

Catering Services Request Form

Complete this form (make a copy for your records, if desired) and submit to the Building Child Nutrition Manager. The Building Child Nutrition Manager will promptly respond to your request in regards to estimated cost and feasibility. The Child Nutrition Manager will turn the completed form into the District Child Nutrition Department for processing of payments. Any missing information will delay processing of your request.

Five student days notice is required for caterings. A cancellation notice must be received two student days prior to the event, otherwise full charges will be incurred (except due to emergency school closing). An 8% service charge will be added to all requests not included on the catering brochure.
