

Policy 516 STUDENT MEDICATION

I. PURPOSE

The purpose of this policy is to set forth the provisions that must be followed when administering nonemergency prescription and nonprescription medications to students at school.

II. GENERAL STATEMENT OF POLICY

The school district acknowledges that some students may require prescribed drugs or medication during the school day. The school district's licensed school nurse, building nurses, health aide (when applicable), trained secretary, principal, or teacher will administer prescribed medications, except any form of medical cannabis, in accordance with law and school district procedures.

The administration of prescription medication or drugs at school requires a completed signed request from the student's licensed prescriber and the parent/guardian.

Procedures for administration of drugs and medicine at school and school activities shall be developed in consultation with the building nurse and the licensed school nurse.
