Qualification for participation in the selection process includes the following:

- Applicant must be a graduating senior in Spring of 2021
- Applicant must be a resident of Rice County
- Applicant must be accepted, or in the process of acceptance to an accredited college or university.
- Applicant must be a majoring in an agricultural or home economics related program.
- Applicant must submit one letter of recommendation. The letter writer cannot be a relative of the applicant.

This scholarship is not an academic or needs based scholarship. This scholarship is given in appreciation of a student's commitment to agricultural or home economics. The scholarship will be in the amount of $500.

Rice County Farm Bureau scholarships will be awarded to the students who meet the above qualifications. Each scholarship will be awarded based on the decisions of the committee personnel. The decisions of the committee are final and are not subject to alteration or review. The check will be sent after the first semester transcript has been submitted to the Regional Office.

Applications must be returned to the Farm Bureau office at the address listed below for acknowledgement and review. They may also be emailed to the following email address: maryjo.schoenfeld@fbmn.org. The deadline for submitting this application and related correspondence is **April 2, 2021.**
