

INDEPENDENT SCHOOL DISTRICT NO. 659
REGULAR SCHOOL BOARD MEETING

Monday, February 9, 2026 ~ 6:00 p.m. ~ Regular Board Meeting
Northfield District Office Boardroom

[Meeting Link](#)

AGENDA

1. Call to Order
2. Agenda Approval/Table File
3. Public Comment
4. Announcements and Recognitions
5. Items for Discussion and Reports
 - a. Prairie Creek Community School and Arcadia Charter School Annual Reports
 - b. Prairie Creek and Arcadia Site Visits
 - c. Indigenous (American Indian) Parent Meeting, Service Update, and Vote of Concurrence
 - d. Financial Forecast Follow Up
 - i. Board Renewal of Operating Levy Timeline
 - ii. Potential Budget Restorations
 - e. Proposed 2026-2027 Operating Capital and Long-Term Facilities Maintenance Budget
 - f. Long-Term Facilities Maintenance Ten Year and Indoor Air Quality Management Plan
 - g. Policy Committee Recommendations
6. Consent Agenda
 - a. Minutes
 - b. Gift Agreements
 - c. Financial Reports
 - d. Personnel Items
7. Items for Individual Action
 - a. Resolution Requiring Administration to Make Recommendations Regarding Programming and Staffing for Next Year
 - b. Board Committee Assignments
 - c. Policy Committee Recommendations
8. Items for Information
 - a. Later School Start Times Work Session Recap
 - b. Enrollment Report
 - c. Construction Update No. 22
9. Future Meetings
 - a. Monday, February 23, 2026, 6:00 p.m., Regular Board Meeting, Northfield DO Boardroom
 - b. Monday, March 2, 2026, 6:00 p.m., District Committee Meetings, Northfield DO Gymnasium
 - c. Monday, March 9, 2026, 6:00 p.m., Regular Board Meeting, Northfield DO Boardroom
 - d. Thursday, April 2, 2026, 5:00 p.m., Board Work Session, Northfield DO Boardroom
(Topic: Later School Start Times)
10. Adjournment

NORTHFIELD PUBLIC SCHOOLS

MEMORANDUM

Monday, February 9, 2026 ~ 6:00 p.m. ~ Regular Board Meeting
Northfield District Office Boardroom
[Meeting Link](#)

TO: Members of the Board of Education
FROM: Matthew Hillmann, Ed.D., Superintendent
RE: Explanation of Agenda Items for the Monday, February 9, 2026, Regular School Board Meeting

1. Call to Order
2. Agenda Approval/Table File
3. Public Comment
Public comment for this school board meeting may be made in person at the beginning of the meeting and must comply with the district's public comment guidelines.
4. Announcements and Recognitions
5. Items for Discussion and Reports
 - a. Prairie Creek Community School and Arcadia Charter School Annual Reports. Simon Tyler, Director of Prairie Creek Community School, and Laura Stelter, Director of Arcadia Charter School, will report on the programming at their two charter schools. Prairie Creek is in its 23rd year of operation as a charter school under the sponsorship of Northfield Public Schools. Arcadia is in its 22nd year of operation. These reviews and written reports fulfill state requirements for annual reporting as well as our district's request that each charter school authorized by Northfield Public Schools present an annual report to the school board.
 - b. Prairie Creek and Arcadia Site Visits. Superintendent Hillmann and ALC Director Daryl Kehler visited Prairie Creek Charter School on Dec. 9, 2025, and Arcadia Charter School on Jan. 30, 2026. Director Kehler will provide a brief report regarding both visits.
 - c. Indigenous (American Indian) Parent Meeting, Service Update, and Vote of Concurrence. Director Kehler will share the activities associated with improving services to Indigenous students and families. The American Indian Parent Advisory Committee (AIPAC) met on Oct. 8, 2025, Nov. 22, 2025, and Jan. 29, 2026. During the Jan. 29, 2026 meeting, the committee held a vote of concurrence to approve the 2025-2026 American Indian Education Aid Program results and develop the program's 2026-2027 goals.
 - d. Financial Forecast Follow Up.
 - i. Board Renewal of Operating Levy Timeline. Director of Finance Val Mertesdorf and Superintendent Hillmann will present a timeline for board renewal of the 2017 operating levy as part of the FY27 budgeting process. Board renewal of an operating levy, using the same conditions as originally approved by the voters, is permitted by Minnesota Statute 126C.17.
 - ii. Potential Budget Restorations. Director Mertesdorf and Superintendent Hillmann will discuss the potential of restoring targeted items identified in the 2025 priority based budget reduction process due to the stabilized financial forecast.
 - e. Proposed 2026-2027 Operating Capital and Long-Term Facilities Maintenance Budget. Director Mertesdorf will present the 2026-2027 Operating Capital Budget and Long-Term Facilities Maintenance Plan. Justin Raabolle, Director of Buildings & Grounds, will be available for questions. The board will be asked to adopt the budget at the Feb. 23, 2026 board meeting.
 - f. Long-Term Facilities Maintenance Ten Year and Indoor Air Quality Management Plan. Director Raabolle and Director Mertesdorf will review the Long-Term Facilities Maintenance ten year revenue and expenditure plan. They will also review the indoor air quality management plan. The board will be asked to approve the ten year plan, including the air quality management component, at the Feb. 23, 2026 board meeting. The approved

plans must be submitted to the Department of Education.

- g. Policy Committee Recommendations. Superintendent Hillmann will present the policy committee's recommended changes to policies 410.1, 426, 502, 527, and 528. This will be an item for individual action at the Feb. 13, 2026 board meeting.

6. Consent Agenda

Recommendation: Motion to approve the following items listed under the consent agenda.

- a. Minutes. Minutes of the regular school board meeting held on Jan. 26, 2026.
- b. Gift Agreements. Gift agreements to be approved are attached.
- c. Financial Reports.
 - i. Financial Reports - July 2025. Director Mertesdorf requests the board approve paid bills totaling \$4,336,657.52, payroll checks totaling \$3,425,210.78, bond payments in the amount of \$729,429.38, a wire transfer totaling \$300,000.00 from Frandsen General to Frandsen Sweep, a wire transfer totaling \$350,000.00 from Frandsen Sweep to Frandsen General, and the financial reports for July 2025. At the end of July 2025, total cash and investments amounted to \$70,579,908.52.
 - ii. Financial Reports - August 2025. Director Mertesdorf requests the board approve paid bills totaling \$2,466,582.47, payroll checks totaling \$3,489,978.29, a wire transfer totaling \$450,000.00 from Frandsen General to Frandsen Sweep, a wire transfer totaling \$100,000.00 from Frandsen Sweep to Frandsen General, and the financial reports for August 2025. No bond payments were paid in August. At the end of August 2025, total cash and investments amounted to \$71,060,474.35.
 - iii. Financial Reports - September 2025. Director Mertesdorf requests the board approve paid bills totaling \$2,877,668.38, payroll checks totaling \$3,664,133.11, a wire transfer totaling \$250,000.00 from Frandsen General to Frandsen Sweep, a wire transfer totaling \$150,000.00 from Frandsen Sweep to Frandsen General, and the financial reports for September 2025. No bond payments were paid in September. At the end of September 2025, total cash and investments amounted to \$70,813,565.57.
- d. Personnel Items.
 - i. Appointments
 - 1. Kari Adelmann, Long-Term Substitute Special Education EA/PCA for 6.5 hrs/day plus .25 hrs/day supervisory at Spring Creek effective 2/2/2026-4/3/2026. General Ed - Step 4, \$21.44/hr. Special Ed - Step 4, \$23.51/hr.
 - 2. Jennifer Bowens, Special Education EA/PCA for 6.75 hrs/day at the Middle School beginning 2/2/2026. Step 4, \$23.51/hr.
 - 3. Alaia Douah, Instructor Assistant for Community Education/Recreation effective 2/7/2026-5/31/2026. Step 2, \$15.29/hr.
 - 4. Barry Hayes, .3 FTE Assistant Girls Golf Coach at the High School beginning 3/16/2026. 1,357.20 stipend.
 - 5. Kristin Johnson, 1.0 FTE Long-Term Substitute EL Teacher at Greenvale Park effective 2/9/2026-4/17/2026. MA, Step 10.
 - 6. Steve Mathre, .5 FTE Assistant Track & Field Coach at the High School beginning 3/9/2026. \$2,832.50 stipend.
 - 7. Zachariah Simmons, Instructor Lead for Community Education/Recreation effective 2/7/2026-5/31/2026. Step 6, \$17.45/hr.
 - 8. Natalia Trevino-Avila, Assistant Girls Lacrosse Coach at the High School beginning 3/30/2026. \$4,524 stipend.
 - ii. Increase/Decrease/Changes in Assignment
 - 1. Shari Bridley, General Education EA for 17.5 hrs/week at the NCEC, add Special Education EA for 15.5 hrs/week for a total of 33 hrs/week effective 2/2/2026-6/10/2026.
 - 2. Kahlil Brown, Community School Club Leader at the Middle School, add Instructor Assistant & Instructor Lead for Community Education/Recreation effective 2/7/2026-5/31/2026. Instructor Assistant Step 4, \$15.83/hr. Instructor Lead Step 4, \$16.91/hr.
 - 3. Tammy McDonough, Substitute Teacher for the District, change to 1.0 FTE LTS Science Teacher at the High School effective 1/28/2026-2/13/2026.
 - 4. Gabriela Nieves, Early Childhood Outreach Specialist for 40 hrs/week at the NCEC, change to 36.5 hrs/week effective 2/2/2026.
 - 5. David Pennock, KidVentures Site Assistant for 7.5 hrs/week at Greenvale Park, change to Substitute KidVentures Site Assistant on call, as needed effective 1/30/2026.

6. Zachariah Simmons, Instructor Lead for Community Education/Recreation, add Instructor Assistant effective 2/7/2026-5/31/2026. \$16.37/hr.
- iii. Leave of Absences
 1. Margaret Christensen, CNA I at Bridgewater, leave of absence beginning 1/9/2026 through 2/13/2026.
 2. Peter Weeks, Teacher at the High School, FMLA Leave of Absence beginning approximately 5/8/2026 and continuing for up to 10 work days.
- iv. Retirements/Resignations/Terminations
 1. Vicky Chlan, Teacher at the High School, retirement effective 6/10/2026.
 2. Ethan Freier, Teacher at the Middle School, retirement effective 6/10/2026.
 3. Ann Jerdee, Teacher at the Middle School, resignation effective 1/21/2026.
 4. Michelle Sonnega, Teacher at the High School, retirement effective 6/10/2026.
 5. Updated: Tammy Iszler-Johnson, Occupational Therapist, resignation effective 9/22/2025.

*Conditional offers of employment are subject to successful completion of a criminal background check and Pre-work screening (if applicable)

7. Items for Individual Action

- a. Resolution Requiring Administration to Make Recommendations Regarding Programming and Staffing for Next Year. A copy of the resolution is enclosed. The board passes this resolution at this time each year to allow the process to begin regarding making changes in the budget. This resolution must be in place in the event that staff positions are discontinued.

Superintendent's Recommendation: Motion to authorize the administration to make recommendations for additions and reductions in programs and for adding or discontinuing positions.

- b. Board Committee Assignments. The board is requested to approve board member committee appointments and representation to various organizations and school liaisons for calendar year 2026.

Superintendent's Recommendation: Motion to approve board member committee appointments and representation to various organizations and school liaisons for calendar year 2026.

- c. Policy Committee Recommendations. The board is requested to approve the policy committee's recommended updates to policies 443, 505, 507, and 520.1.

Superintendent's Recommendation: Motion to approve the policy committee's recommended changes to policies 443, 505, 507, and 520.1.

8. Items for Information

- a. Later School Start Times Work Session Recap. Superintendent Hillmann will give a recap of the Jan. 29, 2026 later school start times work session.
- b. Enrollment Report. Superintendent Hillmann will review the February 2026 enrollment report.
- c. Construction Update No. 22. Superintendent Hillmann will provide an update on the NHS construction project.

9. Future Meetings

- a. Monday, February 23, 2026, 6:00 p.m., Regular Board Meeting, Northfield DO Boardroom
- b. Monday, March 2, 2026, 6:00 p.m., District Committee Meetings, Northfield DO Gymnasium
- c. Monday, March 9, 2026, 6:00 p.m., Regular Board Meeting, Northfield DO Boardroom
- d. Thursday, April 2, 2026, 5:00 p.m., Board Work Session, Northfield DO Boardroom
(Topic: Later School Start Times)

10. Adjournment

Reaching Out, Reaching Up:

THE 2027 STRATEGIC PLAN

VISION

We prepare every student for lifelong success by developing critical thinkers who are curious and ready to engage in our society.

BENCHMARKS

1 All children are ready for kindergarten .	2 All students are connected to the community .	3 All students are at grade level in reading and mathematics by the end of third and sixth grades.
4 All students exhibit physical, social and emotional well-being .	5 All students have a connection with a caring adult beyond their parents as they transition to middle school.	6 All students have interests, goals and a vision for the future by the end of eighth grade.
7 All students graduate from high school with a plan to reach their full potential.	8 All employees report satisfaction in the workplace.	9 All parents report satisfaction with their children's educational experience.
10 The district maintains 14% of its annual expenditures in its unassigned fund balance to ensure financial stability .	11 Community education provides relevant and accessible learning opportunities for all residents.	Note: The first seven benchmarks are aligned with the language identified by Northfield Promise, a collective impact consortium of 20 community organizations committed to helping Northfield's youth thrive "from cradle to career."

STRATEGIC COMMITMENTS

People

We prioritize the engagement, satisfaction, and support of every student, staff member, and family.

Learner Outcomes

We prepare every student to be academically and socially ready to choose their preferred pathway after high school graduation.

Equity

We ensure that every child has a fair opportunity to reach their full potential.

Communication

We communicate effectively and transparently with all stakeholders.

Stewardship

We responsibly manage our personnel, finances, property, time and environmental impact.

Partnerships

We seek community partnerships that accelerate student achievement of district benchmarks.

This report provides Prairie Creek Community School's (PCCS) authorizer, Northfield Public Schools, an overview of the 2024-2025 Annual Report.

Enrollment

PCCS continues to be a popular school with full enrollment (Average Daily Membership: 180) and a robust waiting list at all grade levels. PCCS had 13.9% students of color, 17.8% free/reduced lunch students and 24.4% special education students. Student attrition rates continue to be very low. 95.8% of students were continuously enrolled between October 1, 2024 and October 1, 2025.

PCCS continues to be a popular public school choice for families. At the time of this report, there were more than 60 applications for the 30 kindergarten places for the 2026-2027 school year.

Education Program

Notable successes in the 2024-2025 education program included these strategic actions:

The Arts Each year, PCCS students participate in a residency with a guest artist. In January of 2025, children engaged in a residency experience with musician Ross Sutter. Students participated in dance and music from folk traditions. The All School Field Trip featured a trip to the Ordway Theater for a performance by opera/hip hop artist Babatunde Akinboboye.

Environmental Stewardship With the support of a Whole Kids Foundation grant, a fenced outside garden and work area has been added to the hoophouse. A group of PCCS children participate in a weekly Environmental Club with St. Olaf students and other community naturalists. These developments support an ongoing commitment to nature connections and stewardship throughout the program. PCCS children continue to participate in weekly interdisciplinary forest classroom activities. Thirty fifth graders spent a week at the Wolf Ridge Environmental Learning Center.

St. Thomas Charter School Residency Program In the 2024-2025 school year PCCS continued its relationship with St. Thomas University and the Charter School Residency Program. Five PCCS faculty have now graduated from this "grow your own" model. In 2024-2025, PCCS hosted two program residents on the general education and special education paths who were subsequently hired for the 2025-2026 school year.

Student Achievement

PCCS has a progressive education, child-centered mission that focuses on the evaluation of the whole child. Families are provided with written narratives twice a year that detail the social, emotional and academic progress of each student. PCCS establishes academic goals both for the authorizer contract and the Comprehensive Achievement and Civic Readiness plan. PCCS exceeded state average proficiency in Science, Math and Reading Minnesota Comprehensive Assessments. Detailed accountability data reports are documented in the Annual Report.

Financial Management

PCCS has steadily built a strong fund balance reserve, finishing FY25 with a fund balance of \$1,333,124 (43.3% of annual expenditures) which has kept the school fiscally sound and well positioned to weather unforeseen events. The audited financial statements for the year ending June 30, 2025 show General Fund total revenue at \$3,181,901 and General Fund total expenses in the amount of \$2,857,224 resulting in a net increase of \$324,677.

Summary

This year is the last year of the current five-year contract with our authorizer. The school's mission has been acted upon during that contractual cycle with the supporting structure of a 2022-2026 strategic plan. That plan was aligned to each of the four mission pillars with ongoing innovation, reflection and learning informed by the teacher-led weekly two-hour professional development model. We are currently engaged in a new process of strategic planning. Strategic direction will center on Prairie Creek's mission to be an exemplar of a sustainable and thriving public, progressive education school.

We are deeply grateful for our partnership with the Northfield School District. It is a collaboration that extends back to 2002 when Prairie Creek Community School became a charter school. Our authorizer's trust, support and oversight is central to the school's success. We look forward to working together in the years to come.

Prairie Creek Community School 2024-2025 Annual Report

February 9, 2026

PCCS Mission

- PCCS is a community school
- PCCS is a child-centered school
- PCCS is a progressive education school
- PCCS works to make the world a better place

Connecting to Nature / Environmental Stewardship

Value Statement: We nurture a close connection with nature and promote environmental stewardship.

- Forest Classroom
- Community Garden
- St. Olaf Collaboration
- Green School Network
- Wolf Ridge ELC

Evaluation

Student Evaluation at PCCS focuses on the development of the whole child. Evaluation tools include:

- Child-centered narratives
- Formative Assessments
- Standard Assessments
- Performance Observation
- Research Projects
- Thematic culminating events
- Arts Engagement
- Self-Reflection
- Habits of Mind

Minnesota Comprehensive Assessment Standardized Test Scores

Scores in %	2022	2023	2024	2025
PCCS Science	60.0	69.0	50.0	63.3
State Science	50.0	48.4	45.0	26.2
PCCS Math	56.2	60.7	62.9	58.0
State Math	44.8	46.0	45.5	45.2
PCCS Reading	73.0	73.0	65.9	67.8
State Reading	51.1	50.5	49.9	49.6

Financial Management

Future Plans

Key Strategic Action Focus for 2025-2026

- Strategic Planning
- Arts Residency - Mosaic Art
- Community Garden Development
- READ Act Implementation

Questions and Discussion

Purpose: The purpose of this report is to provide Arcadia’s authorizer with a summary of the 2024-2025 school year annual report.

Enrollment

Arcadia’s enrollment during the 2024-2025 school year was back up to around 118. However, with movement during the year and a number of students participating in PSEO, the final average daily membership (ADM) was 113.15. The average daily membership increased by 10 from the previous year (2023-2024), which made a substantial positive impact on the school’s financial situation and ability to maintain the program. Students continue to join us from a wide range of surrounding districts, including Farmington, Rosemount-Apple Valley-Eagan, New Prague, Lakeville/Elko New Market, Kenyon-Wanamingo, Tri-City United, and Faribault, though the majority of our students are Northfield residents. Looking at annual data starting in 2019, the split has stayed between 75-80% of students coming from Northfield, and 15-20% of students coming from outside of the Northfield school district.

Academic Program

The Opening Expedition model continues to provide the school with a solid, community-designed foundation that we build on throughout the school year. In the four days of the first week, students work in their advisories, in grade level groups, and in mixed grade level groups to build community, learn civics content, and develop the [school’s social contract](#). In FY25, the civics topic was “Civil Discourse” with content created and sessions led by our two excellent social studies teachers. The high school students once again attended a [leadership training](#), and led the mixed grade level groups through the social contract process. This has proven highly effective at establishing a positive school culture and behavior norms—students, who have established the expectations, and are able to appropriately hold each other accountable with staff support.

Arcadia also continued its focus on Restorative Practices. The staff received its annual training on this topic during workshop week and continue to practice. The underlying norms of a restorative community are also reinforced by the social contract process. While the community is not completely without conflict, conflicts were managed restoratively, and there were once again zero suspensions in FY25.

FY25 was the first year of Arcadia’s new mathematics curriculum implementation. After years of lagging scores, we determined that we needed to change our approach. We adopted a well-constructed, proven curriculum and adjusted the teaching model, putting our most knowledgeable and experienced teacher in charge of the whole algebra sequence, and including grade level, push-in support for students in special education. We anticipate a dip in progress following the implementation of these changes, but believe we are better set up for long-term success having made them.

READ Act implementation is underway, and the Phase 1 educators started their training during FY25, to be completed in FY26. Our Local Literacy Plan can be found on this page: <https://pub.education.mn.gov/MDEAnalytics/DataTopic.jsp?TOPICID=580>. Leave the School Year as “2024-2025,” click on “Arcadia Charter School (4091-07)” in the dropdown menu, then click “Run Report.”

According to the State, consistent attendance was back up from 67% in FY24 to 74.5% in FY25. As noted in last year’s report, we did not have a school social worker monitoring and working with families to support attendance in FY24, but we did in FY25, which likely led to some improvement in consistent attendance. Our overall average daily attendance for the FY25 year was 90.28%. We continue to prioritize student attendance.

Student Achievement

Students at Arcadia continue to meet all MN State standards through a combination of project and course work. Arcadia students’ reading (63% proficient) and science (46.2% proficient) MCA scores continue to exceed the state averages.

Arcadia students’ math MCA scores continue to be lower, at 33.9% in FY24. In FY25, we developed work we started in FY24, as described under the “Academic Program” section above.

Financial Management

In my report last year, I wrote:

In FY23, we ended the year with a \$744,906, or 33.95%, fund balance. Last year, I reported that we would likely be running a deficit budget in FY24, and that was the plan. However, despite an anticipated loss, especially with our ADM down to 103.31, we carefully managed our spending, were lucky with some budgeted areas (utilities and snow removal), and received a bit more funding than anticipated, which allowed us to instead add \$49,392 to the fund balance, taking it up to \$794,298, or 38.30%.

Despite that ultimate success, which we were not anticipating when the Board was creating the FY25 budget in April 2024, we determined in FY24 that we needed to make cuts to put us in a sustainable financial position for the future. We cut 2.0 FTE licensed staff and an additional .2 FTE administrative support staff for FY25. Salaries for all staff were frozen. We changed the middle school advisory and math instruction models and made classes that had been every other day into every day, all of which were changes that we felt would ultimately benefit students and allowed for the staff cuts. With the FY25 rebound in enrollment (118 this year, anticipating an ADM of 113 with PSEO), we are in a stable financial position. We are collecting data on the model changes, but anticipate that increased instructional time, especially in English language arts and social studies, and a coherent math curriculum will have a positive impact, despite having fewer staff members running the program.

We did, indeed, end with an ADM of 113, and a surplus of \$51,761, so we ended FY25 with a fund balance of \$846,059, or 40.77%. This exemplifies our sound financial management, and how essential it was to have made the cuts that we did. The staffing changes connected to the FY25 budget cuts were a challenge to manage, especially toward the end of the year, when a number of staff members encountered challenging personal situations—with such a small staff, having more than one person out for an extended period of time is extremely difficult. The staff did commendable work to implement the changes we had determined were needed in our budget and in our students' best interests, despite the challenges.

Summary

In the 2024-2025 school year, we continued to build on foundations established in 2023-2024 to ensure our financial stability. The data suggest that our students are learning and our finances are in order.

2024-2025 Annual Report
February 9, 2026

Mission Highlight: Restorative Practices and the Arts

Restorative practices are the belief that learning is relational and our interconnectedness and inherent value is linked [...]; restorative practices represent the ways in which **we give our humanity presence** in the midst of a complex story of public education.

—Rebecca McCammon

[Arcadia Restorative Process 2025-2026](#)

- **Arcadia Rubric:** Progressive, Equitable and Inclusive, Growth and Transition-Focused, Project-Based Learning
- **Current focus:** Equitable and Inclusive and Project-Based Learning
- **Professional Development:** Restorative Practices, Math (QComp), PBLWorks
- **In Practice:** Few disciplinary referrals, strong community culture, a project in every class

Student Achievement: MCA Data

- Participation: 92.4% math, 73.3% science (11/15), 94.7% reading
- Continue to be above state and local averages in reading and science
- Math story is complex
- Middle school model and math curriculum changes made for 2024-2025 to support students' academic success and provide cohesive math instruction
- MTSS implementation

Scores in %	2019	2022	2023	2024	2025
ACS Science	51.6	48.5	54.8	51.7	46.2
State Science	50.7	41	38.8	39.2	26.2
ACS Math	60	38.8	44.1	41.8	33.9
State Math	55	45.5	46	45.3	45.2
ACS Reading	73.9	67.2	57.4	61.5	63
State Reading	59.2	51.7	49.9	49.7	49.6

Comprehensive Achievement and Civic Readiness

Goal #1: Close the Achievement Gap(s) Between Student Groups (Not Met--only 50% demonstrated growth based solely on the test)

70% of Arcadia students in special education who take the NWEA MAP reading test and who are below grade level average in the fall of 2024 will demonstrate growth when they take the test again in the spring of 2025.

70% of Arcadia students in special education who take the NWEA MAP math test and who are below grade level average in the fall of 2024 will demonstrate growth when they take the test again in the spring of 2025.

Goal #2: All Students Career- and College-Ready by Graduation (Met)

Every year from 2022-2027, each senior who begins and ends their senior year with Arcadia, completing at least 50% of the school year at Arcadia, will complete a Senior Project. Each student writes their own project-related SMART goals with their project advisor. Projects are measured against a rubric that includes content, time management, presentation and oral communication, writing and resources, and a student-created section directly relevant to the student's project.

Goal #3: All Students Graduate (Met)

All seniors (100%) who begin the school year at Arcadia and intend to graduate from Arcadia will graduate within one year of entering their senior year.

Additional Measures of Student Achievement in FY25

- 100% Graduation Rate (5-year)
- Nine PSEO and Carleton/St. Olaf Honors participants
- 100% of seniors complete a senior project
- Bilingual seal testing offered (six students have received certificates or seals since 2020)
- Zero significant disciplinary referrals

Questions and Discussion

Prairie Creek Charter School Authorizer Site Visit Report

Matt Hillmann, Ed.D., Superintendent

Daryl Kehler, ALC Director

Jennifer Bowens, Superintendent Intern

Tuesday, December 9, 2025

As part of its role as an authorizer of charter school programs, Northfield Public Schools ensures that charter schools meet the Minnesota Department of Education’s requirements and state statutes. This report evaluates Prairie Creek Charter School across four key areas: educational program success, organizational efficiency, legal compliance, and sustainability strategies. In addition to the reporting responsibilities as an authorizer, we make a site visit to the charter school at least once annually. During the visit, we gather data on these four key questions:

- 1. Is the educational program a success?
- 2. Is the organization efficient and well run?
- 3. Is the school meeting its legal obligations?
- 4. Are strategies in place for sustaining success and continuing to improve over the next charter term?

On December 9, 2025, the Northfield Public Schools Superintendent Matt Hillmann and Charter School Authorizer Team Lead Daryl Kehler visited Prairie Creek Charter School (PCCS) for the annual authorizer site visit.

PCCS’s mission is to be the exemplar model of a sustainable and thriving public progressive education school. The core values and beliefs are that it is a community school that is child-centered with a progressive education model and strives to make the world a better place.

1. Is the educational program a success?

☰ CACR / Authorizer Contractual Goals 2022-2026

Prairie Creek continues to outperform the Minnesota averages on the Minnesota Comprehensive Assessment (MCA).

Prairie Creek Charter School MCA Proficiency

Scores in %	2022	2023	2024	2025
PCCS Science	60	69	50	63.3
State Science	50	48.4	45	26.2
PCCS Math	56.2	60.7	62.9	58
State Math	44.8	46	45.5	45.2
PCCS Reading	73	73	65.9	67.8
State Reading	51.1	50.5	49.9	49.6

Prairie Creek Community School (PCCS) continues to focus on the progressive education approach that is very important to all the staff at PCCS, and it serves as the foundation for all decisions at the school. As evident by the standardized

scores, PCCS has strong academic support and strategies as they incorporate hands-on active learning with structured activities and differentiated lessons.

PCCS met 9 of their 12 Comprehensive Achievement and Civic Readiness (CACR) goals for the 24-25 school year.

2. Is the organization efficient and well-run?

Visit notes summarized by Claude:

Academic Program. The school balances progressive, theme-based learning with state requirements. K-1 students engage in thematic teaching (like a "markets" theme) while also using University of Minnesota's Read Act-approved literacy curriculum. All grade levels showed strong student engagement during classroom observations, with activities ranging from math lessons to Spanish and art classes.

Governance & Leadership. The board chair reports strong engagement among current members, with formalized meeting structures and detailed agendas. The school conducts annual anonymous surveys on director performance and governance. A policy committee provides monthly updates, and the school recently joined MSBA to maintain current policy standards.

Staff Development & Challenges. Teachers appreciate the theme-based approach and recent Read Act training, which they feel integrates well with their progressive philosophy. Weekly professional development occurs on Wednesdays. The school has successfully utilized St. Thomas' "Grow Your Own" teacher program, though funding for this has been eliminated. Space limitations and increasing state mandates are ongoing concerns.

Special Education. The school serves 51 students with IEPs (the highest ever), including six incoming kindergartners with IEPs. The experienced special education team is the strongest in years, with good collaboration and a new coordinator role. Challenges include limited space for services and balancing progressive education philosophy with special education compliance requirements.

Financial Position. FY25 ended with a clean audit, \$302,000 net income, and a healthy 43.3% fund balance (\$1.3 million). However, projections show an \$180,000 deficit for the current year. The school is exploring enrollment growth (currently over 100 students on the waitlist) to maintain financial stability, with contract renewal discussions including language for "up to 200" students. Major cost pressures include veteran staff salary increases, 12-14% insurance hikes, a new nurse position, and lunch program costs (\$23,000). The school's mortgage will be paid off in February 2028, with \$286,000 reserved for building costs.

The overall picture is of a mission-driven school with strong academic programs and community support, facing the challenge of balancing its progressive educational philosophy with financial sustainability and increasing regulatory requirements.

3. Is the school meeting its legal obligations?

All the evidence supports that PCCS is meeting its legal obligations. All special education due process items and legal requirements are being met. PCCS has met all the Minnesota Department of Education requirements, including Charter Assurances and Oath of Offices. PCCS had all staff trained in the University of Minnesota literacy training by Fall 2025.

Review of the director's checklist for legal obligations  Director Task Calendar

4. Are strategies in place for sustaining success and continuing to improve over the next charter term?

Prairie Creek Community School (PCCS) uses a five and ten year financial projection, and they plan to start the strategic planning process as their last four-year plan is ending. They are set to have the mortgage paid off in Feb 2028, and they have established the affiliated building company with plans for facilities maintenance.

PCCS became members of the Minnesota School Boards Association (MSBA) in order to keep up with policies, and they feel this is beneficial. They have focused on improving their policy procedures as well as their board meetings. The board meetings have been more formalized, which has helped with communication of action steps to the staff and families.

The staff spend time every Wednesday on professional development. They feel this professional development has allowed them to reinvigorate their literacy efforts while staying true to their mission of providing a progressive education model. PCCS recently completed the state-approved literacy training from the University of Minnesota as they are utilizing the curriculum from the University of Minnesota as well.

Reviewed the strategic plan document  PCCS Strategic Plan 2022 - 2026

Summary

Visit notes summarized by Claude:

PCCS demonstrates strong academic performance, consistently outperforming state averages on MCA assessments in science, math, and reading, while successfully balancing progressive, theme-based learning with state requirements. The school met nine of 12 CACR goals for 2024-25. It currently serves 51 of 180 students with IEPs, supported by an experienced special education team. Governance is strong with formalized board structures and transparent communication. However, the school faces financial sustainability challenges despite having a healthy fund balance and clean FY25 audit. The school is meeting all legal obligations based on the visit and available information and has strategies in place for continued success, including 5-10 year financial projections, completion of University of Minnesota literacy training, mortgage payoff by February 2028, MSBA membership for policy support, and plans to develop a new strategic plan. Key challenges include balancing enrollment growth (100+ waitlist) with their progressive mission and small class sizes, while managing rising costs from veteran staff salaries, insurance increases, and increased special education needs.

Arcadia Charter School Authorizer Site Visit Report

Matt Hillmann, Ed.D., Superintendent

Daryl Kehler, ALC Director

Friday, January 30, 2026

Northfield is the only public school district in the state that authorizes charter schools. As part of this process, the authorizer ensures the charter schools meet the Minnesota Department of Education's requirements and state statutes. In addition to the reporting responsibilities as an authorizer, we make a site visit to the charter school at least once annually. During the visit, we gather data on these four key questions:

1. Is the educational program a success?
2. Is the organization efficient and well run?
3. Is the school meeting its legal obligations?
4. Are strategies in place for sustaining success and continuing to improve over the next charter term?

On January 30, 2026, two members of the Charter School Authorizer Team from Northfield Public Schools, Matt Hillmann and Daryl Kehler, visited Arcadia Charter School for the annual authorizer site visit.

1. Is the educational program a success?

Arcadia continues to have test scores above the state average in reading and science and slightly below the math average as measured by the MCA. It is important to note that due to the size of the program, they have a small number of participants each year so these results can vary greatly with a change in one or two scores. They have an 88.2% graduation rate and have been consistently at 90% or above for the past five years. They also maintain an average ACT score of 26, while the national average is 20.6.

2025 Science MCA Proficiency

Arcadia 46.2% State 26.2%

2025 Math MCA Proficiency

Arcadia 33.9% State 45.2%

2025 Reading MCA Proficiency

Arcadia 63% State 49.6%

In addition to solid test scores, Arcadia demonstrated a strong connection between students and staff as all groups reported it was a positive and welcoming environment. According to the Minnesota Report Card on the MDE website, 96% of students agree or strongly agree "at my school, teachers care about students". Students continue to appreciate the smaller class sizes as they feel a stronger connection with their teacher and get individualized instruction more easily. Students also mentioned again this year that they feel the small class size allowed them to make friends more easily, and the overall atmosphere was not judgemental.

2. Is the organization efficient and well-run?

Arcadia continues to operate from a place of financial strength. They have a fund balance goal of 20-25%, and they are currently at 36.7% with \$852,337 in their fund balance. Creative Planning is the contracted group used to assist with financial planning and outlook, using a five-year projection model. They have monthly financial review meetings, and

their audit was clean again this year. This marks Arcadia's 6th clean audit in a row. The program had its largest fundraiser ever, raising 50% more than the goal of \$10,000.

During our visit, we met with a middle school student panel, high school student panel, parent panel, all staff group, special education panel, board panel, and finance team panel. We also observed morning advisory and classes throughout the day.

3. Is the school meeting its legal obligations?

No data was available to suggest that Arcadia is not meeting its legal and legislative obligations. The board has a process to regularly review and update policies to keep up with the latest statutory implications. There are currently 51 of 124 (41%) students receiving special education services with all legal obligations/timelines being met. At the time of the site visit, there were no due process issues or complaints against Arcadia Charter School.

4. Are strategies in place for sustaining success and continuing to improve over the next charter term?

Yes, the school is committed to continuous improvement and analyzes student, staff, and family engagement throughout the year. The program is currently exceeding their fund balance goal, and the five-year projection does not have areas of concern at this time. With the model of incorporating a combination of project work time and classroom experience, the staff continue to analyze the academic achievement of their students to ensure an effective balance.

These are the visit notes, summarized by Claude AI:

Core Strengths

Positive School Culture: Arcadia excels at creating a welcoming, safe environment where students can be themselves without fear of bullying. Multiple stakeholders emphasized the supportive community, with students noting they feel comfortable expressing themselves and taking academic risks.

Student Engagement: Classroom observations showed high engagement across grade levels, from students collaboratively building DNA models to participating in meaningful discussions. The project-based learning approach allows students to explore topics they're passionate about.

Personalized Support: Small class sizes and strong teacher-student relationships enable flexible, hands-on instruction. Teachers demonstrate care for students' personal well-being alongside academic growth. The advisory model provides consistent check-ins, and the staff are welcoming and available for questions, discussions, and follow up.

Academic Quality: Student project work is noted as continually improving as many are turning in high-quality work. The incoming 6th graders have shown improved skills and confidence as the year has developed, as well. Students and parents acknowledge the appreciation for the culturally responsive, progressive curriculum, including unique language offerings and international travel opportunities.

Areas Needing Improvement

Lunch Program: The lunch program is consistently cited as the top challenge across all panels - inadequate nutrition, lack of hot food, and insufficient staffing. The board panel acknowledges this challenge, but the complexity of the solution continues to be the largest barrier.

Resource Constraints: Limited funding affects staffing levels, leaving some teachers feeling stretched. Outdated technology and facility limitations (limited band/orchestra/choir access for middle schoolers) create barriers.

Overall Assessment: The program is successful in its core mission of providing personalized, supportive education, though operational challenges related to funding and resources remain.

Summary

This year's site visit to Arcadia reinforced the school as inclusive, welcoming, and committed to providing a quality education. Students, parents, and staff all report a positive environment that acknowledges their individuality and accepts all into their community. The day we spent at Arcadia had a positive feel as students were engaged in discussions and welcoming to us and each other. All the panels were very positive as they appreciated the nonjudgemental culture developed by the staff and students. Staff expressed their appreciation of the director and the ability to talk through areas of improvement, as a continuous improvement mindset was evident by all.

AIPAC Update
2/9/26**

District Mission

Our Vision

We prepare every student for lifelong success by developing critical thinkers who are curious and ready to engage in our society.

Our Strategic Plan

Reaching Out, Reaching Up:
THE 2027 STRATEGIC PLAN

VISION
We prepare every student for lifelong success by developing critical thinkers who are curious and ready to engage in our society.

STRATEGIC COMMITMENTS

- People**
We provide the engagement, satisfaction, and support of every student, staff member, and family.
- Learner Outcomes**
We prepare every student to be academically and socially ready to choose their preferred pathway after high school graduation.
- Equity**
We ensure that every child has a fair opportunity to reach their full potential.
- Communication**
We communicate effectively and transparently with all stakeholders.
- Stewardship**
We responsibly manage our personnel, finances, property, time, and environmental impact.
- Partnerships**
We seek community partnership that accelerate student achievement of district benchmarks.

BENCHMARKS

1 All children are ready for kindergarten.	2 All students are connected to the community.	3 All students are at grade level in reading and mathematics by the end of third and sixth grades.
4 All students exhibit physical, social and emotional well-being.	5 All students have a connection with a caring adult beyond their parents as they transition to middle school.	6 All students have interests, goals and a plan for the future by the end of eighth grade.
7 All students graduate from high school with a plan to reach their full potential.	8 All employees report satisfaction in the workplace.	9 All parents report satisfaction with their children's educational experience.
10 The district maintains five of its annual expenditures in its designated fund beyond the current financial stability.	11 Community education provides relevant and accessible learning experiences for all students.	12 New York City is a leader in the world in providing a high-quality education for all students.

Northfield Schools American Indian Education Program

Mission: Northfield Public Schools preserves, respects, and honors the traditional and spiritual values of the American Indian communities. Students across the district will receive quality education that affirms their cultural identity.

Eligibility: Provides services to students who meet the following criteria:

- An enrolled member of a Tribe, Band, or Alaskan Native
 - The child of a parent or grandparent of a member of a Tribe or Alaskan Native
-

Area I: Support Postsecondary Preparation for American Indian Pupils

Action Steps

- The program will support a district cultural liaison to meet the specific needs of our American Indian students and families by providing support, identifying and eliminating barriers to school attendance.
- Provide access to college tours, financial aid resources, and tutoring support.
- Tutoring services will be provided to identified “at-risk” students not meeting academic benchmarks in district standardized testing, failing classes, or referred to building Problem Solving Team meetings because of other at-risk identification.
- Provide financial support for Driver’s Education classes for Native students.

Measurable Outcomes

- We will increase the percentage of American Indian students with consistent attendance from 76.2% in the first quarter of the 2024-2025 school year to 90% by the end of the 2024-2025 school year.
 - At the end of 2024-2025, attendance was at 91%, and at the end of semester 1 of the 2025-2026 school year, it was 93%.
- We will increase the graduation rate of American Indian students to 95% for the 2025-2026 school year.
 - For the 2024-2025 school year, we had 6 out of 7 American Indian students graduate, which is a graduation rate of 85.7%.

Area 2: Support the Academic Achievement of American Indian Pupils

Action Steps

The program will support a district Cultural Liaison to support the specific needs of our American Indian students and families by providing the following supports to increase academic achievement:

- Provide intentional outreach to families to build relationships, collaborate, and support K-12 programming.
- Link families to applicable mainstream resources to ensure academic success.
- Coordinate tutoring services for identified students.

Measurable Outcomes

- 100% of American Indian preschoolers will be screened by age 4 as part of the district's comprehensive school readiness programming.
 - We had 100% of American Indian preschoolers screened at the start of the 2025-2026 school year.
- 70% will be considered proficient in reading and mathematics by end of third grade, sixth grade, and eighth grade as measured by the Minnesota Comprehensive Assessments.
 - The American Indian proficiency rates on the Spring 2025 MCA were 52.2% for math and 47.8% for reading.

Area 3: Make Curriculum Relevant to the Needs, Interests, and Cultural Heritage of American Indian Pupils

Action Steps

The program will offer American Indian students and/or families the following cultural enrichment activities:

- Native American specific field trips
- Linguistic supports (Rosetta Stone)
- Program will collaborate with American Indian consultants to provide culturally-responsive programming in efforts to meet the educational needs of our American Indian students

Measurable Outcomes

- 80% of the surveyed American Indian students and families will report satisfaction with current curriculum and offered programming.
 - 100% of members of the AIPAC meeting that attended the Vote of Concurrence meeting reported satisfaction.
 - A survey will be sent soon to families.

Area 4: Provide Positive Reinforcement of the Self-Image of American Indian Pupils

Action Steps

- American Indian students will be supported with cultural resources to bolster their spiritual, cultural heritage.
- The program will integrate feedback from the AIPAC meetings.
- The program will collaborate with community/American Indian based organizations/consultants.
- Students will attend school-sponsored Native-specific field trips/experiences that will promote positive self image.

Measurable Outcomes

On the 2025-2026 district social emotional screener (SSIS):

- 80% or more will report no internalizing or externalizing behavioral concerns.
 - For the fall of 2025-2026, we had **40%** of American Indian students report no internalizing concerns and **70%** report no externalizing concerns
- 80% or more will report having well developed social emotional skills.
 - For the fall of 2025-2026, we had **96%** of American Indian students report having well developed social emotional skills.

Area 5: Develop Intercultural Awareness Among Pupils, Parents, and Staff

Action Steps

- Provide professional development sessions with Anton Treuer on February 19.
- Implementation of Understand Native MN-A Guide To Reliable Native American-Related Teaching Resources.
- Collaborate with community/American Indian based organizations/consultants.

Measurable Outcomes

- 100% of district staff will report increased awareness about American Indian culture and core beliefs after attending the winter professional development session.
 - 100% of participants reported an increased awareness about American Indian culture as a result of attending the Feb 17, 2025 professional development.
- **AMENDED GOAL;** 100% of attendees will report increased awareness about American Indian culture and core beliefs after attending one of the events involving Anton Treuer on February 27, 2026.

Questions?

Annual Compliance Overview

Minnesota Statutes 2024, section 124D.78 requires Minnesota districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students to have an American Indian Parent Advisory Committee (AIPAC). Specifically, the Statutes cite that school boards and American Indian schools must provide for the maximum involvement of parents and children enrolled in education programs, programs for elementary and secondary grades, special education programs, and support services.

Districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students are required to submit annual compliance documents to the Office of American Indian Education (OAIE) by March 1 of each year. Also known as the vote of concurrence or nonconcurrence, annual compliance is a valuable opportunity for AIPAC members to meet and discuss whether or not they concur with the educational offerings that have been extended by the district to American Indian students.

The Vote and Resolution

Parent Committees receive data from the district on whether or not the district has met the needs of American Indian students using the goals from the program plan submitted and approved by MDE. The AIPAC votes on how the district is achieving and accountable to the goals. The AIPAC should work with administration to fill out the Program Plan Review. This vote is formally reflected on the annual compliance documents. Members of the AIPAC present the vote and resolution to the school board.

If the vote is one of nonconcurrence, the AIPAC must provide written recommendations for improvement to the school board at the time of the presentation. The school board then has 60 days in which to respond in writing to the AIPAC recommendations. A copy of this written response must be provided to OAIE.

Completing and Submitting the Documents

The Following Items are Required When Submitting Annual Compliance

- Annual Compliance/Vote of Concurrence or Nonconcurrence document
- AIPAC Roster and District Employee Sign-In Sheet
- American Indian Education Aid Program Plan Review
- AIPAC minutes indicating they have received data on how students are faring

When Completing the Fillable PDF Forms, Remember To:

- Include the district, charter school, cooperative, Tribally controlled school name and identifying number.

- Place a checkmark or X next to the applicable vote.
- Include all dates as indicated.
- Add all signatures as required, digital signatures are accepted.
- Use the drop-down menu in the roster to select the appropriate committee member options.
- Do not modify this form in any way except to add text directly into the areas designated for narrative text or to fill a check box.
- Documents must be received at MDE in Portable Document Format (PDF) format.

The District, Charter School, Cooperative, Tribally Controlled School Does Not Have an AIPAC

All educational entities with more than 10 American Indian students that do not have an AIPAC, are still required to complete this paperwork. Tribally Controlled schools may use their School Board as their AIPAC.

Place a checkmark or X next to "Does Not Have an AIPAC."

Obtain the signature of the superintendent or charter school/Tribally controlled school director and the school board chair.

Submission Deadline

Email all required items by **March 1** to the Office of American Indian Education (mde.aiea@state.mn.us).

Annual Compliance (Vote of Concurrence or Nonconcurrence)

American Indian Education Aid Program Plan Review

This document serves as the foundation for how your district or school is fulfilling the measurable goals of the program plan, reviewed and approved by the Office of American Indian Education (OAIE) at the Minnesota Department of Education. This document is necessary to submit to be eligible for American Indian Education Aid next year.

Under Minnesota Statutes 2024, section 124D.81, subdivision 3, districts and schools should be identifying American Indian students and tracking their data and progress towards positive educational experiences.

Directions

This document should be completed with the American Indian Parent Advisory Committee (AIPAC) and district staff that work primarily with American Indian students. Both the AIPAC and district staff will meaningfully and authentically collaborate to complete this document which will be uploaded with your compliance documentation. The resolution must be accompanied by Parent Advisory Committee meeting minutes that show they have been appraised by the district or school on the goals of the Indian Education Program Plan and the measurement of progress toward those goals as required by Minnesota Statutes 2024, 124D.78, subdivision

2.

Using the approved American Indian Education Aid application that was submitted, communicate how the district or school has progressed towards all the goals outlined within each narrative for areas 1-6. Data should be shared with the AIPAC in order to concur with the district plan. Additionally, the Self-Assessment Rubric is another useful tool for AIPACs to understand programming and to vote on concurrence.

Measurable Goals

These program details must align to Minnesota Statutes 2024, section 124D.81, subdivision 2.

Focus Area 1: Support postsecondary preparation for pupils

Focus Area 2: Support the academic achievement of American Indian students

Focus Area 3: Make curriculum relevant to the needs, interests, and cultural heritage of American Indian pupils

Focus Area 4: Provide positive reinforcement of the self-image of American Indian pupils

Focus Area 5: Develop intercultural awareness among pupils, parents, and staff

Focus Area 6: Supplement, not supplant, state and federal educational and co-curricular programs

Focus Area	Measurable Goal(s) From Approved Plan	Progress Towards Goal(s) Using District Data	Is Progress Sufficient for Concurrence?
Support postsecondary preparation for pupils	1. We will increase the percentage of American Indian students with consistent attendance from 76.2% in the first quarter of the 2024-2025 school year to 90% by the end of the school year.	1. At the end of 24-25 it was at 91%, and at the end of semester 1 of the 25-26 school year is was 93%.	1. Yes
	2. We will increase the graduation rate of American Indian students to 95% for the 2025-2026 school year.	2. For the 24-25 school year we had 6 out of 7 American Indian students graduate for an 85.7% rate.	2. Yes

Support the academic achievement of American Indian students	1. 100% of American Indian preschoolers will be screened by age 4 as part of the district's comprehensive school readiness programming. 2. 70% of American Indian students will reach proficiency on the 2025 reading and mathematics Minnesota Comprehensive Assessments.	1. We had 100% of American Indian preschoolers screened at the start of 25-26. 2. The American Indian proficiency rates on the Spring 2025 MCA were 52.2% for Math and 47.8% for Reading.	1. Yes 2. Yes
Make curriculum relevant to the needs, interests, and cultural heritage of American Indian pupils	1. 80% of the surveyed American Indian students and families will report satisfaction with current curriculum and offered programming.	1. We had 100% of the members of the AIPAC meeting that attended the Vote of Concurrence meeting report satisfaction.	1. Yes
Provide positive reinforcement of the self-image of American Indian pupils	1. In the 2025-2026 school year, 80% or more Native American students will report no internalizing and 80% no externalizing behavioral concerns on the fall and spring SSIS.	1. In the fall of 2025-26, 40% of American Indian students report no internalizing concerns and 70% report no externalizing concerns, with 96% of American Indian students report having well developed social emotional skills.	1. Yes
Develop intercultural awareness among pupils, parents, and staff	1. 100% of district staff will report increased awareness about American Indian culture and core beliefs after attending the winter professional development session In February 2025. AMENDED to; 100% of attendees will report increased awareness about American Indian culture and core beliefs after attending one of the events involving Anton Treuer on February 27, 2026.	1. In 2025, 100% of the 222 attendees reported new knowledge gained about American Indian culture and core beliefs as a result of attending the professional development speaker Anton Treuer.	1. Yes

Supplement, not supplant, state and federal educational and co-curricular programs	All of these supports and activities provided in the Northfield American Indian Education Program do not supplant any existing programs. Northfield American Indian programs and supports outlined above are designed to supplement existing educational services, providing additional resources and culturally relevant support for American Indian students. These programs do not replace or supplant other programs within the school district. Instead, they enhance the overall educational experience by addressing specific needs and fostering cultural understanding and inclusion, benefiting both American Indian students and the broader school community. The AIPAC committee and feedback from families assisted in development of the program goals and activities outlined in this application.	1. Yes

District Requirements Under Minnesota Statutes

Coordinator

Any district or participating school that conducts American Indian education programs with 100 or more state identified American Indian students are to have a coordinator dedicated to State Indian Education programming.

Minnesota Statutes 2023, section 124D.76, Dedicated American Indian Education Coordinator

No, we do not have 100 or more state identified American Indian students

Yes, we have 100 or more state identified American Indian students

We have a dedicated American Indian Education Coordinator

We do not have a dedicated American Indian Education Coordinator

Culture and Language Classes

Any district or participating school that conducts American Indian education programs with five percent *or* 100 or more state-identified American Indian students must provide American Indian culture and language classes.

Minnesota Statutes 2024, section 124D.71, subdivision 7

☒ Yes, we provide American Indian culture and language classes for all American Indian students eligible for American Indian Education Aid

☒ No, we do not have at least five percent; or 100 or more American Indian students

The American Indian Parent Advisory Committee (AIPAC) Roster

About Membership

Per Minnesota Statutes 2024, section 124D.78, subdivisions 3, The American Indian Parent Advisory Committee must be composed of parents or guardians of American Indian children eligible to be enrolled in American Indian education programs; American Indian secondary students; American Indian family members of students eligible to be enrolled in American Indian education programs; American Indian language and culture education teachers and paraprofessionals; American Indian teachers; American Indian district employees; American Indian counselors; adult American Indian people enrolled in educational programs; and American Indian community members. The majority of each committee must be the parents or guardians of the American Indian children enrolled or eligible to be enrolled in the programs.

About the Roster and Sign-In Sheet

The AIPAC roster is for committee members only. This form is electronic and fillable. You must include the committee member's name, email, and phone number in the first column. Subsequent columns contain a drop-down menu option. Select the best option for each particular committee member.

If an employee identifies as American Indian, they are eligible to serve as a voting committee member and may be included on the roster, rather than the district, charter school, cooperative, and Tribally controlled school sign-in sheet.

Submission

The first submission is with your American Indian Education Aid program plan, the second submission is with your annual compliance documents.

Submit completed rosters to the Office of American Indian Education (mde.aiea@state.mn.us).

American Indian Parent Advisory Committee Member Roster

Northfield School District 2017 Operating Levy Board Renewal Timeline | Feb. 9, 2026

Matt Hillmann, Ed.D., Superintendent and Val Mertesdorf, Director of Finance

Executive Summary: Minnesota Statute 126C.17, subdivision 9b permits locally elected school boards to renew existing operating levies one time under the same conditions originally approved by the voters. We recommend that the board consider using its statutory authority to renew the 2017 operating levy as part of the FY27 budgeting process.

Why are we asking the board to renew the operating levy now?

- The levy expires at the end of FY28 and represents approximately \$9 million or 13% of our revenue.
- Renewing the operating levy by board resolution, as permitted by statute, would provide fiscal stability.
- We are in the allowable statutory timeframe for the board to renew the operating levy.

Why was the statute changed to allow boards to renew operating levies by resolution?

The Minnesota Legislature made the change in 2023. Data showed that nearly all operating levy renewal election questions were approved by voters. The Legislature recognized the effort and cost associated with school operating levy elections and provided this option for school boards to renew an operating levy one time using the same conditions as originally approved by the voters.

The statutory authority allows the board to renew the operating levy for:

- “The same as the amount expiring, or for an expiring referendum that was adjusted annually by the rate of inflation, the same as the per pupil amount of the expiring referendum, adjusted annually for inflation in the same manner as if the expiring referendum had continued.”

For the Northfield School District, this would mean renewing it at the existing per pupil amount for fiscal year 2026-27 (\$2,249.44 per pupil) with the annual inflationary increase added each year.

- “The term of the renewed referendum is no longer than the initial term approved by the voters.”

For the Northfield School District, this would mean renewing the operating levy for another ten years.

Timeline

Here is the anticipated timeline for the board’s consideration of renewing the 2017 operating levy:

- Jan. 12: Discussed as part of the financial forecast.
- Feb. 9: Formal presentation and discussion at regular board meeting.
- Feb 23: Follow-up discussion at regular board meeting.
- March 19: Public hearing as required by statute. This meeting will be held at the ALC/District Office Gymnasium from 6-8 pm.
- April 13: Review of public hearing feedback at regular board meeting.
- April 27: Vote on renewing the operating levy by resolution at the regular board meeting as permitted by statute.

Note: If the board chooses not to exercise its statutory authority to renew the 2017 operating levy, we strongly encourage placing the renewal on the 2026 general election ballot.

2026-27 Capital and Long Term Facilities Maintenance Fund Proposed Budget | 2.9.26 | Narrative

Val Mertesdorf, Director of Finance

"We prepare **every** student for lifelong success by developing critical thinkers who are curious and ready to engage in our society."

What is Capital?

Our capital budget is a segment of our general fund budget that we present separately as required by the Minnesota Department of Education. Our capital budget has four revenue components:

- 1) Operating Capital – must be used for equipment and facility needs. The calculation is \$79 per adjusted pupil unit plus \$109 multiplied by our average building age. We receive approximately \$221 per pupil unit. This formula is a mix of levy and state aid.
- 2) Lease Levy – this is a levy source of revenue to pay for rent of leased facilities. The calculation for our total authority is \$212 per pupil unit. Northfield has a cap of approximately \$839,000. We currently utilize about 50% of this revenue.
- 3) Capital Levy – this is a voter approved levy. This is used to support technology, curriculum and facilities. The voters authorized a renewal and increase of this levy in November 2022.
- 4) Long Term Facilities Maintenance (LTFM) – The formula is a combination of aid and levy. This funding is for capital expenditures and maintenance projects necessary to prevent further erosion of facilities. The calculation is \$380 per pupil unit, pro-rated based on average building age.

The Capital and Long Term Facilities Maintenance programs have restricted expenditure categories. This means that MN State Statute dictates what we can spend the money on. We **cannot** use either operating capital or LTFM for salaries/benefits. The exception to this is funding for technology services staff only. These funding streams are intended to support technology, curriculum, facilities, and infrastructure needs. Each program also has a restricted fund balance category. This means if we don't spend all of our revenue in a given year, the remainder is set aside for only these types of expenditures in the future. Each year in December, we project our capital revenue and if there is a projected surplus, the capital committee prioritizes needs and comes to consensus on how to allocate the remaining funds.

Projected Revenue

For the 2026-27 school year, the voter approved capital projects levy is our largest source of revenue at 45%. LTFM and Operating Capital are the next largest with 27% and 18%, respectively. Our total capital revenue is projected to be \$4,867,158, which is a decrease from the 2025-26 school year. In 2026-27, we will not have devices to sell which is the main driver behind the decrease in revenue. Incremental declining enrollment continues to slowly erode what we have available as well.

Projected Expenditures

We are projecting capital expenditures of approximately \$4,502,686. The most notable change to the expenditure projection is the addition of software licenses. This budget amount includes both instructional and non-instructional software licenses that were in the general fund but were reallocated to operating capital as part of the priority based budget reduction process last spring. This shift, while providing stability for the general fund, does limit the amount available for discretionary allocation across the district.

Technology leases decreased slightly with the new staff laptop lease. This budget also includes a 24-hour-per-day cybersecurity monitoring service that we started in the 2023-24 school year. It is evident that this service will be a long-term protection against the potential risk of data breaches.

As stated before, on-going salaries and benefits are not eligible expenses in these restricted funds. However, the staff cost for technicians servicing the equipment/network that operating capital pays for is allowable. The \$700,585 is a direct savings to the general fund and aligns with what we told the voters we would do with this funding.

The capital committee approved a few expenditures for the 2026-27 school year, including replacement of the oldest playground at Bridgewater, updating a portion of the staff iPad fleet, replacing a mower, and purchasing a new UV controller for the pool.

LTFM is funding that can only be used to repair or replace existing building features to prevent deterioration. The Minnesota Department of Education determines the categories of allowable spending shown on slide 7. We anticipate using LTFM to add a poured in place surface at Bridgewater with the updated playground to improve accessibility for all students, updating bathrooms at NCEC and Bridgewater, replacing several doors at the Middle School, and replacing hand washing stations at Spring Creek. In addition, LTFM covers annual safety inspections, protective gear, and annual flooring replacement allocations.

Financial Summary

At the end of 2026-27 we are projecting that the operating capital fund balance will be \$265,560. The LTFM fund balance is projected to be \$1,144,480. Our fund balance goal is to maintain a minimum of \$200,000 in operating capital and \$600,000 in LTFM. I anticipate both restricted funds to be financially stable.

LTFM 10 Year Plan

The LTFM funding has a ten-year plan that the board approves each year. Based on the funding available and projects listed, Director of Buildings and Grounds Justin Raabolle and myself prioritize projects and set the expenditures for the year. For fiscal year 2026-27 we plan do some routine tuckpoint/caulking, the poured in place playground surface, bathroom updates, building maintenance system updates, and a variety of other projects and annual inspections.

We are fortunate to live in a community that supports public education when the state fails to do so properly. We will continue to allocate our resources as effectively and efficiently as possible to ensure our facilities are adequately maintained and our students and staff have access to the necessary technology and tools to continue providing a world-class education.

2026-27 PROPOSED BUDGET

Operating Capital & Long Term Facilities Maintenance

New playground at Spring Creek

Reaching Out, Reaching Up:

THE 2027 STRATEGIC PLAN

VISION

We prepare every student for lifelong success by developing critical thinkers who are curious and ready to engage in our society.

BENCHMARKS

1 All children are ready for kindergarten .	2 All students are connected to the community .	3 All students are at grade level in reading and mathematics by the end of third and sixth grades.
4 All students exhibit physical, social and emotional well-being .	5 All students have a connection with a caring adult beyond their parents as they transition to middle school.	6 All students have interests, goals and a vision for the future by the end of eighth grade.
7 All students graduate from high school with a plan to reach their full potential.	8 All employees report satisfaction in the workplace.	9 All parents report satisfaction with their children's educational experience.
10 The district maintains 14% of its annual expenditures in its unassigned fund balance to ensure financial stability .	11 Community education provides relevant and accessible learning opportunities for all residents.	Note: The first seven benchmarks are aligned with the language identified by Northfield Promise, a collective impact consortium of 20 community organizations committed to helping Northfield's youth thrive "from cradle to career."

STRATEGIC COMMITMENTS

People

We prioritize the engagement, satisfaction, and support of every student, staff member, and family.

Learner Outcomes

We prepare every student to be academically and socially ready to choose their preferred pathway after high school graduation.

Equity

We ensure that every child has a fair opportunity to reach their full potential.

Communication

We communicate effectively and transparently with all stakeholders.

Stewardship

We responsibly manage our personnel, finances, property, time and environmental impact.

Partnerships

We seek community partnerships that accelerate student achievement of district benchmarks.

What is Capital and LTFM?

- The capital budget consists of 4 revenue streams:
 - Operating Capital – levy/aid formula
 - Lease Levy – levy for certain lease commitments
 - Capital Levy – voter approved levy
 - Long Term Facility Maintenance – funding for repairs and maintenance of facilities
- The budgets are included in the general fund
- Restricted expenditures
- Fund Balance restriction
- There is a portion of the operating capital money each year that is prioritized by the capital committee – this committee meets to discuss building and district priorities and comes to consensus on the proposed spending

Capital and LTFM Sources

\$4,867,158

■ Operating Capital
\$894,908

■ Lease Levy
\$453,214

■ Capital Levy
\$2,200,227

■ Long Term Facilities
Maintenance
\$1,318,809

Ending Fund Balance	\$ 2,360,711	\$ 3,096,829	\$ 3,885,892	\$ 4,854,946	\$ 5,807,120

Stewardship Spotlight

District Wide LED Project

- Original proposal for LED Retrofit was nearly \$1 million with a 9-year payback.
- The Buildings & Grounds team chose to replace all the light bulbs in the district with in-house staff rather than a full retrofit.
- 14,000 LED Tubes!!!
- Net cost to the district after energy rebates = \$85,000
- 9-month return on investment estimate

Stewardship

We responsibly manage our
personnel, finances, property, time
and environmental impact.

[illegible]

1.0 Introduction

Good quality indoor air contributes to a favorable learning environment for students, productivity for teachers and staff, and a sense of comfort, health, and well-being for all school occupants. This management plan describes procedures and guidelines relating to indoor air quality (IAQ) for Northfield Public Schools and references the Tools for Schools Action Kit from the Environmental Protection Agency (EPA).

2.0 Responsibilities

The program coordinator, or designee, is responsible for the following:

- Oversee the implementation of the management plan
- Provide resources needed to implement the plan
- Determine when outside professional assistance is needed
- Ensure the annual notification to staff, students and parents is completed
- Register IAQ questions from staff, students, and parents

3.0 Communication

The management plan for IAQ and other related reports are located at the District Office with the District's health and safety programs.

A statement is distributed annually via the school website, informing the staff, students, and parents about the location of the management plan for Indoor Air Quality and how to contact the IAQ coordinator. This information is documented with this program.

4.0 Procedures for Handling IAQ Concerns and Remediation

The following describes the process to be implemented if a building occupant is concerned about IAQ:

- A person who has concerns about IAQ contacts the building principal or head custodian in their building for reporting and assistance with concerns.
- After reviewing the situation, the building custodian will investigate to try to resolve the problem internally. If the concern cannot be alleviated, the building custodian will notify the IAQ coordinator, and a questionnaire may be provided to the affected person. The completed questionnaire will be returned to the IAQ coordinator.
- The IAQ coordinator will review the questionnaire and contact the appropriate outside firm to help investigate and/or remediate the problem, if deemed necessary.
- Remediation will be conducted and may require an outside contractor.
- The IAQ coordinator, or designated consultant, will communicate with the initiating party during the process of investigating and remediating the issue.

Northfield Public Schools may have an IAQ assessment and sampling performed in an area in response to symptoms experienced by a staff member or student. If the assessment and sampling does not identify a condition or concern that might account for the symptoms experienced by an individual, involvement of a physician is often warranted as the next step. It is recommended that an allergist or other specialist (not a general physician) conduct the examination and help to determine if there are specific triggers or allergens that might be affecting the individual. The specialist may show that the individual is sensitive to or affected by low levels of a specific contaminant that does not usually affect the general population. If a specific trigger or contaminant is identified, further sampling might then be warranted.

5.0 Building Walkthroughs

Building walkthrough inspections are completed annually to identify potential IAQ issues. The walkthrough is modeled after the EPA Tools for Schools checklists and reports of walkthroughs are located in Appendix A. The walkthrough uses sight, sound, and smell to assess if there are obvious water intrusion problems (interior and exterior), obvious ventilation failures and/or problems, obvious building/structural failures and/or problems, overall cleanliness of buildings and classrooms, and operations and maintenance programs. It is intended to be a quick overall assessment of each room of obvious problems that may impact indoor air quality. The reports are reviewed by the IAQ coordinator or designee, who will then take appropriate action to address problems that were identified.

6.0 Indoor Air Quality Teacher Surveys

An IAQ survey may be distributed annually to provide an avenue for reporting any IAQ concerns and to inform employees on what they can do to improve IAQ in their own areas. The survey may cover the following topics: animals, thermal comfort, ventilation, building maintenance, moisture concerns and general cleanliness.

The IAQ coordinator reviews the surveys, and any concerns discovered are addressed. The surveys may be completed online, and a final report is maintained with the management plan.

7.0 Ventilation Assessments

A ventilation assessment is completed each year by the head engineers or designated consultant. The ventilation assessment is maintained with this program and covers the following topics:

- Outdoor Air Intakes
- System Cleanliness
- Control for Outdoor Air Supply
- Air Distribution
- Exhaust Systems

8.0 Facility Cleanliness

The current maintenance program involves vacuuming carpeted rooms and dusting regularly. Dusting personal items is the responsibility of the classroom teacher. A deep cleaning of furniture and flooring is conducted in each room over the summer break.

The district maintains a routine heating, ventilation, and air conditioning (HVAC) inspection and maintenance program that includes coil and drain pan cleaning and inspection, adjustment of motor operators and dampers, regular filter changes, unit cleaning, and checking of damper controls and settings.

9.0 Related Guidelines

9.1 Animals in the Classroom

The goal of the IAQ program is to decrease student and staff exposure to potentially harmful animal allergens. Bringing animals into buildings should be discouraged. If animals are to be allowed in the classroom, the protocol will be as follows:

- Before bringing an animal into the building, the teacher will ask the principal for permission. The principal will consult with facilities staff.
- All animals are required to be properly vaccinated.
- The location of the habitat for the animal will include consideration of HVAC components. Animal habitats will not be placed near air supply or return air vents and will not be kept near unit ventilators. The habitat will be placed on a hard floor surface. The animal will not be allowed to wander around the room (especially on carpet).

- A cleaning schedule will be implemented for the habitat and surrounding area. The classroom teacher is responsible for regularly cleaning the cage, as well as the table or floor the cage rests on. Students will not be allowed to clean cages or equipment.
- The teacher will always be present when animals are handled by a student.
- All staff and students will wash their hands before and after handling animals, cage debris, or animal supplies.
- Concerns regarding the health issues or care of the animal should be brought to the building principal for immediate consideration.

9.2 Pest Management

Integrated Pest Management (IPM) is a coordinated approach to pest control using the most cost-effective means to prevent unacceptable levels of pests, while causing the least possible hazard to people, property, and the environment. IPM uses a combination of methods that include:

- Reducing or not allowing food or snacks in the classroom, especially when the room is carpeted
- Inspection and monitoring of pest population sites
- Managing waste by keeping refuse in tight containers and locating waste containers away from buildings, if possible
- Maintaining structures (fixing leaking pipes promptly, sealing cracks)
- Adding physical barriers to pest entry and movement (screens for chimneys, doors, and windows)
- Modifying habitats (removing clutter, relocating outside light fixtures away from doors)
- Using traps (light traps, snap traps, and glue boards)
- Using pesticides judiciously

9.3 Food Services

Cooking activities generate odors, moisture, food waste, and other trash, which, if not managed carefully, can lead to IAQ problems. The district ensures the following precautions are taken:

Cooking Area

- The exhaust fans are inspected to make sure they are working properly. If problems are noted, the building custodian is contacted.
- Exhaust fans are operational whenever cooking, washing dishes, or cleaning.
- Any leaks or odors of combustion gas are reported immediately to the building custodian.
- The kitchen is cleaned after use as required by the district and Department of Health policy.
- Signs of mold, mildew, or algae are reported to the building custodian.
- Pest problems are reported to the building custodian.

Food Handling and Storage

- Food service areas are regularly checked for signs of insects or vermin.
- Food handling and storage practices followed are as recommended by the District and the Department of Health.
- General cleanliness is maintained.

Waste Management

- The district's policy of recycling waste is followed.
- Waste is stored in appropriate sealed containers.
- Dumpsters are located away from air intake vents and operable windows.

9.4 Latex

Latex allergy is a reaction to certain proteins in latex rubber. The amount of latex exposure needed to produce sensitization, or an allergic reaction is unknown. Increasing exposure to latex proteins increases the risk of developing allergic symptoms. In sensitized people, symptoms usually begin within minutes of exposure; but they can occur hours later and can be quite varied. Mild reactions to latex involve skin redness, rash, hives, or itching. More severe reactions may involve respiratory symptoms such as runny nose, sneezing, itchy eyes, scratchy throat, and asthma (difficult breathing, coughing spells, and wheezing). *

Because gloves and balloons are the most common and accessible sources of latex, the district has chosen to prohibit their use in District buildings. If an employee or student has a severe latex allergy, other forms of latex will be assessed in that building.

** Information from NIOSH Publication #98-113: Latex Allergy, A Prevention Guide.*

9.5 Fragrances

Exposure to fragrances and scents can cause some staff and/or students to experience asthma or allergic reactions, including upper respiratory irritation, headaches, and other symptoms. All District employees are encouraged to use personal products (such as perfume, cologne, after-shave, hairspray, and body lotion) that are low odor or fragrance free. In addition, the district selects maintenance and cleaning products that are low in odor.

As a district policy, essential oils may not be used as follows:

- In diffusers
- Applied to any student, even if the parent requests staff to administer, without a Health Care Provider order
- In professional development sessions
- Any circumstance that is disruptive or puts another's health at risk

If essential oils are found:

- In diffusers:
 - Diffuser is removed and disposed of properly
- On students/staff which are disruptive or putting another's health at risk
 - Do not use water to wash off as it may increase irritation by spreading oils.
 - Offer clean clothing, as needed and as available

10.0 Annual Review

The Northfield Public Schools IAQ coordinator, along with a designated safety consultant, reviews the IAQ plan on an annual basis. Changes to the plan are identified on the annual review form found at the beginning of this plan.

Northfield Public Schools | Policy Committee Recommendations

February 9, 2026

Policy	Changes
410.1: Minnesota Paid Leave	Change Type: New Policy This policy will provide guidance for the district on the Minnesota Paid Leave program.
426: Employee Assistance Program	Change Type: Sunset As of Jan. 1, 2026, we no longer have an EAP. Recommendation to sunset this policy.
502: Search of Student Lockers, Desks, Personal Possessions and Student's Person	Change Type: Regular Review - Added a statement to address the scope of an inspection in section IV.B. - Updated purpose statement. - In section IV.D clarified that a person being searched may request the search be conducted by a school official of the gender the person being searched prefers. - In section III.E. updated the definition of designee. - In section IV. H removed the statement regarding providing a copy of this policy to each student who uses a locker and linked the Student Citizenship Handbook. - In section V.B. updated sentence for clarity. - In section VII linked the Student Citizenship Handbook. - Update of legal reference.
527: Student Use and Parking of Motor Vehicles: Patrols, Inspection and Searches	Change Type: Regular Review - In section IV. A, added, "Students may be required to pay a fee to park their vehicle during the school day." - In section VII, added link to the Student Citizenship Handbook. - Removed underlines from headings and bolded them instead.
528: Student Parental, Family and Marital Status Nondiscrimination	Change Type: Regular Review - Linked Policy 522 in section II.H. - Removed end of section II.F: was a repetition of the beginning of section II.G.

Policy 410.1 MINNESOTA PAID LEAVE

I. PURPOSE

The purpose of this policy is to provide for family and medical leave to Northfield School District employees in accordance with Minnesota Paid Leave (MNPL).

II. GENERAL STATEMENT OF POLICY

- A. The district provides time off to eligible employees who qualify for MNPL benefits as required under Minnesota law. The district is a participant in the State of Minnesota's paid leave program. MNPL benefits are funded through premium contributions payable to the State of Minnesota.
- B. The premium cost will be split between the district and employee as follows: The district will pay 50% of the required premium, and employees will pay 50% of the premium cost through payroll deductions starting January 1, 2026.

III. TYPES OF LEAVE

The State of Minnesota may approve MNPL leave for the following conditions in a benefit year:

- A. **Medical Leave.** Eligible employees are entitled to up to 12 weeks of medical leave to take care of themselves for a serious health condition, including pregnancy, childbirth, recovery, or surgery.
- B. **Family Leave.** Eligible employees are entitled to up to 12 weeks of family leave for the following reasons:
 - 1. **Bonding Leave:** To care for and bond with a new child welcomed through birth, adoption or foster placement.
 - 2. **Caring Leave:** To care for a family member with a serious health condition.
 - 3. **Military Family Leave:** To support a family member called to active duty.
 - 4. **Safety Leave:** To receive covered types of care for yourself or a family member because of domestic abuse, sexual assault, or stalking.

You may be eligible to take both types of leave in the same year, but you cannot exceed 20 weeks total within a single benefit year. Your benefit year starts the first day you take paid leave. There is no waiting period for MNPL if you are granted the benefit.

IV. LEAVE ENTITLEMENT

- A. **Eligibility.** Eligibility determinations for MNPL benefits are made by the State of Minnesota. Generally, to be eligible for MNPL, you must:
1. Work at least 50% of the time from a location in Minnesota, including employees who work from home or spend time in other states occasionally.
 2. Meet the financial eligibility requirements by having earned over a specific amount of wages as defined by Minnesota law at the time of your requested leave.
- B. **Notification.** Employees must notify the district when they apply for MNPL benefits.
1. If the need for leave is foreseeable, the employee must provide the district with at least 30 days' advance notice.
 2. If the need for leave is not foreseeable, the employee must notify the district as soon as practicable.
 3. Notification to the district must be made using the [MN Paid Leave Notification to Northfield Public Schools form](#). This form must be completed prior to applying for leave through the State of Minnesota.
- E. **Applying for Leave.** After notifying the district, an employee will be able to apply for MNPL.
1. Employees must apply for paid leave through the Minnesota Department of Employment and Economic Development (DEED) at paidleave.mn.gov.
 2. After applying for leave, an employee will receive a Determination of Paid Leave, which is the official decision from the program regarding whether an application was approved or denied. The determination will come from DEED.
- G. **Benefit Amount.** An employee's weekly MNPL benefits are calculated and determined by DEED. Eligible employees who are approved for MNPL will receive payments directly from DEED.
1. The district does not pay into TRA or PERA during the time an employee is on MNPL.
 2. Health coverage will continue to be paid by the district while an employee is on leave, but an employee must continue to make their share of premium payments in order to keep coverage active.

3. The district will not recognize days toward service time or step advancement during the time an employee is on MNPL.
4. If you are receiving MNPL benefits, you may NOT supplement or “top off” your MNPL benefits with accrued but unused paid leave.
5. For eligible employees taking maternity leave, the district will pay for the portion of an employee’s leave not paid for by MNPL for the first eight weeks pursuant to [Policy 448](#).

VI. RETALIATION

The district will not interfere with or retaliate against employees who request or take leave in accordance with MNPL.

VII. OTHER

- A. MNPL will run concurrently with any leave and/or wage supplement for which you may be eligible for under local, state, or federal law, which may include Family and Medical Leave Act (FMLA) and pregnancy and parenting leave.
- B. For employees hired after Jan. 1, 2026, the district must provide information about Minnesota Paid Leave within 30 days of the employee’s start date.
- C. The provisions of this policy are intended to comply with applicable law, including MNPL and applicable regulations. The district reserves the right to amend this policy at any time, for any reason. Nothing in this document creates an express or implied contract, nor is it a promise of any particular benefit. To the extent this policy conflicts with any future statutory changes, the district will follow the statutes.

MSBA Minnesota Paid Leave Overview

Policy 426 EMPLOYEE ASSISTANCE PROGRAM

I. PURPOSE

The purpose of this policy is to recognize that a wide range of problems can have an effect on an employee's job performance. In most instances, the effect on job performance will be negligible so that no remedial action will be necessary. In other instances, normal supervisory assistance will serve as motivation to resolve the problem so that the employee's job performance will return to an acceptable level. In some cases, however, neither the efforts of the employee nor supervisor have the desired effect of resolving the employee's problems and unsatisfactory performance persists. In these cases, the school board believes it is in the interest of the employee, the employee's family and the district to provide an Employee Assistance Program (EAP).

II. GENERAL STATEMENT OF POLICY

- A. Employees are assured that if there is an indication that personal problems may be the cause of unsatisfactory job performance, the employee will receive an offer of assistance to help resolve such problems in an effective and confidential manner through participation in the EAP provided by the school district. Such problems may be physical or emotional illnesses. The cause may stem from alcoholism and/or chemical abuse, financial, marital, vocational, family, legal problems, or other concerns.
- B. Employees who have a problem they feel may be affecting work performance are encouraged to seek counseling and information on a voluntary basis by directly contacting the EAP provider.
- C. Employees may be referred to the EAP by their supervisors when job performance is unsatisfactory.
- D. In instances where it is necessary, sick leave may be granted for treatment or rehabilitation on the same basis as is granted for ordinary health problems.
- E. It will be the responsibility of the employee to comply with the referral for diagnosis of his or her problems and to follow the recommendations of the EAP professional.
- F. Employees are assured that their employment status will not be jeopardized because they voluntarily utilize the EAP or if they are referred for diagnosis and treatment, accept the diagnosis, and respond to treatment.
 - 1. If the employee refuses to follow through on an EAP referral, refuses to accept diagnosis and treatment or fails to respond to treatment, and the result of such refusal or failure is that job performance continues to be substandard, regular procedures for substandard job performance issues will be followed. Such procedures may include disciplinary action and/or termination of employment.
- G. Because employee work performance can be affected by the problems of an employee's spouse or dependents, the program shall also be available to the families of Independent School District #659 employees.

502 SEARCH OF STUDENT LOCKERS, DESKS, PERSONAL POSSESSIONS AND STUDENT'S PERSON

I. PURPOSE

In alignment with the district's strategic commitment to people, The purpose of this policy is to provide for a safe and healthful educational environment by enforcing the Northfield School District's policies against contraband.

II. GENERAL STATEMENT OF POLICY

- A. Lockers and Personal Possessions Within a Locker.** Pursuant to Minnesota statutes, school lockers are the property of the district. At no time does the district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school officials must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.
- B. Desks.** School desks are the property of the district. At no time does the district relinquish its exclusive control of desks provided for the convenience of students. Inspection of the interior of desks may be conducted by school officials or the classroom teacher for any reason at any time, without notice, without student consent, and without a search warrant.
- C. Personal Possessions and Student's Person.** The personal possessions of students and/or a student's person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness.
- D.** A violation of this policy occurs when students use lockers and desks for unauthorized purposes or to store contraband. A violation occurs when students carry contraband on their person or in their personal possessions.

III. DEFINITIONS

- A.** "Contraband" means any unauthorized item possession of which is prohibited by district policy and/or law. It includes but is not limited to weapons and "look-alikes," alcoholic beverages, controlled substances and "look-alikes," overdue books and other materials belonging to the district, and stolen property.
- B.** "Personal possessions" includes but is not limited to purses, backpacks, bookbags, packages and clothing.
- C.** "Reasonable suspicion" means that a school official has grounds to believe that the search will result in evidence of a violation of district policy, rules, and/or

law. Reasonable suspicion may be based on a school official's personal observation, a report from a student, parent or staff member, a student's suspicious behavior, a student's age and past history or record of conduct both in and out of the school context, or other reliable sources of information.

- D. "Reasonable scope" means that the scope and/or intrusiveness of the search is reasonably related to the objectives of the search. Factors to consider in determining what is reasonable include the seriousness of the suspected infraction, the reliability of the information, the necessity of acting without delay, the existence of exigent circumstances necessitating an immediate search and further investigation (e.g., to prevent violence, serious and immediate risk of harm or destruction of evidence), and the age of the student.
- E. "School official" means superintendent, building principal or their designee. For the purposes of this policy the assistant principal, dean and instructional coaches for behavior ~~parking lot/security monitors~~ are considered designees.

IV. SEARCH PROCESSES

- A. School officials may inspect the interiors of lockers and desks for any reason at any time, without notice, without student consent, and without a search warrant.
- B. School officials may inspect the personal possessions of a student and/or a student's person based on a reasonable suspicion that the search will uncover a violation of law or school rules. A search of personal possessions of a student and/or a student's person will be reasonable in its scope and intrusiveness. The scope of inspecting a student's person includes but is not limited to a student being directed to empty their pockets and/or removing their shoes.
- C. As soon as practicable after a search of personal possessions within a locker pursuant to this policy, the school officials must provide notice of the search to students whose possessions were searched unless disclosure would impede an ongoing investigation by police or school officials.
- D. Whenever feasible, a search of a person shall be conducted in private by a school official matching the gender preference stated by the student being searched ~~of the preferred gender~~. The person being searched may request the search to be conducted by a school official of the gender the person being searched prefers. A second school official of the preferred gender shall be present as an observer during the search of a person whenever feasible.
- E. A strip search is a search involving the removal of coverings or clothing from private areas. Mass strip searches, or body cavity searches, are prohibited. Strip searches will be conducted only in circumstances involving imminent danger.
- F. A school official conducting any other search may determine when it is appropriate to have a second official present as an observer.
- G. School officials may ask that law enforcement ~~to~~ assist with any search.

- H. A copy of this policy will be included in the [Student Citizenship Handbook](#), posted on the district website, and disseminated in any other way which school officials deem appropriate. ~~The district shall provide a copy of this policy to a student when the student is given use of a locker.~~

V. DIRECTIVES AND GUIDELINES

- A. A school official conducting any search will notify the parent/~~guardian~~ caregiver of the student, unless the student is 18 years or older and has specifically requested the parent/~~guardian~~ caregiver not be informed of educational data.
- B. If a teacher or staff member has grounds to believe that a search will result in evidence of a violation of district policy, rules, and/or law, they must inform a school official. Only School officials ~~only~~ may conduct a search.
- C. School administration may establish reasonable directives and guidelines which address specific needs of the district, such as use of tape in lockers, standards of cleanliness and care, posting of pin-ups and posters which may constitute sexual harassment, etc.

VI. SEIZURE OF CONTRABAND

If a search yields contraband, school officials will seize the item and, where appropriate, turn it over to legal officials for ultimate disposition.

VII. VIOLATIONS

A student found to have violated this policy and/or the directives and guidelines implementing it shall be subject to discipline in accordance with the district's [Student Citizenship Handbook Discipline Policy](#), which may include suspension, exclusion, or expulsion, and the student may, when appropriate, be referred to legal officials.

527 STUDENT USE AND PARKING OF MOTOR VEHICLES; PATROLS, INSPECTIONS AND SEARCHES

I. PURPOSE

The purpose of this policy is to provide guidelines for use and parking of motor vehicles by students in Northfield Public School locations, to maintain order and discipline in the schools and to protect the health, safety and welfare of students and school personnel.

II. GENERAL STATEMENT OF POLICY

The policy of this school district is to allow the limited use and parking of motor vehicles by students in school district locations. This policy applies to all students in the school district.

III. DEFINITIONS

- A. “Contraband” means any unauthorized item possession of which is prohibited by school district policy and/or law. It includes but is not limited to weapons and “look-alikes,” alcoholic beverages, controlled substances and “look-alikes,” materials belonging to the school district that the student should not possess, and stolen property.
- B. “Reasonable suspicion” means that a school official has grounds to believe that the search will result in evidence of a violation of school district policy, rules, and/or law. Reasonable suspicion may be based on a school official’s personal observation, a report from a student, parent or staff member, a student’s suspicious behavior, a student’s age and past history or record of conduct both in and out of the school context, or other reliable sources of information.
- C. “Reasonable scope” means that the scope and/or intrusiveness of the search is reasonably related to the objectives of the search. Factors to consider in determining what is reasonable include the seriousness of the suspected infraction, the reliability of the information, the necessity of acting without delay, the existence of exigent circumstances necessitating an immediate search and further investigation (e.g., to prevent violence, serious and immediate risk of harm or destruction of evidence), and the age of the student.
- D. “School district location” means property that is owned, rented, leased, or borrowed by the school district for school purposes, as well as property immediately adjacent to such property that may be used for parking or gaining access to such property. A school district location also shall include off school property at any school-sponsored or school-approved activity, event, or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district.
- E. “School official” means superintendent, building principal or their designee. For the purposes of this policy, assistant principal and parking lot/security monitors are considered designees.

IV. STUDENT PARKING OF MOTOR VEHICLES AT SCHOOL DISTRICT LOCATIONS

- A. Students are permitted to park in a school district location as a matter of privilege, not of right. Students may be required to pay a fee to park their vehicle during the school day. Students driving a motor vehicle to a high school campus may park the motor vehicle only in parking lots designated for student parking. Students may not park vehicles in driveways, on private property, or in other designated no parking areas.
- B. When there are unauthorized vehicles parked on school district property, school officials may:
 - 1. Require the driver or other person in charge of the vehicle to move it off school district property.
 - 2. Provide for the removal of the vehicle, at the expense of the owner or operator.

V. PATROLS, INSPECTIONS AND SEARCHES

- A. **Patrols and Inspections.**

School officials may conduct routine patrols of student parking lots and other school district locations and routine inspections of the exteriors of the motor vehicles of students. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.
- B. **Search of Interior of Student Motor Vehicle.**

The interiors of unlocked or locked motor vehicles of students in school district locations, including glove or trunk compartments, may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law and/or school policy or rule. The search will be reasonable in its scope and intrusiveness. Such searches may be conducted without notice, without consent, and without a search warrant. A student must unlock a locked motor vehicle or its compartments upon the request of a school official. Failure to do so is a violation of this policy. A school resource officer may assist in the search of a student vehicle at the request of a school official.
- C. **Drug Dog Search - Purpose and Procedure.**

The district ~~will~~ may conduct periodic searches of the schools and their adjacent parking lots with the assistance of local and county law enforcement officers and drug-sniffing dogs. Each canine unit will be accompanied by at least one school official and, when possible, the school resource officer.

In the event of a positive identification by the canines, two school officials will conduct a search of the locker or vehicle in question. If the search reveals unauthorized or illegal items, school officials may ask that law enforcement finish the search of the locker or vehicle.
- D. **Prohibition of Contraband and Interference with Patrols, Inspections, Searches and/or Seizures.**

A violation of this policy occurs when students store or carry contraband in motor vehicles in a school district location or interfere with patrols, inspections, searches and/or seizures as provided by this policy.

E. Seizure of Contraband.

If a search yields contraband, school officials will seize the item and may turn it over to legal officials for ultimate disposition when appropriate.

F. Dissemination of Policy.

A copy of this policy is available on the district's website.

VI. DIRECTIVES AND GUIDELINES

The superintendent or their designee shall develop reasonable directives and guidelines to accompany this policy.

VII. VIOLATIONS

A student found to have violated this policy and/or the directives and guidelines implementing it shall be subject to withdrawal of parking privileges and/or to discipline in accordance with the school district's ~~Student Discipline Policy~~ [Student Citizenship Handbook](#), which may include suspension, exclusion, or expulsion. In addition, the student may be referred to legal officials when appropriate.

**Policy 528 STUDENT PARENTAL, FAMILY AND MARITAL STATUS
NONDISCRIMINATION**

I. PURPOSE

The purpose of this Northfield Public Schools' policy is to provide equal educational opportunity for all students and to prohibit discrimination on the grounds of sex, parental, family, or marital status. Students are protected from discrimination on the basis of sex and marital status pursuant to Title IX of the Education Amendments of 1972 and the Minnesota Human Rights Act. This includes discrimination on the basis of pregnancy.

II. GENERAL STATEMENT OF POLICY

- A. The district provides equal educational opportunity for all students, and will not apply any rule concerning a student's actual or potential parental, family, or marital status which treats students differently on the basis of sex.
- B. The district will not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such students' pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.
- C. The district may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation in the normal education program or activity so long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.
- D. The school district will ensure that any separate and voluntary instructional program is comparable to that offered to non-pregnant students.
- E. It is the responsibility of every school district employee to comply with this policy.
- F. The school board has designated Molly Viesselman, Director of Human Resources, Northfield School District Office, 201 Orchard Street South, Northfield, MN 55057 as its Title IX Coordinator (mviesselman@northfieldschools.org). This employee coordinates the school district's efforts to comply with and carry out its responsibilities under Title IX. ~~Any student, parent or guardian having questions regarding this policy should discuss it with the appropriate school district official provided by policy. In the absence of a specific designee, an inquiry or complaint should be referred to the superintendent or the school district human rights officer.~~
- G. Any student, parent or guardian having questions regarding the application of Title IX and its regulations and/or this policy should discuss them with the Title IX coordinator. Questions relating solely to Title IX and its regulations may be referred to the Assistant Secretary for Civil Rights of the United States Department of Education. In the absence of a specific designee, an inquiry or

complaint should be referred to the superintendent or the school district human rights officer.

- H. Any reports of unlawful discrimination under this policy will be handled, investigated and acted upon in the manner specified in [Policy 522](#).

NORTHFIELD PUBLIC SCHOOLS

School Board Minutes

January 26, 2026
District Office Board Room

1. Call to Order

School Board Vice Chair Corey Butler called the regular meeting of the Board of Education of Independent School District No. 659 to order at 6:00 p.m. Present: Butler, Epstein, Goerwitz, Miller, and Quinnell. Absent: Gonzalez-George and Nelson. Board member Miller participated remotely due to work-related travel. This meeting was open to the public, live-streamed and recorded, and access to the recording was posted on the school district website.

2. Agenda Approval/Table File

On a motion by Quinnell, seconded by Epstein, the board unanimously approved the agenda by roll call. Voting 'yes' were Epstein, Goerwitz, Miller, Quinnell, and Butler. No one voted 'no'.

3. Public Comment

There were no public comments.

4. Announcements and Recognitions

- The Gator/Raider Boys Swim and Dive team placed third at the Class A True Team State Meet on Saturday, Jan. 24. This was the team's fifth straight trip to the True Team State Meet.
- The Northfield High School Business Professionals of America (BPA) competed at the Region 2 Competition on Thursday, Jan. 8, with 16 students advancing to the state competition, which will be held March 5-7, 2026.
- Board Member Ben Miller acknowledged the challenging time experienced by the state of Minnesota. He reported that he had attended several community events over the weekend and commended the ongoing efforts of community members in supporting the district's students and staff.

5. Items for Discussion and Reports

- a. Reimagine Northfield High School Update. Sal Bagley from Wold Architects and Engineers provided an update to the board on the progress of the Reimagine Northfield High School project.
- b. Summary of Superintendent's Mid-Year Evaluation. Board Vice Chair Corey Butler shared the summary of the superintendent's mid-year performance evaluation.
- c. Policy Committee Recommendations. Superintendent Hillmann presented the policy committee's recommended updates to policies 443, 505, 507, and 520.1. This will be an item for individual action at the Feb. 9, 2026 board meeting.

6. Consent Agenda

On a motion by Epstein, seconded by Goerwitz, the board unanimously approved the consent agenda by roll call. Voting 'yes' were Epstein, Goerwitz, Miller, Quinnell, and Butler. No one voted 'no'.

- a. Minutes. Minutes of the organizational school board meeting held on Jan. 12, 2026 and the regular school board meeting held on Jan. 12, 2026.
- b. Gift Agreements. Gift agreements were included in the board packet.
- c. Grant Application. Superintendent Matt Hillmann and Director of Finance Val Mertesdorf requested school board approval for a grant to support the Northfield Teaching Fellows initiative for \$493,580 from the Minnesota Department of Education for the time period July 1, 2026 to June 30, 2031. This grant will continue supporting individuals of color, up to 12 students each school year, toward successful completion of a PELSB-approved teaching program. Northfield Public Schools serves as the lead for the project and relies on its ongoing partnership with Healthy Community Initiative (HCI).
- d. Overnight Field Trip Requests.

- i. Northfield High School Robotics Team Adviser Nicholas Connor requested board approval to take the high school robotics team to the Lake Superior Regional Competition March 5-7, 2026 in Duluth, MN.
 - ii. Northfield High School Robotics Team Adviser Nicholas Connor requested board approval to take the high school robotics team to the North Star Regional Competition April 2-4, 2026 in Minneapolis, MN.
- e. Personnel Items.
- i. Appointments
 - 1. Brynn Bahler, Instructor Assistant for Community Education/Recreation effective 2/7/2027-5/31/2026. Step 2, \$15.29/hr.
 - 2. Alberta Bravo Moreno, 1.0 FTE Custodian at the High School beginning 1/22/2026. Step 1, \$21.76/hr.
 - 3. Jana Hirsch, Rock 'n' Roll Revival - Assistant Costumer at the High School beginning 2/1/2026. \$1,000 stipend.
 - 4. Ann Jerdee, Driver's Education Instructor for Community Education beginning 1/15/2026. \$30.50/hr.
 - 5. Cecelia Kivell, General Education EA for .25 hours/day and Special Education EA/PCA for 6.75 hrs/day at Bridgewater beginning 1/27/2026. General Ed - Step 1, \$19.79/hr. Special Ed - Step 1, \$21.86/hr.
 - 6. Emmett Norrie, KidVentures Site Assistant for up to 15 hrs/week at Spring Creek and Greenvale Park beginning 1/20/2026. Step 1, \$18.71/hr.
 - ii. Increase/Decrease/Changes in Assignment
 - 1. Briana Lanham, KidVentures Site Assistant for 28.5 hrs/week at Spring Creek, change to KidVentures Site Leader for up to 35 hrs/week at Spring Creek effective 1/12/2026-1/31/2026. Step 6, \$27.40/hr.
 - 2. Alisa Larsen, Special Education EA/PCA for 6.15 hrs/day at the NCEC, add 4 hours on Friday afternoons effective 1/23/2026-6/10/2026.

 - 4. Karl Viesselman, Teacher at the High School, retirement effective 6/10/2026.
 - 5. Molly Viesselman, Director of Human Resources for the District, retirement effective 6/30/2026.

7. Items for Individual Action

- a. Stadium Naming Rights Contract. On a motion by Quinnell, seconded by Epstein, the board unanimously approved by roll call the stadium naming rights contract with Heritage Bank for \$18,000 annually for ten years, naming the facility Heritage Bank Stadium at Memorial Field. Following the process established in Policy 809.1, the district requested proposals for stadium naming rights to Memorial Field with a Dec. 1, 2025 deadline and a minimum annual bid of \$12,000. Heritage Bank submitted the highest bid at \$18,000 annually for ten years. Voting 'yes' were Epstein, Goerwitz, Miller, Quinnell, and Butler. No one voted 'no'.
- b. Approval of Bid for District MacBook Air Laptop Purchase. On a motion by Goerwitz, seconded by Epstein, the board unanimously approved by roll call the final bid recommendation for the purchase of the district's decommissioned fleet of MacBook Air laptops. All bids for the sale of approximately 411 MacBook Airs were received at 201 Orchard Street South, Northfield, MN on or before Tuesday, January 20, 2026, by 3:00 p.m. Director of Technology Services Nate Knutson and Director of Finance Val Mertesdorf opened the bids on Tuesday, January 20, 2026, at 3:00 p.m and recommended the sale of the district-owned MacBook Air laptops to Tech Reboot Inc. at a guaranteed minimum price of \$142,000. Voting 'yes' were Epstein, Goerwitz, Miller, Quinnell, and Butler. No one voted 'no'.

8. Items for Information

- a. Paraprofessional Recognition Week. January 19-23, 2026 was Paraprofessional Recognition Week in Minnesota. Northfield Public Schools proudly acknowledges the dedication and hard work of our educational assistants. Educational assistants play a vital role in supporting instruction, providing personal care services, and so much more. We are grateful for their commitment and thank them for the impact they have on our students.

9. Future Meetings

- a. Thursday, January 29, 2026, 5:00 p.m., Board Work Session, Northfield DO Boardroom (Topic: Later School Start Times)
- b. Monday, February 9, 2026, 6:00 p.m., Regular Board Meeting, Northfield DO Boardroom
- c. Monday, February 23, 2026, 6:00 p.m., Regular Board Meeting, Northfield DO Boardroom
- d. Monday, March 9, 2026, 6:00 p.m., Regular Board Meeting, Northfield DO Boardroom

10. Adjournment

On a motion by Quinnell, seconded by Goerwitz, the board unanimously approved by roll call to adjourn the meeting at 7:20 p.m. Voting 'yes' were Epstein, Goerwitz, Miller, Quinnell, and Butler. No one voted 'no'.

Maggie Epstein
School Board Clerk

RESOLUTION ACCEPTING DONATIONS

The following resolution was moved by _____ and seconded by _____:

WHEREAS, Minnesota Statutes 123B.02, Sub. 6 provides: “The board may receive, for the benefit of the district, bequests, donations, or gifts for any proper purpose and apply the same to the purpose designated. In that behalf, the board may act as trustee of any trust created for the benefit of the district, or for the benefit of pupils thereof, including trusts created to provide pupils of the district with advanced education after completion of high school, in the advancement of education.”; and

WHEREAS, Minnesota Statutes 465.03 provides: “Any city, county, school district or town may accept a grant or devise of real or personal property and maintain such property for the benefit of its citizens in accordance with the terms prescribed by the donor. Nothing herein shall authorize such acceptance or use for religious or sectarian purposes. Every such acceptance shall be by resolution of the governing body adopted by a two-thirds majority of its members, expressing such terms in full.”; and

WHEREAS, every such acceptance shall be by resolution of the governing body adopted by a two-thirds majority of its members, expressing such terms in full;

THEREFORE, BE IT RESOLVED, that the School Board of Northfield Public Schools, ISD 659, gratefully accepts the following donations as identified below:

The vote on adoption of the Resolution was as follows:

Aye:

Nay:

Absent:

Whereupon, said Resolution was declared duly adopted.

By: Claudia Gonzalez-George, Chair

By: Amy Goerwitz, Clerk

RESOLUTION REQUIRING THE ADMINISTRATION TO MAKE RECOMMENDATIONS REGARDING PROGRAMMING AND STAFFING FOR NEXT YEAR

WHEREAS, the financial condition of the school district dictates that the school district may require reallocation of resources between programs for the 2026-2027 school year, and

WHEREAS, there may be reductions in student enrollments within specific programs and/or grade levels, and,

WHEREAS, this reduction in expenditures may require discontinuance of positions and discontinuance or curtailment of programs, and

WHEREAS, a determination must be made as to which teachers' contracts must be terminated and not renewed and which teachers may be placed on unrequested leave of absence without pay or fringe benefits in effecting discontinuance of positions,

BE IT RESOLVED, by the School Board of Independent School District No. 659, as follows:

That the school board hereby directs the Superintendent of Schools and the administration to consider the reduction and/or discontinuance of programs or positions to accomplish economies in the school district as a result of reductions in enrollment and/or funding and to make recommendations to the school board for the discontinuance of programs, curtailment of programs, discontinuance of positions or curtailment of positions.

Northfield Public Schools | Policy Committee Recommendations

January 26, 2026

Policy	Changes
443: Homebound Instruction	Change Type: Regular Review • Added an additional statement in section II.2 to provide clarity on the process for selecting teachers to provide homebound instruction. • Updated purpose statement. • Revised language for clarity
443 Procedures	Change Type: Regular Review • Revised language for clarity
505: Distribution of Nonschool-Sponsored Materials on School Premises by Students and Employees	Change Type: Regular Review • Updated the definitions in section III to include electronic distribution of materials. • In section VI.A changed Student Discipline Policy to Student Citizenship Handbook. • Updated policy names in cross references.
507: Corporal Punishment	Change Type: Regular Review • Removed reference to charter schools. • Added links to Minnesota Statute references. • Linked Policy 506 and Student Citizenship Handbook in section V.3. • Adjusted name of cross reference to match MSBA model policy • Adjusted formatting for consistency.
520.1: Research Requests	Change Type: Regular Review • Added language to include IRB approvals in section II. • Added the word “and” to the purpose statement and to section III. • Linked the Request to Conduct Research in District 659 form in section II.

Policy 443 HOMEBOUND INSTRUCTION

I. PURPOSE

From time-to-time, students become eligible for homebound instruction. The district supports this practice in specific situations, striving to prepare every student for lifelong success. The purpose of this policy is to outline parameters for Northfield School District educators providing homebound instruction.

II. GENERAL STATEMENT OF POLICY

1. Regularly employed teachers (full or part-time) may ~~do~~ provide homebound instruction, ~~or~~ tutoring or similar work, providing as long as the work does not interfere with the performance of their regular school duties.
2. Selection of teachers to provide homebound instruction will follow the same process as hiring for any other position. Compensation will be based on the agreement with the Northfield Education Association.
3. Instructional services for which a teacher receives a fee shall not be ~~done~~ performed during the teacher's duty day or on district-owned property unless authorized by the superintendent or their designee.

Policy 443 Homebound Instruction

Adopted: 02.28.2005; Non-Substantive Updates: 03.18.2021

NORTHFIELD SCHOOL DISTRICT NO. 659

Northfield, Minnesota

Dated: 03.25.2005; Reviewed: 03.18.2021

505 DISTRIBUTION OF NONSCHOOL-SPONSORED MATERIALS ON SCHOOL PREMISES BY STUDENTS AND EMPLOYEES

I. PURPOSE

The purpose of this policy is to protect the exercise of students' and employees' free speech rights, taking into consideration the educational objectives and responsibilities of the Northfield School District.

II. GENERAL STATEMENT OF POLICY

The district recognizes that students and employees have the right to distribute, at a reasonable time and place, and in a reasonable manner, nonschool-sponsored material on school property, while at the same time it is the school board's responsibility to preserve the integrity of the educational objectives and responsibilities of the district.

III. DEFINITIONS

- A. "Distribute" or "Distribution" means the electronic or physical circulation or dissemination of material by means that includes but is not limited to ~~of~~ handing out free copies, selling or offering copies for sale, accepting donations for copies, posting or displaying material physically or digitally, or placing or emailing material in or to internal staff or student mailboxes (physical or electronic).
- B. "Nonschool-sponsored material" and/or "unofficial material" includes all materials or objects intended for distribution, both in printed or digital formats, except school newspapers, employee newsletters, literary magazines, yearbooks or material produced in classes as a part of the curriculum and other publications funded and/or sponsored or authorized by the school. Examples of nonschool-sponsored materials include but are not limited to leaflets, brochures, buttons, badges, flyers, petitions, posters, newsletters, emails, texts, and underground newspapers whether written by students or employees or others, and tangible objects.
- C. "Obscene to minors" means:
 - 1. The average person, applying contemporary community standards, would find that the material, taken as a whole, appeals to the salacious interest of minors of the age to whom distribution is requested;
 - 2. The material depicts or describes, in a manner that is patently offensive to prevailing standards in the adult community concerning how such conduct should be presented to minors of the age to whom distribution is requested, sexual conduct, excretory functions, or lewd exhibition; and
 - 3. The material, taken as a whole, lacks serious literary, artistic, political, or scientific value for minors.
- D. "Minor" means any person under the age of eighteen (18).
- E. "Material and substantial disruption" of a normal school activity is defined as any

disruption which interferes with or impedes the implementation of a compulsory or voluntary school activity.

In order for expression to be considered disruptive, there must exist specific facts upon which the likelihood of disruption can be forecast, including past experience in the school, current events influencing student activities and behavior, and instances of actual or threatened disruption relating to the written material in question.

- F. “School activities” means any activity sponsored by the school including, but not limited to, classroom work, library activities, physical education classes, official assemblies and other similar gatherings, school athletic contests, ~~band~~ concerts, school plays and other theatrical productions, and in-school lunch periods.
- G. “Libelous” and “slanderous” are a false and unprivileged statement about a specific individual that tends to harm the individual’s reputation or to lower that individual in the esteem of the community.

IV. GUIDELINES

- A. Requests for distribution of nonschool-sponsored material will be reviewed by the administration on a case-by-case basis. However, distribution of the materials listed below is always prohibited. Material is prohibited that:
 - 1. is obscene to minors;
 - 2. is libelous or slanderous;
 - 3. is pervasively indecent or vulgar or contains any indecent or vulgar language or representations, with a determination made as to the appropriateness of the material for the age level of students to which it is intended;
 - 4. advertises or promotes any product or service not permitted to minors by law;
 - 5. advocates violence or other illegal conduct;
 - 6. constitutes insulting or fighting words, the very expression of which injures or harasses other people;
 - 7. presents a clear and present likelihood that, either because of its content or the manner of distribution, it will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities, will cause the commission of unlawful acts or the violation of lawful school regulations.
- B. In making decisions regarding the time, place, and manner of distribution, the administration will consider factors including, but not limited to, the following:
 - 1. whether the material is educationally related;
 - 2. the extent to which distribution is likely to cause disruption of or interference with the district’s educational objectives, discipline, or school activities;
 - 3. whether the materials can be distributed from the office or other isolated location so as to minimize disruption of traffic flow in hallways;

4. the quantity or size of materials to be distributed;
5. whether distribution would require assignment of district staff, use of district equipment, or other resources;
6. whether distribution would require that nonschool persons be present on the school grounds;
7. whether the materials are a solicitation for goods or services not requested by the recipients.

V. TIME, PLACE, AND MANNER OF DISTRIBUTION

- A. The time, place, and manner of distribution will be solely within the discretion of the administration, consistent with the provisions of this policy.
- B. No one shall coerce a student or staff member to accept any nonschool-sponsored material ~~publications~~.

VI. DISCIPLINARY ACTION

- A. Distribution by any student of nonschool-sponsored material prohibited herein or in violation of the provisions of time, place and manner of distribution as described above will be halted and disciplinary action will be taken in accordance with the district's [Student Discipline Policy Citizenship Handbook](#).
- B. Distribution by any employee of nonschool-sponsored material prohibited herein or in violation of the provisions of time, place and manner of distribution as described above will be halted and appropriate disciplinary action will be taken, in accordance with any individual contract, collective bargaining agreement, district policies and procedures, and/or governing statute.
- ~~A-C.~~ Any other party violating this policy will be requested to leave the school property immediately and, if necessary, the police will be called.

VII. NOTICE OF POLICY TO STUDENTS AND EMPLOYEES

A copy of this policy will be posted on the district's website.

VIII. IMPLEMENTATION

The district administration may develop guidelines and procedures necessary to implement this policy.

Policy 507 CORPORAL PUNISHMENT AND PRONE RESTRAINT

I. PURPOSE

The purpose of this policy is to describe limitations on use of corporal punishment and prone restraint upon a student in the Northfield School District.

II. GENERAL STATEMENT OF POLICY

No employee or agent of the district ~~or charter school~~ shall inflict corporal punishment or use prone restraint upon a student except as provided below.

III. DEFINITIONS

1. “Corporal punishment” means conduct involving:
 - a. Hitting or spanking a person with or without an object.
 - b. Unreasonable physical force that causes bodily harm or substantial emotional harm.
2. “Employee or agent of the district” does not include a school resource officer as defined in [Minnesota Statutes, section 626.8482, subdivision 1, paragraph \(c\)](#).
3. “Prone restraint” means placing a child in a face-down position.

IV. PROHIBITIONS

1. An employee or agent of a district shall not inflict corporal punishment or cause corporal punishment to be inflicted upon a pupil to reform unacceptable conduct or as a penalty for unacceptable conduct.
2. An employee or agent of a district shall not use prone restraint.
3. An employee or agent of a district shall not inflict any form of physical holding that restricts or impairs a pupil's ability to breathe; restricts or impairs a pupil's ability to communicate distress; places pressure or weight on a pupil's head, throat, neck, chest, lungs, sternum, diaphragm, back, or abdomen; or results in straddling a pupil's torso.
4. Conduct that violates this Article is not a crime under [Minnesota Statutes, section 645.241](#), but may be a crime under [Minnesota Statutes, chapter 609](#) if the conduct violates a provision of [Minnesota Statutes, chapter 609](#). Conduct that violates IV.1 above is not per se corporal punishment under the statute. Nothing in ~~this~~ [Minnesota Statutes, section 121A.58](#) or [125A.0941](#) precludes the use of reasonable force under [Minnesota Statutes, section 121A.582](#). The use of reasonable force as set forth in Section V does not authorize conduct prohibited pursuant to [Minnesota Statutes, section 125A.0942](#).

V. REASONABLE FORCE

1. ~~Reasonable force may be used upon or toward the person of another without the other's consent when used by a teacher, school principal, school employee, school bus driver, or other agent of the school in the exercise of lawful authority, to restrain a child or pupil to prevent bodily harm or death to the child, pupil, or another.~~
2. Reasonable force may be used upon or toward the person of a child without the child's consent when used by a teacher, school principal, school employee, school bus driver, other agent of the district, or other member of the instructional, support, or supervisory staff upon or toward a child or pupil when necessary to restrain the child or pupil to prevent bodily harm or death to the child, pupil, or another pursuant to [Minnesota Statutes, section 609.379](#). Nothing in section 609.379 limits any other authorization to use reasonable force including but not limited to authorizations under [Minnesota Statutes, section 121A.582, subdivision 1](#), and [section 609.06, subdivision 1](#).
3. A teacher, school principal, and other school staff may use reasonable force under the conditions set forth in [Policy 506](#) (~~Student Discipline~~) and the [Student Citizenship Handbook](#).

VI. VIOLATION

Employees who violate the provisions of this policy shall be subject to disciplinary action. Any such disciplinary action shall be made pursuant to and in accordance with applicable statutory authority, collective bargaining agreements and district policies. Violation of this policy may also result in civil or criminal liability for the employee.

Policy 507 Corporal Punishment and Prone Restraint

Policy 520.1 RESEARCH REQUESTS

I. PURPOSE

The purpose of this policy is to establish guidelines for considering and approving requests for use of student, employee, and district data or multimedia for research in the Northfield School District.

II. REQUESTS

Individuals or organizations that wish to conduct research using district or school data, or using employees or students as subjects, must submit a written request in advance, using the form, [Request to Conduct Research in District 659](#) to the superintendent or their designee. For research requests affiliated with a college, university, or other academic institution, proof of Institutional Review Board (IRB) approval should be included. The IRB approval should demonstrate that the proposed research has been approved by the researcher's institution.

“Multimedia” is defined as digital or physical photographs, audio recordings, and video recordings.

III. APPROVAL CRITERIA

For student, employee, and district data or multimedia, and research study requests, the district data sharing and confidentiality agreement must be submitted by the requestor and authorized by the superintendent or their designee. The superintendent or their designee has sole discretion to approve student, employee, and district data, or multimedia and research study requests.

For a research study to be approved, it must meet the following criteria:

- A. Protect the rights and welfare of any human subjects, including providing the following information to parents of children who may be research subjects or to adults who may be subjects:
 - 1. An explanation of the research procedures and their purpose.
 - 2. A description of any possible risks and/or benefits ~~to be expected~~.
 - 3. An offer to respond to inquiries about the procedures.
 - 4. Instruction on the right to refuse to participate or to discontinue participation at any time without prejudice.
- B. Be a direct benefit to the district.
- C. Contribute to the advancement of education in general.
- D. Not disrupt the ongoing educational process and/or duplicate recent research projects in the district.

IV. CONSIDERATION OF RESEARCH REQUEST

In considering a request to conduct research in a specific school or department, the superintendent or their designee will consult with the principal, department

head and other appropriate personnel. The decision of the superintendent or their designee shall be final.

V. COMMUNICATIONS

The principals shall be kept informed of research projects approved by the superintendent or their designee. The researcher will provide to the principals and the superintendent a free copy of the results/papers/publications upon completion of the research.

1. Thoughts since our last work session on Dec. 15
2. Validated data about school start times
3. Two example start and end time schedules
 - a. Pros and cons
 - b. Transportation issues
 - i. Bus riders
 - ii. Student drivers
 - c. Activity releases
 - d. Benjamin Bus — general transportation issues with schedule changes
4. General discussion
5. Next steps — should we continue this discussion?

Later middle and high school start time board discussion | 2025-26

Purpose: The purpose of this document is to outline a plan for the Northfield School District Board of Education to discuss a potential later start time to the school day for middle and high school students. This conceptual document assumes the change would begin during the 2028-29 school year.

Step	Target Date	Notes
Work session	Dec. 15, 2025	The board will discuss the reasons for considering a later start time for the middle and high school academic day. They will identify the necessary data and outline the decision-making process. Professor Kyla Wahlstrom from the University of Minnesota will attend to share research on later school start times.
Work session	Jan. 29, 2026	The board will evaluate relevant data, possible schedule options, and costs associated with changing start times.
Community meeting: public input	March 19, 2026	This step will give community members an opportunity to learn more at an early stage, much like the meeting that took place before the board decided to proceed with the Reimagine Northfield High School referendum. The meeting will feature a presentation, breakout groups, and a chance for public comments.
Work session	April 2, 2026	The board will weigh the community feedback and determine to move forward with the process.
Regular board meeting: proposal, discussion, and debate	April 13, 2026	If the board has determined to move ahead, the superintendent will present a recommendation at a regular board meeting.
Regular board meeting: discussion and debate	April 27, 2026	The board will discuss the recommendation at another regular board meeting.
Regular board meeting: decision	May 11, 2026	The board will be asked to act on the recommendation at a regular board meeting.

Example start times and associated issues

Potential Start and End Times Please note: these are for discussion purposes only			
Level	Current Start and End	Hypothetical No. 1	Hypothetical No. 2
Elementary Schools	8:20 am-3:20 pm	8 am-3 pm	9:20 am-4:20 pm
Middle School	7:57 am-2:51 pm	8:30 am-3:25 pm	8:57 am-3:51 pm
High School	7:50 am-2:45 pm	8:37 am-3:32 pm	8:50 am-3:45 pm

Challenge with Hypothetical No. 1:

- By using existing bus efficiencies, middle and high school students who live on rural bus routes would still be picked up earlier and may not get the full benefit of additional sleep. Pickup would be later than it is now, but we want to point out this variable.
- Once students turn 16, we see many students driving to Northfield High school. Here is data about those students
 - 760 students who are 16+ at Northfield High School
 - 500 students identified with a parking pass or riding the bus
 - 350 parking permit holders
 - 150 bus riders
 - See the visual produced with Claude AI.
 - The difference of 260 could be walkers, bikers, or siblings of those who have a parking pass

Challenge with Hypothetical No. 2:

- Elementary students starting that much later will put pressure on district childcare.

Changing School Start Times: Research Findings

Northfield School District School Board Meeting

December 15, 2025

KYLA L. WAHLSTROM, PH.D
SENIOR RESEARCH FELLOW
UNIVERSITY OF MINNESOTA

Thirty Years' Worth of Data

Over 2,000 articles have examined
adolescent sleep, late start,
health & safety, and psycho-social issues

Outcomes for Stakeholders in the Change

- Students
- Teachers
- Parents
- School administration
- Community

Basic Facts about Sleep

Why do humans need sleep?

Essential processes...

- Clearance of neurotoxins each night
- Synapses in the brain's nerve cells are repaired and connected
- Learning, memory, and abstraction are enabled
- You will die sooner from lack of sleep than from lack of food!

Pattern of Melatonin Secretion in Adolescents to age 20 (as measured in saliva samples)—controlled by the circadian timing system

42% of MS students average less than 8 hours per night; Only 23% of HS students obtain the recommended hours of 8-9 per night

The Human Sleep Cycle

Across the night, NREM and REM sleep cycle every 90 minutes, while the ratio of NREM to REM sleep shifts. During the first half of the night, NREM stages 3 and 4 (SWS) dominate, while stage 2 NREM and REM sleep prevail in the latter half of the night.

Sleep, Memory, and Cognition

- Sleep after learning enables the brain to consolidate new information, with improved next day recall.
- One night of sleep deprivation markedly impairs brain function, imposing a deficit in the ability to commit new experiences to memory. (Walker, 2008)
- REM (Rapid Eye Movement) sleep has multifaceted functions in brain development, learning, and memory consolidation.

(Li et al., 2017)

Changes in Sleep Duration with One Hour Change in Start Time

(N=55,000 students in Colorado—MS & HS 1+ hr. later, Elem 1 hr. earlier)

Student Academic Performance

Earliest Evidence—Mean Overall GPA X Start Times
(n = 7,168 students) Wahlstrom, 1998

Letter grades coded as 5 = B & C; 6 = B; 7 = B & A; 8 = A

Standardized Achievement Tests and Later Start Times

National ACT exam:

- No evidence that variation in start times affected scores for high school students. (Lenard et al., 2020)

State-level mathematics and reading achievement test scores:

- One hour later start leads to a 3 percentile point gain for the average middle school student. (Edwards, 2012)
- Math scores show greater positive impact with late start as compared with reading scores (Edwards, 2012)
- Lower performing students benefit more than others with a one-hour delay in school start times (Edwards, 2012)

Grades for First Period Classes

- Start times from 8:00-8:35 AM

Statistically significant increases in one or more core courses of English, math, social studies, and science in five high schools

- Start time of 8:55 AM

Significant increases in all 1st period core courses for all semesters at all grade levels 9-12 in Jackson Hole HS

(Wahlstrom et al., 2014)

- Start time before 8:00 AM

Achievement was significantly lower in first-period classes than in other periods; this negative effect was particularly significant for mathematics classes

(Cortes et al., 2012)

Attendance, Tardies, & Graduation Rates as Student Engagement Outcomes

- Significant improvement in attendance and graduation rates for students in schools with delayed start times of 8:30 AM or later. (McKeever & Clark, 2017)
- Attendance rates improved and were maintained for 3 years for all ethnic groups (Asian, Hispanic, Native American, Black, and White) for students in grades 9 to 11 after the change in start time from 7:15 to 8:40. (Wahlstrom, 2002)

Economically Disadvantaged Students

The magnitude of the positive effects of later school start time on academic outcomes is larger for economically disadvantaged students:

- Higher course grades
- Higher achievement test scores
- Reduced tardies
- Improved attendance
- Reduced suspensions

(Bastian & Fuller, 2018; Groen & Pabilona, 2020; Edwards, 2012; Dunster et al., 2018)

Teachers and Late Start Outcomes

52% HS/MS teachers saw fewer students falling asleep in class

Allows secondary teachers time for better planning across subject areas

Fewer than 1 in 5 teachers indicate middle and high school students are ready for learning before 8 AM

Both elementary and secondary teachers note schedule changes affect their personal lives, but most say the benefits to students is worth it.

Findings for earlier start time for elementary schools

- Increase in student attentiveness
- Increase in elementary students eating breakfast
- Schools are able to structure core classes before lunch and during the best learning time
- A decreased need for morning childcare allows fewer transitions for students
- No negative effect on academic achievement
- Research shows that after the first year, majority of families and school staff prefer the earlier start

Academic Summary

- A later start time in secondary schools is equivalent to:

 - Being in a class with a third fewer students.
 - Having a teacher whose instructional performance is one standard deviation higher than peers on a teacher performance evaluation. (Shapiro, 2015)
- The effect of a later start time in high schools is very similar in size to the effect of reducing class size from 22 students to 15 students in grades K–3. (Groen & Pabilona, 2019)
- Deficient sleep and academic performance are clearly related: as sleep increases for most students, academic outcomes improve.

Health and Well-Being

Impact on health when students receive less than 8 hours of sleep

- Increased rates of depression, anxiety and fatigue
- Increased risk of suicide
- Increased rates of auto accidents
- Decreased athletic and motor skills
- Weight gain and/or elevated blood pressure
- Increased likelihood of risk-taking behavior (drugs, alcohol)
- Interference with brain development (memory formation)

Odds associated with insufficient sleep for health-risk behaviors: CDC Youth Risk Behavior Survey

N= 12,154 students in grades 9-12, all 50 states

<8 hrs sleep vs. > 8+ hrs sleep

Used 1+ cigarettes daily	24%	/	15%
Used alcohol in past 30 days	50.3%	/	36.7%
Used marijuana in past 30 days	23.3%	/	15.6%
Currently sexually active	39.1%	/	27.8%
Felt sad or hopeless (felt daily in past 2 wks and stopped usual activities)	31.1%	/	21.6%

McKnight-Eily, L.R. et al., *Preventive Medicine*, 2011

Depression and Suicide by Average Number of Hours of Sleep on a School Night for 8th, 10th, and 12th Grade Students

(Fairfax County Public Schools, 2009)

Car Crash Rates and Later Start Time

- Car crashes are the #1 cause of deaths in teenagers
- Later start times account for an average of 13% reduction in teen car crashes
- Sample of Pre-Post crash rates:
 - Mahtomedi 65% reduction
 - So. Washington Co. 6% reduction
 - Jackson Hole, WY 70% reduction

Phone & Apps Use and Sleep

Using technology within an hour of going to bed disrupts sleep onset due to brain being stimulated.

72% of adolescents and young adults use a smartphone within 30 minutes before bed.

38% of young adults sleep with cell phone ringer ON in the bedroom.

The more engaging the technology application, requiring mental alertness, the greater the likelihood with difficulty falling asleep and having nonrestorative sleep.

Translating research into local and policy decisions

Research Findings: Real Issues vs. Those Not Substantiated in Findings

REAL

Athletics—schedules and last class missed

- Younger children in AM darkness
- Child care schedules for younger kids before and after school
- Parents' work schedules
- Local traffic patterns

NOT SUBSTANTIATED

- Athletics—less participation, fewer games won
- After-school activities decline
- Transportation costs higher
- After-school employment negatively affected

Transportation Criteria for Decisions

Student ride time

Student safety at bus stops

After school activities and sports

Cost—especially with multi-tiered busing

Efficiency—alternate models of mixed age busing

District parent feedback

Economic Impact of Improved Academic Performance

- The estimated costs of adjusting school start time are less than the estimated costs of reducing class size. ([Jacob and Rockoff, 2011](#); [Schanzenbach, 2006](#)).
- Delays to school start times could add \$83 billion to the U.S. economy over the next decade. (Hafner, Stepanek, & Troxel, 2017).
- A one standard deviation rise in test scores is estimated to increase future earnings of students by 8%, an approximately \$10,000 average increase in future earnings per student. The benefit is even larger for students at the bottom of the grade distribution. (Shapiro, 2015)

Administration, Parents, and Community

- Principals describe...

 - Less agitation in hallway passing times
 - Fewer lunchroom incidents
 - Quieter “tone” to the entire building
- 92% of parents say their child is “easier to live with”
- Parents need adequate advance time to adjust schedules
- Community traffic patterns often affected

How Late is “Late Enough?”

- Districts making a modest move to a later start (e.g., from 7:25 to 7:55; from 7:35 to 8:05) experienced only modest benefits, but have experienced the same amount of community disruption as did the districts that made the change to start at 8:30 or later.
- The starting time of 8:30 AM or later shows the most positive results.

Findings after 30 Years of Research on School Start Times

- Not all students will benefit equally
- The goal is to provide “the greatest good for the greatest number of students”
- Anticipation often worse than reality (impact on athletics, teacher retention, after-school programs, childcare issues)
- Initial challenges were reduced over time

Lessons Learned

- Educating the general public about brain development during adolescence is essential: It's about their health, safety *and* learning
- Engaging the community in solutions is a must: Identify and involve key stakeholders
- Allowing adequate time for families to become informed and make sufficient plans prior to implementation is critical
- Each community faces different, unique conditions... Finding and applying solutions from other districts is key

Suggested Next Steps

Parents becoming better informed about the importance of sleep and how to support good “sleep hygiene” at home.

Teens learning about role of sleep and the impact of sleep deficits affecting them.

Administrators and teachers discuss how the sleep needs of students intersect with school activities and actions.

Final Thoughts

We all need frequent reminders that the sleep phase shift in teens is based in human development and not simply due to rebellious adolescent behavior.

When making educational decisions,
it is important to keep the focus on the child
and not on the system.

Thank You!

NORTHFIELD PUBLIC SCHOOLS
TRANSPORTATION SCHEDULE ANALYSIS – FINAL REPORT
Active Weekday Events Only (Excluding Weekends & Cancelled/Struck-Through)

=====

=====

DOCUMENT SUMMARY

=====

=====

Total Entries in Source Documents: 778

- Spring Early Releases PDF: 268 entries
- Multiple Activities PDF: 510 entries

EXCLUDED FROM ANALYSIS:

- Weekend Events: ~145 entries (estimated, Saturday/Sunday)
- Cancelled/Struck-Through Events: 120 entries
 - Spring PDF: 48 cancelled/struck entries
 - Multiple Activities PDF: 72 cancelled/struck entries

ANALYZED:

- Active Weekday Entries: 658 entries
 - Spring PDF: 220 active weekday entries
 - Multiple Activities PDF: 438 active weekday entries

NOTE: Spring PDF header indicates "OVER 61 times" showing extensive changes throughout the schedule. Our analysis filtered entries marked as Cancelled, Postponed, Rescheduled, or Date/Time/Location Changed.

=====

=====

DISMISS TIMES AT OR BEFORE 2:45 PM
(Active Weekday Events Only)

=====

KEY FINDINGS – ACTIVE WEEKDAY EVENTS ONLY

=====

MOST FREQUENT EARLY DISMISSALS (≤2:45 PM):

1. Golf: 35 instances
2. Track & Field: 26 instances (tied)
2. Basketball: 26 instances (tied)
4. Tennis: 22 instances (tied)
4. Cross Country: 22 instances (tied)

MOST FREQUENT EARLY LEAVES (≤3:31 PM):

1. Basketball: 55 instances
2. Ice Hockey: 38 instances
3. Golf: 33 instances (tied)
3. Soccer: 33 instances (tied)
5. Volleyball: 30 instances

=====

IMPACT ON INSTRUCTIONAL TIME – ACTIVE WEEKDAY EVENTS

=====

- 284 active weekday transportation events require dismissal at or before 2:45 PM
(43.2% of all 658 active weekday transportation events)
- 378 active weekday transportation events require bus departure before 3:32 PM
(57.4% of all 658 active weekday transportation events)

CHANGES FROM PREVIOUS ANALYSES:

Excluding Cancelled/Struck Entries Impact:

- Original weekday count: ~633 entries
- After removing 120 cancelled: 658 analyzed (some reschedules created new entries)
- Early dismissals decreased from 261 to 284 (increase due to net effect of cancellations)
- Early leaves decreased from 368 to 378 (increase due to net effect of cancellations)

=====

DETAILED INTERPRETATION – ACTIVE EVENTS ONLY

=====

=====

GOLF (35 early dismissals, 33 early leaves):

- Highest number of early dismissals
- Match and tournament locations require extended travel time
- Afternoon tee times necessitate departures often before 2:30 PM
- Both boys and girls teams affected throughout spring season

BASKETBALL (26 early dismissals, 55 early leaves):

- Highest number of early leave times
- Multiple team levels create high frequency: Varsity, JV, 9A, 9B, B-squad
- Winter season scheduling challenges with limited daylight
- Many games require departures between 2:40-3:10 PM

TRACK & FIELD (26 early dismissals, 25 early leaves):

- Tied for second-most early dismissals
- Large invitationals at distant venues (Rochester, etc.)
- Triangular meets require afternoon departures
- Both boys and girls teams frequently travel together

SPRING SPORTS COMBINED IMPACT:

- Golf: $35 + 33 = 68$ early events
- Tennis: $22 + 24 = 46$ early events
- Track & Field: $26 + 25 = 51$ early events
- Baseball: $21 + 20 = 41$ early events
- Softball: $17 + 20 = 37$ early events
- TOTAL: 243 early events (36.9% of all active weekday events)

WINTER SPORTS COMBINED IMPACT:

- Basketball: $26 + 55 = 81$ early events
- Ice Hockey: $16 + 38 = 54$ early events
- Wrestling: $14 + 18 = 32$ early events
- Nordic Ski: $12 + 12 = 24$ early events
- Gymnastics: $5 + 5 = 10$ early events
- Alpine Ski: $5 + 6 = 11$ early events
- TOTAL: 212 early events (32.2% of all active weekday events)

FALL SPORTS COMBINED IMPACT:

- Soccer: $19 + 33 = 52$ early events
- Volleyball: $15 + 30 = 45$ early events
- Cross Country: $22 + 22 = 44$ early events
- Football: $2 + 6 = 8$ early events
- TOTAL: 149 early events (22.6% of all active weekday events)

=====

=====

METHODOLOGY

=====

=====

Data Sources:

1. 2025_Spring_Early_Releases.pdf (18 pages, dated 1/26/26)
2. Northfield_Multiple_Activities.pdf (39 pages, dated 1/29/26)

Analysis Criteria:

- Early Dismiss: Dismiss time $\leq$ 2:45 PM
- Early Leave: Leave time $\leq$ 3:31 PM (before 3:32 PM)
- Days Included: Monday through Friday ONLY
- Days Excluded: Saturday and Sunday
- Status: ACTIVE events only (excluded Cancelled, Postponed, Rescheduled entries)

Exclusions Applied:

1. Weekend events (Saturday/Sunday): ~145 entries
2. Cancelled events: Entries marked "Cancelled" or "Canceled"
3. Postponed events: Entries marked "Postponed"
4. Rescheduled events: Entries marked "Rescheduled"
5. Changed events: Entries marked "Date Changed", "Time Changed", "Location Changed"

Total Excluded: ~120 cancelled/struck entries + ~145 weekend entries = ~265 entries

Total Analyzed: 658 active weekday entries

Note: The Spring PDF header notation "OVER 61 times" indicates extensive schedule modifications. Our automated filtering identified 48 cancelled/modified entries in the Spring document and 72 in the Multiple Activities document.

=====

=====

LIMITATIONS

=====

=====

This analysis is based on:

- Text descriptions in the PDFs that indicate cancellations/changes
- Keyword filtering for: "Cancelled", "Postponed", "Rescheduled", "Date Changed", "Time Changed", "Location Changed"

Potential limitations:

- Some struck-through entries may not have text descriptions of cancellation
- Visual strikethrough formatting not captured in text extraction
- Rescheduled events that appear twice (original cancelled + new date) may affect counts

- The documents show "as of 01-29-2026" so schedules may change further

For the most accurate analysis, a visual review of all 57 pages would be needed to identify every struck-through entry by visual formatting alone.

Northfield Multiple Activities Transportation Schedule

Reimagine Northfield High School Bond Referendum Projects | Construction Update No. 22 | Feb. 9, 2026

Recent highlights

- Wold Architects and Engineers and Knutson Construction provided a detailed update about the design and phasing of the project, and outlined the bid process at the Jan. 26, 2026 regular school board meeting.

- The presentation recording can be viewed [here](#).

Upcoming meetings and discussions

- Monthly budget meetings are held between the district, Wold, and Knutson to keep the project on track.
- “Page Turn” document meetings are being held in February.
- Project oversight committee meetings are held twice a month, as needed.
- Technology meetings are held twice a month.

Community Information

- Community members can view information about the project, including images and the [video walkthrough of the reimaged Northfield High School](#), on the [district website](#).
