

Policy 613 GRADUATION REQUIREMENTS

I. PURPOSE

The purpose of this policy is to set forth requirements for graduation from the Northfield School District.

II. GENERAL STATEMENT OF POLICY

The policy of the school district is that all students must demonstrate, as determined by the school district, their satisfactory completion of the credit requirements and their understanding of academic standards. The district must adopt graduation requirements that meet or exceed state graduation requirements established in law or rule.

III. DEFINITIONS

- A. “Credit” means a student’s successful completion of an academic year of study or a student’s mastery of the applicable subject matter, as determined by the school district.
- B. “Individualized Education Program” or “IEP” means a written statement developed for a student eligible by law for special education and services.
- C. “English language learners” or “ELL” student means an individual whose first language is not English and whose test performance may be negatively impacted by lack of English language proficiency.
- D. “Required standard” means: (1) a statewide adopted expectation for student learning in the content areas of language arts, mathematics, science, social studies, physical education, and the arts, and (2) a locally adopted expectation for student learning in health.
- E. “Section 504 Accommodation” means the defined appropriate accommodations or modifications that must be made in the school environment to address the needs of an individual student with disabilities.

IV. DISTRICT ASSESSMENT COORDINATOR

Hope Langston shall be named the District Assessment Coordinator. Said person shall be in charge of all test procedures and shall bring recommendations to the board annually for approval.

V. GRADUATION CREDIT REQUIREMENTS

Students must successfully complete, as determined by the school district, the following high school level credits for graduation:

- A. Four credits of language arts sufficient to satisfy all academic standards in English language arts.

- B. Three credits of mathematics, including an algebra II credit or its equivalent, sufficient to satisfy all of the academic standards in mathematics.
- C. An algebra I credit by the end of 8th grade sufficient to satisfy all of the 8th grade standards in mathematics.
- D. Three credits of science, including at least: (a) one credit of biology; (b) one credit of chemistry or physics; and (c) one elective credit of science. The combination of credits must be sufficient to satisfy (i) all of the academic standards in either chemistry or physics and (ii) all other academic standards in science.
- E. Three and one-half credits of social studies, encompassing at least United States history, geography, government and citizenship, world history, and economics sufficient to satisfy all of the academic standards in social studies.
- F. One credit in the arts sufficient to satisfy all of the state or local academic standards in the arts.
- G. One credit of physical education.
- H. One-half credit of health.
- I. A minimum of seven elective credits.
- J. Credit equivalencies
 - 1. A one-half credit of economics taught in a school's agricultural, food, and natural resources education or business education program or department may fulfill a one-half credit in social studies under Paragraph E., above, if the credit is sufficient to satisfy all of the academic standards in economics.
 - 2. An agriculture science or career and technical education credit may fulfill the elective science credit required under Paragraph D., above, if the credit meets the state physical science, life science, earth and space science, chemistry, or physics academic standards or a combination of these academic standards as approved by the school district. An agriculture or career and technical education credit may fulfill the credit in chemistry or physics required under Paragraph D., above, if the credit meets the state chemistry or physics academic standards as approved by the school district. A student must satisfy either all of the chemistry or physics academic standards prior to graduation. An agriculture science or career and technical education credit may not fulfill the required biology credit under Paragraph D., above.
 - 3. A career and technical education credit may fulfill a mathematics or arts credit requirement under Paragraph B. or Paragraph F., above.

4. A computer science credit may fulfill a mathematics credit requirement under Paragraph B., above, if the credit meets state academic standards in mathematics.
5. A Project Lead the Way credit may fulfill a mathematics or science credit requirement under Paragraph B. or Paragraph D., above, if the credit meets the state academic standards in mathematics or science.
6. An ethnic studies course may fulfill a social studies, language arts, arts, math, or science credit if the course meets the applicable state academic standards. An ethnic studies course may fulfill an elective credit if the course meets applicable local standards or other requirements.

VI. EARLY COMPLETION OF HIGH SCHOOL REQUIREMENTS

Students may be considered for early graduation, as provided for within Minnesota Statutes section 120B.07, upon meeting the following conditions:

- A. All course or standards and credit requirements must be met.
- B. The principal or designee shall conduct an interview with the student and parent or guardian, familiarize the parties with opportunities available in post-secondary education, and arrive at a timely decision.
- C. The principal's decision shall be in writing and will be reported to the superintendent with possible review by the board.

Early completion of graduation requirements will be permitted, but there will be only one graduation ceremony held at Northfield High School and one graduation ceremony held at the Alternative Learning Center, both traditionally held at the end of the academic year.

VII. GRANTING OF DIPLOMA

- A. Upon completion of graduation requirements specified in this policy a student will be granted a standard high school diploma.
- B. The academic standards for language arts, mathematics, and science apply to all students except students with extreme cognitive or physical impairments for whom an IEP team has determined that the required academic standards are inappropriate. An IEP team that makes this determination must establish alternative standards.
- C. Students who have or will have successfully completed graduation requirements by the last day of the school year may participate in the commencement program and receive a diploma. Students who are one-half semester credit short of either the required courses or of the total credits required may also participate in commencement but will not receive a diploma until all graduation requirements are completed. Any student who is more than 1/2 credit short of either requirement is not allowed to participate in commencement.
