

**ACCEPTABLE USE OF TECHNOLOGY AND  
TELECOMMUNICATIONS SYSTEMS  
BY STUDENTS**

1. Each student shall act responsibly when utilizing technology resources.
2. Each student shall respect private passwords, copyright and other intellectual property rights.
3. Each student shall abide by security restrictions on all systems and information.
4. Each student shall recognize limitations to privacy and use of electronic communications.
5. Each student shall be aware that data and other materials in files maintained on school district property may be subject to review, disclosure or discovery under State and Federal legislation, including the Minnesota Government Data Practices Act.
