

The Birthday Scoop

Community Services will scoop you up a great party and top it off with a cherry! It will be a birthday your child is likely to remember for years to come.

Make it the perfect party by choosing from a variety of packages, suitable for all ages. Party options include gym and/or pool space as well as the use of the middle school youth center for the opening of presents, the eating of birthday treats, and for playing foosball and air hockey.

Community Services staff will lead the party by initiating games and interacting with the party participants. Parents, this is what you have been looking for. You bring family and friends, we'll provide the fun!

To scoop up a party, contact Melissa.

Cone Time

The foundation of every ice cream scoop is its cone, and the foundation of every party is its time and place.

Community Services Birthday Parties take place on **Saturday's** at the Northfield Middle School during the hours of **8 am - 2:30 pm**. The middle school is our site of preference as it is host to all of our equipment and the youth center. If time and space allows however, we will do our best to work with you and your schedule to plan a party site and time as it suits your preferences.
