

MS 7th Grade Families:

Students entering 7th grade in the fall of 2021 must have all required childhood immunizations on file, or a legal exemption, in order to attend public school in Minnesota. Families may contact your local clinic to schedule an appointment. Parents may review their student's current health record on Family Access. **All immunization records must be turned into NMS by August 31, 2021.**

Please ask your physician to print or fax your records to the school. Please mail (*NMS 2200 Division Street South, Northfield, MN 55057*), fax (*507-663-0660*), or deliver immunizations to the NMS Health office. Questions, please contact Nancy Becker, RN nbecker@northfieldschools.org or I and we would be happy to work with you.

Required immunizations for students entering 7th grade:

Tdap (tetanus/diphtheria/pertussis)

Varicella vaccine - two shots or documentation of having the chickenpox

Meningococcal (meningitis)

Thank you,

Greg Gelineau
Northfield Middle School Principal
