

NORTHFIELD BOOSTER CLUB

The Northfield Booster Club is dedicated to the support and improvement of youth athletic programs in Northfield.

The Club was organized during the summer of 1987 by a group of parents interested in helping student athletes in our schools and community.

OBJECTIVES:

- » To promote athletic programs, to increase community awareness and to encourage personal support through attendance and involvement.
- » To help keep the public aware of decisions that impact athletic programs and to provide input into school board and city decisions.
- » To raise and distribute money to help support athletic programs.

TO JOIN:

Complete the attached form and send it along with your check to:

The Northfield Booster Club (NBC) is an association of people who are committed to children and athletics.

For over three decades, the NBC has mobilized adults in our community to raise money to support our schools' athletic programs.

You are invited to join the NBC and to indicate on the back side of the attached form ways in which you can help. Membership fees, along with your active involvement, will enable the NBC to do even more for our children and our community through athletics.

If you have any suggestions, please call any of the Board of Directors. Members are welcome to attend board meetings normally on the third Monday of each month at 6:30 p.m. at Northfield High School.

The NBC is supported by a significant number of local businesses. We are grateful for their contributions and we encourage you to support them. They are some of our children's biggest boosters!

YES! We want to help the youth of Northfield by joining the Northfield Booster Club. **100%** of my donation is directly supporting Northfield schools' youth athletic activities. Please make checks payable to Northfield Booster Club.
