Parent/Guardian permission is necessary for a student who is enrolled in high school and under eighteen years of age. A mandatory intake meeting must be held with student, parent/guardian and Director. A team meeting is required if a student is receiving Special Education services. The team must agree that the ALC will best meet the student's educational needs. INDEPENDENT STUDY EXPECTATIONS

Independent Study is designed for students who are serious about making-up missed credits needed for high school graduation. The expectations set are designed to help support the student with achieving their goal(s).

INDEPENDENT CREDITS/POINTS

One semester credit (.50) is achieved by: 92 hours. (18 hours of classroom and 74 hours of homework). You will be graded on the quality of your work and the ability to work to your grade level. If the teacher assesses the work as unacceptable, it will be returned to you with notes for improvement. Points are awarded for “C” quality and above.

FREQUENTLY ASKED QUESTIONS – INDEPENDENT STUDY PROGRAM

What is Independent Study? Independent Study is designed for students who are self-motivated and able to stay on task. You need to be able to work well on your own, both in class and at home. You will need the ability to conduct research, read, write papers, and complete assignments in a timely manner.

Licensed teachers will be available to guide your learning process, help you find resources, discuss topics related to your course work, and answer your questions as needed. However, the bulk of work will be done on your own.

What Independent Study Isn't Independent Study is not a tutoring program. Teachers are available to assist you, but will not be teaching a class. It is not a place to hang out and visit with your friends. This program is for those students who are serious about learning.

How long will it take me to complete a credit? The length of time it will take you to complete a credit will depend on the student's abilities and work habits.

- * One quarter credit (.25) is equivalent to 46 hours: 9 hours classroom/37 hours homework.

- * One semester credit (.50) is equivalent to 92 hours: 18 hours classroom/74 hours homework.

Do I have to attend class? Attendance involves checking in with a teacher. This may occur in person or virtually.

How do I know the credits I need to work on? Before starting Independent Study, you will need to meet with your high school guidance counselor and discuss the credits needed. Finding out the courses and credits you need will be your responsibility.

How and where do I turn in my homework? Homework will be done online and the teacher will monitor your progress throughout the class.

ATTENDANCE INFORMATION

Attendance at school is a shared responsibility between the individual student, and his/her parents/guardians, and the school. State law stipulates that it is the parent's/guardian's responsibility to ensure that their son/daughter attends school. The parent/guardian provides a reason for absence or tardiness and the school determines whether a student absence/tardiness is excused or unexcused.

Learning is enhanced by regular school attendance. Regular attendance assists in maximizing the educational benefits for each individual student.

ABSENCE PROCEDURE

If a student must be absent from class or arrive late to school, the student's parent/guardian must call the Attendance Line at 612-695-2139 (talk and Text available) the day of the absence or earlier. If the student arrives after 8:10 and before 2:40, they should check in/out with the attendance office located in the computer lab. The attendance line is available 24 hours a day for your convenience. Absences must be excused within 24 hours or the absence may remain unexcused. If the school and parent/guardian do not connect on the day of the absence, a note from a parent/guardian will be accepted the next morning. Absences may no longer be excused after the day the student returns. Parents/Guardians are encouraged to apply for an online access number to view their student attendance. See website for more information to Family Access. All students who become ill during the school day are required to check out with the nurse's office prior to leaving the building. Check out must include contact between school officials and parents/guardians prior to leaving the building. Failure to properly check out will cause the student to be unexcused.

ANY STUDENT WHO LEAVES THE BUILDING FOR ANY REASON WITHOUT CHECKING OUT IS CONSIDERED UNEXCUSED. IF A STUDENT LEAVES THE SCHOOL AND RETURNS, THEY WILL BE SEARCHED AND/OR MAY BE SENT HOME. Checking out means contact between parent/guardian and the school official before the student leaves the building.

ABSENCES/EXCESSIVE TARDIES

Students who miss a class period 4 times in a grading period will be given NO CREDIT (NC) for that class. This is on a class by class basis. This may mean they will be moved into Independent Study to try and earn some credit, or they may be removed from the absented out class(s) for the rest of the grading period.

Four (4) tardies will be equivalent to one (1) class absence. This will also be on a class by class basis.

At 15 consecutive absences, a student is dropped and must re-enroll at the beginning of next grading period. A student may attend the credit recovery program/Independent Study, if they choose to do so.

ABSENCE APPEAL

If a student, the parent/guardian, or the school feels that extenuating circumstances caused the absence limit to be exceeded; an appeal may be filed with the Director. The student/parents/guardians are responsible for filing an appeal by contacting the Director at 645-1201. The Director will hear the facts of the situation before deciding whether to waive a certain number of the fifteen (15) absences or to enforce no credit earned.

ATTENDANCE AND CO-CURRICULAR ACTIVITIES

Students at the Area Learning Center are eligible to participate in all co-curricular activities offered at Northfield High School. However, ALC students must meet the same eligibility standards that Northfield High School students must meet in order to participate in an activity: In order to practice, rehearse, compete or perform in an NHS co-curricular activity, the student must be in attendance that day for a minimum of 3 consecutive hours. Pre-arranged excused absences (at least 24 hour advance) will be considered an exception to this policy.

ABSENCES THAT DON'T COUNT TOWARDS NCs

- School sponsored activities or events
- Medical/Therapy appointment that cannot be made outside of the school day (note required)
- College visits (limit 2)
- Death of immediate family member (Parent/Guardian, Grandparent, Sibling)
- Court dates (note required)
- Administrator discretion

Unexcused tardiness for more than fifteen minutes is considered an unexcused absence. Unexcused absences include, but are not limited to, oversleeping and car trouble.

WITHDRAWAL FROM SCHOOL

A student who wishes to withdraw from school who is under the age of 18 will be required to have a meeting with the Director and parents/guardian to review the student's educational options.

GENERAL STUDENT INFORMATION SCHOOL POLICIES, PROCEDURES, SERVICES AND PROGRAMS

ACCESSIBILITY

The main doors located on the west side of the building have been designated as our main entrance for handicapped accessibility. An elevator is available for use within the building. The ALC is located on the second level. Students are not allowed on the first level, unless approved by the Director.

BULLYING PROHIBITION

Bullying is defined as behavior that is:

- Intimidating, threatening, abusive or hurtful conduct
- Objectively offensive
- Involves an imbalance of power and is repeated, or materially and substantially interferes with a student's education or ability to participate in school activities

Any act of bullying or cyberbullying is strictly prohibited as defined in School District Policy 514. Students and/or families should report instances of bullying as outlined above to the building principal or assistant principal. While not required, [the use of this form is encouraged to assist in a prompt investigation.](#)

CELL PHONES

Cell phones are not allowed to be used or seen during instructional time, and must be turned off. Cell phones are allowed during passing time and lunch.

Teachers may use participation points to deduct grades for cell phone use and other off task behavior. If a student continues to have issues with cell phone use, the parent/guardian and student will have a meeting with ALC staff to determine a plan of action. In case of an emergency and someone needs to reach the student at school, they can call 645-1201.

E-LEARNING DAYS

Northfield Public Schools uses e-Learning days (formerly called flexible learning days) to mitigate the loss of instructional time when the weather forces school closures. Students receive e-Learning day instructions for learning at home on these days from their school and teacher(s). The latest district e-Learning day guidelines can be found online at: <https://northfieldschools.org/parents/school-closings/>.

ELECTRONICS

Speakers (such as Bluetooth speakers) are not allowed in school or on field trips. This includes speakers that connect to phones, etc, but also includes using a phone's speaker to broadcast music, videos, etc. Students should plan on using headphones instead of speakers of any kind.

HARASSMENT-FREE LEARNING ENVIRONMENT (HUMAN RIGHTS/TITLE IX)

The Northfield School District takes Human Rights complaints (including Title IX complaints) seriously. Students are responsible for maintaining an environment free from harassment, intimidation and abuse. Students are also responsible to report incidents of physical, sexual and verbal harassment, intimidation and/or abuse that they have experienced or of which they are aware. School Board Policy 413 and its associated procedures and School Board Policy 522 govern the process for addressing these complaints.

Such reports should be made to:

Molly Viesselman

Director of Human Resources, Human Rights Officer/Title IX Coordinator, Northfield Public Schools

201 Orchard Street South., Northfield, MN 55057

Phone: 507.663.0600

Email: mviesselman@northfieldschools.org.

While not required, [individuals can make complaints using this form](#).

PERSONAL POSSESSIONS

The Area Learning Center is not responsible for lost or damaged personal articles. Students are responsible for all belongings brought to school.

CLOSING OF SCHOOL

In the event of bad weather, school closing announcements will be made over KYMN AM-1080 radio, FOX 9, KARE 11, KSTP, WCCO, Northfield News and Sklylert.

CONTACTING STUDENTS DURING THE DAY

Parents/Guardians are asked to refrain from calling students during school hours. Please confirm after school appointments before your student leaves home for the school day. ***Only urgent phone messages from family members will be delivered to students.*** No work related messages from employers will be delivered. No student-to-student messages will be delivered.

If it is absolutely necessary to contact students during the school day, please phone the office at (507) 645-1201. Please do not call students on their cell phones during the school day.

COURSE INCOMPLETES

Students who receive an "Incomplete" grade at the end of quarters one, two or three must make up the work within 2 weeks ***unless additional time has been granted by the teacher and Director.*** Work not completed at the end of the fourth quarter will automatically receive an "F".

COURSE STRUCTURE

Courses at Northfield ALC are one quarter in length. For the classes that are 43 minutes in length, they are worth .125 each grading period. For classes that are 85 minutes in length, they are worth .25 credit each grading period. A total of 1 credit per grading period, 8 credits per school year may be achieved.

DAY CARE

The ALC understands the difficulty for students to attend school regularly when child care is needed. In order to assist with this, the ALC staff will work with the student/family in trying to obtain child care (and financial assistance) whenever necessary.

REMOVAL FROM PROGRAM

If a student receives two out of school suspensions or at least four days of suspension, whichever happens first, the student will be removed from the ALC day program until the end of the grading period. If this happens in the final week of the grading period, the student may be removed for the following grading period as well.

EIGHTEEN-YEAR OLDS

Students who are 18 years of age or older must follow all school district policies and all school regulations, including the regulations that are outlined in the student handbook. Additionally, when a student turns 18 years of age, the following rules will apply:

1. All rights to make educational decisions will transfer to the student, including the right to make decisions about special education, unless a conservator or legal guardian has been appointed for the student.
2. Subject to all applicable laws, the school district may continue to provide educational data to the parent(s)/guardian(s) of an adult student, provided that the parent(s)/guardian(s) continue to claim the adult student as a dependent for tax purposes. If an adult student is claimed as a dependent but the student does not want the district to share educational data with his or her parents/guardians, the student may submit a written request for the district to end all communications with the parent(s)/guardian(s). The district will evaluate such requests on a case-by-case basis to determine the appropriate course of action.
3. If the district grants an adult student's written request to stop sharing educational data with the student's parent(s)/guardian(s), and the student later changes his or her mind, the student will be required to submit a signed form authorizing the district to resume sharing educational data on the student with the parents/guardians.

FAMILY ACCESS

Parents/Guardians are encouraged to apply for a family access number. This will allow parents/guardians to view attendance, food service accounts, schedules and grades. ***Go to the website at www.northfieldschools.org click on family access to request a pin number.***

GRADUATION/COMMENCEMENT

Students who have or will have successfully completed graduation requirements by the last day of the school year may participate in the ALC commencement program and receive a diploma.

Students who are two credits short of the total credits required may also participate in ALC commencement but will not receive a diploma until all graduation requirements are completed.

Students that have never attended the Northfield High School, are not eligible to walk with the High School graduation ceremony. Students need to meet the additional requirements in order to walk with the Northfield High School. 1) The student has attended at least one year at the Northfield High School. **OR** 2) The student has attended any part of their senior year at the Northfield High School. Any student who is more than 1/2 credit short of the graduation requirement is not allowed to participate in the Northfield High School commencement.

LAW ENFORCEMENT AGENCIES

The director may involve the Northfield Police Department, a police liaison officer, or other appropriate law enforcement agency when a public law has been violated at school. The police may be alerted to theft, vandalism, drug distribution, or assault. Any altercation involving injury to a person will also be reported. Prosecution by criminal complaint does not preclude disciplinary action by the school district. In addition, the student's parent/guardian may be held liable for damages relating to vandalism or injury as permitted by statute.

The administration shall give law enforcement officers permission to interview students on issues outside of the school's jurisdiction (only when parents/guardians have granted permission), if the student is below the age of majority. The interview will take place in a closed room away from the view of students and adults. An administrator

may be in attendance. Where a local welfare agency or law enforcement agency asks to conduct an interview on school property in connection with an investigation into alleged child abuse, the district will allow the interview.

OPEN CAMPUS LUNCH

An open-campus lunch period is allowed to students in grades 11-12 during the school year. All 9th and 10th grade students will have a closed campus lunch. If a student does not abide by the open lunch policy, parents/guardians will be notified and the student may be sent home. If the student continues to leave, they may be removed from the program until the next grading period. If the student cannot follow the policy upon returning, they may be removed from the program. If a student returns late from lunch, the attendance policies are in effect.

NURSE

The ALC does not have a nurse on site. Any and all medications that students take at school must be distributed and stored in the ALC's main office.

PARKING LOT / VEHICLE POLICY

Students are allowed to park in the designated "Student Parking" locations only. If insufficient space is available, students should park on the street but avoid the front of the building as this serves as a drop off area.

POST-SECONDARY OPTIONS

Postsecondary Enrollment Options (PSEO) is a program that allows 10th-, 11th- and 12th-grade students to earn both high school and college credit while still in high school, through enrollment in and successful completion of college nonsectarian courses at eligible participating postsecondary institutions. Most PSEO courses are offered on the campus of the postsecondary institution; some courses are offered online. Each participating college or university sets its own admissions requirements for enrollment into the PSEO courses. Eleventh and 12th-grade students may take PSEO courses on a full- or part-time basis; 10th graders are eligible to enroll in PSEO on a more limited basis (see note below). Students must meet the PSEO residency and eligibility requirements and abide by participation limits specified in Minnesota Statutes, section 124D.09. If a school district determines a pupil is not on track to graduate, she/he may continue to participate in PSEO on a term by term basis. To assist the district in planning, a student must inform the district by May 30 of each year of their intent to enroll in postsecondary courses during the following school year." More information can be found on the MN Department of Education Website.

PROM

Area Learning Center 11th and 12th graders are eligible to attend the Northfield High School Prom. VOLUNTEERS

Parents/Guardians and community members are always encouraged to apply as an employee or volunteer at their student's school and / or with the Northfield Public Schools. Volunteers provide a valuable service to students and staff. Minnesota Statute requires a school hiring authority to request a criminal history background check on all individuals who are offered employment in a school and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular services to a school, regardless of whether any compensation is paid. Parents/Guardians and community members who volunteer on a regular basis must complete a background check before serving students affiliated with Northfield Public Schools. This is subject to change dependent on the public health situation.

WELLNESS

The district's [child nutrition webpage](#) hosts wellness policy information and resources for parents/guardians.

Appendix A

Child Nutrition Department

[Child Nutrition information is available on the school website.](#) All students have their own individual meal accounts with a 4-digit PIN (Personal Identification Number) to record meal and individual food purchases. Students will use their same 4-digit PIN as last year. New students will be assigned a PIN at open house or on the first day of school. Ending meal account balances carry over from year to year. Students may purchase meals and food items by submitting a payment to their meal account or by making a payment at the time of service. Parents/guardians are responsible to monitor their student's meal account balances. If a student does not have money in their lunch account a meal will be provided, however, the student will be charged for this meal and the parents/guardians will be held responsible to pay for this meal purchased. Students who have a negative lunch balance will not be allowed to purchase à la carte items. The school district recognizes that it has an obligation to notify the parents/guardians of their student's meal account balances. The Child Nutrition Department will make every reasonable effort to notify or remind families of the need for a meal account payment by using Skylert for both low balance and negative balance calls and emails depending on selected notification preferences. Parents/Guardians should update their contact information in Family Access annually. For information on our negative meal account balance process read this [procedure document](#).

Payments

Families may pay for meals by using cash, check or the Revtrak online payment system.

Cash and check payments may be made daily and sent to any school the student attends. All schools have payment envelopes and collection boxes placed in the child nutrition area for receipt of payments and each school collects and posts money daily into individual meal accounts. Money collected will be posted into the account as it is turned in or at least by 10:30 am and again by 2:00 pm. All other cash or check payments will be posted the following day.

- Cash payments will be accepted in a sealed envelope with the student and parent's/guardian's first and last name, PIN number, and the amount of payment written on the outside of the envelope. Payments may also be mailed to Northfield Public Schools, Child Nutrition Office, 201 Orchard Street South, Northfield, MN 55057.
- Checks should be made out to Northfield Public Schools and must include the student's first and last name and personal identification number (PIN). Payments may also be mailed to Northfield Public Schools, Child Nutrition Office, 201 Orchard Street South, Northfield, MN 55057.

Revtrak payments using a credit or debit card can be made online through Family Access, the district's web-based parent portal, or directly through the RevTrak portal.

Steps for making online payments through Family Access are as follows:

- Log into [Family Access](https://bit.ly/2PW7BUh) (<https://bit.ly/2PW7BUh>) to continue. If you do not have or do not know your Family Access login and password [click here](#).
- Once you have logged in to Family Access, you need to click on the Food Service tab to the left of the screen. This will bring up your child/children. From here you click the "Make a Payment" button next to the child's name. This will link you to Revtrak where you can make a payment.

Steps for making online payments at Revtrak directly are as follows:

- Go to [RevTrak](#)
- Click Meal Payments and follow the prompts to complete payment.

Account Balance Statements

Statements are available upon request. To request a statement, parents/guardians or staff may contact the kitchen at each school or Stephanie DeAdder, Child Nutrition Admin Assistant, by email: sdeadder@northfieldschools.org. We encourage the use of Skyward Family Access to view meal account balances, view payments and purchases, or to print statements. Families will receive bi-weekly automated phone or email messages, depending on selected Skylert Food Service notification preferences, for low and negative account balances.

Refunds

Balances remaining on accounts at the end of the school year will be automatically carried forward to the following school year. Balances follow students to their next building assignment. Positive senior meal balances will be transferred to a younger siblings account or Angel funds account if no other siblings attend Northfield schools and a refund is not requested. Refund requests must be submitted in writing by completing the [refund request form](#). A check will be issued in the amount of the refund. No cash refunds will be made. Before submitting a refund request make sure that you have auto replenish turned off. These are the [instructions](#) on how to turn off auto-replenish payments in RevTrak.

Menus

The Northfield Public Schools participate annually in the National School Breakfast and School Lunch Programs. These programs make available a nutritious breakfast and lunch meal daily for a reasonable cost. Families who are eligible for free or reduced priced meals receive meals at no charge which includes the alternative meal choices. One half-pint of milk is included with every meal. Individual milk purchases do not fall under the free and reduced meal benefits. Students who bring lunch from home or want an additional milk may purchase it for \$.50 per carton. If students bring food or beverages from home, we encourage all families to select nutritious choices. Elementary schools offer cold sandwiches and salads as alternative daily lunch choices. Secondary schools offer hot and cold sandwiches, salads and a second hot entrée lunch choice daily. Most of the cafeterias operate on a continuous serve basis during the entire meal period. Menus are planned using the USDA Menu Planning guidelines. Menus will be posted on the district website at northfieldschools.org. Fall menus will be posted on the district website a month prior to the start of school, and monthly throughout the year.

Offer vs. Serve

The “offer vs. serve” federal regulation requires that students be offered (rather than served) 5 required food components comprising the full lunch meal. Students may choose 3, 4, or 5 lunch food items based on their preferences instead of having to take some of each food. Students are required to take a full serving of a fruit or vegetable at lunch as one of the meal components. Students will be offered 4 required food components at breakfast and must choose at least 3 of the food items. Federal regulations require meals to be priced as a complete unit and students must pay the full price even if they did not choose the complete meal. Students are encouraged to take all of the food items offered, because it provides a balanced meal for the best price.

Food Allergies and Special Dietary Needs

The Child Nutrition Department may honor dietary restrictions due to allergies or intolerances with the proper documentation from a medical authority on file. A suitable alternative will be provided when possible. For students with a lactose intolerance, a lactose reduced milk product will be provided at no extra charge, with a complete meal, on the written request of the parent/guardian or physician. Forms for allergies and any special dietary needs are available on the Child Nutrition Department webpage or from a building nurse. Please contact a building nurse, the District School Nurse or the Child Nutrition Director if you have any questions.

Free and Reduced Meals

Free or reduced meals are available for children who qualify. **An educational benefits form must be completed each school year** and submitted to the Child Nutrition Office for review and approval. Applications for free or reduced meals are mailed out to each household in August. The applications are also available online, at each Principal's Office and in each school kitchen. Families can now complete the educational benefits application online through Skyward Family Access. If you wish to complete your application online, you must first log in to Family Access. After logging in, click the Food Service button located on the left side of the screen and select a child's name. Click the applications tab and follow the prompts to complete the application. The District Child Nutrition Office will process applications as soon as possible, however, it may take 7-10 days for an application to be reviewed and a response sent to the parents/guardians. A letter indicating your benefits will be e-mailed and saved on Skyward Family Access under the Food Service tab. Please save this letter in case you need to show proof of benefits for other programs. **Benefits from the previous school year will be carried over until October 18, 2021.** **Applications may be completed at any time throughout the year; however, any family that has not reapplied by October 18, 2021 will be changed to full priced meals.** Families receiving MFIP, Food Stamps or FDPIR and enrolled in Northfield Public Schools by June 15 for the following year will be directly certified by the State of Minnesota to receive free meals and may not need to complete an application. Payment will be required for any meals purchased prior to the approval of the application.

Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing

This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academic standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our students with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student's achievement, but your student's participation is important to understand how effectively the education at your student's school is aligned to the academic standards.

- In Minnesota's implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and for the purpose of school and district accountability calculations, including opportunities for support and recognition, will not be considered "proficient."
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.
- English learners not taking ACCESS or Alternate ACCESS for ELLs will not receive a score to meet English learner program exiting criteria.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K–12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

Minnesota Comprehensive Assessments (MCA) and Minnesota Test of Academic Skills (MTAS)

- Based on the Minnesota Academic Standards; given annually in grades 3–8 and high school in reading and mathematics; given annually in grades 5, 8, and high school for science.
- Majority of students take the MCA.
- MTAS is an option for students with the most significant cognitive disabilities.

ACCESS and Alternate ACCESS for English Learners

- Based on the WIDA English Language Development Standards.
- Given annually to English learners in grades K–12 in reading, writing, listening, and speaking.
- Majority of English learners take ACCESS for ELLs.
- Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCA are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1–6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7–12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

*To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.*
