

Student: \_\_\_\_\_ Grade level: \_\_\_\_\_ Date: \_\_\_\_\_

Intervener: \_\_\_\_\_ Observer: \_\_\_\_\_

Intervention: \_\_\_\_\_

<b>Intervention Sequence</b>	<b>Yes</b>	<b>No</b>
I have observed this interventionist during an intervention session.		
Intervener reads directions to student, answers any questions.		
The intervention is being delivered in a manner consistent with the intervention plan.		
The interventionist has the materials needed to deliver the intervention.		
The engagement of each student in the intervention is being actively monitored.		
Behavior management is satisfactory for this individual/group.		
The student's attendance is not a significant factor in hindering progress.		
The intervention seems appropriate for the needs of this student/students.		
The intervention is being delivered appropriately.		
Intervener provides reinforcement as appropriate.		

**Notes:**

If all of these areas can be deemed accomplished, the integrity of this intervention may be considered satisfactory.
