. Communicability depends on agent. 3. May remain in school unless purulent drainage.	Most are viral in etiology; some bacterial. May be spread through hand-eye contact. Redness of eye may also be results of allergic reaction.
Ringworm Body (Tinea Corporis)	Ring-shaped or irregular lesion with elevated vesicular or scaly borders. May show central clearing. May become inflamed and crusted.	1-3 weeks	1. Communicable as long as fungi can be recovered. 2. Treated with over the counter antifungal ointment.	Contact with human or animal infected with the fungus or its spores and by contact with contaminated articles.
Scabies	Itching, scratch marks or burrow marks. Common sites are thighs, beltline, wrists, elbow, webs of fingers. Scratching may cause secondary infections or rash.	Days to weeks	1. Exclude from school until adequately treated. 2. Communicable until treated. 3. Family should be examined.	Mite is transferred by direct contact with an infected person and to a limited extent, undergarments or soiled sheets freshly contaminated by an infected person.
Strep Throat, Scarlet Fever, Scarletina	Fever, sore throat, headache, nausea, vomiting. (If associated with rash it is called Scarlet Fever/Scarlatina)	1-3 days	1. If positive for strep, exclude from school until 24 hours after antibiotic treatment is started and until clinically well. 2. Communicable until 24 hours after treatment is started. 3. Exclude until fever is less than 100 degrees for 24 hours.	Bacteria spread directly from nose or throat discharges of infected persons.
Fifth Disease	Characteristic rash "slapped cheek" redness of cheeks. Rash often later found on arms, upper body, legs. Very fine lacy appearance. Sometimes fever or sore throat.	4-21 days	1. If other rash-causing illnesses are ruled out, there is no need to exclude. 2. Treat fever and sore throat with over the counter pain medicine (non aspirin). 3. Pregnant women exposed to Fifth Disease should contact their health care provider.	Most contagious before onset of rash. Spread from nose and throat discharge. Thoroughly wash hands with soap and warm running water. Dispose of soiled tissues.
Hand, Foot and Mouth Disease	Lesions (blisters) in mouth, on palms of hand, soles of feet with low grade fever.	3-5 days	1. Exclude from school till fever is normal for 24 hours. Lesions may still be present 2. Use non-aspirin products to treat fever.	Spread via oral-fecal route. Good hand washing. Cover nose and mouth when coughing and sneezing.

HOLIDAYS

Traditional holidays, such as Halloween, Thanksgiving, winter holidays around the world, and Valentine's Day, may be observed in the classrooms and used as learning experiences. Any questions you may have regarding this policy should be referred to the building Principal.

KIDVENTURES "Where learning and fun are one!"

KidVentures is an enrichment and care program available on school days (before and after) and most non-school days from 6:30 a.m.-6:00 p.m. Students enrolled will have a chance to participate in a variety of activities that build social, emotional, physical, and academic skills. The curriculum is designed around the unique interests and needs of the various age groups in which our program serves. We encourage the children to play an active role in the generation of themes, projects and special events. They assist in planning, creating and implementing many different learning experiences.

We use a program model that is both age and developmentally appropriate and encompasses our enrichment philosophy in our integrated curriculum model. Students get to work with a variety of hands-on materials during clubs, camps and special events. We collaborate with each of the elementary school programs on a daily basis to utilize and share space including the gyms, cafeteria, computer lab and outside areas. The students also participate in a number of recognition programs including DEAR (drop everything and read), Sport Stacking, and service projects around the community throughout the year. Our goal is to build on the knowledge and skill development that is occurring during the school day by incorporating the standards into the enrichment activities we plan for our out-of-school time programs.

We offer a variety of enrollment options for your child, so participation is flexible depending on your schedule or your child's needs. If you have any questions regarding the KidVentures programs, please contact Breezy Barrett, Program Supervisor. She can be reached at the Community Services Office Monday-Friday at 507-664-3750. She can also be contacted through email: bbarrett@northfieldschools.org. Families can also contact their site leader with specific questions regarding individual programs.

LOW COST HEALTH INSURANCE FOR FAMILIES

Thousands of Minnesota families are eligible for low cost health insurance under the recently established Minnesota Care. Enacted by the Legislature the plan is open to families who meet certain income guidelines. To be eligible for Minnesota Care, an individual must meet the following criteria.

- Have gross income that does not exceed 275 percent of the federal poverty guidelines (FPG) for families and children (\$58,308 for a household of four), and 200 percent of FPG for adults without children (\$20,808 for a household of one and \$28,008 for a household of two). Parents with annual gross incomes over \$50,000 are ineligible, whether or not they otherwise meet the 275 percent of FPG standard; this income cap does not apply to pregnant women and minor parents.
- Have assets that do not exceed \$10,000 for a household of one and \$20,000 for a household of two or more, after certain exclusions. This asset standard does not apply to pregnant women and children.
- Not have access to employer-subsidized health care coverage, and not have had access to this coverage through the current employer for 18 months prior to application or renewal. This

requirement does not apply to children with incomes that do not exceed 150 percent of FPG and certain other children.

- Have no health care coverage at the time of application and for four months prior to application or renewal. Children with incomes that do not exceed 150 percent of FPG and certain other children considered to be “underinsured” are exempt from this requirement.
- Be a resident of Minnesota. Pregnant women, families, and children must meet the residency requirements of the Medical Assistance (MA) program; adults without children must satisfy a 180-day residency requirement.
- Since September 1, 2006, certain General Assistance Medical Care applicants and recipients have been enrolled in Minnesota Care as adults without children and are exempt from premiums and certain eligibility criteria until six-month renewal.

Enrollment cost for the plan is based on a sliding scale according to income. It covers doctor services, clinic services, routine dental care, prescriptions, immunization, outpatient lab and x-ray services, vision care and glasses; home care services and certain outpatient mental health services. Hospital in-patient services are not covered.

More information and/or applications are available through the school social worker or call toll-free: 1-800-657-3672, and ask for Minnesota Care.

MEDIA CENTER

The elementary school media center is an extension of the classroom. It is an inviting learning area where a wide range of information on both print and non-print materials is available for students and teachers. Not all students learn at the same rate or equally well from the same material. In the media center students may look for information in reference books, or digital resources. They can work individually with materials that fit their needs and abilities, or they may participate in large or small groups for instruction, discussion, viewing, or listening.

Teachers and media ~~generalists~~ specialists work together to develop work plans and units of study to meet the needs of learners. Media ~~generalists~~ specialists work with classroom teachers to design and produce instructional activities, keep them informed as to new print and non-print materials, and provide inservice on new materials and equipment. During media class, students receive instruction on projects integrating technology, coding and research. Students also receive instruction in digital citizenship.

MEDICATIONS

Some students need to take medicine during the school day. A note stating the name of the medication, dosage, and the time it should be given must accompany the medicine. It is now required that we have a signed permission form obtained by parent/guardian at the time the medication is dropped off at school. This note must be dated and signed by the parent/guardian. Prescription medication must be in a prescription bottle from the pharmacy with the student's name on it. Adults should bring the medication to the nurse's office.

The school does not supply over-the-counter medications any longer unless it is an emergency and we have verbal parent permission. Over-the-counter medications (such as non-aspirin pain relievers, cough syrup, etc.) must also be accompanied by a permission form signed by parent/guardian for use. Aspirin will not be given unless we have a physician's permission because of possible complications of Reye's Syndrome. Cough syrup is recommended rather than cough drops.

When possible, parents/guardians should try to schedule all medication administration during non-school hours. Because of the danger of choking, parents/guardians are asked to not allow their children to bring hard candy (such as: suckers, jolly ranchers, etc.) to school.

MUSIC

The general classroom music curriculum in the Northfield Public School District is based on the ~~use of the approaches of Carl Orff, Zoltan Kodaly, and Emile Dalcroze philosophy of music education.~~ This approach involves students in speech, movement, singing, and instrument playing. The students are taught the music concepts, skills, and symbols which enable them to become independent musicians. In accordance with Minnesota standards, students learn to:

CREATE - generate, revise, and complete original artistic works

PERFORM - develop, refine & make artistic choices to convey meaning for and through performances

RESPOND - analyze, interpret, and evaluate artistic work

CONNECT - understand the personal, societal, cultural, and historical contexts of music

ORCHESTRA

The elementary orchestra is open to all fourth and fifth graders playing violin, viola, cello, or string bass. The orchestra rehearses twice each week throughout the school year, and performs at various times and locations during the year. Orchestra members receive one lesson each week.

OUTSIDE RECESS

Fresh air and exercise are very important. If a child has a cold or other illness or injury and the parent wants them to stay in during recess one day, the parent needs to send a signed note requesting that and stating the reason. If a parent feels the condition will require two or more days inside during recess, they must obtain and send a note from a doctor stating the reason and length. Students are outside when the temperature is at or above 0 degrees. If the temperature is lower than -10 degrees wind chill they will be inside.

PARENT INVOLVEMENT/PTO

There are a number of ways for parents to become involved with their child's school. Being a parent volunteer is probably the most active way to become involved. A form will be provided for parents to volunteer their services.

All parents are members of our Parent/Teacher Organization (PTO). Meetings will be held 7-8 times per year to discuss areas of interest. An agenda will be published and all parents are welcome to attend. Parents may contact their representative or the school to provide input on topics of interest. The goal of the PTO is to support schools through parent involvement. Plans for this year include strengthening the relationship between the elementary buildings to support the total elementary program.

Parents also have opportunities to attend open houses, parent/teacher conferences, and other school functions throughout the year.

PTO Purposes:

- Advisory capacity to School Administrative Staff.
- Forum for discussion of school policies/procedures.
- Vehicle for communication of school program/curriculum to parents.
- Promotion of all parent or student programs/activities.
- Identifying and communicating needs to the community.
- Not a forum for discussion of personnel issues.

PETS

If you are bringing a pet of any kind to school, please first let the child's classroom teacher know and also check in with the nurse's office so that she can check out any possible allergies in that particular classroom. Dogs on school grounds, including before and after school, need to be on a leash and muzzled for safety purposes.

PHONE CALLS

The best way to reach a child's teacher is to call the school office and leave a message on their voicemail. The teacher will return the call as soon as possible. **Classroom interruptions are avoided.** At Bridgewater, staff is available for phone calls between 7:35-8:20 a.m. and 3:20-3:35 p.m. each day, except during PLC Hour. At Greenvale, staff is available from 7:30-8:15 a.m. and 3:15-3:30 p.m., except during PLC Hour. At Sibley, staff is available from 7:30-8:15 a.m. and 3:15-3:30 p.m., except during PLC Hour.

Students will be allowed the use of school phones only in the case of an emergency.

Please try to plan ahead regarding after school plans to keep student messages to emergencies or sudden change of plans. **Please call the elementary schools no later than 2:40 p.m., to have messages delivered to your students.**

PHYSICAL EDUCATION

Physical Education gives students the skills, knowledge, and disposition to pursue a lifetime of healthful physical activities as a physically educated person. Elementary students will actively participate in P.E. class four days each week (for a 30 minute period). The goals in elementary physical education are:

Students will:

- Have the skills necessary to perform a variety of physical activities.
- Know the benefits from involvement in physical activities.
- Participate regularly in physical activity.
- Engage in fitness related activities.
- Value physical activity and its contributions for a healthful lifestyle.

PLEDGE OF ALLEGIANCE

Students in this school district shall recite the Pledge of Allegiance to the flag of the United States of America one or more times each week. Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reasons may elect not to do so. Students and school personnel must respect another person's right to make that choice.

REPORTING TO PARENTS

Report Cards are sent home after each semester. The main purpose of these report cards is to give parents information on whether or not their child is progressing appropriately. Parents are invited to attend individual student conferences two times during the year in October/November and March.

Reporting Grades to Parents

4=ADVANCED (Exceeds the standard with independence; Exceeds expectation for this time of year)

3=PROFICIENT (Meets the standard with independence; Meets expectations for this time of year)

2=PARTIALLY PROFICIENT (Making progress toward the standard with support; Meets basic expectations for this time of year)

1=NOT PROFICIENT (Lacking expected progress toward the standard; Does not meet basic expectations for this time of year)

N/A=Not assessed at this time

SCHOOL RULES

Each school has established a set of 3-4 age appropriate school rules which will be communicated to students and families. Some **examples** of school rules are:

- Treat others kindly.
- Follow the directions of the adult in charge.
- Keep hands, feet, and objects to yourself.
- Walk quietly in the hallway.

Classroom rules are also established and communicated to students and families.

SPECIAL SERVICES

Special supportive services are provided to teachers, parents, and students whenever needed to help a child educationally. Supportive services are provided by the school nurse, and the special education department, which consists of speech therapists, an occupational/ physical therapist, a psychologist, resource teachers for the learning disabled and mentally impaired, a social worker, a behavior specialist, and a consultant for hearing or visually impaired.

If at any time parents or school personnel feel that a student is having problems that are interfering or may in the future interfere with the student's progress in school, the school will assess the problems to determine how to best meet the student's needs. Parents may initiate an assessment by contacting the building Principal or classroom teacher. When school personnel wish to initiate an assessment, parents will be informed that a referral is being made.

STUDENT CELEBRATIONS AND FOOD

Student wellness is to be considered for all foods provided to students during the school day, including classroom-wide celebrations, parties and snacks. Making those special events and the food that accompanies them as nutritious as possible is important in making sure children get the nutrients they need to grow, play hard and be healthy. The District Wellness Policy encourages non-food treats whenever possible. Some options could be stickers, pencils, a classroom book, board game, or DVD donated in your student's name. For healthy celebration suggestions please visit the Wellness tab located under the Child Nutrition Department Website at <http://northfieldschools.org/departments/food/>.

Treats prepared at home are not to be brought to school. The State Health Department requires that food which is served in a food establishment, as defined in Minnesota Statutes Chapter 157, shall be obtained from sources which are approved and inspected by either the federal, state, or local regulatory authority. As a result, we are unable to allow the distribution and service of food items including "treats" which are prepared in individual homes. This requirement would not, however, apply to the distribution of commercially prepared, packaged, or individually wrapped food items. However, commercially prepared, packaged, or individually wrapped food items are required to meet the Federal "Smart Snack" guidelines. These guidelines are available on our Child Nutrition Department Website at <http://northfieldschools.org/departments/food/>.

STUDENT SUPPORT TEAM

Mission

To receive referrals from any person who has identified a student as at-risk for academic, social, emotional, or behavioral problems. To initiate comprehensive and coordinated services for such students. To serve as a resource for families of those students and for the staff who work with them. To address appropriate program and policy issues, especially those related to students' non-academic concerns (e.g. attendance, limited access, mandatory reporting).

Responsibilities:

- To be an access point for concerned persons to refer at-risk students.
- To assure that, within the team, the exchange of ideas and concerns will occur on an open, yet confidential, basis.
- To determine appropriate resources for referred students and to develop an action plan to meet their needs.
- To implement the action plan, provide feedback to the person who initiated the referral, and monitor follow-up.

STUDENT VISITORS

Bringing student visitors to school is only permitted by permission of the building principal.

SUPPLIES

The school furnishes all necessary texts and workbooks for students as required by law. Students are asked to bring their own gym shoes, paper, pencils, notebooks, crayons and similar small items for classroom work. Classroom teachers will notify parents with regard to specific items needed.

STUDENT USE OF THE TELEPHONE

Students may use the telephone only in the case of an emergency. Written permission must be granted by the classroom teacher or an office staff member. Student phone use at school is not to arrange after school activities with friends. Students are requested not to bring cell phones to school. If a cell phone is brought to school it needs to be kept securely in the office until the student leaves for the day.

TITLE I

Title I is part of the federal **Improving America's School Act** that supports state and local reform of teaching and learning carried out under ~~No Child Left Behind~~ Every Student Succeeds Act (ESSA). The emphasis is on high academic standards with aligned curriculum, assessment, and professional development. This program is an important part of Minnesota's Basic Skills and Graduation Standards reform movement.

TORNADO EMERGENCY PLAN

A Disaster Emergency Procedure Plan has been established in the Northfield School District for the purpose of protecting the health and safety of every child as well as the school staff. Since tornados are the kind of disaster which generally do not permit time to send students home, all students and staff will move to a designated safety area of the school. All of our students have had the experience of being in a drill with their teachers. Practices are held each year to make sure everyone knows what to do in case of such an emergency.

VISITORS

Parents are always welcome to visit school. We ask that you contact the classroom teacher two days in advance. For the security of students, all visitors are required to sign in and out at the office. A visitor's badge will be given to you to wear while at our school.

Elementary students are discouraged from bringing student visitors (who may be on a school break while we are still in session) to school with them. They are welcome to invite these student friends/relatives to lunch/recess after clearing this with their classroom teacher. Student visitors must follow the same procedure for signing in as adult visitors.

VOLUNTEERS

Parents and community members are always encouraged to apply as an employee or volunteer at their student's school and/or with the Northfield Public Schools. Volunteers provide a valuable service to students and staff. Minnesota Statute requires a school hiring authority to request a criminal history background check on all individuals who are offered employment in a school and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular services to a school, regardless of whether any compensation is paid. Parents and community members who volunteer on a regular basis must complete a background check each school year before serving students affiliated with Northfield Public Schools.

Appendix A

Child Nutrition Department

Child Nutrition information is available on the school website at northfieldschools.org. Child Nutrition Services is under the Departments tab. All students will have individual meal accounts with a separate 4-digit PIN (Personal Identification Number) for each student/user in the family to record individual meal purchases. Students will use their same 4-digit PIN as last year. New students will be assigned a PIN at open house or on the first day of school. Ending meal account balances carry over from year to year. Students may purchase meals and food items by submitting a payment to their meal account or by making a payment at the time of service. The individual meal account is a debit account, similar to a checking account, and money should be in the account in order to serve a meal to your student. If a student does not have money in his/her lunch account a meal will be provided, however, the student will be charged for this meal and the parents will be held responsible to pay for this meal purchased. Students who have a negative lunch balance will not be allowed to purchase a la carte items. The School District recognizes that it has an obligation to notify the student and/or parents/guardians of their meal account balances. Therefore, the Child Nutrition Department will make every reasonable effort to notify or remind families of the need for a meal account payment by utilizing School Messenger for both low balance and negative balance calls and emails. The parents/guardians are responsible to monitor their student's meal account balances and to send money on a regular basis to ensure their student's capability to purchase meals through the Child Nutrition Programs. Parents should also update their contact information in Family Access annually. A student with a meal account balance of less than zero dollars is encouraged to bring meals from home until their meal account balance can be replenished. For information on our negative meal account balance process please visit <http://northfieldschools.org/departments/food/payments/> or <http://northfieldschools.org/wp-content/uploads/Negative-Balance-and-NSF-Procedure.pdf>

Menus

The Northfield Public Schools participate annually in the National School Breakfast and School Lunch Programs. These programs make available a nutritious breakfast and lunch meal daily for a reasonable cost. Families who are eligible for free or reduced priced meals receive meals at no charge which includes the alternative meal choices. One half-pint of milk is included with every meal. Most of the cafeterias operate on a continuous serve basis during the entire meal period. Menus are planned using the USDA Menu Planning guidelines. Menus will be posted on the District website at northfieldschools.org. If students bring food or beverages from home, we encourage all families to select nutritious choices. Fall menus will be posted on the district website a month prior to the start of school, and monthly throughout the year. Copies of the menu will be available at the schools upon request. Breakfast is available at all schools. Elementary schools offer cold sandwiches and salads as alternative daily lunch choices. Secondary schools offer hot and cold sandwiches, salads and a second hot entrée lunch choices daily. All meals are priced as a regular lunch meal. ~~If your family receives free or reduced priced meal benefits your student may also select these alternative items at no charge~~

Offer vs. Serve

The "offer vs. serve" federal regulation requires that students be offered (rather than served) 5 required food components comprising the full lunch meal. Students may choose 3, 4, or 5 lunch food items based on their preferences instead of having to take some of each food. Students are required to take a full serving of a fruit or vegetable at lunch as one of the meal components. Students will be offered 4 required food components at breakfast and must choose at least 3 of the food items. Federal regulations require meals to be priced as a

complete unit and students must pay the full price even if they did not choose the complete meal. Students are encouraged to take all of the food items offered, because it provides a balanced meal for the best price.

Food Allergies and Special Dietary Needs

The Child Nutrition Department may honor dietary restrictions due to allergies or intolerances with the proper documentation from a medical authority on file. A suitable alternative will be provided when possible. For students with a lactose intolerance, a lactose reduced milk product will be provided at no extra charge on the written request of the parent or physician. Forms for allergies and any special dietary needs are available on the Child Nutrition Department webpage or from a building nurse. Please contact a building nurse, the District School Nurse or the Child Nutrition Director if you have any questions.

Free and Reduced Meals

Free or reduced meals are available for children who qualify. **An educational benefits form must be completed each school year** and submitted to the Child Nutrition Office for review and approval.

Applications for free or reduced meals are mailed out to each household in August. The applications are also available online, at each Principal's Office and in each school kitchen. Families can now complete the educational benefits application online through Family Access. If you wish to complete your application online, you must first log in to Family Access. ~~or visit~~

<http://northfieldschools.org/departments/food/reduced/> After logging in, click the Food Service button located on the left side of the screen and select a child's name. Click the applications tab and follow the prompts to complete the application. ~~and follow the instructions provided.~~ The District Child Nutrition Office will process applications as soon as possible, however, it may take 7-10 days for an application to be reviewed and a response sent to the parents/guardian. A letter indicating your benefits will be e-mailed or mailed out. Please save this letter in case you need to show proof of benefits for other programs. **Benefits from the previous school year will be carried over until October 15, 20182019.** Applications may be completed at any time throughout the year; however, any family that has not reapplied by October 15, ~~20182019~~ will be changed to full priced meals. Families receiving MFIP, Food Stamps or FDPIR and enrolled in Northfield Public Schools by June 15 for the following year will be directly certified by the State of Minnesota to receive free meals and may not need to complete an application. ~~Advance~~ Payment will be required for any meals purchased prior to the approval of the application.

Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing

This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our students with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student's achievement, but your student's participation is important to understand how effectively the education at your student's school is aligned to the academic standards.

- In Minnesota's implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and for the purpose of school and district accountability calculations, including opportunities for support and recognition, will not be considered "proficient."
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.
- English learners not taking ACCESS or Alternate ACCESS for ELLs will not receive a score to meet English learner program exiting criteria.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K-12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

Minnesota Comprehensive Assessments (MCA) and Minnesota Test of Academic Skills (MTAS)	ACCESS and Alternate ACCESS for English Learners
<ul style="list-style-type: none">• Based on the Minnesota Academic Standards; given annually in grades 3-8 and high school in reading and mathematics; given annually in grades 5, 8, and high school for science.• Majority of students take the MCA.• MTAS is an option for students with the most significant cognitive disabilities.	<ul style="list-style-type: none">• Based on the WIDA English Language Development Standards.• Given annually to English learners in grades K-12 in reading, writing, listening, and speaking.• Majority of English learners take ACCESS for ELLs.• Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCA are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1–6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7–12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.

Date _____ (This form is **only** applicable for the 20____ to 20____ school year.)

Student's Legal First Name _____ Student's Legal Middle Initial _____

Student's Legal Last Name _____ Student's Date of Birth _____

Student's District/School _____ Grade _____

Please initial to indicate you have received and reviewed information about statewide testing.

____ I received information on statewide assessments and choose to opt my student out. MDE provides the *Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing* on the [MDE website](http://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Reason for refusal:

Please indicate the statewide assessment(s) you are opting the student out of this school year:

_____ MCA/MTAS Reading

_____ MCA/MTAS Science

_____ MCA/MTAS Mathematics

_____ ACCESS/Alternate ACCESS for ELLs

Contact your school or district for the form to opt out of local assessments.

I understand that by signing this form, my school and I may lose valuable information about how well my student is progressing academically. As a result, my student will not receive an individual score. Refusing to participate in statewide assessments may impact the school, district, and state's efforts to equitably distribute resources and support student learning; for the purpose of school and district accountability calculations, my student will not be considered "proficient."

If my student is in high school, I understand that by signing this form my student will not have an MCA score that could potentially save time and money by not having to take remedial, non-credit courses at a Minnesota State college or university.

ATTENDANCE INFORMATION

Compulsory Attendance Law

Minnesota State Law provides that children enrolled in school after 1988 shall attend a public school or a private school, for a period of not less than nine months during any school year until age 18 or until they graduate. Both parents and students have responsibility for school attendance. This section outlines the procedures for attendance and consequences for unexcused absences. **PLEASE REVIEW WITH YOUR CHILD.**

Rules, Policies, and Guidelines

1. Reporting

Teachers record and report each student absence and tardy in every class period.

2. Verification

All student absences are verified by the Attendance Office. Verification occurs in several ways. Parents call in, send a note, or the Attendance Office calls home.

Absence Procedure: if a student must be absent from class or arrive late to school, the student's parent/guardian must call the Attendance Line at 507-663-0655 the day of the absence or earlier.

The attendance line is available 24 hours a day for your convenience. Absences must be excused within 24 hours or the absence may remain unexcused. School personnel will make every effort to contact parent/guardians of absent students if the school has not received a telephone call from the parent/guardian on the day the student is absent. If the school and parent/guardian do not connect on the day of the absence, a note from a parent/guardian will be accepted the morning the student returns.

3. Definition of Excused/Verified Absences

- *School Activities
- *Illness
- *Non-illness absences requested by parent
- *Out-of-school suspension
- *In-school suspension

4. Definition of Unexcused Absences

- *Leaving school without permission
- *Any absence that does not meet the criteria specified in excused/verified absences

5. Consequences of Tardies

Students may receive a detention or a lunch detention for a set of ~~4~~ 3 tardies in any class. If the detention is served within 5 school days, the student's tardies are erased for that class. If the detention is not served, detention will double or a full day of in-school detention may be assigned.

6. Consequences of Abuse of Attendance Policy

When students have accumulated an excessive amount of *excused* absences, the following steps are followed to attempt to have the student improve attendance:

- a. Guidance counselors are made aware of the concern about absences.
- b. Guidance counselors meet with the student and contact parents about the concern.
- c. The student and his/her family receive a notification letter of the attendance concern.
- d. The student and his/her family receive a notification letter noting that school officials will no longer accept excuses from the parent/guardian. A doctor's written verification for each absence will then be required.

7. Consequences of Unexcused Absence

Truancy. When a student has accumulated 7 unexcused absences during the school year, school officials can file truancy with the student's resident county.

8. Possible Loss of Credit

In general, students who are absent 12 or more times (excused or unexcused) or have 5 unexcused absences during a semester may have credit withheld for that semester. The Student Support Team will monitor this by sending notification before students reach this level so students and parents have time to correct the problem. If the problem is not resolved, students may receive a grade of "F" in those classes that the attendance requirement was not met. If the student/parent disagree with the decision they may request a review. The review committee will consist of the Principal, Assistant Principal, a Counselor and a teacher of the student/parents choice. Family vacations, extended illnesses, absences approved by a doctor and other long absences may be approved by the Administration and these absences will not count as part of the 12 absence limit.

9. Special Attendance Procedures

Appointments. If a student has an appointment during the school day, the parent/guardian should send a note with the student who must bring it to the attendance secretary. The secretary will give the student a pass to leave class at the appropriate time. Students must sign out before they leave the building and upon their return to school. If a student does not know the appointment or has forgotten a note, the parent/guardian may call the Attendance Office to excuse the student from school.

Illness While at School. If a student becomes ill during the day, he/she should get a pass from a teacher to go to the nurse. The nurse will determine whether a call home is warranted.

Leaving the Building During the School Day. Students cannot leave the school building during the school day without permission to leave or having a parent sign them out. Failure to do the above will result in an unexcused absence.

10. Appeal

Parents may appeal the loss of credit due to unexcused absences under the following circumstances:

- *If a good faith effort has been made to delete unexcused absences using the detention option.
- *If a request for an appeal hearing has been made within one week of notification of the loss of credit.
- *If good cause is demonstrated for the failure to abide by the attendance rules.

Any appeal will be decided by a Review Committee consisting of one (1) counselor, two (2) teachers and an administrator. The administrator will convene the meeting and provide any available information about the situation but will not have a vote in the final disposition. If parents are not satisfied with the decision of the Appeal Committee, the decision may be appealed to the administrator.

11. Exceptional Attendance

Guidelines to qualify for perfect attendance:

1. No tardies excused or unexcused for the full academic year.
2. No more than two periods of excused absence for the full academic year. This does not include school related activities.

GENERAL STUDENT INFORMATION SCHOOL POLICIES, PROCEDURES, SERVICES AND PROGRAMS

ANNOUNCEMENTS

Morning announcements are shown on classroom monitors daily and are posted on the Northfield Middle School website: www.northfieldschools.org. Students are encouraged to check announcements daily for important information.

ATTIRE

Students have the right to choose their manner of dress and personal grooming unless it presents a clear danger to the student's health and safety, is sexually suggestive by words, picture or appearance, exhibits profanity, or interferes with the educational environment of the school or the classroom. Clothing with lewd or vulgar expressions, with expressions which are sexually or racially offensive, or which advertises products that are illegal for minors or prohibited on school property will not be allowed during school hours or at school events. State law dictates that students wear shoes on school property at all times. Any student who feels offended by an individual's dress may report that concern to an adult in the building or to school administration. Students who dress inappropriately will be subject to student discipline procedures. **Hats, hoods, and head coverings are not permitted except for designated events and/or permission from administration.**

Individuals are prohibited from wearing or carrying backpacks, caps, headwear, hats, hoods, jackets, coats, choppers/gloves in school except when they are arriving or departing from the building. Individuals are further prohibited from wearing any attire, including jewelry, symbols or "colors" which signify or are likely to be interpreted as signifying membership in gangs, or offensive clubs to school or to school sponsored activities (i.e., dances, athletic events, field trips, evening events, etc.).

Individuals are further prohibited from any manner of dress or personal grooming which presents a danger to health or safety, causes an interference with work, or creates classroom or school disorder. Such attire includes, but is not limited to: clothing with drug, alcohol or tobacco advertising; print or graphics which are sexually explicit or suggestive; representations which are sexually explicit or suggestive; representations which are inappropriate, offensive or demeaning to any group; clothing which is suggestive or inadequate in its covering; and pants worn below the waist.

Dress and Grooming Guidelines

Students are to follow Dress and Grooming guidelines as outlined in the District Student Citizenship Handbook 2018-201920.

Based on the above policy, decisions are made on an individual basis when clothing worn is in question.

- Girls' tops, shirts or dresses must have 2-inch straps and cover any undergarment straps. Tops must have a full back and must be long enough to tuck in when sitting, standing or reaching.
- Undergarments must not be visible at any time, when standing, sitting or stretching. Boys' trousers must be kept high enough so undergarments do not show. Girls' undergarment straps must be covered at all times.
- Shorts and skirts must be long enough so that all undergarments are covered when sitting standing or reaching. Clothing should extend as far as fingertips when arms are extended along the side of the body.
- Shoes with wheel devices are not allowed inside the school building.

Students in violation will be given an opportunity to correct their attire. Students in question can be sent to the office where a counselor and/or administrator will determine acceptability. If there are repeat offenses by a student, parents will be contacted. Continued violations will result in detention and/or suspension. If you have questions, please contact Greg Gelineau (principal) or Michael O'Keefe (assistant principal) at 507-663-0650 or a Counselor at 507-663-0664.

ATHLETIC & ACADEMIC ACTIVITIES

All students are encouraged to participate in the athletic/academic programs. Seventh and eighth grade athletic students compete against other schools. Sixth grade students are involved in intramural competition.

In individual competitions (i.e. track, tennis, etc.), opportunities may be given to sixth grade students to compete with other students of similar size, strength, ability, and age level.

In order for students to be allowed to participate in the Middle School Athletic/Academic Programs, a parent consent permission form along with the proper fee must be completed submitted. No other forms (physicals, etc.) are necessary to be able to compete in the Middle School Athletic/Academic Programs. Registration is done online at <http://northfieldschoolsactivities.registryinsight.com>.

BICYCLES AND SKATEBOARDS/LONGBOARDS

Bicycles and skateboards/longboards are not to be ridden on school property. This rule is in effect to prevent injuries. Northfield Middle School is not responsible for lost or damaged bicycles and skateboards. Students should walk their bikes or carry their skateboards until they are on the asphalt trails going away from the building.

BOOKS, MATERIALS AND EQUIPMENT

Students are responsible for all lost or damaged books, materials or equipment that has been issued to them. This includes one-to-one devices. Students can be fined for any lost or damaged items assigned to them. Any outstanding fines will need to be taken care of before a student may participate in any non-academic activities (i.e. Valleyfair).

CELL PHONES

Cell phones are not permitted in classrooms, during transition times, or in the lunchroom between 7:45 am and 2:51 pm. If there is a need for a student to have a cell phone at school, staff should not hear it or see it. It should be put in a locker during the day. If any staff member sees a phone out in classrooms, during transition times, or in the lunchroom, it will be labeled and taken to the office. The phone can be picked up after 2:51 pm. Additionally, video recording students or staff without their consent is prohibited at Northfield Middle School.

CHANGE OF ADDRESS/TELEPHONE NUMBER

Students/parents/guardian should provide change of address information and new telephone numbers to the Guidance Office.

DANCES

The Northfield Middle School Student Council sponsors all dances. Middle school dances are planned for Northfield middle school students and normally run from 3:00 - 5:00. Any guests must have written permission from an administrator at least one day prior to the dance. Students are responsible for finding their own rides home.

DETENTION

Detention is an after-school service or study hall time assigned to students as a consequence. Detention may be assigned by teachers or administration and may be held in the teachers' classroom or student office. Office detentions are from 3:00-3:45, Monday through Thursday.

One of the following could happen if a student fails to complete a detention:

1. The detention can double.
2. A full day of in-school detention can be assigned.
3. Loss of privileges (i.e. lunch seating, non-academic activities, etc.)

DISCIPLINE

See District's "Student Citizenship Handbook".

E-LEARNING DAYS

Northfield Public Schools uses e-Learning days (formerly called flexible learning days) to mitigate the loss of instructional time when the weather forces school closures. Students receive e-Learning day instructions for learning at home on these days from their school and teacher(s). The latest district e-Learning day guidelines can be found online at: <https://northfieldschools.org/parents/school-closings/>.

FRAGRANCES

Many people are sensitive or allergic to fragrances. Students who choose to wear a personal fragrance should do so sparingly. All fragrance containers should be left at home and may be confiscated. Antiperspirant should be a stick, cream or roll-on type with minimal fragrance, and stored in phy. ed. lockers.

GRADES

Mid-quarter reports will be sent home with students if receiving a grade lower than a "C-". Report cards are distributed to the students to take home one week after the last day of the quarter.

Access to Grades Online

Parents and students have access to student grades via Student Access and Family Access. Scores as they appear on Student Access and Family Access should be considered unofficial. In the unlikely event of discrepancies between the teacher electronic gradebook and Student/Family Access, the teacher gradebook shall be the official record of all grades.

HEARING AND VISION SCREENING

Hearing and vision screening for all 7th grade students are held every October.

HONOR ROLL

The Middle School generates an "A" and "B" honor roll after each quarter. The criteria for attaining honor roll status are listed below:

Students with a grade point average of 3.6 or above are eligible for the "A" honor roll.
Students with a grade point average of 2.6 to 3.59 are eligible for the "B" honor roll.

IMMUNIZATIONS

Immunizations must be current according to Minnesota State Law. Those who are not in compliance will be notified by the nurse, and will not have an iPad checked out to them (Grade 6) or locked digitally (Grades 7-8), and will not be allowed to attend school.

INTERNET

Student use of technology and the Internet is governed by District Policy 524-2 regarding the use of technology and telecommunications systems. The policy can be viewed at <https://northfieldschools.revtrak.net/District-Fees/#/f/-2017-ipad-protection-plan>. See the Student iPad Loan Agreement for additional details about iPad implementation.

LASER PENS

Laser pens are prohibited at the middle school and will be confiscated immediately. Students will not be given these items back, but a parent can come in to collect them.

LOCKERS

All locks and lockers are the property of the Northfield Middle School, not the students. Students are assigned to a locker. Students are responsible for their lockers and will be charged a replacement fee if they are damaged. Food is not to be stored in lockers overnight or for long periods of time.

1. Northfield Middle School is not responsible for any items stolen from a student's locker.
2. Students are assigned Physical Education locks and lockers on a yearly basis. Fees may be charged for lost or damaged locks.

Sharing lockers is not allowed and students are strongly urged to not tell anyone their combination.

LOST AND FOUND

Any lost and found items will be kept in the cafeteria unless they are found in the Physical Education area. Items found in the physical education area will be kept in the Physical Education Office. Any item that is not claimed, by the end of each quarter, will be donated to charity or discarded.

MAKE-UP WORK

If a parent knows of a student's absence in advance, the absence should be called in to the attendance line. Students should also connect with their teachers to assure any missed work will be posted to Schoology. Students are responsible for completing all work posted to Schoology. Students returning from an absence will need to schedule arrangements with the teacher for completing any work that could not be completed during the absence. Homework will not be collected in the office for a student prior to absence:

- Parents call attendance line 507-663-0655 to report the absence.
- Students contact the teacher to assure that any missed work will be posted to Schoology and schedule arrangements to make up the work.

MEDIA CENTER

The Media Center is open from 7:45 a. m. until 3:15 p.m., daily. Students may use the media center after 3:15 p.m., with staff supervision.

Respect for others requires that you take proper care of materials and return checked out materials on time. Failure to follow Media Center rules will result in disciplinary action with possible loss of non-curriculum Media Center privileges. Replacement cost will be charged for Media Center materials that are lost or damaged. Students with unpaid fines may lose non-academic privileges.

NURSE 507-663-0656

The nurse is on duty each day from 8:00 a.m. until 3:15 p.m. Students should have a pass from a teacher in order to visit the nurse. All students who become ill during the school day are required to check out with the nurse's office, prior to leaving the building.

All medication (prescription and over-the-counter) should be brought, by an adult, to the nurse's office. Any medications that students take at school must be distributed and stored in the nurse's office. A note stating the name of the medication, dosage, and the time it should be given must accompany the medicine. This note must be dated and signed by the parent/guardian and physician. A doctor's note must accompany any dose changes for daily medications such as Ritalin, Dexedrine, etc. Prescription medication must be in a prescription bottle from the pharmacy with the student's name on it. Students are not allowed to carry medication with them during the school day. Inhalers used for asthma are the only exception. Students may carry them after reporting to the nurse and filling out the necessary paperwork.

Emergency Forms are updated annually and turned in to the nurse's office. Individual health care plans are written when appropriate.

OFFENSIVE BEHAVIOR

Offensive behavior, such as teasing, name-calling, putdowns, inappropriate language, coercive behavior or other mean-spirited behavior is prohibited. This includes the displacement of another student's clothing. Depending upon the circumstance, these behaviors could constitute harassment.

PLEDGE OF ALLEGIANCE

~~Students are invited to join in the Pledge of Allegiance during announcement time on Monday mornings. Students and staff will respect an individual's right to choose not to participate. Students in this school district shall recite the Pledge of Allegiance to the flag of the United States of America one or more times each week. Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reasons may elect not to do so. Students and school personnel must respect another person's right to make that choice.~~

RETENTION

Any student who fails to earn credit for two or more core courses will be considered for retention. The Student Support Team will review each case individually and develop a contract to earn promotion to the next grade.

RIGHT TO KNOW

The Northfield Public School recognizes the importance of our students' and employees' health and well-being. Therefore, we are examining and reducing our use of pesticides and utilizing Integrated Pest Management techniques in our school buildings and on school grounds to minimize the possible long-term unknown health effects of pesticides.

The Northfield Public Schools will make available, in the school offices, for parent and employees, the estimated schedule of application of pesticides classified by the United States Environmental Protection Agency as designated under the Federal Insecticide, Fungicide and Rodenticide Act. Parents may also request that the school notify him/her prior to the application of such pesticides on a day different from the days specified in the notice.

SAFETY EXERCISES

Emergency safety exercises will be conducted so that every person in the building knows the procedure to be followed in the event of an emergency. Fire and severe weather procedures are posted in each room.

SCOLIOSIS SCREENING

Scoliosis screening for all 7th & 8th graders is held every February.

SEARCHES/CANINES

The Northfield School District believes strongly in implementing and utilizing policies and procedures that work toward keeping its schools safe, and drug & tobacco free. To this end, the District will conduct periodic searches of the schools and their adjacent parking lots with the assistance of local and county law enforcement officers and drug-sniffing dogs. Each canine unit will be accompanied by at least two school district staff and when possible, the school resource officer. In the event of a positive identification by the canines, school personnel will conduct a search of the locker or vehicle in question. If the search reveals unauthorized or illegal items, district personnel may ask that law enforcement finish the search of the locker or vehicle.

Appendix A

Child Nutrition Department

Child Nutrition information is available on the school website at northfieldschools.org. Child Nutrition Services is under the Departments tab. All students will have individual meal accounts with a separate 4-digit PIN (Personal Identification Number) for each student/user in the family to record individual meal purchases. Students will use their same 4-digit PIN as last year. New students will be assigned a PIN at open house or on the first day of school. Ending meal account balances carry over from year to year. Students may purchase meals and food items by submitting a payment to their meal account or by making a payment at the time of service. The individual meal account is a debit account, similar to a checking account, and money should be in the account in order to serve a meal to your student. If a student does not have money in his/her lunch account a meal will be provided, however, the student will be charged for this meal and the parents will be held responsible to pay for this meal purchased. Students who have a negative lunch balance will not be allowed to purchase a la carte items. The School District recognizes that it has an obligation to notify the student and/or parents/guardians of their meal account balances. Therefore, the Child Nutrition Department will make every reasonable effort to notify or remind families of the need for a meal account payment by utilizing School Messenger for both low balance and negative balance calls and emails. The parents/guardians are responsible to monitor their student's meal account balances and to send money on a regular basis to ensure their student's capability to purchase meals through the Child Nutrition Programs. Parents should also update their contact information in Family Access annually. A student with a meal account balance of less than zero dollars is encouraged to bring meals from home until their meal account balance can be replenished. For information on our negative meal account balance process please visit <http://northfieldschools.org/departments/food/payments/>.

Menus

The Northfield Public Schools participate annually in the National School Breakfast and School Lunch Programs. These programs make available a nutritious breakfast and lunch meal daily for a reasonable cost. Families who are eligible for free or reduced priced meals receive meals at no charge which includes the alternative meal choices. One half-pint of milk is included with every meal. Most of the cafeterias operate on a continuous serve basis during the entire meal period. Menus are planned using the USDA Menu Planning guidelines. Menus will be posted on the District website at northfieldschools.org. If students bring food or beverages from home, we encourage all families to select nutritious choices. Fall menus will be posted on the district website a month prior to the start of school, and monthly throughout the year. Copies of the menu will be available at the schools upon request. Breakfast is available at all schools. Elementary schools offer cold sandwiches and salads as alternative daily lunch choices. Secondary schools offer hot and cold sandwiches, salads and a second hot entrée lunch choices daily. All meals are priced as a regular lunch meal. ~~If your family receives free or reduced priced meal benefits your student may also select these alternative items at no charge~~

Offer vs. Serve

The "offer vs. serve" federal regulation requires that students be offered (rather than served) 5 required food components comprising the full lunch meal. Students may choose 3, 4, or 5 lunch food items based on their preferences instead of having to take some of each food. Students are required to take a full serving of a fruit or vegetable at lunch as one of the meal components. Students will be offered 4 required food components at breakfast and must choose at least 3 of the food items. Federal regulations require meals to be priced as a

complete unit and students must pay the full price even if they did not choose the complete meal. Students are encouraged to take all of the food items offered, because it provides a balanced meal for the best price.

Food Allergies and Special Dietary Needs

The Child Nutrition Department may honor dietary restrictions due to allergies or intolerances with the proper documentation from a medical authority on file. A suitable alternative will be provided when possible. For students with a lactose intolerance, a lactose reduced milk product will be provided at no extra charge on the written request of the parent or physician. Forms for allergies and any special dietary needs are available on the Child Nutrition Department webpage or from a building nurse. Please contact a building nurse, the District School Nurse or the Child Nutrition Director if you have any questions.

Free and Reduced Meals

Free or reduced meals are available for children who qualify. **An educational benefits form must be completed each school year** and submitted to the Child Nutrition Office for review and approval.

Applications for free or reduced meals are mailed out to each household in August. The applications are also available online, at each Principal's Office and in each school kitchen. Families can now complete the educational benefits application online through Family Access. If you wish to complete your application online, you must first log in to Family Access. ~~or visit~~

<http://northfieldschools.org/departments/food/reduced/> After logging in, click the Food Service button located on the left side of the screen and select a child's name. Click the applications tab and follow the prompts to complete the application. ~~and follow the instructions provided.~~ The District Child Nutrition Office will process applications as soon as possible, however, it may take 7-10 days for an application to be reviewed and a response sent to the parents/guardian. A letter indicating your benefits will be e-mailed or mailed out. Please save this letter in case you need to show proof of benefits for other programs. **Benefits from the previous school year will be carried over until October 15, 20182019.** Applications may be completed at any time throughout the year; however, any family that has not reapplied by **October 15, 20182019** will be changed to full priced meals. Families receiving MFIP, Food Stamps or FDPIR and enrolled in Northfield Public Schools by June 15 for the following year will be directly certified by the State of Minnesota to receive free meals and may not need to complete an application. ~~Advance~~ Payment will be required for any meals purchased prior to the approval of the application.

Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing

This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academic standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our students with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student's achievement, but your student's participation is important to understand how effectively the education at your student's school is aligned to the academic standards.

- In Minnesota's implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and for the purpose of school and district accountability calculations, including opportunities for support and recognition, will not be considered "proficient."
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.
- English learners not taking ACCESS or Alternate ACCESS for ELLs will not receive a score to meet English learner program exiting criteria.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K-12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

Minnesota Comprehensive Assessments (MCA) and Minnesota Test of Academic Skills (MTAS)	ACCESS and Alternate ACCESS for English Learners
<ul style="list-style-type: none">• Based on the Minnesota Academic Standards; given annually in grades 3-8 and high school in reading and mathematics; given annually in grades 5, 8, and high school for science.• Majority of students take the MCA.• MTAS is an option for students with the most significant cognitive disabilities.	<ul style="list-style-type: none">• Based on the WIDA English Language Development Standards.• Given annually to English learners in grades K-12 in reading, writing, listening, and speaking.• Majority of English learners take ACCESS for ELLs.• Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCA are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1–6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7–12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.

Student's Legal First Name _____ Student's Legal Middle Initial _____

Student's Legal Last Name _____ Student's Date of Birth _____

MDE provides the *Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing* on the [MDE website](http://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Reason for refusal:

Please indicate the statewide assessment(s) you are opting the student out of this school year:

_____ MCA/MTAS Reading

_____ MCA/MTAS Science

_____ MCA/MTAS Mathematics

_____ ACCESS/Alternate ACCESS for ELLs

Contact your school or district for the form to opt out of local assessments.

I understand that by signing this form, my school and I may lose valuable information about how well my student is progressing academically. As a result, my student will not receive an individual score. Refusing to participate in statewide assessments may impact the school, district, and state's efforts to equitably distribute resources and support student learning; for the purpose of school and district accountability calculations, my student will not be considered "proficient."

ATTENDANCE INFORMATION

Attendance at school is a shared responsibility between the individual student, and his/her parents/guardians and the school. State law stipulates that it is the parent's/guardian's responsibility to ensure that their son/daughter attends school. The expectation is for parents/guardians to provide an honest reason for absence or tardiness and the school determines whether a student's absence/tardiness is excused or unexcused.

Learning is enhanced by regular school attendance. Regular attendance assists in maximizing the educational benefits for each individual student.

With the implementation of the 1:1 iPad initiative, it is the expectation of the staff at NHS that students be responsible for monitoring their attendance. If a student determines that a teacher has made an error in reporting his/her attendance, it is the student's responsibility to communicate with the teacher to resolve the attendance report. After five school days, the report will stand and the absence will be considered unexcused.

Absence Procedure

If a student must be absent from class or arrive late to school, the student's parent/guardian must call the Attendance Line at 663-0616 the day of the absence or earlier. The attendance line is available 24 hours a day for your convenience. Absences must be excused within 24 hours or the absence may remain unexcused.

If the school and parent/guardian do not connect on the day of the absence, a note from a parent/guardian will be accepted the next morning. Absences may no longer be excused after the day the student returns. Parents/guardians are encouraged to apply for an online access number to view their student attendance. See website for more information to Family Access.

All students who become ill during the school day are required to check out with the nurse's office prior to leaving the building. Check out must include contact between school officials and parents/guardian prior to leaving the building. failure to properly check out with the nurse's office will cause the student to be unexcused and consequences may be assigned.

Any student, who leaves the building for any reason, without checking out, is considered unexcused. checking out means contact between parent/guardian and school official before the student leaves the building.

Excessive Absences

The absence limit per semester is eleven (11). Upon the twelfth (12th) absence, the student may not earn credit in the class for the semester. (School sponsored activities/field trips, chronic medical conditions verified by a physician and extended medical excuses of at least three consecutive days verified by a physician are the only days that "do not count" in the 11 absences allowed per semester). ~~This is not meant to imply that students are free to miss school up to the established limit. Rather, reaching the limit is considered being excessively absent.~~ In addition, students may lose credit upon reaching 3 unexcused absences in a class. Students with excessive absences will be referred to the Student Support Team (SST) for intervention.

Absence Appeal

If a student, the parent/guardian, or the school feels that extenuating circumstances caused the excused/unexcused absence limit to be exceeded; an appeal may be filed with the Assistant Principal. The student/parents are responsible for filing an appeal by contacting the Assistant Principal's Office at 663-0635. ~~The Assistant Principal will hear the facts of the situation before deciding whether to waive a certain number~~

~~of the absences or to enforce no credit earned:~~

Attendance and Co-Curricular Activities Policy - Students

~~In order to practice, rehearse, compete or perform in any NHS co-curricular activity, the student must be in attendance that day for a minimum of 4 class periods. Pre-arranged absences with the approval of the Assistant Principal or Activities Director will be considered an exception to the policy. Coaches/Advisors are expected to enforce this policy.~~

In order to practice, rehearse, compete or perform in any NHS co-curricular activity, the student must be in attendance that day for a minimum of four class the **last 4 periods of the day**. Pre-arranged absences with the approval of the Principal, Assistant Principal, or Activities Director will be considered an exception to the policy. All coaches/advisors are to explain this rule to the participants at the beginning of their season. Coaches/Advisors are expected to enforce this policy. If absences are not cleared by a parent/guardian, the absence will be considered unexcused and/or truant.

If Absences are Unexcused or Truant:

Students that have an unexcused or truant absence will receive no credit from their teachers for the activities performed on the day of the absence.

Students with unexcused absences or truancies will be given appropriate consequences by their Assistant Principal. Consequences will be progressive with succeeding unexcused absences and truancies.

Attendance (FAN) at Post-Season Competition

Students must have their parent/guardian excuse them BEFORE the day of the event. NO PHONE CALLS OR NOTES WILL BE ACCEPTED THE DAY OF THE EVENT. The absence must be pre-excused.

Students who do not have a parent excuse them before the event will be considered unexcused. Attendance at an event will count towards the attendance policy, except for students who are participants in that activity for NHS.

Eligibility for Activities

Academic Eligibility Policy-Adopted June, 2008

The purpose of this academic eligibility policy is to monitor, motivate and assist the students who participate in co-curricular activity programs, in order for the student to be academically successful. While the school's co-curricular programs are a vital part of the total education of our students, our primary mission is academics. Please reference the [Co-Curricular Handbook](#) for academic eligibility details.

Excused/Unexcused Absences

Excused absences include -

- illness
- medical appointment (that cannot be made outside of the school day)
- post-secondary school visits
- family vacations/outings (with a parent/guardian)
- family emergencies verified by a parent/guardian (serious family illness, injury or death)
- absences caused by participation in school sponsored activities

Unexcused absences include but are not limited to-

- oversleeping
- car trouble

Unexcused tardiness for more than fifteen minutes is considered an unexcused absence.

Missing Classes - Students are not allowed to miss classes in order to make-up or complete work for another

class. Parents may not excuse students from classes to make-up or complete work for another class. The school reserves the right to require medical verification in cases where student absences are excessive.

Homework Make-Up Policy

If you are absent- [Email Teachers](#) directly asking for homework, [Check Schoology](#), [Check teacher websites](#) for assignments or Call a friend and ask them to bring work home for you.

If you know you will be absent, it is your responsibility to connect with your teachers for your homework in advance. You will still need to report your absence to the Attendance Office.

The entire responsibility for making up school work missed due to any absence lies with the student. All classroom teachers will have a procedure for obtaining that make-up work.

1. Students may make up work missed due to an excused absence. Work missed as a result of an unexcused absence cannot be made up.
2. Students will have two days after returning from an absence to make arrangements with the teacher for completing work missed during the absence. Failure to make arrangements or failure to follow through with those arrangements will result in losing the right to make up the missed assignments.
3. Previously announced tests or projects are due immediately upon return to school. Individual Departments may elect to enforce alternative make-up test procedures.

Passes to Leave Campus

Under no circumstances may any student just sign-out and leave school. A student must have an excused reason to leave school and must be issued a pass to leave the building. Failure to follow this procedure will result in disciplinary consequences.

Tardiness

Anyone not in the room at the bell is considered tardy. Two tardies are allowed per quarter. The third, fourth and fifth tardy will result in disciplinary consequences. The sixth may result in permanent removal from class. Unexcused tardiness for more than fifteen minutes is considered an unexcused absence.

ACADEMIC INFORMATION

ACADEMIC HONOR ROLL

Each quarter's grades are used to determine the Honor Roll. To qualify for the Honor Roll, students have to be enrolled in five NHS courses (this may include a student who is enrolled in four NHS classes and a PSEO class or Senior Honors class at St. Olaf or Carleton College.)

AUDITING CLASSES

Auditing means taking a course for a personal benefit, but not for a grade or credit. The following steps must be followed:

1. The course must be an elective.
2. At the time of registration, the student must declare the intent to audit to the counselor.
3. The student must secure written permission from the teacher and return the form to the counselor.
4. After this, if class size permits, the student will be scheduled for the class. Students auditing are considered regular class members regarding attendance, class participation, and examinations with one exception: the student will not be expected to complete outside assignments.

COURSE INCOMPLETES

Students who receive an "Incomplete" grade at the end of a quarter must make up the work within 2 weeks unless additional time has been granted by the teacher and assistant principal.

COURSE STRUCTURE

Courses at Northfield High School are all one semester in length. A semester course awards 1/2 credit for successful completion. If a student fails one semester, he/she needs to repeat that failed semester. The grade of record is the final semester grade. This is the grade that is entered on the students' permanent record card and is used to determine cumulative grade point average and class rank. For a full-year course there are two grades of record, one for the first semester and one for the second semester.

COURSE DROP/ADD POLICY

Course requests in early spring lead to schedules that are very difficult to adjust - especially when it comes to electives. If a scheduling conflict occurs, one or more student-selected alternate courses will be added to student schedules as necessary. If a schedule change is necessary for graduation or in order to carry at least six classes, students can initiate these changes on the designated schedule change day the week before school begins. Once the school year begins, the only allowed changes will be to drop a class for a study hall if there are seven classes in place or to add a class that is for required graduation credits. Students who have seven classes on their schedule and drop one in order to take a study hall must do so via a Drop/Add form before the midquarter point of the semester, which is approximately four weeks into the semester. Students who have six classes and wish to drop one must also add a replacement course via a Drop/Add form by the end of the fifth day of the semester. Students may not have two study halls/open hours (Senior Transition, TA) in the same semester. Dropping a course after the deadline results in a failing semester grade for the class.

FINAL EXAMS

Final examinations will count no more than 20% of the final semester grade. Any exam changes must be approved by an administrator prior to exams beginning.

GRADING SYSTEM

Student grade point averages and ranks are calculated by two possible methods. Under the "Normal" system, all courses are equally weighted according to the following system:

A+/A =4.0	B+=3.333	C+=2.333	D+=1.333
A- =3.667	B=3.0	C=2.0	D=1.0
	B-=2.667	C-=1.667	D-=0.667
		F=0	

Under the "Weighted" system, all Advanced Placement course grades are weighted an additional 25% in GPA points as follows:

A=5.0	B=3.75	C=2.5
-------	--------	-------

MID-YEAR GRADUATES

Students who can meet the necessary state and local requirements are eligible to graduate after the first semester of their senior year. Students desiring to graduate early must receive permission from the principal when registering for their senior year. Students are not eligible to participate in any school activities once they graduate. However, mid-year graduates may participate in the end-of-the-year commencement program.

MINIMUM CLASS LOAD

The minimum class load for all students at Northfield High School shall be six courses each semester. Students in grades 9-12 are required to be in school seven periods each day unless he/she has arranged with the assistant principal for a senior transition or he/she is enrolled in a high school vocational class or post secondary courses.

PASS-FAIL

A course taken under the pass-fail procedure will be evaluated with a "pass" or "fail" rather than the standard A, B, C, D, F grade. The following steps will be followed:

1. At time of registration, the student must make known to the counselor the desire to take a "pass-fail" class.
2. The course must place the student beyond the projected required total number of credits for graduation.
3. The course must be an elective.
4. The guidance office will provide written approval to take a class on the "pass-fail" basis. This form must be signed by the teacher and returned to the guidance office. A "pass-fail" course will NOT be considered in figuring commencement academic honors.
5. Once a class has begun, a student on "pass-fail" will NOT be permitted to switch to the standard grading.

POST-SECONDARY ENROLLMENT OPTIONS (PSEO)

PSEO is a state-sponsored program which allows students to take college-level courses during high school. A variety of public and private 2-year and 4-year schools throughout Minnesota participate in this program. Tuition and textbooks are provided at no cost to the student. Students may participate part-time or full-time in PSEO. Juniors and seniors interested in PSEO should contact their counselor. If a student intends to use a PSEO course to meet a graduation requirement (i.e. Economics) check with the counselor in advance to ensure the class is applicable. Administrative approval is required prior to the start of these courses.

REPORT CARDS

Report cards are posted in Family Access every quarter (nine weeks) grading period. Students and parents will be able to access their report cards via Family Access electronically after grades are posted each marking period. Posting dates will be published in school announcements and newsletters.

SCHEDULE CHANGES

Students must meet with a guidance counselor to initiate any change in their class schedule. Schedule changes are made only in exceptional circumstances.

SENIOR HONORS PROGRAM

Through an agreement with St. Olaf College and Carleton College, Northfield High School seniors have the opportunity to enroll in lower-level college courses at no cost to the student. Each college has a specific application process. Application forms are available to students in late spring of their junior year. During the summer, students will be informed of the college's decision and given instructions on how to register for classes. If you intend to use a Senior Honors course to meet a graduation requirement (i.e. Economics), please check with your counselor in advance to ensure that the class is applicable. Administrative approval is required prior to the start of these courses. Information may be obtained from the counselors for obtaining high school and/or college credits upon successful completion of the course. A senior in the Senior Honors Program who wishes to access the media center or computer lab during his/her work time must arrive at the beginning of an hour and stay the entire hour. All media center rules apply.

SPECIAL EDUCATION PROGRAMS

Special Education programs are an educational service provided to students who are having difficulty achieving in the regular school program and who meet state eligibility requirements that are verified through an assessment made by qualified personnel. The difficulties a student may encounter could be academic or emotional/behavioral. The student or parent/guardian may contact a guidance counselor, administrator or teacher for information about referrals. At that point, the child study procedure will begin and parent/guardians will be informed of the procedure and their rights, which are contained in State and Federal laws.

ACADEMIC AWARDS

Two types of awards will be presented. The academic letter, certificate, or bar will be awarded to those students meeting the criteria indicated below. A "commended" award will be presented to those students nominated and selected according to the criteria indicated below.

A chenille "N" letter and certificate will be given to the student who has a 3.5 or better cumulative grade point average after five semesters of high school. A transfer student to NHS who has a 3.5 cumulative grade point average after five semesters at an accredited high school must have completed at least one semester at NHS.

Once a student has received the chenille "N" letter and certificate, a "bar" and certificate will be awarded for each successive semester that the student continues to maintain a 3.5 cumulative grade point average.

All college courses taken for high school credit will be included in determining each student's grade point average. However, students taking college courses must be enrolled in at least four Northfield High School courses to qualify for an academic award.

Each consecutive offense will result in the phone being confiscated and held in the office for the number of days corresponding with the offense number. (e.g. 4th offense, 4 days held) Parents will be contacted upon each offense.

CHEMICAL HEALTH

Students are responsible for cooperating with school authorities to keep our schools free of drugs, ~~tobacco~~, nicotine, and alcohol. Students should report any presence of chemicals on school grounds. Students with a chemical violation will be referred to the Student Support Service team. A Chemical Health Counselor is available to students. Call the Guidance Office for more information.

CLOSING OF SCHOOL

In the event of bad weather school closing announcements will be made over KYMN AM-1080 and WCCO AM-830 radio stations, and via Skylert and Schoology.

~~COURSE INCOMPLETES~~

~~Students who receive an "Incomplete" grade at the end of a quarter must make up the work within 2 weeks unless additional time has been granted by the teacher and assistant principal.~~

~~COURSE STRUCTURE~~

~~Courses at Northfield High School are all one semester in length. A semester course awards 1/2 credit for successful completion. If a student fails one semester, he/she needs to repeat that failed semester. The grade of record is the final semester grade. This is the grade that is entered on the students' permanent record card and is used to determine cumulative grade point average and class rank. For a full-year course there are two grades of record, one for the first semester and one for the second semester.~~

DETENTION

Detention will be held during flex hour and after school as necessary. Students must check with the Attendance office to reschedule. A student may change their scheduled detention only once. Students must come into the attendance office prior to the scheduled detention to make the change.

Detention and Rules

1. Students must arrive on time.
2. Students must have something to study or read.
3. No talking, sleeping, or cell phone use.
4. Students must remain in the room throughout the assigned time.

DISCIPLINE GUIDELINES

See Appendix B

COURSE DROP/ADD POLICY

~~Course requests in early spring lead to schedules that are very difficult to adjust—especially when it comes to electives. If a scheduling conflict occurs, one or more student-selected alternate courses will be added to student schedules as necessary. If a schedule change is necessary for graduation or in order to carry at least six classes, students can initiate these changes on the designated schedule change day the week before school begins. Once the school year begins, the only allowed changes will be to drop a class for a study hall if there are seven classes in place or to add a class that is for required graduation credits. Students who have seven classes on their schedule and drop one in order to take a study hall must do so via a Drop/Add form before the midquarter point of the semester, which is approximately four weeks into the semester. Students who have six classes and wish to drop one must also add a replacement course via a Drop/Add form by the end of the fifth day of the semester. Students may not have two study halls/open hours (Senior Transition, TA) in the same semester. Dropping a course after the deadline results in a failing semester grade for the class.~~

DRUG DOG SEARCHES

The District will conduct periodic searches of the schools and their adjacent parking lots with the assistance of local and county law enforcement officers and drug-sniffing dogs. Each canine unit will be accompanied by at least one school district staff, and when possible, the school resource officer.

In the event of a positive identification by the canines, two school personnel will conduct a search of the locker or vehicle in question. If the search reveals unauthorized or illegal items, district personnel may ask that law enforcement finish the search of the locker or vehicle.

E-LEARNING DAYS

Northfield Public Schools uses e-Learning days (formerly called flexible learning days) to mitigate the loss of instructional time when the weather forces school closures. Students receive e-Learning day instructions for learning at home on these days from their school and teacher(s). The latest district e-Learning day guidelines can be found online at: <https://northfieldschools.org/parents/school-closings/>.

EIGHTEEN-YEAR OLDS

Students who are 18 years of age or older must follow all school district policies and all school regulations, including the regulations that are outlined in the student handbook. Additionally, when a student turns 18 years of age, the following rules will apply:

1. All rights to make educational decisions will transfer to the student, including the right to make decisions about special education, unless a conservator or legal guardian has been appointed for the student.
2. Subject to all applicable laws, the school district may continue to provide educational data to the parent(s) of an adult student, provided that the parent(s) continue to claim the adult student as a dependent for tax purposes. If an adult student is claimed as a dependent but the student does not want the district to share educational data with his or her parents, the student may submit a written request for the district to end all communications with the parent(s). The district will evaluate such requests on a case-by-case basis to determine the appropriate course of action.
3. If the district grants an adult student's written request to stop sharing educational data with the student's parent(s), and the student later changes his or her mind, the student will be required to submit a signed form authorizing the district to resume sharing educational data on the student with the parents.

FAMILY ACCESS/GRADES ONLINE

Parents/Guardians are encouraged to apply for a family access number. This will allow parents to view attendance, food service accounts, schedules and grades. Go to northfieldschools.org to apply.

Parents and students have access to student grades via Student Access and Family Access. Scores as they appear on Student Access and Family Access should be considered unofficial. In the unlikely event of discrepancies between the teacher electronic gradebook and Student/Family Access, the teacher gradebook shall be the official record of all grades.

FINAL EXAMS

~~Final examinations will count no more than 20% of the final semester grade. Any exam changes must be approved by an administrator prior to exams beginning.~~

FLEX PERIOD

~~Flex period occurs daily between 4th and 5th hour, and gives students an opportunity to pursue academic support, physical activity, social opportunities, or unstructured time in supervised settings. A weekly schedule of activities and options for Flex period will be available to students on their iPads.~~

~~Flex period is divided into 4 segments: 10 minutes of passing, 20 minutes of stay put, 10 minutes of passing, 20 minutes of stay put, and includes lunch (10/15/10/15 on Wednesdays). It will also include the College & Career Readiness program one day per week.~~

~~Seniors have the option to leave campus during flex period except on days when College & Career Readiness programming is delivered. 9th, 10th, and 11th graders are expected to be on campus for the entire flex period.~~

FLEX is a 60 minute period that occurs daily between 4th and 5th hour, and provides students an opportunity to have lunch and engage in academic supports, physical activity, social opportunities, or unstructured time in supervised settings. A weekly schedule of activities and options for Flex period is available to students on their iPads. It also includes the Career & College Readiness program each Tuesday for 25 minutes. Seniors have the option to leave campus during flex period except when Career & College Readiness programming is delivered. 9th, 10th, and 11th graders are expected to be on campus for the entire FLEX period. Teachers have the option to require students to attend academic supports periodically during FLEX to ensure students are keeping up with their work.

FREEDOM OF EXPRESSION

Freedom of expression is necessary to promote creativity and teach tolerance of others' ideas. Verbal, written or symbolic speech, which causes disruption, will not be tolerated.

The administration will make judgments based on the following criteria:

1. It must not be obscene.
2. It may not make personal attacks on students or school employees.
3. It may not advocate or cause disruption of the school day.
4. It may not invade others' privacy or be libelous.
5. It may not denigrate any religion, creed, race, gender, or sexual preference.

The above criteria also apply to school-sponsored forums and will be used to judge whether verbal or symbolic speech may be punished.

GRADING SYSTEM

~~Student grade point averages and ranks are calculated by two possible methods. Under the "Normal" system, all courses are equally weighted according to the following system:~~

A+ / A = 4.0	B+ = 3.333	C+ = 2.333	D+ = 1.333
A- = 3.667	B = 3.0	C = 2.0	D = 1.0
	B- = 2.667	C- = 1.667	D- = 0.667
		F = 0	

~~Under the "Weighted" system, all Advanced Placement course grades are weighted an additional 25% in GPA points as follows:~~

A = 5.0	B = 3.75	C = 2.5
--------------------	---------------------	--------------------

GRADUATION/COMMENCEMENT

Students who have or will have successfully completed graduation requirements by the last day of the school year may participate in the commencement program and receive a diploma.

Students who are one-half semester credit short of either the required courses or of the total credits required may also participate in commencement but will not receive a diploma until all graduation requirements are completed. Any student who is more than 1/2 credit short of either requirement is not allowed to participate in commencement.

Seniors are expected to fulfill all obligations prior to graduation. These obligations include, but are not limited to: returned textbooks, iPads and chargers, class fees, textbook fines, and negative food service account balances. Seniors with outstanding obligations will be notified of their outstanding obligations and will need to fulfill all obligations before they are eligible to participate in the graduation ceremony.

Seniors are expected to behave appropriately up through graduation. Inappropriate behavior could result in a variety of consequences, including their removal from the commencement ceremony.

HONOR STUDENT DESIGNATION

Those students graduating with a cumulative grade point average of 3.70 or higher will be designated as "Highest Honor Students". Students with a cumulative G.P.A. of 3.5 to 3.699 will be designated as "Honor Students." The determination of these grade-point averages will be made after the first semester of the student's senior year. Those designated as "Highest Honor Students" will receive an honor cord and medallion to be worn at commencement. Those designated "Honor Students" will receive an honor cord to be worn at commencement.

LAW ENFORCEMENT AGENCIES

The assistant principal or principal may involve the Northfield Police Department, a school resource officer, or other appropriate law enforcement agency when a public law has been violated at school. The police may be alerted to theft, vandalism, drug distribution, or assault. Any altercation involving injury to a person will also be reported. Prosecution by criminal complaint does not preclude disciplinary action by the school district. In addition, the student's parent/guardian may be held liable for damages relating to vandalism or injury as permitted by statute.

The administration will give law enforcement officers permission to interview students on issues outside of

the school's jurisdiction (only when parent/guardians have granted permission), if the student is below the age of majority. The interview will take place in a closed room away from the view of students and adults. An administrator may be in attendance.

Where a local welfare agency or law enforcement agency asks to conduct an interview on school property in connection with an investigation into alleged child abuse, the district will allow the interview.

LOCKERS

~~Students~~ Freshmen and sophomores are assigned a locker. Juniors and seniors can be assigned a locker upon request. ~~and w~~While students have the right to expect some privacy, lockers remain the school's property. School officials reserve the right to search a student's locker.

~~An open-campus lunch period will be an option for seniors during the school year. This privilege will be taken away from seniors who are tardy to their next class and/or abuse the privilege.~~

MID-YEAR GRADUATES

~~Students who can meet the necessary state and local requirements are eligible to graduate after the first semester of their senior year. Students desiring to graduate early must receive permission from the principal when registering for their senior year. Students are not eligible to participate in any school activities once they graduate. However, mid-year graduates may participate in the end-of-the-year commencement program.~~

All students who become ill during the school day are required to check out with the nurse's office, prior to leaving the building. Check out must include parent contact between school officials and parents/guardian PRIOR TO LEAVING THE BUILDING. Failure to properly check out with the nurse's office will cause the student to be unexcused.

Legitimate visits to the nurse during class time are excused, counted absences.

Any and all medications that students take at school must be distributed and stored in the high school nurse's office.

Prescription medications (i.e. Ritalin, Imitrex, Zoloft) that are dispensed at school need to have a written prescription from the physician indicating medication, dose, route, time, duration and diagnosis as well as a

parent/guardian signature. The physician/parental consent form can be obtained through the nurse's office. The medication must be sent in a prescription bottle as issued by a pharmacist. (A duplicate bottle can be obtained from the pharmacist upon request.) Students who know they will be coming later than one half hour, due to work or other legitimate reasons, need to get permission from the advisor in advance. All school rules apply.

SCHOOL DISTRICT POLICIES

The most successful school creates mutual trust and respect among students, parents, teachers and

administrators. A complete list of school district policies are on file in the Office of the Superintendent and online at <https://northfieldschools.org/about/school-board/policies/>.

SPORTSMANSHIP STATEMENT

Northfield school district students are expected to demonstrate socially accepted behavior. Student participants in co-curricular activities represent the school in a very public manner, and thus student conduct is under close scrutiny. Because of their visibility and status as a role model for younger students, proper conduct and abiding by school rules, Minnesota State High School League rules and local and state laws is expected of all students involved in activities.

Students representing NHS are expected to conduct themselves in a manner that will not cause the school parents, our community, and team/group nor coaches/advisors embarrassment. This applies whenever the student is part of any activity; before or after a contest/performance or practice, in transit to and from activities, or at any function associated with the activity. Parents, who are role models for their children, are also expected to display positive sportsmanship at all contests. The Big 9 Conference has established a sportsmanship credo, which ALL individuals are expected to follow.

Any acts of student misconduct may result in disciplinary action whether or not this misconduct is directly involved with a school event or activity. Students will be disciplined for misbehavior at both home and away events. The MSHSL Code of Responsibility allows school authorities to discipline students for violation of League rules.

During the summer, students will be informed of the college's decision and given instructions on how to register for classes. If you intend to use a Senior Honors course to meet a graduation requirement (i.e. Economics), please check with your counselor in advance to ensure that the class is applicable. Administrative approval is required prior to the start of these courses. Information may be obtained from the counselors for obtaining high school and/or college credits upon successful completion of the course. Appendix A

Child Nutrition Department

Child Nutrition information is available on the school website at northfieldschools.org. Child Nutrition Services is under the Departments tab. All students will have individual meal accounts with a separate 4-digit PIN (Personal Identification Number) for each student/user in the family to record individual meal purchases. Students will use their same 4-digit PIN as last year. New students will be assigned a PIN at open house or on the first day of school. Ending meal account balances carry over from year to year. Students may purchase meals and food items by submitting a payment to their meal account or by making a payment at the time of service. The individual meal account is a debit account, similar to a checking account, and money should be in the account in order to serve a meal to your student. If a student does not have money in his/her lunch account a meal will be provided, however, the student will be charged for this meal and the parents will be held responsible to pay for this meal purchased. Students who have a negative lunch balance will not be allowed to purchase a la carte items. The School District recognizes that it has an obligation to notify the student and/or parents/guardians of their meal account balances. Therefore, the Child Nutrition Department will make every reasonable effort to notify or remind families of the need for a meal account payment by utilizing School Messenger for both low balance and negative balance calls and emails. The parents/guardians are responsible to monitor their student's meal account balances and to send money on a regular basis to ensure their student's capability to purchase meals through the Child Nutrition Programs. Parents should also update their contact information in Family Access annually. A student with a meal account balance of less than zero dollars is encouraged to bring meals from home until their meal account balance can be replenished. For information on our negative meal account balance process please visit <http://northfieldschools.org/departments/food/payments/>.

Menus

The Northfield Public Schools participate annually in the National School Breakfast and School Lunch Programs. These programs make available a nutritious breakfast and lunch meal daily for a reasonable cost. Families who are eligible for free or reduced priced meals receive meals at no charge which includes the alternative meal choices. One half-pint of milk is included with every meal. Most of the cafeterias operate on a continuous serve basis during the entire meal period. Menus are planned using the USDA Menu Planning guidelines. Menus will be posted on the District website at northfieldschools.org. If students bring food or beverages from home, we encourage all families to select nutritious choices. Fall menus will be posted on the district website a month prior to the start of school, and monthly throughout the year. Copies of the menu will be available at the schools upon request. Breakfast is available at all schools. Elementary schools offer cold sandwiches and salads as alternative daily lunch choices. Secondary schools offer hot and cold sandwiches, salads and a second hot entrée lunch choices daily. All meals are priced as a regular lunch meal. ~~If your family receives free or reduced priced meal benefits your student may also select these alternative items at no charge~~

Offer vs. Serve

The "offer vs. serve" federal regulation requires that students be offered (rather than served) 5 required food components comprising the full lunch meal. Students may choose 3, 4, or 5 lunch food items based on their preferences instead of having to take some of each food. Students are required to take a full serving of a fruit or vegetable at lunch as one of the meal components. Students will be offered 4 required food components at breakfast and must choose at least 3 of the food items. Federal regulations require meals to be priced as a

complete unit and students must pay the full price even if they did not choose the complete meal. Students are encouraged to take all of the food items offered, because it provides a balanced meal for the best price.

Food Allergies and Special Dietary Needs

The Child Nutrition Department may honor dietary restrictions due to allergies or intolerances with the proper documentation from a medical authority on file. A suitable alternative will be provided when possible. For students with a lactose intolerance, a lactose reduced milk product will be provided at no extra charge on the written request of the parent or physician. Forms for allergies and any special dietary needs are available on the Child Nutrition Department webpage or from a building nurse. Please contact a building nurse, the District School Nurse or the Child Nutrition Director if you have any questions.

Free and Reduced Meals

Free or reduced meals are available for children who qualify. **An educational benefits form must be completed each school year** and submitted to the Child Nutrition Office for review and approval. Applications for free or reduced meals are mailed out to each household in August. The applications are also available online, at each Principal's Office and in each school kitchen. Families can now complete the educational benefits application online through Family Access. If you wish to complete your application online, you must first log in to Family Access. ~~or visit~~ <http://northfieldschools.org/departments/food/reduced/> After logging in, click the Food Service button located on the left side of the screen and select a child's name. Click the applications tab and follow the prompts to complete the application. ~~and follow the instructions provided.~~ The District Child Nutrition Office will process applications as soon as possible, however, it may take 7-10 days for an application to be reviewed and a response sent to the parents/guardian. A letter indicating your benefits will be e-mailed or mailed out. Please save this letter in case you need to show proof of benefits for other programs. **Benefits from the previous school year will be carried over until October 15, 20182019.** Applications may be completed at any time throughout the year; however, any family that has not reapplied by **October 15, 20182019** will be changed to full priced meals. Families receiving MFIP, Food Stamps or FDPIR and enrolled in Northfield Public Schools by June 15 for the following year will be directly certified by the State of Minnesota to receive free meals and may not need to complete an application. ~~Advance~~ Payment will be required for any meals purchased prior to the approval of the application.

Staff Meals, Adult Meals, Visitor Meals and Second Meals

Parents, guardians and other family members may eat with students during their meal time. All visitors are required to sign in at the school office. Staff meals, adult meals, visitor meals and second student meals are priced higher because the Child Nutrition Department does not receive any federal or state reimbursement for those meals, as we do for a student's first meal. The cost for a non-student meal is \$2.05 for breakfast and ~~\$3.70~~ \$3.75 for lunch. Exact change is appreciated.

A la Carte

A la carte food items are available for purchase at the Middle School, High School and for staff at the elementary schools. Elementary students may only purchase extra milk for \$0.50 per half pint. There will be no charging of

Al a carte items if an account has a negative balance. A la carte purchases must have sufficient funds in the account for the total purchase amount. Prices of a la carte items are posted in the school kitchens. Food items and prices may vary throughout the year. We do not block a la carte purchases or limit the amount of money a student spends in one day. We encourage parents/guardians to discuss their concerns with their students.

Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing

This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our students with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student's achievement, but your student's participation is important to understand how effectively the education at your student's school is aligned to the academic standards.

- In Minnesota's implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and for the purpose of school and district accountability calculations, including opportunities for support and recognition, will not be considered "proficient."
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.
- English learners not taking ACCESS or Alternate ACCESS for ELLs will not receive a score to meet English learner program exiting criteria.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K-12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

Minnesota Comprehensive Assessments (MCA) and Minnesota Test of Academic Skills (MTAS)	ACCESS and Alternate ACCESS for English Learners
<ul style="list-style-type: none"> • Based on the Minnesota Academic Standards; given annually in grades 3-8 and high school in reading and mathematics; given annually in grades 5, 8, and high school for science. • Majority of students take the MCA. • MTAS is an option for students with the most significant cognitive disabilities. 	<ul style="list-style-type: none"> • Based on the WIDA English Language Development Standards. • Given annually to English learners in grades K-12 in reading, writing, listening, and speaking. • Majority of English learners take ACCESS for ELLs. • Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCA are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1–6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7–12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](http://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

*To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.*

MDE provides the *Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing* on the [MDE website](http://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Reason for refusal:

Please indicate the statewide assessment(s) you are opting the student out of this school year:

_____ MCA/MTAS Reading

_____ MCA/MTAS Science

_____ MCA/MTAS Mathematics

_____ ACCESS/Alternate ACCESS for ELLs

Contact your school or district for the form to opt out of local assessments.

I understand that by signing this form, my school and I may lose valuable information about how well my student is progressing academically. As a result, my student will not receive an individual score. Refusing to participate in statewide assessments may impact the school, district, and state's efforts to equitably distribute resources and support student learning; for the purpose of school and district accountability calculations, my student will not be considered "proficient."

FREQUENTLY ASKED QUESTIONS – INDEPENDENT STUDY PROGRAM

What is Independent Study? Independent Study is designed for students who are self-motivated and able to stay on task in the classroom. You need to be able to work well on your own, both in class and at home. You will need the ability to conduct research, read, write papers, and complete assignments in a timely manner.

Licensed teachers will be available to guide your learning process, help you find resources, discuss topics related to your course work, and answer your questions as needed. However, the bulk of work will be done on your own.

What Independent Study Isn't Independent Study is not a tutoring program. Teachers are available to assist you, but will not be teaching a class. It is not a place to hang out and visit with your friends. This program is for those students who are serious about learning.

How long will it take me to complete a credit? The length of time it will take you to complete a credit will depend on the student's abilities and work habits.

* One quarter credit (.25) is equivalent to 46 hours: 9 hours classroom/37 hours homework.

* One semester credit (.50) is equivalent to 92 hours: 18 hours classroom/74 hours homework.

Do I have to attend class? YES. Attendance is mandatory for this program.

What if I cannot attend a class? If you are ill or know that you will be missing class, it is your responsibility to call the Area Learning Center at (507) 645-1201 and report your absence.

How do I know the credits I need to work on? Before starting Independent Study, you will need to meet with your high school guidance counselor and discuss the credits needed. Finding out the courses and credits you need will be your responsibility.

How and where do I turn in my homework? In class, there is an assignment bin and an assignment log. Assignment Log: Document the information before turning in your work Assignment Bin: Make sure work has your name on it. Place all work in this bin. All of your assignments will be kept on file until the credit is complete.

ATTENDANCE INFORMATION

Attendance at school is a shared responsibility between the individual student, and his/her parents/guardians, and the school. State law stipulates that it is the parent's/guardian's responsibility to ensure that their son/daughter attends school. The parent/guardian provides a reason for absence or tardiness and the school determines whether a student absence/tardiness is excused or unexcused.

Learning is enhanced by regular school attendance. Regular attendance assists in maximizing the educational benefits for each individual student.

ABSENCE PROCEDURE

If a student must be absent from class or arrive late to school, the student's parent/guardian must call the Attendance Line at 612-695-2139 (talk and Text available) the day of the absence or earlier. If the student arrives after 8:10 and before 2:40, they should check in/out with the attendance office located in the computer lab. The attendance line is available 24 hours a day for your convenience. Absences must be excused within 24 hours or the absence may remain unexcused. If the school and parent/guardian do not connect on the day of the absence, a note from a parent/guardian will be accepted the next morning. Absences may no longer be excused after the day the student returns. Parents/guardians are encouraged to apply for an online access number to view their student attendance. See website for more information to Family Access. All students who become ill during the school day are required to check out with the nurse's office prior to leaving the building. Check out must include contact between school officials and parent/guardians prior to leaving the building. Failure to properly check out will cause the student to be unexcused.

ANY STUDENT WHO LEAVES THE BUILDING FOR ANY REASON WITHOUT CHECKING OUT IS CONSIDERED UNEXCUSED. IF A STUDENT LEAVES THE SCHOOL AND RETURNS, THEY WILL BE SEARCHED AND/OR MAY BE SENT HOME. Checking out means contact between parent/guardian and the school official before the student leaves the building.

ABSENCES/EXCESSIVE TARDIES

Students who miss a class period 4 times in a grading period will be given NO CREDIT (NC) for that class. This is on a class by class basis. This may mean they will be moved into Independent Study to try and earn some credit, or they may be removed from the absented out class(s) for the rest of the grading period.

Four (4) tardies will be equivalent to one (1) class absence. This will also be a on a class by class basis.

At 15 consecutive absences, student is dropped and must re-enroll at the beginning of next grading period. Student may attend credit recovery program/Independent Study, if they choose to do so.

INCENTIVES FOR PERFECT ATTENDANCE

Any student who completes 15 consecutive days with perfect attendance and is passing all classes with a "C" or above may choose a free day off or additional incentives to be used within that grading period or the following. Students can have no more than 3 tardies per class to earn perfect attendance. If a student has earned more than one free day off pass, they cannot be used on successive school days.

ABSENCE APPEAL

If a student, the parent/guardian, or the school feels that extenuating circumstances caused the absence limit to be exceeded; an appeal may be filed with the Director. The student/parents are responsible for filing an appeal by contacting the Director at 645-1201. The Director will hear the facts of the situation before deciding whether to waive a certain number of the fifteen (15) absences or to enforce no credit earned.

ATTENDANCE AND CO-CURRICULAR ACTIVITIES

Students at the Area Learning Center are eligible to participate in all co-curricular activities offered at Northfield High School. However, ALC students must meet the same eligibility standards that Northfield High School students must meet in order to participate in an activity:

In order to practice, rehearse, compete or perform in an NHS co-curricular activity, the student must be in attendance that day for a minimum of 3 consecutive hours. Pre-arranged excused absences (at least 24 hour advance) will be considered an exception to this policy.

EXCUSED / UNEXCUSED ABSENCES

Excused absences not counted towards No Credits (NC):

- School sponsored activities or events
- Medical/Therapy appointment that cannot be made outside of the school day (note required)
- College visits (limit 2)
- Death of immediate family member (Parent, Grandparent, Sibling)
- Court dates (note required)

Unexcused tardiness for more than fifteen minutes is considered an unexcused absence. Unexcused absences include, but are not limited to, oversleeping and car trouble.

A student who wishes to withdraw from school who is under the age of 18 will be required to have a meeting with the Director and parents/guardian to review the student's educational options.

GENERAL STUDENT INFORMATION SCHOOL POLICIES, PROCEDURES, SERVICES AND PROGRAMS

ACCESSIBILITY

The main doors located on the west side of the building have been designated as our main entrance for handicapped accessibility. An elevator is available for use within the building.

The ALC is located on the second level. Students are not allowed on the first level, unless approved by the Director.

CELL PHONES

Cell phones are not allowed to be used or seen during instructional time, and must be turned off. Cell phones are allowed during passing time and lunch. If a teacher sees a student's cell phone, his/her name will be turned in to the Director and the phone will remain in the Director's office until the end of the school day, at which time it will be returned to the student.

If you refuse to leave your phone in the Director's office, student will be dismissed from school for the rest of the day (unexcused), and parent/guardian will be notified.

If an emergency should arise and student needs to use a phone, they may report to Director's office. In case of an emergency and someone needs to reach the student at school, they can call 645-1201 or 645-1240. Student will be pulled from class and allowed to use the office phone for returned calls.

E-LEARNING DAYS

Northfield Public Schools uses e-Learning days (formerly called flexible learning days) to mitigate the loss of instructional time when the weather forces school closures. Students receive e-Learning day instructions for learning at home on these days from their school and teacher(s). The latest district e-Learning day guidelines can be found online at: <https://northfieldschools.org/parents/school-closings/>.

ELECTRONICS

Speakers (such as Bluetooth speakers) are not allowed in school or on field trips. This includes speakers that connect to phones, etc, but also includes using a phone's speaker to broadcast music, videos, etc. Students should plan on using headphones instead of speakers of any kind.

COURSE STRUCTURE

Courses at Northfield ALC are all one quarter in length. A quarter course awards .5 credit (periods 1,2,3) and/or .25 credit (periods 4, 5) for successful completion. For a full-year course there are eight grades of record, two for each quarter. A total of 1 credit per term, 8 credits per school year may be achieved.

DAY CARE

The ALC has one spot reserved in the Early Ventures daycare located in the Longfellow building. This spot is paid for by the ALC and students can utilize this as long as they meet the following criteria. See appendix A for specific procedures.

- 1) The student must attend school regularly, and must be in school when the child is in the daycare.
 - a. If the student uses the daycare but does not attend school, they will be responsible for payment of the daycare and may lose the spot.
- 2) The daycare is on a first come first serve basis with a tier system in place. Tier one has first priority and can bump tier two individuals.
 - a. Tier one- students that attend the day (seat-based) program of the ALC.
 - b. Tier two- students who are in other ALC related programs only (PSEO, independent Study, etc).

REMOVAL FROM PROGRAM

If a student receives 2 out of school suspensions or at least four days of suspension, whichever happens first, the student will be removed from the ALC day program until the end of the grading period. If this happens in the final week of the grading period, the student may be removed for the following grading period as well.

EIGHTEEN-YEAR OLDS

Students who are 18 years of age or older must follow all school district policies and all school regulations, including the regulations that are outlined in the student handbook. Additionally, when a student turns 18 years of age, the following rules will apply:

1. All rights to make educational decisions will transfer to the student, including the right to make decisions about special education, unless a conservator or legal guardian has been appointed for the student.
2. Subject to all applicable laws, the school district may continue to provide educational data to the parent(s) of an adult student, provided that the parent(s) continue to claim the adult student as a dependent for tax purposes. If an adult student is claimed as a dependent but the student does not want the district to share educational data with his or her parents, the student may submit a written request for the district to end all communications with the parent(s). The district will evaluate such requests on a case-by-case basis to determine the appropriate course of action.
3. If the district grants an adult student's written request to stop sharing educational data with the student's parent(s), and the student later changes his or her mind, the student will be required to submit a signed form authorizing the district to resume sharing educational data on the student with the parents.

FAMILY ACCESS

Parents/Guardians are encouraged to apply for a family access number. This will allow parents to view attendance, food service accounts, schedules and grades. **Go to website at www.northfieldschools.org click on family access to request a pin number.**

GRADUATION/COMMENCEMENT

Students who have or will have successfully completed graduation requirements by the last day of the school year may participate in the commencement program and receive a diploma.

Students who are one-half quarter credit short of either the required courses or of the total credits required may also participate in commencement but will not receive a diploma until all graduation requirements are completed. Any student who is more than 1/2 credit short of either requirement is not allowed to participate in High School commencement.

LAW ENFORCEMENT AGENCIES

The director may involve the Northfield Police Department, a police liaison officer, or other appropriate law enforcement agency when a public law has been violated at school. The police may be alerted to theft, vandalism, drug distribution, or assault. Any altercation involving injury to a person will also be reported. Prosecution by criminal complaint does not preclude disciplinary action by the school district. In addition, the student's parent/guardian may be held liable for damages relating to vandalism or injury as permitted by statute.

The administration shall give law enforcement officers permission to interview students on issues outside of the school's jurisdiction (only when parent/guardians have granted permission), if the student is below the age of majority. The interview will take place in a closed room away from the view of students and adults. An administrator may be in attendance.

Where a local welfare agency or law enforcement agency asks to conduct an interview on school property in connection with an investigation into alleged child abuse, the district will allow the interview.

OPEN CAMPUS LUNCH

An open-campus lunch period is allowed to students in grades 11-12 during the school year. All 9th and 10th grade students will have a closed campus lunch. If a student does not abide by the open lunch policy, parents will be notified and the student may be sent home. If the student continues to leave, they may be removed from the program until the next grading period. If the student cannot follow the policy upon returning, they may be removed from the program. If a student returns late from lunch, the attendance policies are in affect.

NURSE 645-1205

The nurse is on duty each day from 8:00 a.m. until end of the school day. Students **MUST** have a pass from a teacher in order to visit the nurse. All students who become ill during the school day are required to check out with the nurse's office, prior to leaving the building. Check out must include parent contact between school officials and parents/guardian **PRIOR TO LEAVING THE BUILDING**. Failure to properly check out with the nurse's office will cause the student to be unexcused.

Any and all medications that students take at school must be distributed and stored in the high school nurse's office.

PARKING LOT / VEHICLE POLICY

Students are allowed to park in the designated "Student Parking" locations only. If insufficient space is available, students should park on the street but avoid the front of the building as this serves as a drop off area.

PLEDGE OF ALLEGIANCE

Students in this school district shall recite the Pledge of Allegiance to the flag of the United States of America one or more times each week. Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reasons may elect not to do so. Students and school personnel must respect another person's right to make that choice.

POST-SECONDARY OPTIONS

The 1985 Minnesota Legislature passed the Post-Secondary Enrollment Options Act which allows 10th, 11th, and 12th grade students enrolled in a public school to enroll in eligible post-secondary institutions at no cost to the student. The decision to participate in this program is an important one and necessitates early and frequent communication with the ALC Director. Find more information at <http://education.state.mn.us/MDE/StuSuc/CollReadi/PSEO/>.

PROM

Area Learning Center 11th and 12th graders are eligible to attend the Northfield High School Prom. The policy can be viewed at <http://nfld.k12.mn.us/files/policies/524.2boardpolicy/pdf>. See the Student iPad Loan Agreement for additional details about iPad implementation.

VISITOR POLICY

All visitors, upon entering the building, are to report first to the Main Office and sign in. After confirming your visit/appointment the office personnel will give you access to the building. Please report to the ALC office - #205 on the second floor.. Students wishing to bring friends or relatives from other schools must get permission in advance from the Director. Previous students are welcome to visit, but please schedule these after school so that there is minimal disruption to the school day.

VOLUNTEERS

Parents and community members are always encouraged to apply as an employee or volunteer at their student's school and / or with the Northfield Public Schools. Volunteers provide a valuable service to students and staff. Minnesota Statute requires a school hiring authority to request a criminal history background check on all individuals who are offered employment in a school and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular services to a school, regardless of whether any compensation is paid. Parents and community members who volunteer on a regular basis must complete a background check before serving students affiliated with Northfield Public Schools.

Appendix A

Procedures for ALC Student's Child(ren) Accessing Early Ventures.

1. The ALC student's child must be eligible for county support (Child Care Assistance Program (CCAP)) to pay for the cost of Early Ventures. CCAP does not cover Early Ventures full daily rate, thus the ALC will be responsible for covering all charges the county does not cover.
2. The ALC student has to be enrolled in, or have successfully completed, the parenting class offered through the ALC. The class will be taught by a Community Services Parent Educator.
3. The ALC needs to notify Early Ventures no later than February 1st of how many summer and school year INFANT slots the ALC would like to hold and pay for. A child can be considered an infant and be enrolled in the infant room until they turn 19 months. Due to current families, Early Ventures will not hold TODDLER slots.
4. If a new toddler or preschool spot is needed for the ALC, Early Ventures will determine if space is available after Early Ventures' current family registration (typically held in early-mid February). If space is available for a new toddler or preschooler, the ALC will need to determine if they want to commit and pay for the slot prior to Early Ventures' new family registration (1st week of March).
5. If a current ALC student that has a child enrolled in Early Ventures is not graduating at the end of the school year and will need an Early Ventures slot (in any room) the following year, the ALC student will be treated as a current family and will need to follow all current family registration guidelines.
6. If an ALC student is enrolled in Early Ventures' summer program, the ALC will be charged for the entire summer, not just days the ALC is in session. This will also allow the ALC student to access childcare in August or days the ALC is not in session.
7. The ALC will be charged all registration and snack fees for each ALC student's child in Early Ventures. Child Care Assistance typically does not cover these fees.

Update: May 7, 2018

Appendix B

Child Nutrition Department

Child Nutrition information is available on the school website at northfieldschools.org. Child Nutrition Services is under the Departments tab. All students will have individual meal accounts with a separate 4-digit PIN (Personal Identification Number) for each student/user in the family to record individual meal purchases. Students will use their same 4-digit PIN as last year. New students will be assigned a PIN at open house or on the first day of school. Ending meal account balances carry over from year to year. Students may purchase meals and food items by submitting a payment to their meal account or by making a payment at the time of service. The individual meal account is a debit account, similar to a checking account, and money should be in the account in order to serve a meal to your student. If a student does not have money in his/her lunch account a meal will be provided, however, the student will be charged for this meal and the parents will be held responsible to pay for this meal purchased. Students who have a negative lunch balance will not be allowed to purchase a la carte items. The School District recognizes that it has an obligation to notify the student and/or parents/guardians of their meal account balances. Therefore, the Child Nutrition Department will make every reasonable effort to notify or remind families of the need for a meal account payment by utilizing School Messenger for both low balance and negative balance calls and emails. The parents/guardians are responsible to monitor their student's meal account balances and to send money on a regular basis to ensure their student's capability to purchase meals through the Child Nutrition Programs. Parents should also update their contact information in Family Access annually. A student with a meal account balance of less than zero dollars is encouraged to bring meals from home until their meal account balance can be replenished. For information on our negative meal account balance process please visit <http://northfieldschools.org/departments/food/payments/>. <https://northfieldschools.org/wp-content/uploads/Negative-Balance-and-NSF-Procedure.pdf>

Menus

The Northfield Public Schools participate annually in the National School Breakfast and School Lunch Programs. These programs make available a nutritious breakfast and lunch meal daily for a reasonable cost. Families who are eligible for free or reduced priced meals receive meals at no charge which includes the alternative meal choices. One half-pint of milk is included with every meal. Most of the cafeterias operate on a continuous serve basis during the entire meal period. Menus are planned using the USDA Menu Planning guidelines. Menus will be posted on the District website at northfieldschools.org. If students bring food or beverages from home, we encourage all families to select nutritious choices. Fall menus will be posted on the district website a month prior to the start of school, and monthly throughout the year. Copies of the menu will be available at the schools upon request. Breakfast is available at all schools. Elementary schools offer cold sandwiches and salads as alternative daily lunch choices. Secondary schools offer hot and cold sandwiches, salads and a second hot entrée lunch choices daily. All meals are priced as a regular lunch meal. ~~If your family receives free or reduced priced meal benefits your student may also select these alternative items at no charge~~

Offer vs. Serve

The "offer vs. serve" federal regulation requires that students be offered (rather than served) 5 required food components comprising the full lunch meal. Students may choose 3, 4, or 5 lunch food items based on their preferences instead of having to take some of each food. Students are required to take a full serving of a fruit or vegetable at lunch as one of the meal components. Students will be offered 4 required food components

at breakfast and must choose at least 3 of the food items. Federal regulations require meals to be priced as a complete unit and students must pay the full price even if they did not choose the complete meal. Students are encouraged to take all of the food items offered, because it provides a balanced meal for the best price.

Food Allergies and Special Dietary Needs

The Child Nutrition Department may honor dietary restrictions due to allergies or intolerances with the proper documentation from a medical authority on file. A suitable alternative will be provided when possible. For students with a lactose intolerance, a lactose reduced milk product will be provided at no extra charge on the written request of the parent or physician. Forms for allergies and any special dietary needs are available on the Child Nutrition Department webpage or from a building nurse. Please contact a building nurse, the District School Nurse or the Child Nutrition Director if you have any questions.

Free and Reduced Meals

Free or reduced meals are available for children who qualify. **An educational benefits form must be completed each school year** and submitted to the Child Nutrition Office for review and approval. Applications for free or reduced meals are mailed out to each household in August. The applications are also available online, at each Principal's Office and in each school kitchen. Families can now complete the educational benefits application online through Family Access. If you wish to complete your application online, you must first log in to Family Access. ~~or visit~~ <http://northfieldschools.org/departments/food/reduced/> After logging in, click the Food Service button located on the left side of the screen and select a child's name. Click the applications tab and follow the prompts to complete the application. ~~and follow the instructions provided.~~ The District Child Nutrition Office will process applications as soon as possible, however, it may take 7-10 days for an application to be reviewed and a response sent to the parents/guardian. A letter indicating your benefits will be e-mailed or mailed out. Please save this letter in case you need to show proof of benefits for other programs. **Benefits from the previous school year will be carried over until October 15, 20182019.** Applications may be completed at any time throughout the year; however, any family that has not reapplied by October 15, 20182019 will be changed to full priced meals. Families receiving MFIP, Food Stamps or FDPIR and enrolled in Northfield Public Schools by June 15 for the following year will be directly certified by the State of Minnesota to receive free meals and may not need to complete an application. ~~Advance~~ Payment will be required for any meals purchased prior to the approval of the application.

A la Carte

A la carte food items are available for purchase at the Middle School, High School and for staff at the elementary schools. Elementary students may only purchase extra milk for \$0.50 per half pint. There will be no charging of

A la carte items if an account has a negative balance. A la carte purchases must have sufficient funds in the account for the total purchase amount. Prices of a la carte items are posted in the school kitchens. Food items and prices may vary throughout the year. We do not block a la carte purchases or limit the amount of money a student spends in one day. We encourage parents/guardians to discuss their concerns with their students.

Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing

This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our students with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student's achievement, but your student's participation is important to understand how effectively the education at your student's school is aligned to the academic standards.

- In Minnesota's implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and for the purpose of school and district accountability calculations, including opportunities for support and recognition, will not be considered "proficient."
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.
- English learners not taking ACCESS or Alternate ACCESS for ELLs will not receive a score to meet English learner program exiting criteria.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K-12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

Minnesota Comprehensive Assessments (MCA) and Minnesota Test of Academic Skills (MTAS)	ACCESS and Alternate ACCESS for English Learners
<ul style="list-style-type: none">• Based on the Minnesota Academic Standards; given annually in grades 3-8 and high school in reading and mathematics; given annually in grades 5, 8, and high school for science.• Majority of students take the MCA.• MTAS is an option for students with the most significant cognitive disabilities.	<ul style="list-style-type: none">• Based on the WIDA English Language Development Standards.• Given annually to English learners in grades K-12 in reading, writing, listening, and speaking.• Majority of English learners take ACCESS for ELLs.• Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCA are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1–6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7–12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

*To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.*

A Message From The Superintendent

Dear Northfield School District Parents and Students:

Our educational team is committed to working with all students to develop the skills, knowledge and unique talents that will prepare them for the future and serve them long after they leave the classroom. We work to provide learning opportunities and challenges so each learner can experience the satisfaction derived from achieving excellence. Please take time to review the information in this handbook with your children. The material will also be reviewed with students at the start of the school year.

It is essential that we provide a safe and secure environment for all students. A clear, consistent, comprehensive policy on student behavior is an important first step toward assuring our schools are safe for all students. Our students need to know that the District and parents are united in making sure that our schools are safe and supportive places for maximum learning. Our schools teach, practice and expect productive and responsible behavior.

This K-12 handbook describes policies, procedures, and the consequences for violating these policies and procedures. The handbook includes the district's policies on bullying, hazing, personal possessions/lockers, technology use, harassment, possession of controlled substances, student use and parking of motor vehicles (including patrols, inspections, and searches), and weapons. The handbook is designed to help students and parents understand the District's guidelines for acceptable behavior in these and other areas. It also includes a chart that outlines offenses that could possibly lead to expulsion.

While it is essential to provide students and parents with clear expectations and consequences regarding student behavior, the Northfield School District is committed to creating a positive and supportive instructional environment designed to help our students become self-disciplined contributing members of school and community. Our team provides intentional learning experiences to strengthen students social and emotional skills through use of the Responsive Classroom approach (elementary), Second Step curriculum (elementary and middle school), and use of Positive Behavior Interventions and Supports (PBIS) (middle school and high school.)

Students involved in school activities beyond the instructional day tend to develop positive attitudes about their school. We encourage all students to participate in activities to make their educational experiences in Northfield Public Schools some of the most beneficial and memorable of their lives. Northfield offers a tremendous number of activities through the school co-curricular programs, community education, and other local organizations. In Northfield, there is truly an out-of-school activity for everyone.

We look forward to a great school year! We ask your support, assistance and involvement in maintaining a safe and orderly school environment for our students to learn, grow and excel.

Sincerely,

Matthew J. Hillmann, Ed.D.
Superintendent of Schools

STUDENT DISCIPLINE PHILOSOPHY

It is the responsibility of the school board to make reasonable policies and rules for governing behavior and conduct while in the school environment. These policies and rules apply at any time a student is present on a school location, at a school-sponsored activity and while traveling on school buses. Students are expected to behave in accordance with federal, state and local laws and rules and in a way that respects the rights and safety of others.

While this policy pertains to all schools in District 659, the school board recognizes the uniqueness of each building and classroom in which the policy must be implemented. This policy may be supplemented by additional policies, rules and procedures that recognize those unique needs.

PHILOSOPHY REGARDING LEARNING AND DISCIPLINE

Optimum learning occurs in a positive, safe and secure environment. Students, parents/guardians, teachers, administrators and other school staff all share in the responsibility to ensure a positive climate for learning.

The school setting enables students to develop responsible behaviors and habits that will serve them now and later in life. Proper training in discipline should lead towards self-control and respect for law, authority, property and the rights of others.

While self-discipline is the ideal, it is understood that corrective measures may be required at times. When it becomes necessary to enforce the consequences of discipline violations as outlined in this policy, it should be done in a manner that respects the dignity of the student and promotes healthy and responsible behavior.

Discipline is a learning experience, not just a punishment. Discipline...

- helps the student learn a lesson that will positively affect his or her present and future behavior.
- is designed to help the student control and change his or her behavior, thereby guiding the student into adulthood.
- helps the student to grow intellectually and emotionally.
- enhances the student's self-confidence, self-worth and self-image.

- Any student who violates a school policy that has a potential consequence of dismissal from school for more than one school day shall have an informal conference with a school administrator. An informal conference is not required where the student is creating an immediate and substantial danger to himself or herself or to surrounding persons or property.
- Any student who is being dismissed from school for more than one day will be provided written notice containing: a statement of the facts giving rise to the dismissal (including pertinent statements of staff members and the student), the grounds for dismissal, a copy of the Pupil Fair Dismissal Act and a plan established for the student's readmission. The parents or guardian of the dismissed student shall be provided written notice of the dismissal by certified mail within 48 hours of the informal conference. The parent's notice will include all the elements contained in the student's notice.
- Any suspension that exceeds ten days in length will be accompanied by an explanation to the superintendent listing the reasons why the suspension exceeded ten days in length.

All students who violate a school policy or rule that has potential consequences of exclusion or expulsion will be given the opportunity to have a hearing over the issue of exclusion or expulsion in accord with Minnesota law. (See Minnesota Statute #127.27 to 127.38.)

DRUG DOG SEARCH - PURPOSE AND PROCEDURE

The District will conduct periodic searches of the schools and their adjacent parking lots with the assistance of local and county law enforcement officers and drug-sniffing dogs. Each canine unit will be accompanied by at least one school district staff and when possible, the school resource officer.

In the event of a positive identification by the canines, two school personnel will conduct a search of the locker or vehicle in question. If the search reveals unauthorized or illegal items, district personnel may ask that law enforcement finish the search of the locker or vehicle.

A student must unlock a locked motor vehicle or its compartments upon the request of a school official. Failure to do so is a violation of Policy 527.

EFFECT OF DISCIPLINARY ACTION ON STUDENT RECORD

Violations and consequences accumulate for the current school year except for chemical violations leading to expulsions.

MODIFICATION OF CONSEQUENCES

Consequences for a specific violation can be adjusted on an individual basis at the discretion of building administration.

PARENTAL QUESTIONS ABOUT DISCIPLINE

Parents may contact building administration to discuss an infraction and consequence assigned if they have questions regarding the situation.

PHYSICAL RESTRAINT

Physical restraint may be utilized by administrators, teachers and other staff only where it is necessary to use reasonable force to restrain a student from injuring himself or herself, others or property.

POLICE REFERRAL

Administrators will involve the police or other law enforcement authorities as necessary. If a student violates a district policy that also violates a law, the student will be referred to the police. A district administrator may be present during law enforcement interviews.

PUBLICATION OF DISCIPLINE POLICY

Each school will include the district-wide guidelines along with their building-level guidelines to make up their overall building discipline guidelines. Students and parents will be informed of these guidelines at the beginning of the school year or when they enroll in a District 659 school.

SCHOOL DISTRICT LOCKER POLICY

It is the policy of District 659 (Policy 502) and the State of Minnesota that school lockers, desks and other areas assigned to a student are the property of the school. At no time does the school relinquish its exclusive control of lockers provided for the convenience of students. **School authorities for any reason may conduct inspection of lockers at any time, without notice, without student consent and without a search warrant.**

The personal possessions of a student within a locker may be searched only when school authorities have reasonable suspicion that the search will uncover evidence of a violation of law or school rules.

As soon as practicable after the search of a student's personal possessions, the school must provide notice of the search to the student whose locker was searched unless such disclosure would impede an ongoing investigation by police or school officials.

SPECIAL EDUCATION OR DISABLED STUDENTS

Consequences for Special Education or Disabled students will be adjusted, as required by federal and state laws and regulations, and the student's individual education plan (IEP) or accommodation, when necessary. Special Education students and their parents may request modification of those policies and accommodations where appropriate.

UNIQUE SITUATIONS

Because it is not possible to list every violation that occurs, those not specified will be responded to as necessary by staff on a case-by-case basis. Unique or special circumstances at a particular school may call for an adjustment in the discipline policies to meet the school's needs.

DEFINITIONS

“Dismissal” means dismissing a student from school for one school day or less.

“Exclusion” means an action taken by a school board to prevent enrollment or re-enrollment of a pupil for a period that shall not extend beyond the school year.

“Expulsion” means an action taken by a school board to prohibit an enrolled pupil from further attendance for a period that shall not extend beyond an amount of time equal to one school year from the date student is expelled.

“Removal” means any action taken by a teacher, principal or other school district employee to prohibit a pupil from attending class for a period of time not to exceed five class or activity periods. A student may be removed from class for violating the district’s discipline policy or for willful conduct that disrupts the rights of others to an education or which endangers other individuals or the property of the school.

“School location” includes a school building, school grounds, school activities or trips, bus stops, school buses or school vehicles, school-contracted vehicles, the areas of entrances or departure from school premises or events, and all school related functions.

“School personnel” means any person employed or under the direction/assignment of school personnel and who is acting within the scope of their assignment.

“Suspension” means an action taken by the school administration, under the district’s discipline policy, which prohibits a pupil from attending school. This definition does not apply to dismissal from school for one school day or less. In no event shall a single suspension exceed 15 school days provided that an alternative program shall be implemented when that suspension exceeds ten days.

POSSIBLE DISCIPLINARY CONSEQUENCES

District staff can use the following consequences or actions when discipline infractions occur. These could include:

- **Student Conference**
- **Parent/Guardian Conference**
- **Detention** – Requirements for a student to remain in school or attend school outside normal school hours.
- **Fine** – A financial penalty assessed of a student by the school.
- **Restitution** – Compensation or compensatory service required of a student who has damaged, taken or destroyed school or personal property.
- **Truancy Referrals** – Referral to Rice County authorities when unexcused absences exceed the legal limits.
- **Removal from Class** – Removal from a particular class for up to five class periods due to inappropriate behavior.
- **In-School Suspension (ISS)** – Removal from classes to an in-school suspension room under the direction of staff.
- ~~**Saturday School** – Requirement for a student to attend a supervised study center on Saturday due to missing detention or another disciplinary action.~~
- **Dismissal from School** – Dismissing a student from school for one day or less.
- **Out-of-School Suspension** – Action taken by the school administration, under the district's discipline policy, which prohibits a pupil from attending school. This definition does not apply to dismissal from school for one school day or less. In no event shall a single suspension exceed 15 school days provided that an alternative program shall be implemented to the extent that suspension exceeds ten days. Students may not be on school property during the suspension or they are subject to trespassing. Out-of-school suspension may be served during non-school days at the discretion of the building administrator.
- **Police Referral** – Contact by the school administration with the local police department to inform them about illegal behavior engaged in by a student.
- **School Transfer** – Transfer from the student's home or neighborhood school to another similar district school.
- **Exclusion** – Action taken by the school board to prevent enrollment or re-enrollment of a student for a period that shall not extend beyond the school year.
- **Expulsion** – Action taken by the school board to prohibit a student from attending school for a period that shall not extend beyond an amount of time equal to one school year from the date a pupil is expelled.
 - Agreement to Withdraw (in lieu of expulsion)– The student and his/her family and the district sign a document agreeing that the student will enroll in another school district for the duration of the proposed expulsion period. Expulsion proceedings are suspended as long as the student does not attempt to re-enroll in a Northfield district school during that period (up to one calendar year).
 - Abeyance (in lieu of expulsion) – The student and his/her family and the district sign a document agreeing that the student will transfer to the Northfield Area Learning Center for at least the duration of the proposed expulsion period and will abide by the terms and conditions outlined in the abeyance agreement. Expulsion proceedings are suspended as long as the student does not attempt to re-enroll in another district school during that period (up to one calendar year).
 - As the Northfield Area Learning Center is a high school-only program, abeyance is not an option for students 8th grade and below.
- **Bus Suspension** – Action taken by a school district administrator to prohibit a student from riding a school bus or other district vehicles ranging from one day to the balance of the school year.
- **Restriction or Loss of School Privileges.**
- **Suspension from Extra Curricular Activities.**
- **Other Disciplinary Action Deemed Appropriate by District 659.**

EXPELLABLE OFFENSES

While it is the Northfield School District's belief that action to expel a student should be a "last resort," district policy does include expulsion as a possible or automatic response to several behavioral offenses. The following chart is a quick reference to those offenses. Please see a more detailed description of those offenses and the corresponding responses to them in the earlier pages of this handbook.

CHILD CARE PROGRAM PLAN

Philosophy

EarlyVentures Learning Center provides professional, quality care to meet each child's physical, emotional, social, and developmental needs during their time enrolled at our center. This is fostered by allowing the child space to grow, to be themselves, and to enjoy their time with other children and staff. EarlyVentures continuously strives to provide high quality care in a safe, nurturing environment.

Goals

EarlyVenture's goal is to provide a warm, loving, healthy, safe, and stimulating environment for children while under supervision of staff at all times. All aspects of a child's development are considered, including language, literacy, and communications; mathematics; social and emotional development; approaches to learning; the arts; social systems; physical and movement development; and scientific thinking.

We strive to keep parents actively involved in the care of their children while pursuing their own goals. We invite parents to review our program plans at any time and contribute their ideas to the EarlyVentures Site Leader or the Ventures Coordinator. Parents may review our program plan in the Parent Handbook, located online and on site at EarlyVentures. The program plan will be annually evaluated in writing by a staff person qualified as teacher status under DHS guidelines. Daily schedules and descriptions of developmentally appropriate activities can be found in each EarlyVentures classroom.

Enrollment Policy

EarlyVentures Learning Center is licensed to care for 88 children. The center is licensed for 14 infants and a combination of 74 toddler/preschoolers. Enrollment cannot exceed 28 toddlers or 60 preschoolers.

An infant is a child at least 6 weeks old but less than 16 months, a toddler is a child at least 16 months but less than 33 months, and a preschooler is a child who is at least 33 months old but has not yet attended the first day of kindergarten.

Days and Hours of Operation

EarlyVentures Learning Center operates 51 weeks per year, Monday through Friday. The center is open daily from 6:30 AM to 6:00 PM. EarlyVentures is CLOSED on the following days:

Labor Day
Thanksgiving Day
Friday after Thanksgiving
Christmas Eve
Christmas Day
New Year's Eve

New Year's Day
Memorial Day
July 4th
At least 2 days before the start of the summer session
One week before the start of the fall session

EarlyVentures Learning Center reserves the right to close on days preceding or following these holidays. Decisions regarding operation on release days will be made based upon a minimum child enrollment and school district policies.

Program Options

The childcare center is licensed by the Minnesota Department of Human Services to care for children ages 6 weeks to the first day of kindergarten. It is staffed by a combination of site leaders, teachers, assistant teachers, and aides to meet required staff/children ratios at all times. The center offers five separate classrooms to meet the diverse needs of EarlyVentures children.

INFANT: (Ages 6 weeks to 15 months) A loving atmosphere where intellectual and physical development are stimulated with music, literacy, language, muscle development, and exploration of the environment using age-appropriate equipment. A staff ratio of at least one adult to four children is maintained.

TODDLER: (Ages 16 months to 35 months) The curriculum is designed to cover areas of physical activities, language arts, creative thinking, socialization, communication, and self-sufficiency skills with emphasis on exploration and discovery. A staff ratio of at least one adult to seven children is maintained.

PRESCHOOL: (Ages 36 months until the first day of kindergarten) Opportunities are provided for large muscle activities, dramatic play, community exploration, and socialization as well as the above named activities. A staff ratio of at least one adult to ten children is maintained.

RATIOS

EarlyVentures follows the Department of Human Services Child Care Center Rule 3 guidelines for staff to student ratios.

Infants will never exceed a 1:4 ratio

Toddlers will never exceed a 1:7 ratio

Preschoolers will never exceed a 1:10 ratio

FINANCIAL POLICIES AND PROCEDURES

Fees

EarlyVentures is a non-profit program operating on revenue collected from tuition. This program is not funded from the ISD #659 general fund. Parents must contract with EarlyVentures Learning Center for services needed and follow a weekly or monthly payment schedule. We reserve the right to drop a child from the program when payment is delinquent. Families will also be responsible for any and all additional collection fees accumulated while recovering monies on delinquent accounts. The rates vary depending on age and schedule options.

Registration Fee

There is a non-refundable registration fee which must be submitted at the time of initial enrollment. The fees help defray the cost of processing enrollment forms and immunization records, and most importantly, they help with the center's supplies.

Payment

Payment of your childcare account must be made in full by the end of each month. EarlyVentures strongly encourages all families to consistently check their accounts online. Paper statements will only be mailed one time per year unless otherwise requested in writing to the Ventures main office. Co-payments for families on child care assistance are due bi-monthly on the 1st and 15th of each month. Parents on childcare assistance will be responsible for any and all costs not covered by county assistance.

ABSENCE

Please notify EarlyVentures if your child will be absent for any reason. Parents will be billed for all scheduled days. Please remember, if your child is at EarlyVentures, they will need to be well enough to participate in all activities, including outdoor play.

CHANGE OF SCHEDULES

A permanent change of schedule requires a one month written notice and a \$50 change of schedule fee will be charged to your account.

ARRIVAL & DEPARTURE

Parents must sign their child(ren) in each day upon arrival in order to transfer responsibility of care from the parent to authorized EarlyVentures staff. Once the child is signed in, parents may bring the child to the group, allowing for EarlyVentures staff to facilitate the parent's departure.

Upon departure, parents must sign the child(ren) out and let the EarlyVentures staff know that he or she is leaving. Once the child is signed out, he or she is no longer the responsibility of EarlyVentures staff. All children must be picked up by 6:00 p.m.

If you will be late, you MUST notify EarlyVentures. Parents will be charged \$1 for every minute late according to the classroom's clock. Multiple late pick-ups can result in termination of care.

All parents and legal guardians are allowed access to their child any time while in the care of EV.

Late Pick-Up

EarlyVentures closes promptly at 6:00 p.m. as staff's day end at this time as well. All children MUST be picked up by 6:00 p.m. If you will be late, you MUST notify EarlyVentures. Parents will be charged

\$1 for every minute late according to the classroom's clock. (If you receive childcare assistance, you will be personally responsible for this charge.) Every attempt will be made to contact parents and authorized persons. 911 will be notified at 6:30 p.m. if a child remains at the center. Multiple late pick-ups can result in termination of care.

EMERGENCY CLOSING PROCEDURES

Emergency Closing or Early School Dismissal

- WCCO TV (Channel 4)
- WCCO Radio (830 AM)

Online Alerts

- Kare 11 School Alert- On this site, you can sign up for email alerts indicating when your district is closed.
- KMSP (Fox 9 News)- School Closings
- KSTP 5- School Alerts

- Credit is not given towards Ventures programs for days or time missed due to emergency closings.

WITHDRAWAL FROM PROGRAM

Once registration forms are received, EarlyVentures requires a one month notice for all withdrawals as your spot has been secured and staff have been put into place. This one month notice must be written and signed by a parent/guardian. If there is no notification, a one month change will automatically be assessed. These costs will appear on the final bill.

PARENT INFORMATION

Important parent communication will be sent via email, Seesaw, or as a hard copy that can be found in your child's cubby. There may also occasionally be signs or posters advertising upcoming early childhood or family events. Please make sure to check cubbies daily.

RELEASE OF CHILDREN

Children will be released only to their parent/guardian or to the authorized pick-up indicated on your emergency card or registration form. Staff will ask for picture I.D. from persons not familiar to them.

If anyone other than the authorized persons will be picking up your child, you must turn in a signed and dated note to staff PRIOR to the scheduled pick-up time.

ENROLLMENT FORMS

EarlyVentures must have the following forms on file for each child:

1. EarlyVentures Contract for Services
2. Emergency Card
3. Immunization Record
4. Health Care Summary (completed by your child's doctor)
5. Infant Dietary Instructions (if applicable)
6. Health Updates

*Children may not attend EarlyVentures until all forms are completed and up-to-date.

It is the family's responsibility to keep us informed of changes in your child's file. (i.e. changes in employment, phone number, address, authorized contacts, etc.) Please submit these changes in writing.

CONFERENCES AND TOURS

Parents may request a conference or tour with either the Ventures coordinator or the site leader before their child is enrolled in the center. The conference will help familiarize families with the program, EarlyVentures policies and procedures, and the center's space, including their child's classroom. Staff will also ensure that the family's paperwork is complete and up-to-date as well as answer any questions.

Conferences on a child's progress in the program will be offered to the parent twice per school year. A written assessment will be provided that will report on a child's academic, physical, social, and emotional development. These conferences may be done via phone if it is more convenient for the family.

OUTSIDE CHILD CARE SERVICES

While EarlyVentures cannot prohibit employees from providing child care services outside our typical program and hours, it is strongly discouraged. EarlyVentures will not be responsible for any acts or omissions of an EarlyVentures employee should they provide families with outside services.

BIRTHDAYS

Due to district policy, we are not able to celebrate birthdays with a sweet treat (cookies, cupcakes, donuts, etc.) Families are more than welcome to provide a treat that is not food related (stickers, pencils, etc.), but it is certainly not necessary.

Children will be recognized and celebrated in their classroom when it is their birthday through items and rituals that do not involve food.

In order to be fair to all children, we request parents handle party invitations outside of the program. It is NOT EarlyVenture's staff responsibility to hand out invitations.

INSURANCE

EarlyVentures Learning Center is insured through the ISD #659 insurance carrier. The center does not operate any vehicles for the transportation of children. Staff are not authorized to transport children in their personal vehicles under any circumstances.

CHILDREN'S ATTIRE

Children should be adequately dressed for indoor and outdoor activities EVERY day. Winter outdoor play will require jacket, snow pants, boots, hat, and mittens or gloves. All belongings should be labeled with the child's name. A lost and found is available within the childcare center for parents to check periodically. EarlyVentures Learning Center will not be responsible for lost or missing items.

An extra set of clothing should be sent with children or left at the center. All items children bring should be clearly labeled with the child's name and left in the child's cubby. Dirty clothes will be sent home each day. When extra clothes or winter outdoor clothes are needed and are not available, parents will be notified and required to bring them.

All children in diapers will be checked each hour and changed as needed. Parents are required to provide diapers and wipes for their child. Parents will be billed \$1.00 per diaper change when diapers have not been provided from home.

Please have shoes for your child at the center each day. No boots, stocking feet, slippers, flip-flops, or bare feet in the classrooms.

HEALTH AND IMMUNIZATION

A medical record will be maintained for each enrolled child. A current health care summary, including any known allergies or health concerns, and an immunization record must be on file for each child. These forms must be completed and turned in to EarlyVentures BEFORE the child can attend. The center will provide all necessary forms that must be signed by a physician. Children moving up to the next classroom must have immunization records updated by their physician. Children under 24 months must have yearly exams.

ALLERGY PREVENTION AND RESPONSE

Before a child can attend EarlyVentures, parents must provide documentation of any known allergy. EarlyVentures will maintain current information about the allergy in the child's file and an ICCPP (individualized child care program plan) will be developed. The ICCPP will include a description of the allergy, specific triggers, avoidance techniques, symptoms of an allergic reaction, and procedures for responding to an allergic reaction, including medication, dosages, and a doctor's contact information. EarlyVentures staff will review ICCPPs at least annually or following any changes made

to allergy-related information in a child's file or on their ICCPP. Documentation of staff review will be kept on site at EarlyVentures.

Children's allergy information will be readily available at all times including when on site and when on field trips. Allergy information will also be readily available to all EarlyVentures staff in areas where food is served.

EarlyVentures staff will contact a child's parent or legal guardian as soon as possible in any instance of exposure or allergic reaction that requires medication or medical intervention. EarlyVentures will call emergency medical services when epinephrine is administered to a child during care.

MEDICATION POLICY

Whenever a child requires oral or surface medication, including over the counter medications, parents must fill out a written authorization form. A separate form is needed for each medication. The form includes: child's name, name of drug, quantity to be dispensed, time to be dispensed, doctor's authorization, and any special handling needed. Medication must be in the original container with legible information. Any container that does not meet these requirements will be returned to the parents. The staff member who administers the medication will indicate the date and time a medication was given, print their name, and sign the form. These records will be kept in the child's file. Written authorization is required by parents for the administration of syrup of ipecac.

CHILD CARE CENTER HEALTH POLICY

Diapering Procedures: Each child must have their own supply of diapers. The center has extras only for emergencies. The following is the diapering procedure that we follow:

- Put clean paper on the changing table.
- Wet 3 or 4 paper towels, if the parent has not supplied the child with diaper wipes.
- Wash the child's bottom, apply diaper product (if applicable), and apply a fresh diaper.
- Dispose of the diaper and paper in the diaper pail.
- Take the child to the sink and wash their hands and face with warm running water and soap.
- Dry the child.
- Staff must wash and dry their own hands after each child with warm running water and soap.
- Note on the chart: child's name, time of day, wet, dry or BM.

Toileting: Children must be fully potty trained and able to use a typical toilet independently by the time they reach four years of age. Should a child that is four years or older have a poop accident, parents will be called and asked to pick up their child. Should a child that is four years or older have a pee accident, they will be asked to change in to their spare set of clothes. Soiled clothes will be put in a plastic bag for parents to take home. Should children that are four years or older have more than one accident in a day, parents will be called and asked to pick up their child. If a child continues to have frequent accidents on a daily basis, EarlyVentures may terminate care until the child is completely potty trained. Written warning will be given to parents before this action takes place. Children may not move up to the Butterfly Room unless they are fully potty trained.

Handling and Disposal of Bodily Fluids: Surfaces that come in contact with potential bodily fluids, including blood and vomit, must be cleaned and disinfected according to MN Rules, part 9503.0005, subpart 11. Per guidelines, EarlyVentures will have disposable gloves, disposable bags, and eye protection on site. Blood contaminated material must be disposed of in a plastic bag with a secure tie and sharp items used for a child with special care needs must be disposed of in a “sharps container.” The sharps container will be stored in the Longfellow nurse’s office, out of reach of children.

Medical Conditions: Lesions, open wounds, potentially infectious sores, or skin conditions that may discharge on a child’s body will need to remain covered while children attend EarlyVentures. This policy is strongly enforced to protect others from the potential of exposure to bodily fluids. EarlyVentures will change bandages or re-apply them as necessary. Parents may be required to supply bandages or dressings that are needed.

Naps and Rest: A crib will be provided for all infants in which the center is licensed to provide care. All cribs will conform to federal crib standards and EV staff will follow DHS regulations in adhering to crib safety standards, including routine crib inspection requirements. All EarlyVentures staff will also receive annual training in the reduction of risk of sudden unexpected infant death.

All cribs will have a firm mattress with a fitted sheet that is appropriate to the mattress size that fits tightly on the mattress, and overlaps the underside of the mattress so it cannot be dislodged by pulling the corner of the sheet with reasonable effort. Infants may only be placed in a crib with a pacifier (optional) and inside a sleep sack (optional). Infants may only be swaddled in a sleep sack if written consent from a parent has been received and the infant has not yet begun to roll over on its own.

All infants will be placed on their backs for all naps. Parents that do not wish to have their child placed on his or her back will need a signed physician approval form before EarlyVentures will accommodate the request. EarlyVentures will also require parents to sign a waiver stating that ISD #659 and its employees cannot be held liable. An infant who independently rolls onto its stomach after being placed to sleep on its back may be allowed to remain sleeping on its stomach if the infant is at least six months of age or EV has a signed statement from the parent indicating that the infant regularly rolls over at home.

Should an infant fall asleep before being placed in a crib, EV will move the infant to a crib as soon as is practicable. The infant will always be in sight of EV staff until being placed in a crib. Should an infant fall asleep while being held, EV staff will consider the supervision needs of the other children in the classroom when determining how long to hold the infant before placing the infant in a crib to sleep. The sleeping infant will never be in a position where the airway may be blocked or with anything covering the infant’s face.

Prior to toddler and preschool naptimes, each child will use the toilet or be diapered and hands will be washed before going to the nap area. Small blankets and pillows may be brought from home and laundered weekly or when soiled; no sleeping bags or bed pillows please. Adults will rock toddlers and comfort other children (rubbing heads, backs, etc.) as needed. All cribs and cots will be placed so there are clear aisles and unimpeded access for both adults and children on at least one side of each piece of napping and resting equipment. After 30 minutes, all children that have rested quietly and

are awake may go into another area for quiet play. As children awake, they will join the others in the play area.

Food storage: Milk and formula will be kept refrigerated at all times. As with other food, milk or formula not consumed by the child during normal feeding times will be disposed of. At the next feeding, fresh milk or formula will be offered. When parents bring bottles, they will be placed in the refrigerator until feeding time. A separate bottle is required for each feeding time. All bottles and infant food items must be labeled with the child's name. Food supplements and medications will be given to children only with a signed statement from the parent and the physician. Whenever a child requires oral or surface medication, parents must fill out a written authorization form. Parents shall provide the center with the child's diet plan, as recommended by their physician, and the eating habits of their child.

MEALS AND SNACKS

The center will provide morning and afternoon snacks. Hot lunch is available when school is in session and billed at the elementary school rate. Free and reduced lunches are available during the school year for those who qualify. Free/reduced lunches are not available during the summer session. A menu is available at the beginning of each month. These lunches are payable in advance and are billed separately from tuition. Children that prefer cold lunches should bring a bag lunch clearly labeled with their name. Pop and juice boxes will not be allowed in cold lunches as milk is required. Milk will be available and will be billed separately. Foods that need to be microwaved will not be allowed except in the infant room. Cold lunches must meet USDA requirements. Supplements will be provided if necessary at a cost to the parent of \$0.75 per item.

Northfield Public Schools Department of Nutrition Services is responsible for providing hot lunches as EarlyVentures does not prepare food on site. Nutrition Services follows all procedures and practices that are in compliance with the requirements for food and beverage establishments in chapter 4626, which include: hand washing; maintaining hot and cold food temperatures at safe levels; washing of food, utensils and equipment; and serving of food.

SICK CHILD/ABSENCE

Please notify EarlyVentures if your child is ill or will be absent. Parents will be billed for all scheduled days. Please remember, if your child is at EarlyVentures, they will need to be well enough to participate in all activities including outdoor play.

If children receive over the counter medication before they arrive at EarlyVentures, parents must inform EarlyVentures staff. If a child becomes ill while at the center, staff will make arrangements with the parent for pick-up of the child. Sick children will be isolated, but supervision will be maintained at all times. A parent is required to inform the center within 24 hours if their child contracts a contagious disease. EarlyVentures will post the information the same day that any contagious disease is reported. The health department will be notified of any reportable disease or illness.

A child with any of the following conditions or behaviors is considered a sick child and must be isolated from other children at the center. The family will be called immediately and the sick child will be isolated on their cot/crib until the parent can pick them up.

Conditions: A contagious illness or condition as specified in Minnesota Statute rule 3 part 4605,7040, or:

1. A child with chicken pox, until the lesions are crusted over.
2. A child who has had 3 loose stools since admission that day.
3. A child who has vomited since admission that day.
4. Any bacterial infection that has not completed 24 hours of antimicrobial therapy.
5. A child who has ringworm or scabies that is not treated.
6. A child who has lice that has not been treated or any nits remaining in the hair.
7. A child who has a 100 degree temperature or higher.
8. A child who has an undiagnosed rash or sore, discharging ears or eyes, or discharging lesions on their body.

Children must be fever, diarrhea, and vomit-free for 24 hours before they can return to EarlyVentures. Sick children will be supervised at all times.

EMERGENCY AND ACCIDENT PROCEDURE POLICY

1. Administering First Aid: All staff members will be trained in Red Cross First Aid and infant and child CPR. In the event of an accident, a staff member will evaluate the accident and decide on the appropriate course of action. Minor accidents such as scraped knees, etc. will be washed with warm water and soap. A bandage will be applied. Parents will be informed of any such incidents upon pick-up. Accident reports will be filed any time it is necessary to call parents or if the incident requires treatment by a physician. A report must be filed with the Commissioner within 24 hours of any injury requiring medical care.

2. Accident Prevention Procedures:

A. Injury: Equipment will be kept in good repair. All sharp items such as scissors and knives will be kept out of the reach of children. Blunt end scissors will be used by children.

B. Burns and Electrical Shock: All outlets not in use will be covered. Cords that are being used will be placed in outlets out of the reach of children. Use of electrical equipment in the children's play area will be kept to a minimum. Items that produce heat will not be allowed in the children's play areas. Water at the faucets will not be more than 120 degrees to prevent scalding. Flammable items such as gas or lighter fluid will not be stored at the center. Storage areas will be kept free of combustible material and trash. Furnishings will not be highly flammable.

C. Poisoning: All medication and toxic substances, such as household cleaners will be placed in/on shelves out of reach of children. All staff will be instructed on items that are toxic and on the proper storage of such items. Staff will know procedures for accessing the poison control center.

D. Aspiration or Choking: Food items will be chosen carefully and foods difficult for children to chew or eat will not be served. Toys will also be chosen for the appropriate age

levels. Small and easily broken toys, balloons, and toys with loose parts will not be allowed. All staff will be trained in CPR.

E. Suffocation: Plastic bags and other materials that could cause suffocation will be kept out of the reach of children. The area will be checked regularly for items that may cause suffocation and these items will be immediately removed.

F. Traffic and Pedestrian Accidents: Corridors will be kept clear for easy exits and traffic patterns. Floors will be safely carpeted or tiled and the center will have adequate lighting.

EarlyVentures staff will conduct a daily inspection of potential hazards in the center and on the outdoor activity area.

3. Fire Prevention and Procedure:

A. Fire Evacuation Plan: The fire evacuation routes are posted in each room. They are located next to the doors and show the closest outside exit as well as secondary exits. The center will conduct routine fire drills to be prepared for any fire that could occur.

B. Fire Drills: All staff and children will participate in routine fire drills. The fire evacuation routes will be discussed and a record kept of all drills, indicating the date and time drills were practiced. A procedure to account for all children will be part of each drill. Staff will be trained to know who is responsible for which areas and the phone number of the local fire department.

C. Procedure in the Event of a Fire: Staff will know the location and proper use of a fire extinguisher and how to close off the fire area. All staff will participate in fire drills to provide proper training in how to carry out fire procedures.

4. Natural Disasters:

A. Tornadoes: In the event of a tornado, staff will gather all children together and go to the designated tornado safety area. All children will be instructed to remain seated until danger has passed. The center will maintain a log of the dates and times of monthly tornado drills from April to September.

B. Blizzard: In the event that parents are delayed in picking up their children, the center will remain open to care for the children until the parents arrive. EarlyVentures will follow ISD #659 school closing policies.

C. Other Natural Disaster: In the event that there is a natural disaster, EarlyVentures will follow ISD #659 policies and procedures.

5. Missing Child: When staff are unable to locate a child, all children will be asked to sit in one room. A check by all available staff will be made of the center and surrounding area. If the child is not located, the person in charge will notify the Northfield Police Department and the child's parents.

6. Release of Children: Children will be released only to their parents or persons authorized on the emergency card. No one other than the authorized person will be allowed to pick up children from

the center. If an unauthorized person attempts to pick up a child, parents will be notified, and if necessary, 911 will be called.

7. Incapacitation or Suspected Abuse: In the event a person who is incapacitated or suspected of abuse attempts to pick up a child, the caregiver is directed to release the child only to those persons who are authorized. If the caregiver suspects an authorized person of being incapacitated or a suspected abuser, the child must still be released. The caregiver is then mandated to report the suspected neglect or abuse to the Northfield Police Department and/or the Rice County Human Services Department.

8. Abandoned Child: If a child is still at the center after the regular closing time, the staff person will contact the parents. If the parents cannot be reached, the staff will contact all other people listed on the child's emergency card to pick up the child. The center will remain open until the child is picked up. If a child remains at the center at 6:30 p.m., 911 will be notified.

9. Source of Emergency Medical Care: Northfield Hospital

10. Accident Reports: A log will be kept of all accidents that occur at the center. The written record must contain the name and age of the person involved; date and place of the accident; injury or incident; type of injury; action taken by staff; and to whom the accident, injury or incident was reported. This log will be reviewed at least semi-annually and steps will be taken to prevent accidents from re-occurring.

Should a serious injury or death occur while a child is in EV's care, EV staff are required to report the incident within 24 hours of being notified of the incident. The report will be submitted electronically to DHS on the Child Care Center Serious Injury and Death Reporting Form.

EMERGENCY PREPAREDNESS

EarlyVentures has a written emergency preparedness plan using the Child Care Emergency Plan form developed by the commissioner. This plan includes: procedures for an evacuation, relocation, shelter-in-place, and lockdown; a designated relocation site and evacuation route; procedures for notifying a child's parent or legal guardian of the evacuation, relocation, shelter-in-place, and lockdown, including procedures for reunification with families; accommodations for a child with a disability or a chronic medical condition; procedures for storing a child's medical necessary medicine that facilitates easy removal during an evacuation or relocation; procedures for continuing operations in the period during and after a crisis; and procedures for communicating with local emergency management officials, law enforcement officials, or other appropriate state or local authorities.

PERMISSION SLIPS

Field trips will be announced in advance and parents will be asked to sign permission slips for any trip taken by the center that would require transportation. Parents will be asked to sign a blanket permission slip for trips that are within walking distance from the center, i.e. parks, library or local businesses. Students training in the fields of childcare and education occasionally visit EarlyVentures for observation, practicum, or student teaching. Parents will be asked to sign permission forms

before their child participates in any formal observation. Parents will also be asked to sign a form before their child's picture is used for publicity.

SECONDARY PARKS

Our secondary parks are Odd Fellows Park, Way Park, and Cherry Park. Parks are within walking distance of Longfellow school.

PROGRAM QUALIFICATIONS

- Children that are four years old and older are expected to be toilet trained and to be able to use a typical toilet independently.
- Children must be able to independently participate in developmentally appropriate group settings with similar age peers.
- Children must be able to independently follow simple directions appropriate to the child's age.
- Children must have the ability to play and work cooperatively with similar age peers without adult facilitation.
- Appropriate to the child's age, children must be able to safely and successfully transition from one activity to another.
- Children must be able to be successful in a group setting that is consistent with the Department of Human Services staff to student ratios for child care.
- Appropriate to the child's age, children must be able to independently participate in the general education curriculum.

POLICY ON SERVICES TO CHILDREN WITH SPECIAL NEEDS

EarlyVentures is not designed to provide long-term 1:1 assistance for children. If a child receives 1:1 student support in the classroom, or has a behavior plan developed, EarlyVentures must have a meeting with the family prior to the start date in order to determine the appropriate level of support needed to help the child be successful. Information regarding a student's needs will not be used to prohibit a child's enrollment in EarlyVentures, unless it is determined they will need significant assistance beyond our program's capabilities.

Rationale: As a public institution, Northfield Public School's Community Services Division strives to provide equal access and opportunity for all people. However, since programs offered through Community Services are fee based, our program is equally obligated to provide affordable services for the broadest possible spectrum of the population. Unlimited access for children with special needs would significantly increase costs and could result in the complete elimination of multiple programs. Limiting access to only those children who can be included with no additional support, though, is clearly not in keeping with our mission as a public agency. Accordingly, this policy has been developed after reviewing case law regarding program access of a community service for disabled individuals under the rehabilitation act. The purpose of the policy is to provide maximum access for

children with special needs while preserving the affordable nature of the program for the public at large.

Pre-enrollment Conference and Release of Information: Parents of a child with special needs who wish to enroll the child in EarlyVentures are asked to contact the Ventures Coordinator. A pre-enrollment conference will be held to discuss the nature of the special need and the extent of support services which are needed. At this conference, parents will be informed of the Community Services policy of consulting with school staff and examining student files if the child is enrolled in the Northfield Public Schools. If the child is not enrolled in programs provided by the Northfield School District, parents will be asked to sign a release of information for other agencies/schools that are currently providing services for the child. These releases are not mandatory in order for services to be provided, but will result in a more complete individual service plan.

Provision of Additional Financial Resources: If it is determined that additional financial resources are necessary in order to make the program accessible and beneficial, the following procedures will be used.

1. Modifications which are necessary to make facilities accessible will be undertaken by the school district if they are economically feasible. These may include but are not limited to bathroom grab bars, wrist operated sinks, etc. If these modifications are not feasible, providing accessibility through use of mobility aides, etc. will be pursued. In these cases, the provisions included in Item 2 will apply.
2. Items which are considered personal support services are the responsibility of the specific program in which that particular child is involved, provided that they do not increase the cost of the service by more than 5%. If the cost does exceed 5%, additional costs will be the responsibility of the parent. Examples of personal support services may include, but are not limited to, transportation, mobility aides, behavior management aides, and/or nursing services for children that are medically fragile or have multiple handicaps.
3. Should it be necessary for parents to seek financial assistance to cover increased costs, EarlyVentures staff will be available to assist them in locating possible sources of help through community agencies and organizations.

Implementing and Monitoring the Individual Service Plan: The coordinator of a particular program in which the child is enrolled will be responsible for developing a service plan. This plan must be in place within 1 week of the date on which the child began using the service, and a summary of the plan will be reviewed with the parent and placed in the child's file. Site visits from special education staff or staff of other agencies that provide service to the child will be arranged to obtain input and suggestions. Consultation with classroom teachers will also be scheduled as appropriate. The Ventures Coordinator is responsible for obtaining this information, including it in the child's plan, and making sure that any staff members who work with the child are familiar with the contents of the plan. All individual service plans must be reviewed and approved in writing by the Ventures Coordinator and the parent of the child. Modifications in the service plan will be made as necessary with joint approval of parents and staff. Any changes in the plan will be documented in writing and placed in the child's file. Any information concerning the child that is written in the staff log will be shared with the parents in a timely manner.

Policy on Behavior Management: Children who have been specified as special education students or students whose behavior cannot be managed through the application of existing behavior guidance policies that are in place for the various programs, will be considered special needs children for the purpose of this policy. This definition will be applied whether behavior problems result from temporary individual stresses, mental impairment, as a result of neglect or abuse, or as a result of long term emotional and behavioral disorders. In cases when these behaviors are documented prior to the enrollment of the child, the procedures used will be the same as those described previously for serving children with special needs. If the problem surfaces after the child is enrolled, a conference will be scheduled in accordance with existing behavior management policies. The purpose of the conference will be the same as that of the pre-enrollment conference already described. Timelines for the development and implementation of an individual service plan will also be the same as those previously mentioned.

Termination of Services: If the staff determines that an individual behavior guidance plan is not effective and no other options are available, it is possible that service will no longer be provided for that child. Termination of services will be considered if the child constitutes a danger to other participants, him/herself, if behavior is so disruptive that it prevents the accomplishment of overall program goals, if the child cannot participate in a group setting with similar age peers, or if the child consistently requires more staff attention than is allotted in licensing ratios. The decision to terminate services will be the responsibility of the Ventures Coordinator.

BEHAVIOR GUIDANCE POLICIES

The center's daily scheduling, curriculum plans, classroom arrangement, and staffing pattern are designed to promote positive and enjoyable learning experiences, including respectful and trusting relationships between adults and children. To provide for the safety of all children, as well as the individual development of each child's self-help and self-control skills, staff maintain daily routines and provide appropriate limits for each group. These routines and limits are frequently discussed and defined with the children. Consistency and knowing what to expect throughout the day helps children develop a sense of trust and understanding of their environment and encourages self-control. The goals of child guidance are to help children develop safe and appropriate ways of interacting with others and with the environment and to develop internal self-control. Young children learn by experimenting, testing limits, and experiencing logical consequences of their behavior.

EarlyVentures operates on the premise that young children are never "bad." Many discipline problems arise from too much excitement or over stimulation, rather than direct disobedience. Continual positive reinforcement will be used to encourage acceptable behavior. Staff work towards changing behaviors using positive techniques. These techniques include, but are not limited to the following:

1. Working with the children to develop rules that are stated at the children's developmental level.
2. Clarifying the consequences of not following rules before an incident occurs.
3. Having age-appropriate expectations for children.

4. Allowing children time to practice following new rules and acceptable alternatives to problem behavior in order to reduce conflict.
5. Reinforce desirable behavior by praising or rewarding the child. When the child realizes that attention comes from appropriate behavior, that behavior is more likely to continue.
6. Provide immediate and directly related consequences for a child's unacceptable behavior.
7. Ensure that each child is provided with a positive model of acceptable behavior.
8. Redirect children away from the problem toward a constructive activity in order to reduce conflict.
9. Teaching children how to use acceptable alternatives to problem behavior in order to reduce conflict.
10. Short breaks, which are noted and logged.
11. Protect the safety of children and staff persons.

Biting: Unfortunately, biting is a natural development stage that many children go through and it is one of the most common and difficult behaviors in a child care setting. Biting can occur without warning and it provokes a strong emotional response from all involved parties. Biting typically tends to be a temporary stage, most common in children ages 13-24 months. Toddlers may bite for a number of reasons as they are in the process of learning socially acceptable responses to their environment and given situations. Toddlers often bite as a result of teething, frustration, over-stimulation, impulsiveness, excitement, lack of self-control, attempting to get attention, lack of verbal skills, or even hunger.

EarlyVentures staff work with all children to promote socially acceptable responses and behaviors. Biting is addressed in all classrooms, but a consistent curriculum is used more specifically in the toddler room. The curriculum includes a variety of age-appropriate books about biting and an assortment of games that help children learn what teeth are used for and when teeth should not be used. Group time often includes questions such as, "What do we put in our mouth?", "What are our teeth for?", and "What can we eat?" as well as having children practice "using their words." "No Biting" pictures are also posted in the room.

EarlyVentures staff also complete an annual training called "When Biting Happens" to review helpful tips on biting prevention as well as circumstances or situations that often provoke biting.

Should a biting incident occur at EarlyVentures, staff address the biter in a firm, matter-of-fact voice (not angry or yelling) saying, "No biting. Biting Hurts! Teeth are for eating food." Staff comment on how the other child is feeling. "Look, _____ is crying. S/He is crying because you bit him/her. Biting hurts." Staff may also have the biter comfort the other child by bringing them an ice pack. The biter is redirected to another activity or separated from the group and placed on a break. The child that has been bitten is comforted and the bitten area is washed with warm water and soap. An ice pack is applied. The biter sees the sympathy and comfort towards the bitten child. An incident report

is filled out by staff and logged in the incident binder. Families of both the biter and the bitten are notified.

Should a child bite repetitively, staff will meet with the biter's parents to create a biting plan of action. Every biting occurrence, including attempted bites, will be charted and location, time, participants, behaviors, staff present, and circumstances will be indicated. Staff and parents will look for any patterns in the biting and both will consistently encourage the use of words to express feelings and emotions. Biting plans will be tailored to the individual child and appropriate steps will be implemented.

BEHAVIOR POLICIES

If staff's attempts at discipline do not work and a child continues to exhibit persistent unacceptable behavior, the following will occur in the EarlyVentures preschool classrooms:

1. Parents will be notified, informing them of the reason for referral, previous action by staff, and the actions taken by the disciplinary personnel. Staff will continue to observe the child's unacceptable behavior and record incidents and staff responses.
2. When a child's behavior is continually upsetting or dangerous to others or the staff, a conference will be called with the parents. A behavior plan will be developed. The plan will include specific details working towards eliminating the behavior problems. Suggestions may include, but are not limited to, environmental changes, incentive programs, more direct services and/or professional services, and referrals for behavior assessments.
3. If the problem is still not resolved, the following actions will occur:

Behavior Incident Reports: A Behavior Incident Report is completed when a serious disciplinary action occurs. Behavior such as violent outbursts, willfully hurting other children, throwing objects, inappropriate language, leaving the room/building/group, verbal or physical abuse of the staff, not listening to staff or following directions, creating an unsafe environment, or the inability to adjust to the program guidelines will be considered serious disciplinary concerns. Charges will be assessed for behavior leaves resulting in 1, 3, and 5 days off. Should a child receive a sixth Behavior Incident Report, charges will end with the last date of service, and alternate care must be found immediately as the child will not be allowed to return to the program.

1st Behavior Incident Report: Parents/guardians, site staff, and child will discuss the behavior to resolve the situation. Parents/guardians will be informed that "should a second Behavior Incident Report occur, a meeting will be scheduled to include the parent/guardian, child, site staff, and Site Leader."

2nd Behavior Incident Report: Parents/guardians will be contacted for a meeting to include the parent/guardian, child, site staff, and Site Leader. The process continues should a parent/guardian refuse to attend a meeting. Parents/guardians will receive a written warning that "should a third Behavior Incident Report occur, the child will need to take a one day leave of absence from the program."

3rd Behavior Incident Report: Parents/guardians will be notified by telephone or in person that the child will need to take a one-day leave of absence from the program on the next scheduled day. (Fees will be charged during this absence.) Parents/guardians will receive a written warning that "should a fourth Behavior Incident Report occur, the child will need to take a three-day leave of absence from the program."

4th Behavior Incident Report: Parents/guardians will be notified by telephone or in person that the child will need to take a three-day leave of absence from the program beginning with the next scheduled day. (Fees will be charged during this absence.) Parents/guardians will receive a written warning that "should a fifth Behavior Incident Report occur, the child will need to take a five-day leave of absence from the program."

5th Behavior Incident Report: Parents/guardians will be notified by telephone or in person that the child will need to take a five-day leave of absence from the program beginning with the next scheduled day. (Fees will be charged during this absence.) Parents/guardians will receive a written warning that "should a sixth Behavior Incident Report occur, the parent/guardian will be required to find alternate child care immediately. The child will not be able to return to the program. Charges will end with the date of the sixth Behavior Incident Report."

6th Behavior Incident Report: Parents/guardians will be notified by telephone or in person that alternate care will be needed immediately, as the child will not be able to return to the program. Charges will end with the date of the sixth Behavior Incident Report.

EarlyVentures Prohibits the Subjection of a Child to Corporal Punishment: This includes, but is not limited to, rough handling, shoving, hair pulling, ear pulling, shaking, slapping, kicking, biting, pinching, hitting, or spanking.

EarlyVentures Prohibits the Subjection of a Child to Emotional Stress: This includes, but is not limited to, name calling, ostracism, shaming, making derogatory remarks about a child or the child's family, and using language that threatens, humiliates, or frightens the child.

EarlyVentures also prohibits:

1. Punishment for lapses in toileting
2. Withholding food, light, warmth, clothing, or medical care as a punishment for unacceptable behavior
3. The use of physical restraint other than to physically hold a child where containment is necessary to protect a child or others from harm
4. The use of mechanical restraints, such as tying
5. No child may be separated from the group unless the following has occurred:
 - A. Less intrusive methods of guiding the child's behavior have been tried and were ineffective
 - B. The child's behavior threatens the well-being of the child or other children in the program

A child who requires separation from the group must:

- A. Remain within an unenclosed part of the classroom where the child can be continuously seen and heard by a program staff person
- B. The child's return to the group must be contingent on the child's stopping or bringing under control the behavior that precipitated the separation.
- C. The child must be returned to the group as soon as the behavior that precipitated the separation abates or stops

Children between the ages of six weeks and 16 months must not be separated from the group as a means of behavior guidance.

All separations from the group must be noted on a daily log that must include: the child's name, the staff person's name, time, date, information indicating that less intrusive methods were used to guide the child's behavior, and how the child's behavior continued to threaten the well-being of the child or other children in care.

If a child is separated from the group three or more times in one day, the child's parent shall be notified and the parent notification shall be indicated on the daily log. If a child is separated five or more times in one week, eight times or more in two weeks, the procedures for Persistent Unacceptable Behavior must be followed.

A copy of the center's behavior guidance policy as defined by the State of Minnesota - Department of Human Service, Division of Licensing, is on display at the center. A copy is also available from the program coordinator at any time. The policy defines the general requirements of behavior guidance, procedures for persistent unacceptable behavior and actions that are prohibited by either staff or children.

PETS

EarlyVentures will inform parents and obtain signed permission before any pets are housed at the center or any pets visit the center.

PARENT VISITS

Parents are welcome to visit the center at any time during the normal hours of operation. We encourage family volunteers in our classrooms. Please speak with the site leader for further information.

TELEPHONE NUMBER FOR DIVISION OF LICENSING

If you have questions, concerns, or complaints about your child's care, the telephone number of the Department of Human Services - Division of Licensing is 651-431-2000.

TOYS

EarlyVentures asks that all children leave their toys at home. Small, soft toys such as stuffed animals are allowed during rest time for children in the toddler and preschool rooms or infants that are over a year and sleeping on a cot. Musical or noise-making toys will not be allowed as they may disturb others that are napping. Children may also bring a toy from home when there is a scheduled "show and share" day. All other toys should be left at home or will be placed in the child's cubby to be taken home at the end of the day. Toy weapons or toys that contain any weapons are not welcome at any time. Our center is fully equipped with an adequate supply of age-appropriate toys for the children and toys brought from home often create problems. EarlyVentures cannot be held responsible for lost, broken, or missing items.

MANDATED REPORTING/MALTREATMENT OF MINORS (SEE ATTACHED DHS DOCUMENTS)

Children need a safe, nurturing environment that allows them to grow, learn, and feel loved by their caretakers. In order to grow and learn, children's minimum needs for good nutrition, shelter, medical care, bathing, clean clothes, intellectual stimulation, appropriate discipline, love, a feeling of importance, and a safe, non-violent home setting must be met. When these needs are not met, a child cannot grow and learn as easily. If you are temporarily or permanently unable or unwilling to meet your child's minimal needs as just described, EarlyVentures staff is mandated by Minnesota State Law to file a report with a county child protection agency. It then becomes the role of Child Protection to work with your family to ensure that your child's needs are being met. Should you have difficulty in providing for your child's emotional or physical needs, or safety, you are encouraged to ask for help. Our staff will help you find a community resource that can offer assistance. Some 24-hour community resources which can help you when you find that you are experiencing more stress than you can handle, include:

Parents Anonymous 1-800-225-4073

Rice County Crisis Hotline 1-800-607-2330

Rice County Child Protection 1-507-332-6214

Rice County Crisis Nursery 1-507-332-6255

Department of Human Services, Division of Licensing Maltreatment Intake Line 651-431-6600

Department of Human Services, Division of Licensing 651-431-6500

EarlyVentures expresses a commitment to provide an environment that encourages every child's safe growth and learning. If you feel that our staff is not meeting your child's needs, we encourage you to talk with the site leader. Should you feel your child's needs are consistently not being met, our staff will work with you to identify your child's needs and assist you in meeting them. As mandated reporters, EarlyVentures staff are required to make a report if there is reason to believe that a child is currently being neglected, abused, subjected to witnessing domestic abuse, or has been within the past three years.

INTERNAL REVIEW

When an internal or external report of alleged or suspected maltreatment has been made, EarlyVentures will complete an internal review within 30 calendar days and will take corrective

action, if necessary, to protect the health and safety of children in care. The internal review will include an evaluation of whether:

1. Related policies and procedures were followed;
2. The policies and procedures were adequate;
3. There is a need for additional staff training;
4. The reported event is similar to past events with the children or the services involved; and
5. There is a need for corrective action by the license holder to protect the health and safety of the children in care.

The internal review will be conducted by the Ventures Coordinator. If the Ventures Coordinator is involved in the alleged or suspected maltreatment, the Director of Community Services will be responsible for completing the internal review.

Based on the results of the internal review, EarlyVentures will develop, document, and implement a corrective action plan designed to correct current lapses and prevent future lapses in performance by individuals or EarlyVentures, if any.

The School District encourages the reporting party or complainant to use the report form available from the principal of each building or available from the School District office, but oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a District Human Rights Officer or to the Superintendent.

A. In Each Building: The building principal is the person responsible for receiving oral or written reports of religious, racial, or sexual harassment or violence at the building level. Any adult School District personnel who receives a report of religious, racial or sexual harassment, or violence shall inform the building principal immediately. Upon receipt of a report, the principal must notify the School District Human Rights Office immediately, without screening or investigating the report. The principal may request, but may not insist upon, a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the principal to the Human Rights Officer. If the complaint involves the building principal, the complaint shall be made or filed directly with the Superintendent or the School District Human Rights Officer by the reporting party or complainant.

B. C. Submission of a Good Faith Complaint or report of religious, racial or sexual harassment or violence will not affect the complainant or reporter's future employment, grades or work assignments.

D. Use of formal reporting forms is not mandatory.

E. The School District will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the School District's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

- IV. INVESTIGATION** By authority of the School District, the District Human Rights Officer(s), upon receipt of a report or complaint alleging religious, racial or sexual harassment or violence shall immediately undertake or authorize an investigation. This investigation may be conducted by School District officials or by a third party designated by the School District. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.

In determining whether alleged conduct constitutes a violation of this policy, the School District should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationship between the parties involved and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.

In addition, the School District may take immediate steps, at its discretion, to protect the complainant, pupils, teachers, administrators or other school personnel pending completion of an investigation of alleged religious, racial or sexual harassment or violence. The investigation will be completed as soon as practicable. The School District Human Rights Officer shall make a written report to the Superintendent upon completion of the investigation. If the complaint involves the Superintendent, the report may be filed directly with the School Board. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

STAFF POLICIES

1. Children are to be supervised at all time. Children are not to be left in a room or on the playground alone, even for a few minutes. All ratios will always be met.

2. Staff members are to engage and interact with children, not isolate themselves or converse at length with other staff members.
3. Discipline is to be dealt with in a positive manner. Talk to the child without raising your tone of voice. Try to determine the child's reason for the misbehavior. Consult the center's discipline policy for further details and follow accordingly. If separation from the group is necessary, a written report must be filed.
4. Children are expected to treat others with respect. They learn by example and their role model is you.
5. The staff is expected to sit with the children during snack and meal times.
6. All employees will be hired for a six month probation period. Employees will be evaluated following Northfield Public School's evaluation process.
7. EarlyVentures childcare center does not discriminate in its hiring practices. E.O.E.
8. Teachers and Assistant Teachers are required to have standard first aid and CPR training within 90 days of the start of work.
9. In-service training equal to 2% of the total hours worked is required by the State of Minnesota in order for a staff member to remain working.
10. ISD #659 is a smoke free district. Smoking is not allowed in any district building or on its grounds.
11. All records at the childcare center are to be kept confidential. This includes, but is not limited to: children's records, personnel records, accident, and discipline reports. Staff will release records only to those people who have access as required by law.
12. As per DHS rule 17 Part 9543.1020, subpart 14, drug and alcohol use is prohibited. Individuals, subcontractors, and volunteers when directly responsible for children served by the program are prohibited from abusing prescription medication or being under the influence of a controlled substance or alcohol. This includes any level of use that impairs or could impair the person's ability to provide care or services.

RISK REDUCTION PLAN

EarlyVentures has developed a Risk Reduction plan in order to comply with Minnesota Statutes, section 245.66 subdivisions 2 and 3. Risk Reduction Plans are in place to assess risks among children in our environment and ensure there are procedures, policies, and staff trainings in place for all risks determined. The Risk Reduction Plans is available on site at EarlyVentures and will be reviewed annually. All EarlyVentures staff will receive an orientation to the Risk Reduction plan prior to first providing unsupervised direct contact services and will review it annually thereafter.

Appendix A: Procedures for ALC Student's Child(ren) Accessing EarlyVentures.

1. The ALC student's child must be eligible for county support (Child Care Assistance Program (CCAP)) to pay for the cost of Early Ventures. CCAP does not cover Early Ventures full daily rate, thus the ALC will be responsible for covering all charges the county does not cover.
2. The ALC student has to be enrolled in, or have successfully completed, the parenting class offered through the ALC. The class will be taught by a Community Services Parent Educator.
3. The ALC needs to notify Early Ventures no later than February 1st of how many summer and school year INFANT slots the ALC would like to hold and pay for. A child can be considered an infant and be enrolled in the infant room until they turn 19 months. Due to current families, Early Ventures will not hold TODDLER slots.
4. If a new toddler or preschool spot is needed for the ALC, Early Ventures will determine if space is available after Early Ventures' current family registration (typically held in early-mid February). If space is available for a new toddler or preschooler, the ALC will need to determine if they want to commit and pay for the slot prior to Early Ventures' new family registration (1st week of March). The ALC will be responsible for paying for this slot for the duration of the school year or until EarlyVentures can fill the slot with a community member.
5. If a current ALC student that has a child enrolled in Early Ventures is not graduating at the end of the school year and will need an Early Ventures slot (in any room) the following year, the ALC student will be treated as a current family and will need to follow all current family registration guidelines.
6. If an ALC student is enrolled in Early Ventures' summer program, the ALC will be charged for the entire summer, not just days the ALC is in session. This will also allow the ALC student to access childcare in August or days the ALC is not in session.
7. The ALC will be charged all registration and snack fees for each ALC student's child in Early Ventures. Child Care Assistance typically does not cover these fees.

Shelter-in-Place/Lockdown Procedures

If we need to stay in the building due to an emergency, the following procedures will be followed

LOCATION 1 IN BUILDING Within each classroom. Close/lock classroom door, pull shades, quietly sit kids away from windows or doors.	LOCATION 2 IN BUILDING Infant/Toddler Room; Close/lock classroom door, cover door windows, quietly sit kids away from the door.
---	--

PROCEDURES FOR SHELTER-IN-PLACE/LOCKDOWN

Describe your procedures (who, what, where, when).

1. Stay Put Lockdown (threat is OUTSIDE of the building)

- Building administrator will order and announce "this is a stay put lockdown"
 - Bring people inside (if outside of the building)
 - If applicable, available staff (typically the building administrator) presses the lockdown button in the main office. This will call 911 immediately, locks all outside doors, disables card readers for non admin staff, and closes fire doors in the hallway. A blue strobe light will turn on outside of the main entrance and a horn will sound to notify visitors of a lockdown.
 - Staff move all students in to classrooms and closes the door. Clear hallways, restrooms, and other rooms that cannot be secured.
 - Pull shades and keep students away from windows.
 - Report all missing students to building administrator
 - Control all movements, but continue daily operation
 - Do not allow students out of the classroom until the building administrator or designee announces the "all clear" (Since EV's daily operation includes children moving from one location to another, staff should still allow, but use extra precaution. As always, staff should be with a child/children moving from one location to another.)
- ** If a stay put lockdown happens during after school/office hours, use best judgment about parents picking up. If the threat is not immediately outside of the building, EV staff can monitor the door and let parents/designated pick ups in to pick up their child. Staff should also monitor children in the hallways, always making sure that children are within site and sound when moving from one location to another.

2. Duck and Cover Lockdown (threat is INSIDE of the building)

- Building administrator or designee announces "this is a duck and cover lockdown"
 - Immediately direct all students, staff, and visitors into the nearest classroom or secured space. Classes that are outside of the building should NOT enter the building. Move all classes that are outside to the primary evacuation location (St. John's Lutheran Church)
 - If applicable, available staff presses the lockdown button in the main office. This will call 911, immediately locks all outside doors, disables card readers for non admin staff, and closes fire doors in the hallways. A blue strobe light will turn on outside the main entrance and a horn will sound to notify visitors of a lockdown.
 - Lock all classroom doors to prevent entry from the outside.
 - Move people away from windows and doors. Turn off lights.
 - Instruct kids to remain as silent and still as possible
 - Keep out of site
 - Continue the duck and cover until a building administrator or designee announces the "all clear". (This may be a police officer).
 - IGNORE all fire alarms, sprinkler system activation, class bells, etc.
 - Do NOT respond to anyone at the door until the "all clear" has been given
 - Building administrator or designee will announce the "all clear" and give directions on how to proceed.
- ** It is important to remember that if a duck and cover lockdown happens during the beginning or ends of the day, it is a time when families are picking up/dropping off. During a duck and cover, nobody should be allowed in/out of the building or in/out of a classroom. Even if you know the parent outside of the door, do not let them in.

Shelter-In-Place/Lockdown for Children with Disabilities or Chronic Medical Conditions:

Include any special circumstances or procedures needed for children with disabilities or chronic medical conditions.

Identification of Hazards

This form is provided as a resource for your emergency preparedness. It allows you to identify the risk of certain hazards occurring, the impact that a hazard could have if it did occur, and how you would continue operating during and after the emergency.

Hazard	Risk of harm, potential impact at your site, and plan for continuing operations during and after the emergency
Fire	<p>Ventures practices at least 5 fire drills during the school year and 3 during the summer. While threat of a fire is minimal, there is always the possibility. Damage would most likely be minimal due to sprinkler systems and advanced technology in our schools.</p> <p>In the event of a fire, notify the building administrator/office or pull the fire alarm. Evacuate students and staff to designated areas. (*Designated areas are at least 100 feet from the building). Be aware of emergency responders. Keep students and staff a safe distance from emergency responders and equipment. Follow the primary fire drill route whenever possible. Follow the secondary route if the first is blocked or dangerous. Staff need to take their emergency kit with an accurate attendance/sign out. If necessary, building administrators may move staff and students to the secondary evacuation site. Staff and students may not enter the building until fire and/or law enforcement deems that it is safe.</p> <p>If fire destroys EarlyVentures classrooms or the school as a whole, EarlyVentures would not be able to continue to operate unless an alternate space was provided. The district would do its best to find alternate space and rebuild a suitable replacement.</p>
Flood	<p>EarlyVentures is not in a flood prone zone. Thus, the potential of a flood is extremely minimal.</p> <p>Should the building flood due to a water main break, staff and students would evacuate the building and go to the primary evacuation site. Should the neighborhood become flooded, students and staff would evacuate to the second or third evacuation site, depending on which one was not flooded. The third option, Buntrock Commons, sits on top of a large hill. The possibility of this being flooded is next to impossible.</p> <p>Should the school continue to be inoperable due to flooding, the district would determine the best alternative of where to hold school. Wherever classes were moved to, Ventures would follow suit and would need space to operate. If damage to the school was minimal, school and Ventures just may need to be closed until the building can be properly cleaned.</p>
Gas/Chemical Leaks	<p>The risk of a gas or chemical leak is minimal, especially since Longfellow does not house any science lab areas.</p> <p>Should there be a gas/chemical leak inside the school, students and staff will evacuate the building. Building administrators and/or fire officials will determine if students and staff need to be relocated to the primary evacuation site or secondary site. District custodians will shut off heating, cooling, and ventilation systems in contaminated areas to reduce the spread of contamination.</p> <p>If the leak is outside of the building in the neighborhood, fire officials or the building administrator will determine if students need to evacuate and to which location they need to evacuate. District custodians will consider closing outside air intake.</p> <p>Students and staff will wait until the "all clear" is given to re-enter the building. Should there be damage to the building, the district will assess the needs of Ventures and determine if other space options need to be investigated. Ventures would close if the school was closed.</p>
Hazardous Materials	<p>The risk of a hazardous material leak is minimal, especially since Longfellow does not house any science lab areas.</p>

	<p>Should there be a hazardous leak inside the school, students and staff will evacuate the building. Building administrators and/or fire officials will determine if students and staff need to be relocated to the primary evacuation site or secondary site. District custodians will shut off heating, cooling, and ventilation systems in contaminated areas to reduce the spread of contamination. District custodians will also seal off the area of the spill/leak and close doors.</p> <p>If the leak is outside the building in the neighborhood, fire officials or the building administrator will determine if students need to evacuate and which location to which they need to evacuate. District custodians will consider closing outside air intake.</p> <p>Students and staff will wait until the "all clear" is given to re-enter the building. Should there be damage to the building, the district will assess the needs to Ventures. If school is closed, Ventures will be closed. Ventures will do its best to operate wherever classes are moved to.</p>
High or Low Temperatures	<p>Living in MN, the probability of high and low temperatures is guaranteed. EarlyVentures follows the district's policy on closing due to extreme weather. If school is closed for the day, EarlyVentures is also closed for the day. If school has delayed start, EarlyVentures will also open two hours late at 8:30 a.m. If school dismisses early, EarlyVentures will remain open until 2:30 p.m. EarlyVentures staff will always remain on site until the last child has been picked up.</p> <p>EarlyVentures generally does not have outdoor recess if the air temperature or wind chill is below zero OR if the heat index exceeds one hundred degrees. EarlyVentures staff will use common sense and base the amount of outside time on weather.</p> <p>EarlyVentures would not remain closed for an extended period due to extreme temperatures.</p>
Infectious Diseases	<p>In working with children, there is always the potential for a pandemic health crisis.</p> <p>When absences for a particular illness are twice the typical absence rate of the student population within a building (ex. 4-5%), the building nurse will file the required MN School-based Illness Report with the Commissioner of Health. Students exhibiting flu-type symptoms will be kept in a separate location from other health room users and parents/guardians will be contacted immediately and asked to pick-up. These students will be required to wear surgical masks while on school property. The area/cot that the student occupied will be cleaned using a disinfectant after each use.</p> <p>The Director of Buildings and Grounds will meet with the District School Nurse and Public Health Nurse to determine if buildings should be cleaned differently and/or more often.</p> <p>Upon notification by the MN Division of Homeland Security and Emergency Management Department of Education or Public Health officials; or upon consultation with the school board regarding a significant risk of spreading the illness and/or lack of staffing to continue the safe operation of the schools; the Superintendent, or Acting Superintendent, shall order the schools closed during the duration of the outbreak. All non-essential staff will be sent home for the duration of the school closure. District custodians will thoroughly clean all buildings.</p> <p>Upon notification by the Department of Education, Public Health or other governmental agency that the pandemic crisis is under control, the Superintendent or Acting Superintendent, shall order the schools reopened.</p> <p>Ventures staff and building nurses will remain on heightened alert, watching for signs of sickness.</p>

Nuclear Power	There is not a nuclear power plant located within the county. A nuclear threat is very minimal.
Severe Winter Weather	<p>In MN, severe winter weather happens annually. Ventures follows the district policy on school closings due to severe winter weather. If the district is closed for the day, Early Ventures will also be closed. If school has a delayed start, Early Ventures will also have a two hour delay and open at 8:30 am. If the district closes early, Early Ventures will close at 2:30 pm.</p> <p>Ventures staff will remain on site until all children are picked up by a parent, guardian, or emergency pickup. Ventures may remain closed until the dangerous weather has dissipated and parking lots, sidewalks, etc. are safe for staff and families to use.</p>
Thunderstorm	Thunderstorms happen on a regular basis through the months of about March/April-October/November. Ventures staff will consistently monitor the weather and will not bring children outside if there is lightening or thunder. If it is only a thunderstorm, staff will continue with regular indoor activities. If the thunderstorm turns severe or in to a tornado warning, staff will follow the district's severe weather/tornado policy. The only time that a thunderstorm would greatly impact Ventures' ability to operate is if the storm caused major damage to the building (struck by lightening, trees through the windows, etc.)
Tornado	<p>During the months of March-October, there is the potential of tornadoes in MN. If the potential for severe weather is forecasted, staff will continuously monitor the weather via a weather radio, online news, radar, etc.</p> <p>Should there be a severe weather warning, staff will bring all children inside of the building, close all windows, and review tornado drill procedures.</p> <p>Once a tornado warning is issued, a severe storm or tornado has been spotted in the area. Staff will move all kids to the designated shelter (interior room, hallway without windows, etc). Staff will take accurate attendance/sign in, ensuring that they know how many and which kids there have in their care. Staff will ensure that students are in "tuck" positions. Everyone remains in the shelter area until the warning expires or emergency personnel have issued an all-clear signal.</p> <p>Should Ventures rooms or the building as a whole be destroyed or be inoperable, students and staff will evacuate to the primary location. If the primary location is destroyed, staff will wait to hear from rescue workers to determine the location to where they should evacuate.</p> <p>If the school is destroyed, Ventures will need to remain closed until the district can investigate different space options for school and the program. Available space will obviously depend on how much of the town has been destroyed.</p>
Violent Incidents	<p>The likelihood of a violent incident in an early childhood setting is much less likely than a high school or middle school. Should there be any sort of incident, staff's priority is ensuring the safety of all students. This may mean going into a Duck and Cover lockdown. All staff should work as a team. Deal with the incident following district protocol as well as common sense.</p> <p>Families should be notified, following district policy, if the incident is severe or disrupts the typical daily operation of the program.</p>

Appendix D: Mandated Reporting

DHS-7634A-ENG 1-18

MALTREATMENT OF MINORS MANDATED REPORTING

This policy is for all providers licensed by the Minnesota Department of Human Services.

Who should report

- Any person may voluntarily report abuse or neglect.
- If you work with children in a licensed facility, you are mandated (required) to report and cannot shift the responsibility of reporting to your supervisor or to anyone else at your licensed facility. If you know or have reason to believe a child is being or has been neglected or physically or sexually abused within the preceding three years you must immediately (within 24 hours) make a report to an outside agency.

Where to report

- If you know or suspect that a child is in immediate danger, call 911.
- Reports concerning suspected abuse or neglect of children occurring in a licensed child foster care or family child care facility should be made to county child protection services.
- Reports concerning suspected abuse or neglect of children occurring in all other facilities licensed by the Minnesota Department of Human Services should be made to the Department of Human Services, Licensing Division's Maltreatment Intake line at 651-431-6600.
- Reports regarding incidents of suspected abuse or neglect of children occurring within a family or in the community should be made to the local county social services agency at 1-800-552-0214 or local law enforcement at 911.
- If your report does not involve possible abuse or neglect, but does involve possible violations of Minnesota Statutes or Rules that govern the facility, you should call the Department of Human Services Licensing Division at 651-431-6500.

What to report

- Definitions of maltreatment are contained in the Reporting of Maltreatment of Minors Act (Minnesota Statutes, section 626.556) and should be attached to this policy.
- A report to any of the above agencies should contain enough information to identify the child involved, any persons responsible for the abuse or neglect (if known), and the nature and extent of the maltreatment and/or possible licensing violations. For reports concerning suspected abuse or neglect occurring within a licensed facility, the report should include any actions taken by the facility in response to the incident.
- An oral report of suspected abuse or neglect made to one of the above agencies by a mandated reporter must be followed by a written report to the same agency within 72 hours, exclusive of weekends and holidays.

Failure to report

- A mandated reporter who knows or has reason to believe a child is or has been neglected or physically or sexually abused and fails to report is guilty of a misdemeanor.
- A mandated reporter who fails to report maltreatment that is found to be serious or recurring maltreatment may be disqualified from employment in positions allowing direct contact with persons receiving services from programs licensed by the Department of Human Services and by the Minnesota Department of Health, and unlicensed Personal Care Provider Organizations.

Maltreatment Of Minors Mandated Reporting Policy

Retaliation prohibited

- An employer of any mandated reporter shall not retaliate against the mandated reporter for reports made in good faith or against a child who is the subject of the report.
- The Reporting of Maltreatment of Minors Act contains specific provisions regarding civil actions that can be initiated by mandated reporters who believe that retaliation has occurred.

Internal review

- When the facility has reason to know that an internal or external report of alleged or suspected maltreatment has been made, the facility must complete an internal review within 30 calendar days and take corrective action, if necessary, to protect the health and safety of children in care.
- The internal review must include an evaluation of whether:
 - I. related policies and procedures were followed;
 - II. the policies and procedures were adequate;
 - III. there is a need for additional staff training;
 - IV. the reported event is similar to past events with the children or the services involved; and
 - V. there is a need for corrective action by the license holder to protect the health and safety of children in care.

Primary and secondary person or position to ensure reviews completed

The internal review will be completed by **Breezy Barrett, Ventures Coordinator**. If this individual is involved in the alleged or suspected maltreatment, **Erin Bailey, Community Services Director** will be responsible for completing the internal review.

Documentation of internal review

The facility must document completion of the internal review and make internal reviews accessible to the commissioner immediately upon the commissioner's request.

Corrective action plan

Based on the results of the internal review, the license holder must develop, document, and implement a corrective action plan designed to correct current lapses and prevent future lapses in performance by individuals or the license holder, if any.

Staff training

The license holder must provide training to all staff related to the mandated reporting responsibilities as specified in the Reporting of Maltreatment of Minors Act (Minnesota Statutes, section 626.556). The license holder must document the provision of this training in individual personnel records, monitor implementation by staff, and ensure that the policy is readily accessible to staff, as specified under Minnesota Statutes, section 245A.04, subdivision 14.

Provide policy to parents

The mandated reporting policy must be provided to parents of all children at the time of enrollment in the child care program and must be available upon request.

Appendix E: Risk Reduction Plan

Minnesota Department of Human Services

Child Care Center Risk Reduction Plan

Program Name: EarlyVentures Learning Center

License #: 10425264-CCC

Child care centers must develop a risk reduction plan that identifies the general risks to children served by the child care center. The license holder must establish specific policies and procedures or refer to existing policies and procedures that minimize identified risks, train staff on the procedures, and annually review the procedures. [Minnesota Statutes, section 245A.66, subdivision 2]

- 1. Physical Plant.** Identify specific risks to children based on an assessment of the physical plant where licensed services are provided. The assessment must include an evaluation of the required factors listed below in column 1. Write each identified risk in column 2; insert additional lines as needed. In column 3, write specific policies and procedures you have developed and implemented to minimize each risk, or in column 4, reference existing policies and procedures that minimize each risk.

Physical plant factors required to be assessed	Identified risks	Policies and procedures developed and implemented to minimize the risks	Existing policies and procedures that minimize the risks
Condition and design of the facility	Located in four classrooms in a Northfield Public School's building		In addition to adhering to DHS licensing guidelines, EarlyVentures follows all safety and security procedures set forth by Northfield Public Schools as we are a district program.
	Multiple district programs and offices are housed in the same school building.		Children are supervised at all times. Children are never left alone in a room or on the playground. Appropriate ratios are always met. Classroom doors are closed when the group is in the classroom. EarlyVentures is housed in a secure school building. There is a district employee stationed at the front door when the door is <u>unlocked</u> and all visitors must check in. EarlyVentures families access the building through a secure fingerprint system.
	Three EarlyVentures classrooms are located downstairs; Two classrooms are located on the main level. No classrooms are located on the second level.		Children are supervised at all times and are never left alone. Appropriate ratios are always met. There are six exits out of the school building. Each EarlyVentures classroom has one exit into a hallway with

			easy access to an outside exit on their floor level.
Condition and design of the outdoor space	In the front of the school, there is a grassy area and sidewalk near the road (Orchard St.)		<p>*See pages 13-15 and 28-29 in the EarlyVentures Handbook for a more detailed look at existing policies that minimize risks.</p> <p>Staff members will be informed of all risks present when taking students outdoors. Children will be supervised at all times and appropriate ratios always met. Children will not be allowed to play near the parking lot, gate, or cement stairs. Children will be monitored and will only play on structures appropriate for their age and developmental level.</p>
	In the back of the school, there is a partially enclosed playground. It is partially enclosed by a chain link fence. There is a gate in the fence that leads out of the playground and down cement stairs.		
	The part of the playground that is not enclosed has a chain to prevent/warn children not to go into the parking lot that is on the other side.		
	The playground has asphalt, a large grassy area, and a large woodchip area. There are two main playground structures appropriate for early childhood as well as other climbing structures and swings.		
Bathrooms	EarlyVentures bathrooms are located down the hall from the classrooms.		Staff will walk to the bathrooms with the children and children will be supervised at all times. Appropriate ratios will always be met. Please see pages 13-15 and 28-29 in the EarlyVentures handbook for more details.
	Falling off stools		All stools will meet safety standards and children will be supervised while using them.
	Water burns		The water temperature will be kept at an acceptable temperature for all children and staff.
			One child will be allowed in a

	Pinched fingers		bathroom stall at a time. Children will not open or hold doors open. Children will be supervised at all times.
	Exposure to hazardous materials		Cleaning supplies and other hazardous materials will not be stored in the bathroom.
	Falling off the small stairs leading to the sink in the toddler room. (When kids are washing their hands after using the potty chair or having their diaper changed.)	Stairs meet safety standards and a staff member will always be present next to the stairs while children wash their hands.	

Physical plant factors required to be assessed	Identified risks	Procedures developed and implemented to minimize the risks	Existing policies and procedures that minimize the risks
Storage areas	Pinched Fingers		Children will be supervised at all times. Children will not be allowed to open/close storage area doors. There are a number of cabinets/drawers that have child locks to prevent children from opening/closing them and pinching their fingers. Staff members personal belongings will be stored out of reach of children or in a closed cabinet/closet. This includes staff members personal food or beverage. Other food and beverage will be kept in a closed cabinet, inaccessible to children. "Teacher materials will be kept in closed cabinets, closets, or out of reach of children. All toys are stored on open shelving units. Toys that are not in rotation are stored in a different room where children do not have access. Medications and cleaning materials are stored out of reach of children or in locked cabinets. See pages 13-15 and
	Access to staff members personal belongings		
	Access to food and beverages		
	Access to "teacher" materials		
	Access to medications and cleaning materials.		

			28-29 in the EV Handbook for more details.
Accessibility of medications and cleaning products	Poisoning		All medications and cleaning products are kept out of reach of children or in locked cabinets or drawers. Children are always supervised. Staff are trained on how to clean tables and other items to protect children from chemical residue. All cleaning products are approved by the Health Consultant. All medications are stored in the original, child-proof containers and are clearly labeled with each child's name. Proper paperwork is on file for each child's medication. Please see pages 13-15 and 28-29 in the EV Handbook for more details.
	Chemical Burns		
	Side effects from ingestion		
	Side effects from contact with skin		
	Side effects from contact with eyes, ears, nose, and throat		
	Choking		
Areas that are difficult to supervise	Bathroom Stalls		Only one child at a time will be allowed in a bathroom stall. Children are supervised at all times in the bathroom and appropriate ratios are maintained.
	Walking in the hallways		Staff will always supervise children in the hallway. Before leaving any area, staff count the number of children in their group, count the group again in the hallway, and count again upon arrival of their destination. If more than one staff member is present, one staff leads the line and the other is at the end of the line. Children always use "walking feet" in the hallway.
	Playground structures		Staff will position themselves to see all children in their group. If necessary, staff may "close" certain playground structures to keep children in a more contained area. Staff continuously count the number of children in their group.

			while on the playground.
	Certain classroom areas		Early Ventures classrooms are set up in that there are no "blind" spots. The basics of supervision will always be followed in that each staff member will position themselves always to see all children in their group.

- 2. Environment.** Identify specific risks to children based on an assessment of the environment for each facility. The assessment must include an evaluation of the required factors listed below in column 1. Write each identified risk in column 2; insert additional lines as needed. In column 3, write specific policies and procedures you have developed and implemented to minimize each risk, or in column 4, reference existing policies and procedures that minimize each risk.

Environmental factors required to be assessed	Identified risks	Policies and procedures developed and implemented to minimize the risks	Existing policies and procedures that minimize the risks
Type of grounds and terrain surrounding the building	Sidewalks surrounding the building		Anytime children are on the sidewalks, they will use walking feet and will always be supervised. Children will generally only use the sidewalks when entering or exiting the building with their parent/guardian or when walking to a nearby park. A staff member will always lead the group and a staff member will always be in the back of the group's line.
	Parking lot connected to the playground		The parking lot is off limits to children and is only used by school personnel and families accessing Longfellow school. There is a chain blocking off the playground from the parking lot.
	Woodchips on the playground		Children are supervised at all times and staff position themselves to see all children

			in their group. Children must wear shoes on the playground. Children are taught that the woodchips stay on the ground and that they are not to go in mouths.
	Asphalt on playground		Children are supervised at all times. Children always wear shoes outside.
	Grassy area on playground		Children are always supervised. Children must wear shoes at all times they are outdoors. Children are taught that grass stays on the ground and does not go in mouths.
	Gate leading out of the playground		The gate near the playground will remain closed and locked during all times children are present.
			Staff are well informed of all the playground and outside hazards. Staff routinely check the playground and grassy area for hazards. Should a hazard be present, staff follow the prescribed protocol in dealing with the hazard (removing it themselves, informing the building engineer, etc).
Proximity to hazards, busy roads, and publicly accessed businesses	Longfellow school is located on Orchard St.		Orchard street has minimal traffic. When children enter or exit the door on Orchard St, they are either accompanied by parents/guardians or they are closely supervised by staff.
	Church across the street in the back of the building.		The church building has minimal occupation during week days.
	Located in a district building that contains other district programs.		All visitors to the building must check in at the front office. All other doors to the building are locked. Families can enter Early Ventures through a secured fingerprint system. Staff have been

			trained to address all people they do not recognize in the building or on the playground.
	Residential area with houses surrounding the building on three sides.		Children are supervised at all times. Neighbors have no reason to access the building. If visiting Longfellow, neighbors must check in at the front office and have a purpose for visiting.

- 3. Additional risk of harm factors to children.** In addition to any program-specific risks identified under the physical plant and environment assessments, the risk reduction plan must address the risks identified below in column 1. In column 2, write specific policies and procedures you have developed and implemented to minimize each risk, or in column 3, reference existing policies and procedures that minimize each risk.

Identified risks	Policies and procedures developed and implemented to minimize the risk	Existing policies and procedures that minimize the risk
Closing children's fingers in doors, including cabinet doors		Children will not be allowed to open or hold doors. Children will also maintain an appropriate distance from the bathroom stall door when they are not the one using the stall. Cabinets and drawers will be designated for teachers only or will have locks on them. Please also see pages 13-15 and 28-29 in the Early Ventures Handbook for more details.
Leaving children in the community without supervision		Anytime children are out in the community with Early Ventures, staff will carry an emergency backpack containing emergency information. The emergency information includes a picture of

		each child. Children will be supervised at all times and staff will continuously count the number of children in their group. Please also see pages 13-15 and 28-29 in the <u>Early Ventures Handbook</u> for more details.
Children leaving the facility without supervision		Children will be supervised at all times. Doors to the classrooms will be closed any time children are in the room. Please also see pages 13-15 and 28-29 in the <u>Early Ventures Handbook</u> for more details.
Caregiver dislocation of children's elbows		Staff will never grab children by the arm or swing them around by the arm in play. If absolutely necessary, staff will use a "basket hold." Please also see pages 13-15 and 28-29 in the <u>Early Ventures Handbook</u> for more details.
Burns from hot food or beverages, whether served to children or being consumed by caregivers, and the devices used to warm food and beverages		Staff are not allowed to bring hot beverages into the work place. Northfield Public School's Nutrition Staff (or staff that have been trained by Nutrition Services) serves lunch to <u>Early Ventures</u> students. Trained staff also monitor food temperatures and makes sure all temperatures are in compliance with state guidelines. No hot snacks are served. Bottle warmers and microwaves are stored on shelves out of reach of children and cords are inaccessible to children. Please also see pages 13-15 and 28-29 in the <u>Early Ventures Handbook</u> for more details.
Injuries from equipment, such as scissors and glue guns		All teacher scissors, staplers, glue guns, and similar items will be stored out of reach of children. Please also see pages 13-15 and 28-29 in the <u>Early Ventures Handbook</u> for more details.
Sunburn		Parents must fill out the sunscreen permission form upon registration. Should parents refuse to sign a

		<p>permission form, they will be asked to sign a release of liability. Children will not be allowed in the program unless a sunscreen permission is signed or a release of liability is signed. Parents are asked to supply a bottle of sunscreen for their child. Sunscreen bottles are labeled with the child's first and last names. <u>Early Ventures</u> will provide sunscreen for children that do not have their own bottle. Staff will always apply sunscreen to children and staff will apply at appropriate times. Sunscreen will be stored out of reach of children. Please also see pages 13-15 and 28-29 in the <u>Early Ventures Handbook</u> for more details.</p>
Feeding children foods to which they are allergic		<p>Upon registration for each session, parents are asked to provide information regarding any allergies. Allergy lists are posted in the lunch room and in the classrooms near snack areas. Northfield Public Schools Nutrition Services will be notified of any food allergies. Staff are CPR and first aid trained should a child have an allergic reaction. Please also see pages 9-10, 12-15, and 28-29 in the <u>Early Ventures Handbook</u> for more details.</p>
Feeding children the correct breast milk/formula in the infant room	<p>On 11/30/18 a policy was implemented in which each child's bottle needs to be verified by two staff before it is fed to a child. One staff can warm the bottle, but before feeding, the staff person needs to show it to a fellow staff to make sure the bottle's label matches the child that will be fed.</p> <p>Furthermore, on 4/8/19 a policy was implemented in which staff need to record the staff person</p>	<p>All bottles are clearly labeled with the child's first and last name. All children also have their own colored label, with each child in the room having a different color.</p>

	preparing a bottle, the time of day, the staff person that is double checking the accuracy of the bottle, and the staff person feeding each child a bottle. This is recorded on a spreadsheet in the bottle area and a picture of the spreadsheet is taken at the end of each day for EV's records.	
Children falling from changing tables		Staff will follow all diaper changing procedures, which includes keeping one hand on the child being changed at all times. Staff will never walk away from a child on the diaper changing station even if they are buckled. Staff will not let children climb on the diaper changing station themselves. Please also see pages 10, 13-15, and 28-29 in the <u>Early Ventures Handbook</u> for more details.
Children accessing dangerous items or chemicals or coming into contact with residue from harmful cleaning products		Cleaning products are out of reach of children at all times. Staff are trained on how to clean tables and other items to protect children from chemical residue. All cleaning products are approved by the health consultant. Please also see pages 13-15 and 28-29 in the <u>Early Ventures Handbook</u> for more details.

4. Accessibility of hazardous items. The accessibility of hazardous items to children is prohibited at all times when children are present.

5. Policies and procedures to ensure adequate supervision of children. The risk reduction plan must include specific policies and procedures to ensure adequate supervision of children at all times as defined under Minnesota Statutes, section 245A.02, subdivision 18. The policies and procedures must include particular emphasis on the areas identified below in column 1. In column 2, write specific policies and procedures developed and implemented to ensure children will be adequately supervised at all times.

Required areas to be addressed regarding supervision of children	Policies and procedures developed and implemented to ensure adequate supervision of children
--	--

Times when children are transitioned from one area within the facility to another	Children are never left alone and are always supervised regardless of whether they are stationed area or transitioning from one area to another. Staff maintain appropriate ratios at all times. Staff count the children in their group before they leave an area, while they are transitioning, and once they get to their final destination.
Nap-time supervision, including infant crib rooms, as specified under Minnesota Statutes, section 245A.02, subdivision 18, which requires that when an infant is placed in a crib to sleep, supervision occurs when a staff person is within sight or hearing of the infant. When supervision of a crib room is provided by sight or hearing, the center must have a plan to address the other supervision component	All <u>Early Ventures</u> cribs are within sight and sound of staff in the infant room. Children are always supervised and staff never leave the room if a child is asleep in a crib.
Child drop-off and pick-up times	Parents/guardians must sign their child in and out each day. Parents must walk their child into their designated room and make contact with staff or they must walk into the room to pick up their child at the end of the day and make contact with staff. Staff either welcome the child for the day or wish the child a good night upon departure. Once the child is signed in, <u>Early Ventures</u> staff are responsible for the child. Staff know how many children and which children are present at all times.
Supervision during outdoor play and on community activities, including but not limited to field trips and neighborhood walks	Children are always supervised and appropriate ratios maintained. Staff position themselves so they can see all children in their group while outside. Written permission from parents is obtained any time children travel off site. Staff know how many and which kids they are taking offsite. Staff take an emergency backpack with them when traveling offsite that contains emergency information and first aid supplies. Staff consistently count the number of children in their group. All offsite destinations are age appropriate.
Supervision of children in hallways	Children are always supervised. Staff never lose sight of the children in hallways. Children walk in the hallways.

- 6. Orientation to the risk reduction plan.** The license holder shall ensure that all mandated reporters, as defined in section 626.556, subdivision 3, who are under the control of the license holder, receive an orientation to the risk reduction plan prior to first providing unsupervised direct contact services, as defined in section 245C.02, subdivision 11, to children, not to exceed 14 days from the first supervised direct contact, and annually thereafter.

Minnesota Department of Human Services

Documentation of orientation to the risk reduction plan must be documented in each mandated reporter's personnel record. [MN Statutes, section 245A.66, subdivision 3]

- 7. Annual review of the risk reduction plan.** The license holder must review the risk reduction plan annually. When conducting the review, the license holder must consider incidents that have occurred in the center since the last review, including the following:
- (1) the assessment factors in the plan;
 - (2) the internal reviews conducted under Minnesota Statutes, section 245A.66, subdivision 1, if any;
 - (3) substantiated maltreatment findings, if any; and
 - (4) incidents that caused injury or harm to a child, if any, that occurred since the last review.

Following any change to the risk reduction plan, the license holder must inform mandated reporters, under the control of the license holder, of the changes in the risk reduction plan. The annual review of the risk reduction plan or changes in the plan must be documented in the center's administrative records.

SAFETY

Your children's safety is our main concern. Please check in with the main office staff to let them know if you are picking up your child or coming for an event. Although we can often recognize parents, by making your presence officially known we can be more fully aware of who is in our building at all times. Please make sure you are dropping off and picking up your child each day in the

classroom so the teachers know where they are at all times! In addition, each family will receive a packet to fill out including **health/emergency forms** as it is very important we have that on file. Longfellow School practices regular fire, severe weather and lock-down drills throughout the year.

INTRODUCTION

This handbook is designed to give you specific information regarding Hand in Hand Preschool. We ask that you read through it and keep in an accessible place where it can be referred to as needed. Please speak with your child's teacher if further information or clarification is needed. The District's full policy regarding guidance and discipline may be found in the Student Citizen Handbook (available in the school office). We believe that open communication between parents and teachers is an essential part of your child's educational experience. We realize that children between the ages of three and five are continuing to develop their understanding of the world and sometimes their interpretations of phrases, vocabulary, time concepts and the concepts of real vs. imaginary are not yet mature. Occasionally, misunderstandings may occur. If you wonder about something your child has told you regarding school, please contact us, so that together we can clarify. Please refer to the weekly class note describing our activities to help generate conversation about your child's day; children will transport papers and messages each week in a backpack/bag your child will bring to and from school each day. In addition newsletters will be emailed out to families.

HAND IN HAND TEACHERS

Hand in Hand Preschool teachers hold a minimum of a bachelor's degree in Early Childhood Education and are licensed by the State of Minnesota to teach young children. Many hold a Master's in Education. All staff participate in district training, professional development as well as contributing to the weekly district-wide Professional learning Communities where we work to improve teaching techniques and student progress.

PHILOSOPHY OF HAND IN HAND PRESCHOOL

The most important goal in our program is to help children become enthusiastic learners. This means encouraging children to be active and creative explorers who are not afraid to try out their ideas and to think their own thoughts. Our goal is to help children become independent, self-confident, inquisitive learners. The developmentally appropriate activities we plan for the children,

the way we organize the room, select toys and materials, plan the daily schedule and talk with the children are all designed to accomplish the goals of our curriculum and give your child a successful start in school.

EXAMPLE OF APPROXIMATE DAILY SCHEDULE

8:45-9:00 Meet/Greet, Small Motor Activities
9:00-9:30 Circle Time: calendar with counting/patterns, weather, music/movement
9:30-10:30 Flex time: small group skill building, centers and choice time
10:30-10:45 Stories/Songs
10:45-11:00 Bathroom Break/Snacks
11:00-11:30 Outside/Gym large motor time

CURRICULUM/ASSESSMENT

***Specific Curriculum mapping documents are available upon request**

Young children learn best by *doing*, not just repeating what someone else says but actively experimenting to find out how things work in the world we live in. We believe that play provides the foundation for school learning. It is the preparation children need before they learn those highly abstract symbols such as letters (which are symbols for sounds) and numbers. Play enables us to achieve the key goals of our early childhood curriculum; play is the “work” of young children! Teachers use a combination of *Everyday Mathematics*, *Ladders to Literacy*, *Handwriting Without Tears*, and *Second Step* to support our curriculum at Hand in Hand Preschool. The Minnesota Department of Education’s Early Childhood Indicators of Progress state standards act as a framework for our instruction.

At Hand in Hand preschool, we use authentic, observational assessment. The system is not only designed to work with our curriculum, but it is aligned with the Minnesota State standards for early learning, the Early Childhood Indicators of Progress; it helps us get to know what our students know and can do. With this information, we individualize children’s learning, flex group and offer engaging experiences that help build on their strengths and interests. The system is inclusive of children with disabilities, children who are developing typically, and children who demonstrate competencies beyond typical developmental expectations. It also supports the assessment of children who are English learners.

Social/Emotional: To help children feel comfortable in school, trust their new environment, make friends, interact with them and feel they are part of a group. To help children experience pride and

self-confidence, be able to express themselves creatively, to develop independence and self-control, and have a positive attitude toward life.

Cognitive: To help children become confident learners by letting them try out their own ideas and experience success, and by helping them acquire learning skills such as the ability to solve problems, ask questions and use words to describe their ideas, observations, and feelings. The environment is rich in language to support early literacy and children are exposed to mathematics and logical thinking as it is embedded in the classroom and routine as well.

Physical: To help children increase their large and small muscle skills, self-help skills, and feel confident about what their bodies can do.

In our younger three year old classes the main focus is on socialization and school routines. As educators we realize the importance of meeting their social needs first, and by using *Second Step* Social/Emotional curriculum staff is able to do just that before introducing beginning concepts such as colors, shapes, and other pre-academic skills.

In our older Kindergarten Readiness classes the focus is on preparing for Kindergarten. The students are introduced to basic concepts such as counting, patterns, numbers, colors and shapes through *Everyday Mathematics* as well as pre-literacy skills such as letters and sounds with *Ladders to Literacy* in addition to building on the *Second Step* social emotional concepts. Staff use *Handwriting Without Tears* curriculum to begin to introduce proper strokes and letter formation (fine motor) skills. The students are also familiarized with school expectations, transitions and routines. The Kindergarten Readiness class lays the foundation to a great start of the Kindergarten experience.

PEER INTERACTION/INCLUSION

Classes in the Hand in Hand Preschool are co-taught by a licensed early childhood special education teacher and a licensed early childhood regular education teacher. At least one educational assistant is also assigned to each classroom. A unique aspect of the Hand in Hand Preschool is that children with special needs and typical developing children attend, interact and learn together. The staff members model appropriate actions and words to help the children find ways to work together. There are many opportunities for the children to help each other and serve as positive role models. In the process, children learn tolerance and understanding of differences, resulting in a mutually beneficial learning setting.

INDIVIDUAL PERFORMANCE EVALUATIONS/ CONFERENCES

Each child must complete **Early Childhood Screening** within the first 90 days of enrollment, which includes vision, hearing, height/weight, a developmental check and a social/emotional assessment. Our teachers participate in ongoing assessment/progress monitoring techniques. In addition IEP objectives are developed for all Special Education students. Conferences are offered twice yearly (fall and spring) and provide an opportunity for parents and teachers to discuss a child's development, strengths, goals, and any concerns. Informal conferences can be arranged by contacting the teacher before or after school and requesting time to discuss any issues.

FAMILY INVOLVEMENT

Parent involvement is an important part of your child's learning experience at Hand in Hand Preschool. Research has shown that children who have involved parents have more success in school. We offer many opportunities throughout the year for you to become involved in your child's preschool experience. Parents are welcome and encouraged to visit their child's classroom at any time. If you have a special skill or talent that you would like to share with us, (such as an instrument, a special collection, job or hobby) please see your child's teacher to make arrangements. Individual classes will offer specific dates and times for volunteer opportunities, such as "Star of the Week" reading, family events or class parties. We have parent education events and many family activities monthly. Early Childhood Family Education and Adult Basic Education also offer many opportunities for parents to become involved in their children's education **through regular classes, one time events or parent coaching/consultation!** Please call Family Services at **664-3750** to request information.

PARENT COMPONENT

Parents of Hand in Hand students will be asked to participate throughout the year. Examples of parent involvement may include:

- Early childhood screening (required for all Hand in Hand students)
- Family Consultation/Coaching
- Home visits by Early Childhood Teachers
- Attending open house, and fall and spring conferences
- Classroom and field trip volunteering
- Attend the Community Education Advisory Council
- Parent/Child Activities and Lending Library participation
- Guest speakers/Parent education opportunities
- Family Events
- Attending an Early Childhood Family Education class

GUIDANCE POLICY

Our policy is to provide positive guidance to help children resolve conflicts. It is our goal to build trusting relationships with and among the children and to teach appropriate behavior. By teaching children effective ways of communicating their needs, children learn independence and responsibility. Children will be encouraged to “use your words” to resolve conflicts. In this way, children learn positive and appropriate skills to express emotions. They also learn valuable social skills such as negotiation and turn-taking. Any significant behavior issues will be addressed together with parents on an individual basis. Hand in Hand staff will complete an incident form signed by parents following any incident resulting in injury or property damage. The completion of a second incident report will result in a meeting with parents, classroom teacher, the Early Childhood Coordinator and the Early Childhood Special Education team lead. Upon completion of the third incident report, a meeting will be held with the previously mentioned team and will result in a mutually agreed upon plan to support the student’s success in the general education setting.

ACCESS TO STUDENTS & STUDENT RECORDS

Teachers at Hand in Hand Preschool will follow the policy of Northfield School District in regard to access of students and student's educational files and records. All parents and legal guardians will be allowed such access unless the school has on file a court order or a restraining order, dated within a year. Please ask about Policy JEDB if you need further information on this policy. State Law mandates teachers to report suspected abuse or neglect of children to the Child Protection Agency of Rice County. It is our goal to provide support and resources to all families in our program.

ATTENDANCE

Regular attendance is essential for a successful school experience. Please make every effort to have your child at school and on time each day. If your child is ill and unable to attend school, please report their absence to the school by calling **645-1205**. If your child receives transportation please inform them of the absence as well. To help assure good health for students and alert health authorities to the presence of specific disease, parents are asked to call the school each morning the student is absent and to notify the school later if a specific disease develops.

Please leave the following information: the child's name, the class time and reason for absence.

TRANSPORTATION

If your child is eligible through ECSE or SR to ride the district school bus or the Hiawathaland Transit bus and will be absent or do not need transportation to/from preschool on any given day, please call Benjamin Bus at 507-645-5720 or Three Rivers/Head Start at 1-866-623-7505.

ILLNESS

As most diseases are spread before they are recognized, it is impossible to prevent exposure. Parents are urged to keep their children home if they develop any symptoms suggestive of a communicable disease. The temperature should be normal at least 24 hours **BEFORE** a student returns to school. Please do not send students who have an undiagnosed rash or a profusely runny nose to school. If a student becomes ill while at school, the parent/guardian will be called.

HEALTH SERVICES

A licensed nurse is available at Longfellow School from 7:30 a.m. – 3:30 p.m. each school day.

Health services are provided for all students and staff. Each student coming into the health office is assessed and given any necessary treatment. Parents are contacted as appropriate. Each child is required to have an updated **immunization record on file**

CLOTHING

Please dress your child appropriately for the weather. We will be playing outdoors almost every day. Students will be outside when the temperature is at or above 0° F. Students will need **labeled boots**, snow pants, hats and mittens during the winter months. Please send a backpack with your child each day to transport the extra clothes, fun projects and communication efforts.

Please make sure your child is dressed comfortably for play. If your child is newly toilet trained or in the process of toilet training, we ask that you include a **labeled** change of clothes in their backpack should an accident occur. We find children are most comfortable in their own clothes. Durable, washable clothes and tennis shoes are most appropriate and safe for participation in all preschool activities. Making sure that buckles, buttons, belts and snaps can be easily managed by your child will help them gain independence and self-esteem.

LATE PICK UP POLICY

Morning preschool ends at 11:30 and afternoon preschool concludes at 3:45. (With the exception of Wednesday PLC schedules where a.m. preschool is from 9:45-12:00 and afternoon preschool is 1:15-3:45.) ****If your child is registered for preschool extended day options, they are open 7:30-8:45 am, 11:30-12:45 pm, or 3:45-5:00 pm.** Please be respectful of our teachers' prep time before and after class and be prompt in picking up and dropping off your children for preschool. Students who have not been picked up within 5 minutes of class end times will be brought to wait in the front office and will be charged \$1 per minute to be paid before returning to preschool. If you continue to

be late picking up your child, a meeting to discuss a plan to resolve the issue will be scheduled. If the signed parent agreement is not followed, your child will be terminated from Hand in Hand. Not only do teachers and educational assistants often have meetings or other scheduled commitments following class, but this can be very upsetting to the children, so please respect our pick up policy.

EMERGENCY CLOSING OF SCHOOL

The following procedures will be observed when school is closed due to weather:

- When school is not in session, a decision to close schools will be made the night before, if possible, but not later than 7:00 a.m.
- When the weather is too severe to open school at the normally scheduled time but is improving, a decision to have a late start may be made. In this case, school will be delayed for two hours. Bus pick-up and school opening times will be exactly two hours later than normal for elementary schools, however, **Hand in Hand morning session would be closed.** The afternoon Hand in Hand session as scheduled.
- When school is in session and the decision is made to close schools, dismissal times will be set to coincide with the anticipated arrival of buses. **Parents will be expected to pick up Hand in Hand students at the announced closing time.**

In each instance, the community will be informed by KYMN (1080AM), KDHL (920 AM) and WCCO (830) radio stations as well as WCCO-TV, KARE-TV, KSTP-TV and KMSP-TV. If weather conditions are poor or worsening, please listen to one of these radio stations. The decision will also be listed on the homepage of the district website and parents who have emails on file will receive an email.

TUITION POLICY

Tuition is to be **paid monthly and payment is due by the first of each month.** Please submit your payment to “Hand in Hand Preschool” in the front office with Martha or online. Note: There is a ten-day grace period. However, a \$10 late fee will be charged for any tuition payments received after the 10th of the month. Failure to follow the tuition payment policy jeopardizes your child’s enrollment in our program. A termination notice will be provided if your monthly payments are not received. Thank you for following our tuition payment expectations. You can receive information to access your account and pay online! Any questions can be directed to Martha Donohoe at 507-645-1200.

SNACKS

Snack time is a favorite time of the school day! Healthy snacks are provided by the school district food service. Please inform your teacher of any food allergies or foods your child may not eat for religious or medical reasons. Milk is provided daily to all students. All families are asked to pay an annual snack/milk fee of \$48 for 2 day, \$53 for 3 days, \$90 for 4 days, and \$95 for 5 days. Checks are made payable to "Community Services". Pathways Scholarships will cover 100% of these fees, and School Readiness scholarships cover a portion.

FIELD TRIP INFORMATION

Field trips are important to our curriculum, as they help children learn about the world around them. Past field trips have included an apple orchard, Three Links Care Center, Northfield Library and other neighborhood parks and businesses. Signed permission slips are required for all children attending Hand in Hand Preschool field trips. Check monthly newsletters for additional field trip information.

TOYS FROM HOME

We request that children not bring toys from home; keeping toys at home will prevent hurt feelings and broken toys. Even toys left in backpacks can be distracting to students. Occasionally, the teachers may give the children the opportunity to bring specific toys to school for a special day, such as "Teddy Bear Day", for our letter of the week or "Star of the Week". This information will be included in the weekly class notes. Please remember that even on special toy days, only non-violent toys will be allowed in school. Toy guns or weapons are never allowed.

BIRTHDAY OBSERVATIONS

Birthdays are special to children! We will make your child's birthday or special day by providing a birthday crown and singing "Happy Birthday." In accordance with new federal law, families will **not be allowed** to bring food or small gifts to share with other students but we will still make the day special in other ways. Please speak with your child's teacher at the beginning of the school year if your family does not celebrate birthdays, At Hand in Hand Preschool we strive to be respectful of all

families and their beliefs. If your child is planning on having a birthday party, we ask that invitations be mailed from home rather than passed out in school unless every child in the class is invited. This helps prevent hurt feelings.

Registration

KidVentures registrations are accepted on a space available basis. Registration for the following school year will open each spring. Registration information is always available online by following the Community Services tab on the Northfield Public School's website: www.northfieldschools.org

Families may also call the Ventures main office at 507-664-3750 to inquire about availability and the registration process.

Payment of the registration fee must accompany the KidVentures registration form. All previous balances must be cleared before a child can re-enroll into the KidVentures program. If the site you select is full, you will be notified immediately and your child's name will be placed on a waiting list. In order for your child to start on the first day of school, your registration must be received by the second week in August.

Families registering after the start of school can enroll by contacting the Ventures main office at 507-664-3750.

Family Involvement

We strongly encourage input and involvement from all families. The quality of the staff/parent/guardian relationship greatly impacts the success of our program. Your suggestions and concerns are always welcome. Parents and guardians are also always allowed access to their enrolled child during KidVentures program hours.

Communication to Families

Each KidVenture location uses a parent table and bulletin board to share information with families. Please check for information daily. This is where you'll find non-school day information as well as other important notices. Please share all pertinent information with staff (i.e. your child will be picked up directly from school, grandma is picking up, etc.), so staff are able to write it in the staff communication log.

Communicating Concerns/Suggestions to Staff

Your ideas, suggestions, concerns, and feedback help us make continual quality improvements to our program. Please share your thoughts and perspectives by:

- Speaking to the staff working directly with your child.
- Scheduling a conference with the site leader.
- Calling or emailing the site leader.

If you have additional comments or issues that have not been resolved, contact the Ventures Coordinator at 507-664-3653.

Family Responsibility Checklist

- Read the KidVentures Family Handbook and know the contract terms and program policies. Failure to follow policies could result in termination of child care services.
- Sign your children in and out daily.
- Check the parent table and bulletin board daily for communication.
- Notify site staff if your child will be absent (even for one day), attending after-school programs, or picked up early for any reason. **Notifying the school office is not sufficient.** If a child does not arrive after school as expected, staff will investigate immediately by attempting to contact parents/guardians, the identified emergency numbers and, if necessary, the police. A Finder's Fee will be assessed.
- Ask staff for feedback on your child's day or progress in the program.
- Model respectful behavior when dealing with staff and students.
- Provide written notice of change in contract, or withdrawal from the program by filling out the appropriate forms and submitting to the Community Services office at least two weeks in advance.
- Pay all costs incurred for your contracted days regardless of whether your child attends.
- Adequately dress your child for indoor and outdoor play.
- Make sure your child is picked up by 6 PM.

General Information

Lunch/Snack

KidVentures provides an afternoon snack for all children enrolled after school, on non-school days, and during the summer program. Unless otherwise specified, children must bring a lunch with a drink on non-school days. If your child wants to bring a treat for children in the program, state law requires it be individually wrapped and commercially produced.

Energy Curtailment

The school district works with Xcel Energy to make the best use of available power. During extremely hot summer days, Xcel Energy limits power use at some district buildings.

Apparel

Weather permitting, KidVentures goes outside daily. Children must be adequately dressed for outdoor play (boots, hats, gloves, snow pants, socks, and jackets) and all items should be clearly labeled with your child's name. KidVentures follows the district-wide recess policy which states that students will go outside if the air temperature is warmer than 0° F **AND** the wind chill is warmer than -10° F.

Personal Property

Personal items or items of value should remain at home. KidVentures will have special "bring a toy from home days" where children may bring a personal toy. Aside from these days, all toys should remain at home. Toy weapons or any toys containing weapons are never allowed. KidVentures is not responsible for lost or damaged personal belongings.

Transportation

Parents are responsible for arrangement of their child's transportation to and from KidVentures. If you need to make busing arrangements, contact Benjamin Bus at 507-645-5720. KidVentures does not transport children.

Severe Weather

- If school is closed for the day because of severe weather, all KidVentures programming will also be closed.
- If school has a delayed starting time, there will be no KidVentures before school programming.
- If school is dismissed early, KidVentures after school programming will remain open for up to one hour following the dismissal. If children come to KidVentures, their parents or the child's "emergency pick-up person" must pick them up within one hour. Late fees will be applied to any child/ren picked up after one hour.
- KidVentures closing after 3 p.m. -- If the weather becomes severe after children have arrived, KidVentures may decide to close early. KidVentures will contact families to let them know.
- Non school days: In case of severe weather, KidVentures may be closed for the day, or may close early. You will be notified during the day if KidVentures closes early.
- Credit is not given towards Ventures programs for days or time missed due to emergency closings.

Release Days/Late Start/Early Release

Release Days

KidVentures is open on most non-school days. Release days are open from 6:30 AM until 6:00 PM. All KidVentures sites will be combined into one site for each release day. A calendar of dates is included in your welcome packet and can be found on our website at <https://northfieldschools.org/communityservices/ventures>. KidVentures provides field trips and/or on-site enrichment opportunities on release days. Release Day contracts will be available on the website, at each KidVentures location, at the Community Services office, and will be emailed out to all KidVentures families. Contracts are available on or around the 5th of the previous month. Release day spaces are limited and are filled on a first-come, first-serve basis. Release days are non-refundable unless cancelled in writing at least two weeks in advance.

Late Start Wednesdays

All KidVentures sites will be open for care during late start Wednesdays. Late start days begin at the school's typical morning playground supervision (either 7:45 or 7:50) and run until school begins (9:15 or 9:20). If you are normally contracted on Wednesday mornings, you do NOT need complete the additional late start paperwork. If you are not contracted for Wednesday mornings, you must submit the additional "Late Start Wednesday" form and pay the designated fee per Wednesday. Late start forms are available on the website, at each KidVentures location, and at the Community Services office.

Summer Programming

The KidVentures summer program is open from 6:30 AM -6:00 PM and runs similarly to non-school days, incorporating themes and field trips. The summer program allows kids to experience a multitude of enrichment and recreation-based opportunities. Our mission is to foster a fun atmosphere where children are encouraged to explore new interests and develop new friendships. Throughout the summer, children will participate in a variety of hands-on activities that build social, emotional, physical, and academic development. Enrollment information for Summer KidVentures is available on the website in early March with registration taking place in late March/early April. Summer days are non-refundable unless cancelled in writing at least two weeks in advance.

Security and Safety

Child Protection

KidVentures must comply with the reporting requirements for abuse and neglect specified in section 626.556 including:

- Any person may voluntarily report abuse or neglect.
- KidVentures staff are legally required or mandated to report and cannot shift the responsibility of reporting to a supervisor or anyone else in the program. If staff know, or have reason to believe, a child is being or has been neglected or physically or sexually abused within the preceding three years, they must immediately (within 24 hours) make a report to an outstanding agency.
- Staff may make reports to:
 - The telephone number of the Department of Human Services, Division of Licensing Maltreatment intake line at 651-431-6600, for reporting suspected maltreatment of a child occurring in a certified child care program.
 - The telephone number of Rice County child protection agency for reporting suspected maltreatment of a child occurring within a family or in the community (1-507-332-6214).
 - The telephone number of the Department of Human Services, Division of Licensing at 651-431-6500, for reporting possible certification violations.
 - Reports concerning suspected abuse or neglect of children occurring in a licensed child foster care or family child care facility should be made to county protection.
- KidVentures provides training to all staff related to the mandated reporting responsibilities as specified in the Reporting of Maltreatment of Minors Act (MN Statutes, 626.556). KidVentures documents this training in individual personnel records and monitors implementation by staff.

Signing In and Out

For the safety of each child, KidVentures requires that a parent or guardian sign their child in and out of the program each day. This requires both your signature and the time you are signing in or out. Children are not allowed to sign themselves in or out of KidVentures. If you do not sign in or out, you may be assessed a finder's fee. Continued refusal to sign in or out will result in termination of child care. When your child arrives directly from school or by bus, KidVentures staff will sign them in to the program.

Our program opens at 6:30 AM

Although our staff persons may arrive before 6:30 AM to prepare for the day, they are unable to provide child care until the official start time of our program.

Release of Children

Children will be released only to people listed on their emergency card unless KidVentures staff have been notified in writing of an alternative pick-up. A waiver may be signed in advance if your child is to be dropped off or picked up by an older sibling. In an emergency, parents must call to inform KidVentures staff if someone other than an authorized person listed on the emergency card will pick up your child. A description of the person and driver's license may be requested for verification. Your child will not be released to an unauthorized person until identification and verification can be made.

Late Pick Up

Children must be picked up by closing time, which is 6:00 PM. Families will be charged \$1 per child for every minute late. If you have an emergency and must be late, please call your KidVenture location as soon as possible to notify staff. If your child is not picked up and you (or other contacts listed on the emergency form) cannot be reached, the police may be called to pick up your child.

Attempt to Contact Time frame:

After 15 minutes: Call parent

After 20 minutes: Call emergency contacts listed for child

After 60 minutes: Call police

Absences

Families MUST notify KidVentures staff if children will be absent at any time for any reason. School offices do not automatically provide KidVentures with absence information. If your child does not arrive after school or on the bus as expected, program staff will investigate immediately by attempting to contact you, the emergency contacts, and if necessary, the police. Failure to notify staff of absences poses a major safety risk as a significant amount of time may elapse in trying to locate multiple children. Due to the amount of time involved in locating missing children, a Finder's Fee will be assessed to families that fail to notify KidVentures staff of absences. Increased fees will be imposed for continued occurrences.

Legal Custody

In the event of a divorce, separation, or joint custody ruling, every effort will be made for KidVentures to treat each parent equally. If legal action has been placed against one parent, it is the responsibility of the requesting parent to provide KidVentures with the necessary court ordered documentation in order for

KidVentures to act in compliance with the request. KidVentures will only accept one registration form for each child, and it is suggested that each parent has a copy.

Building and Physical Premises

KidVentures will ensure that areas used by children are clean and in good repair and that furniture and equipment are structurally sound and are appropriate to the age and size of a child who uses the area. KidVentures will also ensure that hazardous items, including but not limited to, sharp objects, medicines, cleaning supplies, poisonous plants, and chemicals are out of reach of a child. The program will also safely handle and dispose of bodily fluids and other potentially infectious fluids by using gloves, disinfecting surfaces that come in contact with potentially infectious bodily fluids, and disposing of bodily fluid in a securely sealed plastic bag.

Emergency Preparedness

KidVentures follows the school district's emergency policies. If an accident should occur during KidVentures, staff will inform families as soon as possible. If immediate attention is needed, 911 will be called and paramedics will be notified of the child's hospital preference. Staff will then contact the parents/guardians or others listed on the child's emergency card.

KidVentures must inform the commissioner within 24 hours of:

- The death of a child in the program
- Any injury to a child in the program that required treatment by a physician

KidVentures must use the Injury/Incident Reporting form on the Certified Center webpage to make a report.

KidVentures has written, site specific emergency preparedness plans that use the Child Care Emergency Plan form developed by the commissioner. These plans are available for review upon the request of a child's parent or legal guardian. KidVentures staff are also trained on their site's emergency plan during orientation and at least once each calendar year. Training is documented in each staff person's file.

The Emergency Preparedness Plans include the following:

- Procedures for an evacuation, relocation, shelter-in-place, or lockdown
- A designated relocation site and evacuation route
- Procedures for notifying a child's parent or legal guardian of the relocation and reunification with families
- Accommodations for a child with a disability or a chronic condition
- Procedures for storing a child's medically necessary medicine that facilitates easy removal during an evacuation or relocation
- Procedures for continuing operations in the period during and after a crisis
- Procedures for communicating with local emergency management officials, law enforcement officials, or other appropriate state or local authorities
- The identification of hazards which include the potential impact this hazard could have on at the site and a plan for continuing operations during and after the emergency

Each KidVentures location also conducts at least one evacuation and one shelter-in-place drill each quarter.

Illness/Medical Conditions

Illness

If a child becomes sick during KidVentures, the parent/guardian will be notified immediately that their child is not feeling well and needs to be picked up from the program. Sick children will continue to be supervised, but will be isolated from other children in the program and will not be allowed to actively participate in program activities.

KidVentures will post or give notice to the parent or legal guardian of an exposed child the same day the program is notified of a child's contagious reportable disease specified in Minnesota Rules, part 4605.7040, or scabies, impetigo, ringworm, or chicken pox. This notification will be posted on the parent board near the sign in/out and will minimally include the illness and date of potential exposure.

School district policy requires that children be fever free, without the aid of fever reducing medication, for 24 hours before returning. Parents should also keep children home from KidVentures:

- If your child has vomited within the past 24 hours
- If your child has had diarrhea within the past 24 hours.
- If your child has an undiagnosed rash.
- If your child feels ill enough that he/she would not be able to benefit from school
- If having your child at school would significantly put others at risk for contracting your child's illness
- If your child has had a temperature of 100.0 degrees or higher in the past 24 hours

Please keep your child's emergency information current. Registration and emergency information is kept on site for each child. KidVentures is not linked to a main school office database, so parents must contact KidVentures separately with family information changes, address, absences etc.

Medication

Parents must inform the KidVentures site leader if a child has a health condition that requires regular medication, if a child requires medication in the case of an emergency (allergic reaction), or if a child is discontinuing use of a medication. If medication needs to be given during KidVentures, families will need to complete a "School Medication/Physician Order & Parent Authorization Form" to give written permission BEFORE medication can be dispensed. Medication must be in its original packaging or prescription bottle with a legible label stating the child's first and last name, Dr.'s name, medication name, and dosage instructions. Medication will only be given to the child whose name is on the label and it will not be given after the expiration date on the bottle. Unused medication will be returned to the child's parent or legal guardian or destroyed. Medication is not accessible from the school nurse's office.

Should medication be administered during program hours, KidVentures will document in the child's record the child's first and last name; name of the medication or prescription number; date, time and dosage; and the name and signature of the person who administered the medicine.

KidVentures follows the Northfield Public Schools' medication policy requiring a child to take antibiotics for a full 24 hours before returning to school.

Aside from medication, KidVentures must obtain written permission from a child's family to administer sunscreen, insect repellent, and hand sanitizer. KidVentures does not apply diapering products. All medications, sunscreen, insect repellent, and hand sanitizer will be administered according to the manufacturer's instructions unless provided written instructions by a licensed health professional to use a product differently. All medicines, sunscreen, insect repellent, and hand sanitizer will be stored according to directions on the original container.

The site leader must be informed of special needs or medical conditions that impact your child's health, well-being, or involvement in activities. Families are responsible for keeping this information current. A conference with the family may be requested in order to provide the most appropriate care.

Allergies

Prior to admitting a child for care, KidVentures must obtain documentation of any known allergies from the child's parent or legal guardian. This can be done through the KidVentures Emergency Card and the KidVentures Health Update, which are part of the registration packet. KidVentures maintains current allergy information in each child's record. This information includes a description of the allergy, specific triggers, avoidance techniques, symptoms of an allergic reaction, and procedures for responding to an allergic reaction, including medication, dosages, and a doctor's contact information.

KidVentures will inform staff of each child's current allergy information. At least annually and when a change is made to allergy-related information in a child's record, KidVentures will inform staff of the change. Documentation that staff were informed of the child's current allergy information will be kept on site.

Allergy information will be available at all times, including on site and when on field trips. Food allergy information will be readily available to staff in the area where food is prepared and served.

Medication, including EpiPens, are not accessible from the school nurse's office.

Immunizations

Children that are not currently enrolled in Northfield Public Schools but will be attending the KidVentures summer program or KidVentures release days must provide an up-to-date immunization record or applicable exemption before receiving care. The district maintains immunization records for all current

Northfield Public School students and KidVentures does not provide care for non NPS students on regular school days.

Absences/Sick Leave

Call your KidVentures site if your child will be absent. Tuition is not credited for sick days or other absences. If an illness extends beyond two weeks, contact your site leader.

Accommodations/Program Qualifications

KidVentures is not designed to provide long term 1:1 assistance for students. If a child receives 1:1 student support in the classroom or has a behavior plan developed, KidVentures must have a meeting with the family prior to the start date in order to determine the appropriate level of support needed. The child's start date may be delayed so that KidVentures can hire additional staff with the skills necessary to meet the child's needs and/or work with school case workers to determine the level of care.

Please Note the Following Criteria Children Must Meet to Enroll in KidVentures

- All children are expected to be toilet trained. KV does not have changing facilities. You will be called to pick up your child if they have a bathroom accident.
- Students must be able to independently participate in a large group setting with similar age peers.
- Students must be able to independently follow simple directions appropriate to the child's age.
- Students must have the ability to independently play and work cooperatively with similar age peers.
- Students must be able to safely and successfully transition independently from one activity to another.
- Students must be able to remain in the building or on school premises unless otherwise directed by a staff person.
- Students must refrain from hitting, kicking, biting, or any other forms of physical aggression towards peers or staff.

Information regarding your child is not automatically shared between KidVentures and other district programs except in the areas of health and safety. If you would like to have this information shared with us, please contact the Ventures Coordinator at 507- 664-3653. Information regarding a student's needs will not be used to prohibit a child's enrollment in KidVentures, unless it is determined that the child will need significant assistance beyond our program's capabilities.

At any time the Site Leader or the Ventures Coordinator may offer information about available professional support.

Release of Information

KidVentures follows the Data Privacy Policy of District 659, which is sent to all district families at the beginning of each school year. It is also available upon request from the district office.

KidVentures reserves the right to speak with appropriate school personnel regarding a child's behavior. All information gathered will remain confidential and will be used solely to help benefit the child in the KidVentures program.

Year End Financial Information

Year end statements with the Federal Tax ID number will be sent to your home in late January.

School Year Enrollment Options

Option One

- Option One is a standard agreement; families do NOT need to fill out a monthly calendar. Families are choosing a consistent weekly commitment, attending the same days each week. No credit will be given for days not in attendance (i.e. vacation, sick).
- A two day a week minimum is required (Ex. 2 am sessions, or 2 pm sessions.)
- This option is the most cost effective and allows for a consistent schedule for your child.
- The days you choose will be the days you are contracted and scheduled for during the school year.
- Families may make permanent schedule changes to a child's contract by submitting a two week written notice to the KidVentures office. Complete a change of schedule form, sign, date and return to the KidVentures office with a \$5.00 contract change fee. The contract revision will become effective two weeks after the request has been received in the KidVentures office. No schedule changes will be granted until October.
- When leaving the KidVentures program, a two-week written notice must be given to the KV office. All charges will remain on your account until a two week written notice is received.

Option Two

- Option Two is a monthly agreement. Families must fill out a calendar each month for the days/sessions care is needed.
- Monthly contracts with payments are due to the KidVentures site by the 20th of each month for the upcoming month. Calendars and payments received after the 20th of the month will be billed a \$5.00 late fee.
- No credit for changes is given.
- Option Two calendars are available at the KidVentures office, each KidVenture location, on the website, and via email. Families must fill out and submit a new calendar each month.
- When leaving the KidVentures program, a two-week written notice must be given to the KV office. All charges will remain on your account until a two week written notice is received.

Release Days

- Release days are contracted and billed separately.
- Release days may not be added at the last minute as tickets, busing, and staffing have been arranged.
- Release days fill quickly and are first come, first served.
- Families may cancel release days without penalty if notification is submitted at least two weeks in advance AND notification is in writing.
- Children registered for release days must attend the field trip or special event. If your child is not interested in the KidVentures trip or activity, please make other arrangements for the day.
- All activities are planned by the Site Leaders and reviewed by the Ventures Coordinator and deemed age-appropriate.
- Staffing ratios are increased to make sure that safety is a first priority.

- All Release days require a minimum of 15 children enrolled to operate. Families will be contacted in advance if a release day is cancelled due to low enrollment.

Contract Terms

Schedule Changes/ Add Ons/ Withdrawal

- Additional days may be added at the Option Two rate **IF** space is available. The additional payment is due at the time of service (drop off or pick up).
- Families may make permanent schedule changes by submitting a “change of schedule form.” Sign, date and return the form to the Site Leader or the Community Services Division Office with a \$5.00 contract change fee. The change of schedule will become effective within two weeks from the date the request was received.
- No contract or calendar changes can be made in the beginning of the school year until October.
- Only two contracted changes are allowed per child per school year. If more than two are made, families will automatically be changed to the next Option (Ex. Option one moves to an option two agreement).
- KV must receive a two week written notice for any withdrawal from the program. All charges will remain on accounts until a two week written notice is received. Families that provide written notice to withdraw immediately from KV will still be charged for two weeks of tuition.

Additional Fees

- A registration fee is due upon enrollment with any new KidVentures session. Registrations will not be processed until the fee is paid in full.
- A Late Pick-up Fee of \$1.00 per minute per child will be charged for children not picked up by the 6:00 pm closing time.
- A \$5.00 Finders Fee is charged if your child’s Site Leader does not receive a call or written notice stating that your child will not be in attendance. Calling on missing children takes a significant amount of time and poses a major safety risk for the entire program. The elementary schools DO NOT automatically communicate absences or messages with KidVentures staff.

Additional Contract

- Each child is permitted to be signed up for only one option.
- Full payment of contracted days is due whether or not children are in attendance.
- No credits for changes will be given for sick or vacation days.
- Payments are due in advance of service as KidVentures is a pay ahead program.

- If payment is made at a child’s site, please allow 2 business days for payment to reach the KidVentures main office.

- All billing is done at the Community Services Division Office, located at the Northfield Community Resource Center. For billing inquiries, contact the Community Services Division office at 507-664-3750.

Sick/Vacation Leave

KidVentures does not credit tuition for sick or vacation days during the school year program. For release days and the summer program, families may cancel days without penalty if done at least two weeks in advance AND in writing.

Responsibilities

- To provide safe, enriching, challenging, engaging, fun, and developmentally appropriate activities for children in the KidVentures program.
- To engage children, each other, and parents/guardians in a positive, respectful, and constructive manner.
- To report any evidence or suspicion of child abuse or neglect as required by MN State statutes.
- To help connect the school day with out of school time programming.
- To provide feedback to families regarding their children in the KidVentures program.
- To keep families up-to-date with KidVentures happenings and use the parent table and parent board as a means of communication.
- To build healthy, positive relationships with students and families.

Staffing

KidVentures sites are staffed according to the age and number of children in attendance: 1 staff member per 12 – 15 elementary (K-5) aged students.

KidVentures staff members are selected for their education and experience in working with children. Staff are expected to demonstrate sound judgment, dependability, responsibility, and the ability to create an environment which reflects care, respect, and safety of all children. They also must positively engage all children and families.

All staff members are expected to participate in continuing education activities and professional development opportunities offered throughout the year. These in-services may include safety and supervision, child protection, behavior management techniques, diversity, curriculum, and conflict resolution. KidVentures staff are certified in First Aid/CPR. Criminal background checks are required for all newly hired Northfield Public Schools employees.

Behavior Expectations

Expectations of children are communicated in a positive, consistent, and firm manner. Staff members ensure children understand expectations through consistency, multiple forms of communication, and positive reinforcement.

Behaviors which are considered inappropriate and harmful include:

- Behavior which threatens the safety of children or staff. A child exhibiting these behaviors may be suspended from the program immediately. A parent/guardian conference is required before the child can return to the program.
- Behavior which directly or indirectly threatens others. This includes any form of aggression such as hitting, kicking, pushing, biting, throwing objects, verbal threats, disrespectful language, inappropriate gestures, inappropriate touching, etc.
- Behavior which prevents a staff person from fulfilling his/her ability to be available for all children, including removing self from group or program area without staff approval, or demonstrating lack of self control (anger, blatant disrespect, or absolute refusal to follow directions of staff person in charge.)
- Behavior which intentionally causes destruction of property.
- Behavior which demonstrates child's lack of readiness for KidVentures, including not being toilet trained, not being dressed appropriately for school/weather, any behavior resulting from inadequate or untimely administration of medication, or not being able to interact appropriately in a group setting.

Behavior Management

KidVentures goal is to promote a positive approach to child care and the management of behavior issues. The program is designed to offer an environment that:

- Provides a positive, safe, and enriching atmosphere for all children.
- Meets the developmental level of each age group.
- Provides space for privacy and independence as well as areas to interact as a large group.
- Maximizes the capacity of staff supervision.

KidVentures is part of Northfield Public Schools and follows the district's values. These values state that children are expected to: respect self, other children and staff; accept each others' individual differences; accept the consequences of their behavior; let staff know their needs; and respect others' equipment and property.

Every effort will be made to make reasonable adjustments to the program to accommodate the unique needs of each child. If a child demonstrates behavior which has a negative impact on themselves or others, staff will make adjustments in one or more of these areas: environment, grouping of children, activities, and/or staffing. Staff will help the child understand the impact of his/her behavior and identify

acceptable alternatives to unacceptable behavior. Staff and peers provide positive modeling of appropriate behavior. Children are encouraged to take responsibility for their actions.

Suspension from School

If a child is suspended from school or sent home by a school staff, s/he may not attend KidVentures during the suspension. Children who are suspended are not allowed to be on School District property. Charges for child care will remain in effect as scheduled.

Behavior Incident Reports

A serious disciplinary action such as those listed above will result in a Behavior Incident Report being filed. Charges will be assessed for behavior leaves resulting in one, three, and five days off. Should a child receive a sixth Behavior Incident Report, charges will cease with the last date of service, and alternate care must be found immediately, as the child will not be allowed to return to the program. This Behavior Incident Report Policy is inclusive of all School Age Child Care Program options, i.e., Summer and School Year Programs, as well as Non-School Enrichment/Late Start/Early Release Days when children attend a KidVentures field trip. Behavior Incident Reports accumulate consecutively throughout these program options

1st Behavior Incident Report:

Parents/guardians, site staff, and child will discuss the behavior to resolve the situation. Parents/guardians will be informed that should a second Behavior Incident Report occur, a meeting will be scheduled to include the parent/guardian, child, and Site Leader.

2nd Behavior Incident Report:

Parents/guardians will be contacted for a meeting to include the parent/guardian, child, and Site Leader. The process continues should a parent/guardian refuse to attend a meeting. The parent or guardian will receive a written warning that should a third Behavior Incident Report occur, the child will need to take a one-day leave of absence from the program.

3rd Behavior Incident Report:

Parent/guardian will be notified by telephone or in person that the child will need to take a one-day leave of absence from the program on the next scheduled day. (Fees will be charged during this absence.) The parent or guardian will receive a written warning that should a fourth Behavior Incident Report occur, the child will need to take a three-day leave of absence from the program.

4th Behavior Incident Report:

The parent or guardian will be notified by telephone or in person that the child will need to take a three-day leave of absence from the program beginning with the next scheduled day. (Fees will be charged during this absence.) The parent or guardian will receive a written warning that should a fifth Behavior Incident Report occur, the child will need to take a five-day leave of absence from the program.

5th Behavior Incident Report:

The parent or guardian will be notified by telephone or in person that the child will need to take a five-day leave of absence from the program beginning with the next schedule day. (Fees will be charged during their absence.) The parent or guardian will receive a written warning that should a sixth Behavior Incident Report occur, the parent/guardian will be required to find alternate child care immediately, and the child will not be able to return to the program. Charges will end with the last date of service.

6th Behavior Incident Report:

The parent or guardian will be notified by telephone or in person that alternate care will be needed immediately, as the child will not be allowed to return to the program. Charges will end with the last date of service.

After one (1) full calendar year of absence from the program following the sixth Behavior Incident Report, a child may be considered for re-entry into the program if the following criteria are met:

1. A goal-setting meeting with parents/guardians and staff will be scheduled to discuss the child's behavior and changes that need to occur for a successful return to the program.
2. Parents/guardians understand that the receipt of one (1) Behavior Incident Report constitutes immediate dismissal from the program with no remaining chances for return.
3. All outstanding balances have been cleared from the parent/guardian account.

INTRODUCTION

The intent of this handbook is to provide parents with the policies and procedures of the Northfield Public Schools' Activity Program.

We believe in co-curricular activities and the positive effect which they have on students in our school system. We believe that a soundly conceived and executed program will provide substantial educational outcomes for the participants, the student body, parents and the entire school community.

Handbook adopted by the Board of Education: XXXXXXXX

NORTHFIELD HIGH SCHOOL CO-CURRICULAR ATHLETIC PHILOSOPHY

The athletic program at Northfield High School is considered an integral part of the total educational process. The purpose of the program is to provide educational experiences which complement that process and help students attain the goals of the Northfield Public Schools. The athletic program is an effective means of providing young people with the opportunity to develop socially, emotionally, intellectually, and physically which contributes to their becoming effective members of society. The emphasis shall be on teaching these attributes at a level necessary to be competitive interscholastically.

The goal of the program is to benefit students (grades 7-12) who participate directly, and to benefit students and community members not directly involved. Striving to win is important. The aim is to provide a positive experience for all participants. Individual improvement and the achievement of personal and team goals are determinants of success.

Implementation of the following components are necessary in order to be competitive:

1. Quality coaching, equipment, and necessary facilities.
2. In Freshman programs, the focus shall be for participation of the greatest number of students with a strong emphasis in preparing students for successful competition. Squad size shall be limited and it is recommended the coach-athlete ratio not exceed 1-15.
3. In Sophomore (B-Squad) programs the emphasis will be on preparation for successful competition with a greater emphasis on winning than at the middle school and/or freshman levels. Playing time may not be equal. Squad size shall be limited and it is recommended the coach-athlete ratio not exceed 1-15.
4. In Junior Varsity programs athletes shall be chosen from the most highly-skilled of those who do not make the Varsity team. Squad size shall be limited and coach-athlete ratio of 1-15 should be encouraged. The ability to compete on an equal basis with opponents shall be the focus.
5. Varsity programs are for the most highly-skilled athletes. Careful attention should be paid to the quality of the experience and to ensuring the greatest possible opportunity for success against all opponents. A coach-athlete ratio of 1-15 is encouraged. "Playing time" shall go to the athlete who is most-able to make a positive contribution to the "best effort to win."
6. Coaches must maintain communication with athletes, parents, and the community.
7. The athletic program should promote, teach, and exemplify proper conduct for players, parents, coaches, and spectators.
8. Athletic fees are set by the School Board at the recommendation of the Activities Advisory Committee.
9. No student will be denied participation because of inability to pay the athletic fee.

All of those directly or indirectly involved in the program should represent our school and community with pride, class, and a commitment to excellence.

Objectives of the Northfield Athletic Program

For the Student/Athlete:

1. Acquire fundamental athletic skills and techniques.
2. Improve basic motor technique.

5. Be able to have social experience with students and other members of different communities.
6. Learn how to listen, take constructive criticism, follow instructions, observe others, and develop the work habits necessary to become the best athlete possible; both as an individual and as a team member.
7. Learn how to win and lose gracefully; showing respect at all times for teammates, coaches, opponents, officials, and spectators.
8. Learn and to meet the responsibilities that are necessary to experience the privilege of being a team member.
9. Learn the dedication, commitment, and sacrifice necessary to be successful.

For the School/Student Body:

1. Demonstrate and promote positive values, such as sportsmanship.
2. Promote a positive school climate.
3. Promote broad participation in the athletic program, both as spectators and participants.
4. Provide spectator interest and program support within the student body.
5. Provide a positive role model for younger students.

For the Northfield Community:

1. Enjoy High School Athletics as a recreational opportunity and recognize that the program is primarily for the benefit of the student athlete participants and the student body.
2. Provide the citizens of Northfield with an opportunity to demonstrate their sense of community by supporting student athletes through attendance at athletic events.

For the Northfield School District:

Provide positive role models for students, and the broader community, through fair play and good sportsmanship toward officials, coaches, students and opposing fans and teams.

DEPARTMENT ORGANIZATION:

The Activities Department is under the direction of the Activities Director. The Activities Director reports directly to the High School Principal who, in turn, reports to the Superintendent of Schools and the School Board.

Several groups have input into the department and the decision-making process:

1. **Coaches Advisory Council** - this council is made up of the head coaches of all varsity athletic teams and the advisors of cheerleaders and dance team. This group will meet a minimum of one time during each school year to discuss problems, policies, and other issues which involve the entire athletic program and to act in an advisory capacity to the Activities Director. All head coaches are expected to attend these meetings. **(Spring)**
2. **Activities Advisory Council** - this council is made up of the advisors and directors of the activity programs administered by the Activities Director. This group will meet a minimum of one time during each school year to discuss problems, policies and other issues which involve these activities and to act in an advisory capacity to the Activities Director. All advisors/directors are expected to attend these meetings.

3. **Activities Advisory Committee** - this committee is made up of parents, teachers, students and coaches as established by the Northfield School Board. This group may meet five times per school year to discuss issues relating to the activities program and to act as an advisory group to the Activities Director. Representatives from the coaching staff will be elected for two-year terms.

4. **R.A.L.I.E.** (Raider Activity Leaders Inspiring Enthusiasm) - this committee is made up of students who undergo an application process and who are involved in at least one co-curricular activity. They are under the direction of the Activities Department along with other RALIE advisors. This group will deal with various issues involving the activities program and the high school in general. A main purpose of this group will be the development of leadership skills along with working to improve enthusiasm, school pride and school spirit. Another main objective of this group will be to work in the area of chemical use/abuse prevention. This group will also have input into some policies and decisions made within the department and will also function to improve communication between coaches/advisors and students.

Northfield High School endorses the Minnesota State High School Leagues initiative; Why We Play.

We ask you to join with us to preserve the fun, excitement and the thrill of sporting events. Please help make sporting events an enjoyable experience for everyone!

ACCESS POLICY: The Northfield School District strives to develop classes, courses, programs and activities that enable all students to experience rigor and excellence. It shall be the policy of the District to allow decisions regarding access and participation to be made by the professional educators with responsibility for the specific program. This is with the

understanding that the educator's expectations and a program's limitations be made available prior to participation decisions being made. Guidelines to professional educators regarding participation decisions include: Criteria for participation will be developed and communicated prior to decisions regarding participation being made. The advice of the Activities Director would be sought prior to a decision being made. Previous participation in a "non-school" program will not be criteria for participation. In cases in which only a small difference exists between students in terms of ability or attitude, inclusion should favor the older student. As in all cases, the decision will reside with the professional educator.

STUDENT SELECTION: Coaches and advisors at Northfield High School are able to make cuts (student selection) in the Northfield High School co-curricular program. The student selection process is dependent on each sport/activities individual differences. All coaches/advisors are reminded to maintain as high a participation level as feasible (at coaches/advisors/activity director's discretion). Coaches/advisors should encourage students who are cut to participate in other co-curricular activities. The student selection process for each sport, each season, must be clearly communicated to the Activities Director and to participants of each program.

USE OF 7th AND 8th GRADE STUDENTS IN HIGH SCHOOL PROGRAMS: Students in grades 7 and 8 may participate in high school programs. Students in these programs must complete and submit all the forms required of high school participation, including a current physical, and will pay the High School athletic fee as listed in the Fee Policy. This must be completed prior to the student participating in practices and games. In addition, 7th and 8th grade students may not displace 9th grade students on 9th grade level teams, unless there are safety concerns. In the case of safety, the Activities Director will help make the determination.

Participation in athletics/activities for all secondary students is limited by interest, ability, Minnesota State High School League (MSHSL) rules and policies regarding eligibility and the following guidelines:

Category I Activities:

1. Sports - football, soccer, volleyball, basketball, boys' hockey, wrestling, baseball, golf, softball, tennis, track and boys' lacrosse.
2. Fine Arts Activities - Speech, debate, one-act play, high school musicals/plays, band and choir.
3. Grade 7 & 8 students will participate at the middle school and in organized programs external to the school (e.g. hockey).
4. An exceptional athlete/participant in grade 7 or 8 will be allowed to participate at the varsity (includes junior varsity) level according to the process set forth in this policy..
5. *7th and 8th graders will not displace a junior or senior, especially if a sport makes roster cuts.*
6. *Athletes cannot move up to the next level unless there is a danger of not being able to field a team. In that case, 8th graders can move to 9th grade but not jump 9th graders. 9th graders will be moved up before an 8th grader.*

Category II Activities:

1. Sports: cross-country, dance team, swimming, gymnastics, nordic skiing, alpine skiing.
2. All participation is at the high school level.
3. Level of competition is determined by ability.

Criteria and Process for Approval of Exceptional Athlete(s)

1. Requests for allowing a student to participate in other than their assigned grade or designated level will be limited to varsity participation (includes junior varsity) and are not to consider promotion of the best athlete/participant of one grade level to the next grade level. Requests are limited to the rare exceptional athlete/participant. *Athletes cannot move up to the next level unless there is a danger of not being able to field a team. In that case, 8th graders can move to 9th grade but not jump 9th graders. 9th graders will be moved up before an 8th grader.*
2. Requests may be made by the middle school coach, AD or the high school coach.

3. All requests will be considered by the: parents, student, coaches (present grade level coach and high school coach) and administration. A unanimous approval is required of all parties. Final approval is made by the Activities Director.
4. Consideration of all requests will be based on the social, psychological, educational, and physical best interests of the student.
5. The application and approval for an exception must be in place prior to the fourth Monday of the affected sport season.

PARTICIPATION AFTER INJURY REPORT: Any time an athlete goes to a doctor regarding an injury, they are NOT to return to participation in either practices or games until they have a signed release from a doctor. This signed release is to be turned in to the Activities Office where it will be kept in the athlete's file. If the injured athlete is treated by the trainer and is not seen by a doctor, a signed release is not needed. However, it is the coach's responsibility to be in touch with the trainer to know if and when the athlete should be returning to competition and what care and treatment should be continued for the athlete. This requires constant communication with the athletic trainer.

ADVERTISING: The use of advertising of products within the schools is a decision of the appropriate building principals or program level administrators. The bias in these decisions should be toward limiting the growth of advertising within the schools and prohibiting advertising that would alter or change the schools' curriculum. Advertising is sold in the community to assist in the publication of game programs and as a fundraiser for the Northfield Booster Club. The NBC controls these sales. Any other contacts for advertising or other types of fundraising within the community must have the prior approval of the Activities Director.

AWARDS - Letter Requirements: Every Head Coach/Advisor must submit "Specific Requirements" for awards in his/her sport/activity. These requirements are kept on file in the Activities Office. In setting the requirements each coach/advisor should be within the framework of the philosophy as expressed below:

AWARDS SYSTEM: The awards system listed below applies to all activities, including Cheerleading, Dance Team, Chess, Drama, Academic Challenge, Math Team, Mock Trial, Pep Band, Science Olympiad, and Speech. Music activities that would be considered co-curricular may also use this system.

Participation Certificates: Awarded to anyone who successfully completes a "season" and who **does not** earn a letter. This certificate will be the same for all sports and activities.

Letters: A chenille "N" will be awarded the **first time** that a student meets the criteria for lettering in a particular sport or activity. Chenille Letters for athletics and activities will be identical. **Every time** a student earns a letter they will receive a letter certificate. There will be separate certificates for athletics and activities.

Metal Pin Inserts: Upon earning a letter for the first time in a particular sport or activity, the student will be awarded a gold pin insert designating that particular sport or activity.

Metal Bar Inserts: Upon earning a subsequent letter in the same sport or activity, the student will be awarded a metal bar insert. The first bar will represent a second letter in the same activity, the second bar a third letter, etc.

Captain's Awards: Captains will receive a captain's certificate and a metal star insert for each "season" in which they are elected as a captain. The selection of captains is covered under special awards.

State Letter: A specially-designed, white letter "N" with the word **"STATE"** will be awarded to those who qualify for the state tournament or earn All State Honors. Coaches determine who receives the white "N". Cheerleaders, statisticians, managers, trainers, etc. are not eligible for this patch. **Exceptions may be made upon the recommendation of the Head Coach and the approval of the Activities Director.**

ADDITIONAL AWARDS: Any other awards presented must be in accordance with Minnesota State High School League rules and must have the prior approval of the Activities Director.

AWARDS FOR ACTIVITIES: All activities under the supervision of the Activities Director will use the awards system as described.. Each advisor/director should have the requirements for the awards given for their activity on file in the Activities Office. .

Northfield Booster Club Scholarship

1. The committee selecting the recipient shall consist of the Scholarship Selection Committee organized by the High School Principal. The Activities Director should be allowed to provide guidance in the final selection.
 - a. The recipient must be a graduating senior of Northfield High School and in at least one sport; multiple sport athletes will be given special consideration.
 - b. Involvement in RALIE, LOA, or other student leadership organizations is preferred.
 - c. The Universal Scholarship form provided by the NHS Guidance Office is used as the application form.

End of Season Program: Each sport is to hold an awards program within one month of the conclusion of their season. This program is also encouraged for other activities although it is realized that such a program is not conducive to all activities. This program may be done in various ways.

- There may be a meal involved or there may simply be “coffee and dessert.” The meal may be as simple as a potluck or as complex as a banquet although coaches/advisors are reminded that our major awards program is the Maroon and Gold Reception which is held in May.
- Individual award programs are not to rival this event. Programs may be held at the school, local churches or other restaurants or meeting facilities. You are strongly encouraged to hold this event locally and use local businesses when possible. **There is to be no alcohol served or consumed at the event.**
- When scheduling this program, the head coach/advisor is to fill out the proper form and return it to the Activities Office for the approval of the Activities Director. The date, time, location, and type of affair must be given on this form. The Activities Director will check the date and space availability before approving the program.
- Coaches/Advisors are reminded that all programs are to be self-supporting. All participation certificates, numerals, letters, captain(s) awards, and MVP awards are to be presented and/or announced at this program.
- If possible other awards such as all-conference or all-state should also be presented at this program. Note that the MVP medallion is **not to be awarded** until the Maroon and Gold Awards Reception.
- All levels (grades 9-12) of a particular sport or activity should be included in this program as well as the cheerleaders for that particular sport (if applicable). If appropriate, a separate program may be held for 9th and/or 10th grade.

ATTENDANCE POLICY - STUDENTS: In order to practice, rehearse, compete or perform in any NHS co-curricular activity, the student must be in attendance that day for a minimum of four class the **last 4 periods of the day**. Pre-arranged absences with the approval of the Principal, Assistant Principal, or Activities Director will be considered an exception to the policy. All coaches/advisors are to explain this rule to the participants at the beginning of their season. Coaches/Advisors are expected to enforce this policy. If absences are not cleared by a parent/guardian, the absence will be considered unexcused and/or truant.

If absences are Unexcused or Truant:

*Students that have an unexcused or truant absence will receive no credit from their teachers for the activities performed on the day of the absence.

*Students with unexcused absences or truanicies will be given appropriate consequences by their Assistant Principal. Consequences will be progressive with succeeding unexcused absences and truanicies.

EXCUSED ABSENCES

Note: *The school reserves the right to require medical verification in cases where student absences are excessive.

**The amount of classroom instruction and work missed can be overwhelming and is critical for future success. While the school recognizes the value of family time and trips, we encourage parents & families to schedule trips to coincide with scheduled school vacations.

***Families are encouraged to notify the school in the event of a pending absence. It is the student's responsibility to inform their teachers of the absence and make arrangements to make up their work in a timely manner.

EXCUSED/UNEXCUSED ABSENCES

Excused absences include - illness or medical appointment (that cannot be made outside of the school day), post-secondary school visits, family vacations/outings (with a parent/guardian), family emergencies verified by a parent/guardian (serious family illness, injury or death), absences caused by participation in school sponsored activities.

Unexcused absences include but are not limited to oversleeping, car trouble, non-medical or dental appointments. Unexcused tardiness for more than fifteen minutes is considered an unexcused absence.

All Athletic Activities	Chess	Math Team	Student Council	
Science Olympiad	Band	Choir	Orchestra

Academic Eligibility Policy-Adopted June, 2008

The purpose of this academic eligibility policy is to monitor, motivate and assist the students who participate in co-curricular activity programs, in order for the student to be academically successful. While the school's co-curricular programs are a vital part of the total education of our students, our primary mission is academics.

Students will be on academic probation if they receive:

1. More than one (1) failure on quarter grades in any **courses currently enrolled**, at the end of 1st & 3rd quarters.
2. One (1) or more failures on semester grades in any **courses currently enrolled**.
3. **Academic Probation:**
 - a. The student will enter a period of 10 school days of academic probation. During academic probation the student is fully eligible. If the student is making successful progress (passing) all classes after 10 school days they are no longer on academic probation. If the student is failing in one or more classes they will become academically ineligible. When declared academically ineligible, the student will be ineligible until all grades are above passing. If the student falls below passing, student will be ineligible once again.
4. **Academic Ineligibility**
 - a. While academically ineligible a student may practice with the team or activity but may not participate in MSHSL interscholastic athletic, academic, or performing arts competitions. The same consequence is in effect for those students participating in non-MSHSL activities (no public performance) for the duration of the consequence. If a student regains eligibility after a period of ineligibility the student is not guaranteed his/her original role. The role will be determined by the coach/advisor/director.
5. **Enforcement Procedures:**
 - a. Grades of all co-curricular participants will be checked at the end of each quarter and semester.
 - b. As soon as grades are released at the end of each grading period, students who will **begin probation**, will be notified, as will their parent/guardian and coach/advisor.
 - c. A student who is returning to Northfield High School after having dropped out, or is transferring from Northfield High School to the ALC after dropping out, or is returning to the ALC after having dropped out and had more than one failing grade for the last full quarter of five or more credit-bearing classes is academically ineligible. A student in these situations must complete a full quarter of work carrying five classes with no failures to be eligible for participation in co-curricular activities.

6. Additional ALC Policy:

- a. The following pertains to students of the Alternative Learning Center (ALC) who are participants in the Northfield High School (NHS) Activities Department.
- b. ALC students must maintain a completion rate of 60% of the hours required each quarter in order to remain eligible to participate.
- c. If a student transfers from a NHS class to an ALC class the grade they are earning in the NHS class transfers with them. That grade will be averaged in with the ALC grade for the quarter or semester. A student cannot transfer to the ALC in an attempt to remain academically eligible.
- d. At the end of each quarter and semester, the ALC will report to the Activities Office the names and completion rates of all ALC students participating in NHS Activities programs. Those who fall below the 60% completion rate will become academically ineligible.
- e. Students not carrying a full course load each quarter will be ineligible until the student is enrolled in five credit-bearing courses.
- f. The person responsible for the education of a homeschool student must inform the Activities Director if the student is making unsatisfactory progress toward graduation. This information must be sent at the end of each grading period, if the student is a participant in any Northfield High School co-curricular activity
- g. Incompletes: An incomplete(s) not changed to a passing grade(s) by the end of the second week of the succeeding quarter will become a Failure for the purposes of Academic Eligibility. If this results in ineligibility, the student will be ineligible for the remainder of that quarter. Ineligibility will be waived if the student does not have an incomplete at the end of the succeeding quarter and does not have more than one failing grade. Exceptions may be made for incompletes which are caused by extenuating circumstances.

7. Exceptions to the above will be made in the following circumstances:

- a. Students on 504's or in special education may have different standards written into their plan upon the approval of the student's counselor, special education teacher, the Activities Director and Principal. Eligibility standards for these students may be waived if that student has made every possible effort to meet the standards.
- b. A plan different from the above could be written to meet the individual needs of a particular student. This would only occur if it could be shown that the above plan is not working or has not worked, or in some other way is inappropriate. Such a plan must be approved by the parents, Activities Director and Principal.

CHEMICALS - Northfield High School adheres to the following Chemical Eligibility Rules in regard to the use of chemicals. Students are subject to additional consequences if a violation occurs on school grounds, at a school-sponsored event, or on the way to or from a school-sponsored event. Coaches/Advisors are encouraged to confront participants whom they suspect of breaking these rules and are required to turn in participants whom they know have violated these rules.

Chemical Eligibility Rules-adopted June 2008

Philosophy and Purpose: We at Northfield High School care about the well-being of our students. We recognize that the use of alcohol, vaping devices, nicotine, tobacco and other mood-altering chemicals has a negative impact on the health of the individual, their performance, and their team's or group's ability to function effectively. The chemical eligibility rules are designed to promote and encourage a chemically-free lifestyle and to provide a fair and meaningful consequence when the rules are broken, with the main intention being to help the student.

Northfield High School (NHS) adheres to MSHSL Bylaw 205 including all (NHS) additions underlined below. Teams shall not have the latitude to implement consequences that deviate from MSHSL Bylaw 205.

CODE OF RESPONSIBILITIES: Adopted June 2008

All students represent our school and community. Therefore, good citizenship is required for participation in co-curricular activities. Because of their visibility and status as role models, proper conduct and abiding by school rules, MSHSL rules, local and state laws are expected of all students. Good citizenship also applies to respect for the rights and property of all individuals and respect for those who enforce the rules of our school and the law of the community. We believe that students do know the difference between appropriate and inappropriate behavior. However, in order to ensure understanding, The Student Code of Responsibilities of the Minnesota State High School League is used to explain the basic concepts of good citizenship and appropriate behavior and the policy outlined below defines our expectations in more specific terms. It is the responsibility of students in our activity programs to behave in a way that makes the school and community proud to have him/her represent us as a member of a Raider team and/or activity.

MSHSL Student Code of Responsibilities

The member schools of the Minnesota State High School League believe that participation in interscholastic activities is a privilege which is accompanied by responsibility.

As a student participating in my school's interscholastic activities, I understand and accept the following responsibilities:

I will respect the rights and beliefs of others and will treat others with courtesy and consideration.

I will be fully responsible for my own actions and the consequences of my actions.

I will respect the property of others.

I will show respect and obey the rules of my school and the laws of my community, state and country.

I will show respect to those who are responsible for enforcing the rules of my school and the laws of my community,
state and country.

Penalty: A student who is under penalty of exclusion, expulsion or suspension or whose character or conduct violates the Student Code of Responsibilities is not in good standing and is ineligible for a period of time as determined by the principal.

POLICY

A. Any student who is assigned in-school suspension or out of school suspension for any time period shall not participate in student activities that day or evening.

B. Activity participants are required to make a strong academic effort in the classroom. In addition, student-athletes and activity participants will demonstrate respect for teachers and fellow students, positive attitudes, sincere efforts and good attendance. This expectation applies both to in season and out of season student-athletes and activity participants.

C. Activity participants are expected to be trustworthy. It is absolutely necessary to have team members that can be trusted in the locker room, on the field, court, pool or gym, stage, on the bus to and from events and anywhere else he/she is apart of team activities. Activity participants indicating they cannot be trusted may be dismissed from that team.

D. Activity participants representing Northfield High School are expected to conduct themselves in a manner that will allow their team, coaches, school, parents or community to be proud of them. Behavior that negatively impacts the reputation of the school and/or community at any time or anywhere will not be tolerated. Gestures or comments, disrespect, defiance, insubordination towards teammates, game officials, opponents, coaches, spectators, school personnel, etc. will not be tolerated.

E. Activity participants are expected to demonstrate good citizenship and behavior in the community at all times. Behavior should be positive so that it brings credit to the student-athletes, activity participants, their activities and their school. If it is determined that a student-athlete/activity participant demonstrated negative behavior in the classroom, an activity in or out of school, or in the community, consequences may be imposed. When such behavior does occur, the coach/advisor, activities director and assistant principal will discuss the matter with the student

Depending on the visibility and seriousness of the incident, consequences may include any combination of the following: suspension from games, practices, loss of letter points, loss of captain's position, dismissal from a team or activity, in-school or out of school suspension. A penalty may count in the sequence of MSHSL violations.

Examples of inappropriate behavior that will likely result in a penalty: (This list is in no way all inclusive)

- Theft
- Bullying
- Hosting a party where alcohol or other drugs are being used
- Disrespect to a teacher or other staff member
- Vandalism
- Cheating
- Attending an event knowing that illegal activity will take place and that the purpose for attending for most students is to participate in that illegal activity. (Example: End of the year class party)

ATTENDANCE BOUNDARIES/ELIGIBILITY: Students who attend Northfield Middle School, Northfield High School, St. Dominic's, or who live in the Northfield district and are home schooled are eligible for 9th Grade, B Squad/JV/Varsity competition. Students attending St. Dominic's on the "Shared-Time" program may compete in Middle School programs if that sport is not offered at St. Dominic's. Arcadia students who are residents within the Northfield School District are fully eligible at the Middle School and 9th grade levels. For all MSHSL programming a Cooperative Agreement must be formed in order for Arcadia students to participate at the B-Squad, JV, and Varsity levels (these students must be Northfield School District residents). Arcadia students pay the Activities Fee and Arcadia School is billed for the "Cost per Participant."

EMERGENCY CLOSING OF SCHOOL: In the event of schools being closed for any type of emergency closing, including inclement weather, all co-curricular practices, games, or events are canceled. If weather conditions improve, high school practices, games or events may be scheduled upon approval of the Activities Director **and will be voluntary for participants**. Before scheduling such practices/games, there must be approval from the High School Principal and the Superintendent (including consultation with the School District's busing company). Middle School activities (practices/games) will not be held.

SCHEDULING CONFLICT RESOLUTION: ATHLETICS AND MUSIC

At Northfield High School we work hard to avoid scheduling conflicts between music events and athletic events so that students may feel encouraged to participate in both. The following hierarchy has been established to help decide which event a student should attend when athletic events and music events conflict. This is listed from lowest priority to highest:

1. Informal team/group gatherings i.e. Pizza Parties, Pre-game Meals.
2. Athletic practices/music rehearsals.
3. Scrimmages/dress rehearsals.
4. Non-Conference games.
5. Big 9 Conference games/scheduled music performances.
6. Section games/scheduled music performances/once in a year performances i.e. band trips etc.
7. MSHSL State Tournaments/scheduled music performances.

In the case of a "tie" in the hierarchy above, the following will assist in making logical choices for all involved:

Additional Factors To Help Make a Logical Decision

ATHLETICS

1. The athlete is a starter
2. The athlete is a likely sub
3. The athlete is not likely to play

MUSIC

1. The musician is part of a very small section, or an integral member (first chair)
2. The musician is part of larger section
3. The musician participates

* Absence of this athlete might negatively affect game outcome

* Band/Choir is a graded, curricular class

When the hierarchies above cannot determine a clear-cut decision, students, coaches, music directors, and parents will agree:

1. Neither the student or parent/guardian shall participate in deciding which event will be missed and which event will be attended.
2. A neutral person/mediator (administrator) will guide the final decision. (Administrator may ask the student for his/her preference of the activity he/she may want to attend. Even though a student may indicate a preference, it may or may not be granted).
3. Neither the athletic coach nor the music director shall penalize the student in any way when the decision made is not to attend the event that they supervise.
4. A decision for one conflict resolution is not precedent setting; each situation is unique.

FAN BUSES: Fan buses will be provided for team state tournament participation, however, the minimum number of students to send a fan bus is 45. Middle School students are not eligible to ride a HS fan bus.

WAIVER: School District Policy allows athletic fees to be partially waived in the case of low income or undue hardship. Any student who receives free or reduced lunches also qualifies for the athletic waiver. A waiver can be in effect for an entire school year. Those who do not qualify for free and reduced lunches, but face an undue hardship may apply for a waiver by contacting the High School Activities Office.

REFUND: A student who quits a sport/activity, for any reason, prior to the first contest or public appearance may receive a full refund. (Note: Refunds will not be processed until student has turned in all equipment issued and has been cleared by the coach). After the first contest or public appearance, no refund will be made except in the case of injury or illness which prevents continued participation. When this occurs (provided the injury or illness is substantiated by a physician's statement) the refund will be as follows:

- Full refund up until the first contest/public appearance.
- One-half refund after the first contest/public appearance through the first one-quarter of the season.
- One-fourth refund through the first half of the season. (Length of season is first practice date through the first scheduled game of post-season competition).
- Refund must be requested during the academic year of the activity.

FUNDRAISING – HANDLING OF FUNDS: The following rules shall be followed in regard to fundraisers and the handling of Activity Fund money:

- Fundraising requests are to be submitted to the Activities Director and must be approved by the building principal. "Fundraiser Request" forms are available in the Activities Office. (A sample form is located in Appendix B).
- All financial transactions will be run through the appropriate account. Coaches/Advisors are to turn in all money promptly (within 24 hours) to the Activities Office for deposit. If there are expenses connected with the fundraiser, they will be paid by check out of the appropriate Activity Fund account.

No checks or cash are to be spent or used for any purpose.

- Resale Items: All money is to be turned in promptly to the Activities Office for deposit in the appropriate Activity Fund account.
- Gift Money, Memorials, etc.: These, likewise, are to be run through the Activities Office and will be handled through the appropriate Activity Fund account. Consult the Activities Director ahead of

time on matters such as these.

5. Gift Cards may NOT be purchased from Activity Account funds. In addition, only expenditures for students are allowed using Activity Account monies. Gifts for coaches are not allowable via Activity Account funds.
6. Under no circumstances should money be collected or spent without it being “run through” the activity account and the appropriate procedures.

GIFTS AND DONATIONS: There is School Board Policy which governs the receipt of gifts and donations to the School District. Any gifts/donations valued at more than \$1,000, must receive Board approval. Whenever coaches/advisors are involved in receiving a gift to the District, the Activities Director should be consulted early in the process so that proper procedures are followed.

INITIATIONS/TEAM GATHERINGS (POLICY): No teams or activity groups are to hold initiations or other similar events which are designed to become “part of the team.” Team gatherings and activities to build team unity are important and are encouraged; however, for safety and liability reasons and to prevent hazing and/or harassment, initiation events must not be held.

Team gatherings can be held and are encouraged but only under the supervision of a coach. All activities at these gatherings must be supervised by a coach. Use good judgment in what will and will not be allowed to occur and know ahead of time what activities are being planned. Students who violate this rule – both those who conduct the initiation and those who take part will be suspended from competition for a minimum of two events/contests. This suspension will be enforced during the next two (or more) consecutive contests.

MAROON AND GOLD RECEPTION: The Maroon and Gold Reception is the annual athletic awards event sponsored by the Northfield Booster Club. The reception is held in May. All coaches are invited and encouraged to attend. The main purpose of the reception is to recognize and honor the senior athletes. All MVP medallions will be presented and the Outstanding Male and Female Athletes will be announced. All head coaches will be involved in the presentation of these awards.

PARTICIPATION IN MORE THAN ONE SPORT: In almost all cases student/athletes are not allowed to participate in more than one sport during a particular sport season. However, there are situations in which this could be possible, and requests for special permission for students to participate in two sports during the same season will be considered. The first step is for the student and parents to make a written request to the High School Activities Director, outlining the circumstances which warrant special consideration. This should be done prior to the start of practices for that season. The Activities Director will consider the request and, if the request is reasonable, will consult with the head coaches of the sports involved. With the approval of both coaches and the Activities Director, special permission will be granted. Upon approval of the request, the head coaches, in consultation with the Activities Director, will outline the schedule to determine the expectations of the student/athlete in each sport. This plan must be acceptable to the Activities Director, coaches, parents and students before dual participation will be allowed. Detailed process and procedures for this policy are available in the High School Activities Office.

EVENTS/PRACTICES - SUNDAYS/WEDNESDAYS: No practices and/or games are to take place on Sunday per MSHSL rules. Other school activities are also not to be scheduled on Sundays, except on rare occasions, when special permission has been granted through the Activities Office. On Wednesdays, all practices must end by 6:30 p.m. Games/Events may be held on Wednesdays, but these should be scheduled on a very limited basis.

PRACTICES - HOLIDAY/VACATION PERIODS: Middle School teams will not hold practice or have events on any day school is not in session, with a rare exception of a Saturday and perhaps a few days prior to the start of school. 9-12 grade coaches will not conduct practices or have any event(s) scheduled on Thanksgiving Day and/or Christmas Day. Additionally, coaches are encouraged to avoid practices on New Year’s Day, when possible. Any participants who are

involved in family activities are to be fully excused from practices. Any practices (9-12) that are held during vacation periods must also be scheduled one week or more, in advance, with schedules distributed to students and parents.

UNDER NO CIRCUMSTANCES ARE STUDENTS TO DRIVE TO EVENTS LOCATED OUTSIDE THE SCHOOL DISTRICT'S BOUNDARIES, (exception Clay Target). When scheduling and running scrimmages, coaches are reminded of MSHSL Policy as it relates to scrimmages. Officials may not be paid and other rules or conditions must be changed so that the event is not conducted in the same manner as a game. Consult the MSHSL Handbook or the Activities Director if you have questions regarding this.

TICKET POLICIES/CONFERENCE:

ATHLETICS: Ticket prices, as established by the Big Nine Conference, for all regular season home athletic events are \$4.00 for students and \$6.00 for adults. Children not yet in school are admitted free and senior citizens (62 and older) are admitted at the student rate.

ALL K – 8TH GRADE STUDENTS AND ADULTS ARE ABLE TO PURCHASE AN ATHLETIC PASS online at <https://gofan.co/app/school/MN19630>. The GoFan phone app is required to use the pass.

Student pass: \$25 Adult pass: \$80. High School Students 9-12 grade are admitted free with a student ID.

THE PASS ALLOWS ADMITTANCE TO ALL HOME REGULAR SEASON ATHLETIC EVENTS.

The Student Athletic Pass, Employee Family Pass, and All-Sport Pass are good for all regular season home athletic events.

ACTIVITY EVENTS: Most drama events will have admission charges. The price of admission may vary according to the production and the royalty fees charged, but will usually be \$8 for adults and \$6 for students. Admission will be charged for many concerts, with the price set at \$1 for students and \$3 for adults.

COMMUNICATIONS BETWEEN STAFF AND PARENTS

Both parenting and coaching or directing are extremely difficult vocations. By establishing an understanding of each position we are better able to accept the actions of the other and provide greater benefits to your child. When parents have a child involved in our programs, they have a right to understand what expectations are placed on them. This begins with clear communication from the coach or director.

Communication to expect from the Coach or Director:

- Philosophy
- Expectations for your child, including sportsmanship and MSHSL rules/policies
- Location and times of all practices, games or events, and transportation expectations
- Team requirements, i.e. practices, special equipment, out of season training, lettering policy
- Procedures to follow – should your child be injured, attendance at school on practice/game days
- Discipline that may result in the denial of your child's participation
- Regular, individual meetings with students regarding role, how to improve, etc.
- Consistent, timely, thorough communication throughout the season (email, website, etc)

Communication that coaches and directors may expect from parents:

- Concerns expressed directly to the coach or director
- Specific concerns with regard to philosophy and or expectations
- Notification of any illness or injury of missed practices

Students involved in the programs at Northfield High School will experience some of the most rewarding moments of their lives. However, it is important that they understand that there may also be times when things do not go the way they or their parents had hoped. At these times, discussion with the coach or director is encouraged.

Issues appropriate for parents to bring forward as part of a discussion with coaches/directors:

- Treatment of a student, mentally and physically
- Ways to help a student improve
- Concerns about a student behavior

It is very difficult for parents to accept their child not participating as much as they may hope. The aim of the NHS Athletic/Activities Department is to support coaches and directors as teachers. A coach or director will make judgment decisions based on what they believe to be best for all students involved. As you can see from the above list, certain things can and should be discussed with parents. Other things, such as the ones listed below, must be left to the professional judgment of coaches and directors.

Issues not appropriate for parents to bring forward as part of a discussion with coaches/directors:

- Team or group selection
- Playing time
- Team strategy
- Play calling
- Other students

There are often situations that may require a conference between the coach or director and the parents. **The student should be, and is requested to be, involved in these meetings.** To resolve the problem, we must have everyone's help and involvement.

RESOLVING CONFLICTS

There are situations that may require a conference between the coach or director and the parent. These are encouraged. However, it is requested that all parties follow professional dialogue expectations. It is very important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following steps are expected be followed in order to promote resolution. Note: This process is not intended to provide grievance of rule(s) of the Minnesota State High School League.

If there is a problem:

- **STEP 1:** The student should talk directly to the coach or director, one on one – this is part of the learning and maturing process.

If the problem is not resolved:

- **STEP 2:** Parents will contact the coach or director for their insight into the problem. Parents are welcome to provide support for the student through conversations with the coach or director after the initial player/coach or director discussion. Coaches or Directors shall respond within 24-48 hours to all inquiries. There will be no correspondence from a coach or director after 7pm each day.
- **STEP 3:** Parents set-up a face-to-face meeting with the coach or director **and the student**. Requests should be directed to the coaches' or directors' school phone number/email. Inquiries will be returned by in a timely fashion –

minimum expectations are for a return call/email within 24-48 hours. It is expected that the head coach or director and at least one assistant are involved in the conference. This meeting is expected to take place at Northfield HS at a mutually agreeable time.

Parents/students and coaches or directors are to address themselves to problems/concerns related to them only. In order to be in compliance with the "Privacy in Information Act" problems/concerns related to other students will not be discussed.

Parents Should Not:

- Call the Activities Director or NHS administration without participating in the first 3 steps.
- Confront the coach or director before or after practice, game, event or banquet. These can be emotional times for both individuals. Meetings of this nature do not promote resolution.

Coaches or Directors Should Not:

- Engage in email "discussion" of an issue unless it is for routine absences or concerns due to illness, injury, etc. Phone calls and in-person meetings (as necessary) are expected.

If the meeting with the coach or director does not provide a satisfactory resolution:

- **STEP 4:** Parents are asked to contact the Activities Director and request a meeting with all parties. If steps 1-3 have been followed appropriately, the AD will mediate a resolution between the student, coach or director, and parent.

Focused dialogue is a crucial part of conflict resolution. Your willingness to support students and parents when they follow the expectations is paramount to successfully resolving potential issues and ensuring positive outcomes.

**RESOLUTION APPROVING AND AUTHORIZING THE EXECUTION OF

RELATED DOCUMENTS AND CERTIFICATES**

BE IT RESOLVED by the School Board of the Independent School District No. 659 (Northfield Public Schools), State of Minnesota, as follows:

1. The District has received a proposal from _____ in response to its May 8, 2019 Request for Proposals to provide tax-exempt lease-purchase financing for the purchase of an existing property and the building located thereon. That proposal is determined to comply with said Request for Proposals and to be the best proposal submitted, and is hereby accepted. Bond Counsel is directed to prepare a final Lease Agreement and Ground Lease Agreement (the "Agreements"), and other necessary certificates and documents that reflect the transaction.

2. The Director of Finance is hereby authorized to execute the Agreements and any related documents thereto on behalf of the District, and to execute such other certificates, documents and agreements as may be necessary and appropriate to effectuate the transactions contemplated by the Agreements and said related documents. The Agreements and the related documents may contain such necessary and appropriate variations, omissions and insertions as the Director of Finance shall determine to be necessary, and the execution thereof shall be conclusive evidence of such determination and its approval by the Board.

3. The District reasonably anticipates that it will issue tax-exempt obligations (not including "private activity bonds" as defined in Section 141 of the Internal Revenue Code of 1986, as amended) in an aggregate amount in excess of \$10 million during the calendar year in which the Lease commences. Thus, the Lease is not designated as a qualified tax-exempt obligation for purposes of Section 265(b)(c) of the Internal Revenue Code of 1986, as amended, relating to deductibility of interest by financial institutions.

4. It is hereby found and determined that all gross proceeds of the Lease (other than gross proceeds held in a bona fide debt service fund) will be expended for the governmental purpose for which the Lease is entered into within six (6) months of the date of the Lease. Therefore, the District shall not be required to comply with the arbitrage rebate requirements of Section 148(f) of the Code with respect to the Lease.

RE: Bridgewater Elementary School Addition and Renovation Contract Recommendations

Dear Mrs. Mertesdorf,

We are pleased to provide the contract recommendations to the following successful bidders on the Bridgewater Elementary School Addition and Renovation project. Bids were received and opened at 3:30 PM on May 21, 2019. The project received 60 bids covering the various work scope packages with the majority of them having three or more competitive bids. Of the eighteen (18) contracts we are recommending award to, five (5) companies are within a thirty-mile radius of the project. Three (3) companies will have team members working on the project that live within fifteen miles of the project.

We are roughly \$27,000 under the construction budget at this time. We still have two small scopes of work that we will solicit quotes for (Signage and Asphalt Paving) which will complete the overall project budget. We anticipate both of these to be under \$20,000. We are carrying \$75,000 in construction contingency and \$80,000 total for Furniture and Technology. We are confident that after we fully review project needs for final Furniture and Technology, the project will come in at our overall project budget.

With your approval, we will issue contracts to the successful bidders immediately in order to maintain our project schedule. We look forward to breaking ground and completing this exciting project for the Northfield Public School District and associated community.

Sincerely,

Josh Cooper
