TITLE IX AND HUMAN RIGHTS REPORTING INSTRUCTION

SCHOOLS AND ADMINISTRATION

STUDENT DISCIPLINE PHILOSOPHY

It is the responsibility of the school board to make reasonable policies and rules for maintaining a safe and supportive school environment. These policies and rules apply at any time a student is present on a school location, at a school-sponsored activity, participating in school activities through a digital platform, and while traveling on school buses. Students are expected to behave in accordance with federal, state and local laws and rules and in a way that respects the rights and safety of others.

While this policy pertains to all schools in District 659, the school board recognizes the uniqueness of each building and classroom in which the policy must be implemented. This policy may be supplemented by additional policies, rules and procedures that recognize those unique needs.

PHILOSOPHY REGARDING LEARNING AND DISCIPLINE

Optimum learning occurs in a positive, safe and secure environment. Students, parents/guardians, teachers, administrators and other school staff all share in the responsibility to ensure a positive climate for learning.

The school setting enables students to develop responsible behaviors and habits that will serve them now and later in life. Proper training in discipline should lead towards self-control and respect for law, authority, property and the rights of others.

Restorative Practices will be used to address negative situations while restoring the school climate to a respectful one. The approach of restorative practice builds community and strengthens relationships to create safe and supportive environments.

While student self-discipline is the ideal, it is understood that fair and appropriate corrective measures may be required at times. When it becomes necessary to enforce the consequences of discipline violations as outlined in this policy, it should be done in a manner that respects the dignity of the student and promotes healthy and responsible behavior.

Discipline is a learning experience, not just a consequence. Discipline...

- helps the student learn a lesson that will positively affect his or her present and future behavior.
- is designed to help the student control and change his or her behavior, thereby guiding the student into adulthood.
- helps the student to grow intellectually and emotionally.
- enhances the student's self-confidence, self-worth and self-image.

MULTIPLE/CHRONIC VIOLATIONS & UNIQUE SITUATIONS

A student who accumulates excess referrals or several referrals for serious behavior may be disciplined in light of the student's overall record. The student and parent will have a warning conference with a principal and other appropriate staff members to make them aware that the student is accumulating too many referrals. Any student who has been suspended for violations of the guidelines may be recommended for expulsion upon his or her return if he or she commits additional offenses of the same nature.

Discipline situations that arise which are not covered by these guidelines will be handled on a case-by-case basis. Behaviors that are willful and disruptive or potentially harmful are included. Unique or special situations at a particular school may call for an adjustment in the discipline policies to meet the school or district's needs.

ADDITIONAL DISCIPLINE INFORMATION

CORPORAL PUNISHMENT

District 659 strictly prohibits corporal punishment. Corporal punishment involves the hitting or spanking of a person with or without an object or any unreasonable force that causes bodily harm or substantial emotional harm.

DISCIPLINE PROCEDURES

All disciplinary actions shall be processed pursuant to District 659's discipline policy and the requirements of the Minnesota Pupil Fair Dismissal Act,

- Any student who violates a school policy or rule may be subject to the consequences established in the student handbook.
- Any student who violates a school policy that has a potential consequence of dismissal from school for more than one school day shall have an informal conference with a school administrator. An informal conference is not required where the student is creating an immediate and substantial danger to himself or herself or to surrounding persons or property.
- Any student who is being dismissed from school for more than one day will be provided written notice containing: a statement of the facts giving rise to the dismissal (including pertinent statements of staff members and the student), the grounds for dismissal, a copy of the Pupil Fair Dismissal Act and a plan established for the student's readmission. The parents/guardians of the dismissed student shall be provided written notice of the dismissal within 2-3 business days. The notice will include all the elements contained in the student's notice.
- Any suspension that exceeds ten days in length will be accompanied by an explanation to the superintendent listing the reasons why the suspension exceeded ten days in length.

All students who violate a school policy or rule that has potential consequences of exclusion or expulsion will be given the opportunity to have a hearing over the issue of exclusion or expulsion in accordance with Minnesota law. (See Minnesota Statutes 121A.41 to 121A.55.)

DRUG DOG SEARCH - PURPOSE AND PROCEDURE

The District will conduct periodic searches of the schools and their adjacent parking lots with the assistance of local and county law enforcement officers and drug-sniffing dogs. Each canine unit will be accompanied by at least one school district staff and when possible, the school resource officer.

In the event of a positive identification by the canines, two school personnel will conduct a search of the locker or vehicle in question. If the search reveals unauthorized or illegal items, district personnel may ask that law enforcement finish the search of the locker or vehicle.

A student must unlock a locked motor vehicle or its compartments upon the request of a school official. Failure to do so is a violation of Policy 527.

EFFECT OF DISCIPLINARY ACTION ON STUDENT RECORD

Violations and consequences accumulate for the current school year except for chemical violations leading to expulsions.

MODIFICATION OF CONSEQUENCES

Consequences for a specific violation can be adjusted on an individual basis at the discretion of building administration.

PARENTAL QUESTIONS ABOUT DISCIPLINE

Parents may contact building administration to discuss an infraction and consequence assigned if they have questions regarding the situation.

PHYSICAL RESTRAINT

Physical restraint may be utilized by administrators, teachers and other staff only where it is necessary to use reasonable force to restrain a student from injuring himself or herself, others or property.

POLICE REFERRAL

Generally, law enforcement will not be present during an administrator's interview of a student. If a student violates a district policy that also violates a law, the student may be referred to the police. A district administrator may be present during a search and related questioning by law enforcement. Law enforcement and other external agencies are permitted to interview students on campus as described in Policy 519.

PUBLICATION OF DISCIPLINE POLICY

Each school will include the district-wide guidelines along with their building-level guidelines to make up their overall building discipline guidelines. Students and parents will be informed of these guidelines at the beginning of the school year or when they enroll in a District 659 school.

SCHOOL DISTRICT LOCKER POLICY

It is the policy of District 659 (Policy 502) and the State of Minnesota that school lockers, desks and other areas assigned to a student are the property of the school. At no time does the school relinquish its exclusive control of lockers provided for the convenience of students. **School authorities for any reason may conduct inspection of lockers at any time, without notice, without student consent and without a search warrant.**

The personal possessions of a student within a locker may be searched only when school authorities have reasonable suspicion that the search will uncover evidence of a violation of law or school rules.

As soon as practicable after the search of a student's personal possessions, the school must provide notice of the search to the student whose locker was searched unless such disclosure would impede an ongoing investigation by police or school officials.

SPECIAL EDUCATION OR DISABLED STUDENTS

Consequences for Special Education or Disabled students will be adjusted, as required by federal and state laws and regulations, and the student's individual education plan (IEP) or accommodation, when necessary. Special Education students and their parents may request modification of those policies and accommodations where appropriate.

UNIQUE SITUATIONS

Because it is not possible to list every violation that occurs, those not specified will be responded to as necessary by staff on a case-by-case basis. Unique or special circumstances at a particular school may call for an adjustment in the discipline policies to meet the school's needs.

DEFINITIONS

“Dismissal” means dismissing a student from school for one school day or less.

“Exclusion” means an action taken by a school board to prevent enrollment or re-enrollment of a pupil for a period that shall not extend beyond the school year.

“Expulsion” means an action taken by a school board to prohibit an enrolled pupil from further attendance for a period that shall not extend beyond an amount of time equal to one school year from the date the student is expelled.

“Removal” means any action taken by a teacher, principal or other school district employee to prohibit a pupil from attending class for a period of time not to exceed five class or activity periods. A student may be removed from class for violating the district’s discipline policy or for willful conduct that disrupts the rights of others to an education or which endangers other individuals or the property of the school.

“School location” includes a school building, school grounds, school activities or trips, bus stops, school buses or school vehicles, school-contracted vehicles, the areas of entrances or departure from school premises or events, and all school related functions.

“School personnel” means any person employed or under the direction/assignment of school personnel and who is acting within the scope of their assignment.

“Suspension” means an action taken by the school administration, under the district’s discipline policy, which prohibits a pupil from attending school. This definition does not apply to dismissal from school for one school day or less. In no event shall a single suspension exceed 15 school days provided that an alternative program shall be implemented when that suspension exceeds ten days.

POSSIBLE DISCIPLINARY CONSEQUENCES

District staff can use the following consequences or actions when discipline infractions occur. These could include:

- **Student Conference**
- **Parent/Guardian Conference**
- **Restorative Practices** – This includes community-building circles, norm setting, and restorative conversations.
- **Detention** – Requirements for a student to remain in school or attend school outside normal school hours.
- **Fine** – A financial penalty assessed on a student by the school.
- **Restitution** – Compensation or compensatory service required of a student who has damaged, taken or destroyed school or personal property.
- **Truancy Referrals** – Referral to Rice County authorities when unexcused absences exceed the legal limits.
- **Removal from Class** – Removal from a particular class for up to five class periods due to inappropriate behavior.
- **In-School Suspension (ISS)** – Removal from classes to an in-school suspension room under the direction of staff.
- **Dismissal from School** – Dismissing a student from school for one day or less.
- **Out-of-School Suspension** – Action taken by the school administration, under the district’s discipline policy, which prohibits a pupil from attending school. This definition does not apply to dismissal from school for one school day or less. In no event shall a single suspension exceed 15 school days provided that an alternative program shall be implemented to the extent that suspension exceeds ten days. Students may not be on school property during the suspension or they are subject to trespassing. Out-of-school suspension may be served during non-school days at the discretion of the building administrator.
- **Police Referral** – If a student violates a district policy that also violates a law, the student may be referred to the police.
- **School Transfer** – Transfer from the student’s home or neighborhood school to another similar district school.
- **Exclusion** – Action taken by the school board to prevent enrollment or re-enrollment of a student for a period that shall not extend beyond the school year.
- **Expulsion** – Action taken by the school board to prohibit a student from attending school for a period that shall not extend beyond an amount of time equal to one school year from the date a pupil is expelled.
 - Agreement to Withdraw (in lieu of expulsion)– The student and his/her family and the district sign a document agreeing that the student will enroll in another school district for the duration of the proposed expulsion period. Expulsion proceedings are suspended as long as the student does not attempt to re-enroll in a Northfield district school during that period (up to one calendar year).
 - Abeyance (in lieu of expulsion) – The student and his/her family and the district sign a document agreeing that the student will transfer to the Northfield Area Learning Center for at least the duration of the proposed expulsion period and will abide by the terms and conditions outlined in the abeyance agreement. Expulsion proceedings are suspended as long as the student does not attempt to re-enroll in another district school during that period (up to one calendar year).
 - As the Northfield Area Learning Center is a high school-only program, abeyance is not an option for students in 8th grade and below.
- **Bus Suspension** – Action taken by a school district administrator to prohibit a student from riding a school bus or other district vehicles ranging from one day to the balance of the school year.
- **Restriction or Loss of School Privileges**
- **Suspension from Extra Curricular Activities.**
- **Other Disciplinary Action Deemed Appropriate by District 659.**

EXPELLABLE OFFENSES

While it is the Northfield School District's belief that action to expel a student should be a "last resort," district policy does include expulsion as a possible or automatic response to several behavioral offenses. The following chart is a quick reference to those offenses. Please see a more detailed description of those offenses and the corresponding responses to them in the earlier pages of this handbook.
