

506 STUDENT DISCIPLINE

I. PURPOSE

The purpose of this policy is to establish Northfield Public Schools' expectations for student conduct. Compliance with this policy will enhance the district's ability to maintain discipline and ensure that there is no interference with the educational process. The district will take appropriate disciplinary action when students fail to adhere to the expectations as established in the Student Citizenship Handbook established under this policy.

II. GENERAL STATEMENT OF POLICY

The Board of Education believes that discipline is the positive direction of behavior toward established standards of conduct, fully understood by all, and based upon reason, judgment, and the rights of others. School discipline is to be administered firmly, fairly, and with consideration for the maturity of the individual student.

III. STATEMENT OF PHILOSOPHY

Students must accept certain responsibilities regarding their behavior in school. Parents likewise, through teaching and example, have a responsibility to develop in their children an understanding of and respect for school, which includes support for rules and regulations that are necessary to protect the welfare of all.

It shall be the policy of the district that the following will not be tolerated:

1. Disruption of the learning process
2. Interference with the orderly conduct of school and school activities
3. Infringement of the rights of others
4. Violations of public law

The Board of Education will support district personnel who, when dealing with students in disciplinary matters, act in accordance with state law, district policy, sound professional judgment, and individual building/program procedures.

The Board of Education delegates implementation of the policy on student discipline to the school administration, who shall develop and annually review sound disciplinary procedures with their teaching staff for their individual buildings as detailed in the Student Citizenship Handbook. The Student Citizenship Handbook, issued pursuant to this policy, shall be annually reviewed and approved by the School Board.

Parents/guardians/caregivers may contact building administration to discuss an infraction and consequence assigned if they have questions regarding the situation. Please refer to [Policy 103 Concerns or Complaint Resolution](#).

IV. DISTRIBUTION OF POLICY

The district will notify students and parents of the existence and contents of this policy through the Student Citizenship Handbook, which shall be available online and by request from the district office.
