

August 6, 2018

Dear New Staff,

Greetings and Welcome! We are happy to have you join our teaching staff at Northfield Public Schools for the 2018-19 school year!

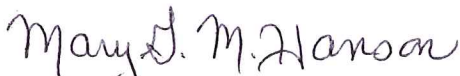

There will be a New Teacher Workshop on Wednesday, August 22, and Thursday, August 23, at Northfield Middle School and High School. The attached agenda will provide details about times and locations. During this workshop, you will have the opportunity to meet other new licensed staff and the administration team. In addition, you will receive important information pertinent to your position in the district. You will be paid for these two days (as agreed in the contract): \$150/day.

The attached agenda provides more information about these two days. Note that you will be asked to introduce yourself at the New Teacher and Administration Breakfast on Wednesday, August 22. This is a brief introduction: You will state your name and position and share one item of interest such as your family or what you did this summer, a hobby, etc. Please complete the enclosed information sheet for *Northfield News* and bring it with you on Wednesday.

If you are a new special education teacher, you will have an additional day of training on Tuesday, August 21. You will receive information from Cheryl Hall, Sara Pratt, and Jordan Streiff with details about this day.

Please contact me if you have any questions about the New Teacher Workshop or any other questions! Again, welcome; we look forward to meeting you on August 22!

Sincerely,

Mary G. M. Hanson

Director of Teaching and Learning
