Dear Greenvale Park Elementary Staff,

Welcome back to a new school year! I hope your summer break was filled with time to rest and relax. I look forward to hearing about all of your summer adventures in two weeks when we are together again. The summer time with friends and family is so important for renewing our energy!

I want to personally welcome you back to Greenvale Park Elementary for the 2018-19 school year. We have such an important job helping students reach their full potential as learners and as friends. In order to help all students succeed, our entire school community must be committed to working together each day. To reflect this important collective effort, our theme this year will be, "Every Gecko. Every Day."

Our students will have an amazing staff waiting to meet them on Ready.Set.Go Day on August 29th. A new school year offers us all a chance to make a difference in students' lives and continue our own professional journey as adult learners. I am excited to be on that journey with you again this year.
