

MS Families:

To help you prepare for the school year, below is a list of basic supplies recommended to help students stay organized and successful. We encourage you to reuse and recycle supplies from previous years whenever possible.

A number of sources are available to support families with backpacks and school supplies. Please contact our main office at 507-663-0650 for assistance.

The iPad Protection Plan for the 2026-2027 school year will be available on the district website after July 1, 2026. The iPad Protection Plan provides annual insurance coverage for accidental damage or theft of district iPads. **The annual cost of the iPad Protection Plan is \$20 per student.** There is a reduced rate of \$15 for students who receive reduced-price lunch and \$10 for students who receive free lunch. [Families may request a scholarship using this form](#) if the cost of the iPad protection plan presents a burden.

**Other course specific fee information will be included in the course syllabi*
