AGREEMENT
BETWEEN
INDEPENDENT SCHOOL DISTRICT NO. 659,
NORTHFIELD, MINNESOTA
AND THE
NORTHFIELD PRINCIPALS ASSOCIATION

Approved by the School Board on May 13, 2024

July 1, 2024 - June 30, 2026

ARTICLE I EMPLOYMENT

Section 1.01 Parties This Agreement is made and entered into by and between the School Board of Independent School District No. 659, Northfield, Minnesota, hereinafter referred to as the “School Board” and the Northfield Principals Association, hereinafter referred to as the “Association”.

Section 1.02 Purpose: The purpose of this Agreement is to encourage and increase orderly, constructive and harmonious relationships between the School Board, its principals, and their duly authorized exclusive representative, the Association; to establish the terms and conditions of employment for principals; to preserve the paramount right of the citizens of this community to the operation of their schools without disruption; and to establish an environment in which the children of this community may receive education of the highest quality. Accordingly, the parties have set forth herein all terms and conditions of employment which have been agreed upon by the School Board and the Association, pursuant to and in compliance with the Public Employment Labor Relations Act of 1971, as amended (hereinafter referred to as the “PELRA”). Terms not specifically defined in this Agreement shall have the meanings given them under the PELRA.

RECOGNITION

Section 1.03 Recognition: In accordance with the PELRA, the School Board hereby recognizes the Association as the exclusive representative for all employees in the following appropriate unit, as certified by the Bureau of Mediation Services in Case No. 74-PR-300-A:

All employees of Independent School District No. 659, Northfield, Minnesota, who are certificated by the State Department of Education as Principals or Assistant Principals, who are employed for more than 14 hours per week and for more than 67 work days per year, and who devote more than 50% of their time to administrative or supervisory duties in the capacity of a Principal or Assistant Principal.

The Association, as exclusive representative, shall have those rights and duties as prescribed by the PELRA and as described in the provisions of this Agreement.

As used in this Agreement, a “principal” is any person employed by the School Board who is included in the appropriate unit and includes principals and assistant principals except in those cases where there is a clear distinction between the two positions.

MANAGEMENT RIGHTS

Section 1.04 Authority and Power of the School Board: The laws of the State of Minnesota have vested in the School Board the full authority and power to manage, control and direct the operation of the school district, and to adopt, modify or repeal policies, budgets, personnel structures, rules, and regulations for the district. All such authority and power of the School Board shall continue unimpaired, except as limited by a specific provision of this Agreement.

RIGHTS AND RESPONSIBILITIES OF PRINCIPALS

Section 1.05 Basic Duties: Each Principal shall administer in such places as shall be designated by the School Board, shall faithfully perform the duties prescribed by the School Board for the position held, and shall be governed by federal laws, the laws of the State of Minnesota, rules and regulations of the State Board of Education, and by Board policies, rules, regulations and orders issued by properly designated officials of the school district.

Section 1.06 Strikes and Work Stoppages: The School Board and the Association mutually recognize that their first obligation is to the public, and that the right of students and residents of this district to the continuous and uninterrupted operation of their schools is of paramount importance. During the term of this Agreement, neither the Association nor any individual principal shall engage in any strike, work stoppage or similar withholding of services.

In the event of strikes or work stoppages by other employees, principals covered under this Agreement are to be considered on continuing employment for the purpose of carrying out School Board policy and for insuring the protection of personnel and property. If a strike necessitates extending the school year and results in extending the principal's contract year, payment for each additional work day will be based upon each individual principal's annual salary divided by the annual number of work days under such principal's contract.

Section 1.07 Assignment and Transfer of Principals: The assignment and transfer of principals shall be made by the School Board upon recommendation by the superintendent, according to the following considerations:

Subd. 1. Should there be a vacancy in any principalship within the school system, the Association is to be advised of the vacancy to provide an opportunity for a qualified principal within the system to make application for the position.

Subd. 2. The superintendent shall notify the Chairperson of the Association and the principal involved in any proposed transfer, and shall give the reasons for the transfer upon request. The principal and a representative of the Association may meet with the superintendent to discuss any proposed transfer.

ARTICLE II COMPENSATION, RATES OF PAY, WORK YEAR, AND HOLIDAYS

Section 2.01 Individual Contracts: Minnesota law requires that each new principal be employed by written contract, signed by the principal and by the Chairperson and Clerk of the School Board. Each principal shall be compensated according to the terms of his/her individual contract. Upon completing the probationary period, the individual contract is not required since there is an agreement covering wages and benefits.

Section 2.02 Individual Salaries: The salary during the term of this Agreement shall be computed in accordance with Appendix A. The School District has the right to withhold salary increases for principals with unsatisfactory performance as determined by the Superintendent. No salary increase will be paid in the 2026-27 school year until an agreement between the parties covering the period from July 1, 2026, to June 30, 2028 is reached.

Section 2.03 Pay Deductions: Deductions for each work day of absence under a leave of absence without pay will be based upon the individual principal's annual salary divided by the annual number of work days under such principal's contract.

Section 2.04 Consultant Services: Principals shall be required to make up a work day for each day absent for outside consulting activities for which an honorarium is paid. Approval of such days shall be at the discretion of the Superintendent.

Section 2.05 Work Year: The School District reserves the right to designate the number of weeks in the work year during the period July 1 through June 30 for each principal. The specified number of duty

weeks shall include paid holidays. The method for establishing the duty year shall be to subtract the number of weeks in the work year from 52 weeks. The resulting number of weeks multiplied times five (5) days shall be non-duty days. It is the principal's responsibility to complete professional responsibilities within the specified work year. Non-duty days are not accumulative and may not be carried over from year to year or result in additional compensation. Principals may take non-duty days off through August for the preceding work year provided they will be continuing in their position the following year. Upon separation of employment, there shall be no compensation for non-duty days which have not been taken by June 30. Exceptions may be made at the discretion of the Superintendent if non-duty days have accumulated due to a specific request by the Superintendent or Board of Education.

Subd. 1 Holidays. Principals shall receive the following paid holidays: Independence Day, Labor Day, Thanksgiving Day, Friday after Thanksgiving, Christmas Eve Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Juneteenth, and Memorial Day. Whenever any of the holidays listed above fall on a Saturday, the preceding Friday shall be observed as the holiday. Whenever any of the holidays listed above shall fall on Sunday, the succeeding Monday shall be observed as the holiday. If the approved school calendar precludes the use of any of these days as holidays, an alternate day(s) shall be determined by the Superintendent.

Subd. 2. In the event a work day is lost for an emergency, principals shall perform duties on such other day in lieu thereof as the School Board or its designated representative shall determine.

ARTICLE III LEAVES AND ABSENCES

Section 3.01 Sick Leave: Principals working 20 hours or more per week will accumulate leave according to the following schedule. Sick leave with pay shall be allowed whenever a principal's absence is due to illness or injury of the principal, the principal's dependent child, or other individuals to the extent provided by Minnesota law which prevented the principal's attendance at work on that day or days.

Subd. 1. 40-44-week contracts: 11 days/yr, accumulative to 209 days.

Subd. 2. 45-46-week contracts: 12 days/yr, accumulative to 228 days.

Subd. 3. 47-48-week contracts: 13 days/yr, accumulative to 247 days.

Subd. 4 An employee receiving compensation under the Worker's Compensation Act may elect to use accumulated leave allowance to make up the difference between the worker's compensation payments and the employee's regular basic salary. Deductions from leave allowance will be made on a prorated basis according to the additional payments to the employee. In no event shall the additional compensation paid to the employee result in the payment of total daily, weekly or monthly compensation in excess of such employee's basic salary.

Subd. 5. Disability qualification: Sick leave will no longer be used when a principal qualifies for disability benefits.

Section 3.02 Bereavement Leave: Employees may be allowed up to ten (10) days per year of leave with pay in case of death.

Bereavement leave may be used in the case of a death of family or friends.

Leave provided under this section does not accumulate and is deducted from sick leave.

Section 3.03 Personal Business: Principals shall be allowed five (5) personal business days per year for business that ordinarily cannot be conducted outside the school day. No more than three (3) days can be

used consecutively. The request must be made three days in advance using the District's substitute/leave system. A deduction of these days will be made from sick leave.

Section 3.04 Leave of Absence: Principals may apply for leaves of absence in the event of personal extenuating circumstances.

Section 3.05 Childcare and Adoption Leave:

Child care leaves under this section include maternity leave, parental leave and adoption leave. Child care leaves shall be processed under the Federal Family and Medical Leave Act (FMLA) for those employees that meet the current eligibility requirements of FMLA as outlined in Policy 410 and Policy 448. Child care leaves for those principals that do not meet the current eligibility requirements of FMLA shall be processed under the District Disability After Childbirth Policy – Policy 411.

A. A child care leave shall be granted by the school district subject to the provisions of this Section. Child care leave may be granted because of the need to prepare and/or provide parental care for a child or children of the principal for an extended period of time.

B. A principal making an application for child care leave shall inform the Director of Human Resources in writing with intention to take the leave as soon as possible and at least one calendar month before commencement of the intended leave, except in unusual circumstances. The district and the employee will attempt to work out a satisfactory plan for the leave.

C. If the reason for the child care leave is occasioned by pregnancy, the principal shall also provide at the time of the leave application, a medical certification indicating the expected date of the delivery.

D. Sick leave under Article III and long-term disability insurance under Article IV, Section 4.03, is available for the disabilities of pregnancy prior to the commencement of the child care leave. Such use of sick leave days shall run concurrently with parental leave days under paragraph L.

E. The school district, upon meeting in person and discussing the principal's return date preferences, may make moderate adjustments in the proposed beginning or ending date of a child care leave so that the dates of the leave coincide with some natural break in the school year - e.g., winter vacation, spring vacation, semester break or quarter break, end of reporting period, end of the school year, or the like.

F. In making a determination concerning the commencement and duration of a child care leave, the School Board shall not, unless otherwise agreed, be required to:

- (1) Grant any leave more than six (6) months in length or to the beginning of the school year following such six (6) month period.
- (2) Permit the principal to return to his or her employment prior to the date designated in the request for child care leave.

G. A principal returning from child care leave shall have a right to return to the principal's original position as specified in the principal's child care leave plan if the principal's leave is commenced and concluded within the same school year or concluded prior to the first principal duty day of the following school year. If a principal's child care leave plan does not call for the principal's return within the year it is commenced, a principal shall have the right to be returned to an equivalent contractual position, unless such principal has been previously terminated pursuant to the provisions of M.S. 125.12 or such

principal has been placed on unrequested leave pursuant to the provisions of M.S. 125.12.

H. Failure of the principal to return pursuant to the date determined under this Section shall constitute grounds for termination unless the school district and the principal mutually agree to an extension in the leave.

I. A principal who returns from child care leave within the provisions of this Section shall retain all previous experience credit and any unused leave time accumulated under the provisions of this Agreement at the commencement of the leave. The principal shall accrue additional experience credit or leave time during the period of absence for child care leave, if the leave commences and ends within the same school year.

J. The school district shall continue its contribution for group insurance as specified in Article IV for a principal on child care leave, if the leave commences and ends within the same school year.

K. Up to twenty (20) days leave allowance may be used for adoption purposes such as preparation and legal reasons, necessary travel, and initial adjustment.

L. Up to ten (10) days parental leave may be used within 30 days of the birth of a child, the days used to be deducted from sick leave. Employees that qualify for maternity leave are not eligible for these parental leave days.

Section 3.06 Disaster Leave The school district will provide paid disaster leave for employees who have exhausted accumulated sick leave days prior to the commencement of long-term disability insurance benefits. An employee will become eligible for paid disaster leave after the employee has been continuously disabled and unable to work for fifteen (15) consecutive duty days, as certified by a medical doctor. Disaster leave payments shall commence as of the duty day following the last day of sick leave payment, and shall continue only for the period during which the employee remains continuously disabled and unable to work.

Disaster leave payments shall cease in any event after the fortieth (40th) duty day of absence.

Section 3.07 Judicial Duty For any employee who is required to serve as a juror or is subpoenaed to appear as a witness (not as a defendant) in a criminal court case, Northfield Public Schools will make up the difference between such employees basic salary and the fees (but not reimbursed expenses) received by the employee. In order to be eligible for this supplement, the employee must submit to the finance office an itemized certification of fees and expenses for judicial duty.

Section 3.08 Superintendent's Discretionary Leave Any circumstance that arises necessitating the absence of an employee not specifically included in any of the sections above may be granted as discretionary leave. Such leave must be approved in advance by the superintendent or his/her authorized representative.

Section 3.09 School Conference and Activities Leave In accordance with the provisions of MS.181.9412, the District will provide each employee with up to sixteen hours of school conference and activities leave during any twelve month period to attend school conferences or school related activities related to the employee's child, provided the conference, activity or observation cannot be scheduled during non-work hours. One school day advance written notice shall be provided via the District's substitute/leave reporting system. The Human Resources Director can waive the advanced written notice requirement in emergency situations under exceptional circumstances. Such leave will be deducted from the employee's sick leave allowance. In addition to the statutory definition of school conference and activity leave, employees may also use school conference and activity leave for post-secondary college visits for high school age students.

ARTICLE IV GROUP INSURANCE

Section 4.01 Group Insurance: During the term of this Agreement the School Board will purchase the group insurance policies described in this Article. It is understood and agreed that the provisions of this Article are merely descriptive of the coverage provided, and that the eligibility of a principal for benefits shall be governed by the terms of the insurance contracts in force between the School Board and the insurers providing such coverage. It is further agreed that the School Board's only obligation under the policies described in this Article is to make the premium payments as provided in this Agreement, and no claim shall be made against the School Board in the event of a denial of insurance benefits by an insurance carrier. The Board contribution toward the premium for part-time principals shall be prorated to the proportion of the contract time. The principal must work 20 hours or more per week to be eligible for insurance benefits.

Section 4.02 Health and Hospitalization Insurance: The School District shall provide the Principal and his or her dependents a health and hospitalization insurance plan and shall contribute the same amount toward the monthly premium for single or family coverage as identified in the Northfield Education Association Agreement.

Participation in the insurance program will be voluntary. Coverage shall be effective only upon enrollment of the individual principal and his/her family. Each principal enrolled under the plan shall contribute, through payroll deduction, any excess of the monthly premium under the plan over the maximum School Board contribution toward the type of coverage for which such principal is enrolled. The effective date for employer contributions shall be January 1.

Section 4.03 Income Protection: The School District shall pay the full premium for each principal who qualifies for and is enrolled in coverage under the district's long-term disability insurance plan. Benefits shall be payable after 60 consecutive days of total disability at 66 2/3% of the basic monthly earnings. Up to thirty (30) accumulated sick leave days may be used on a pro-rata basis while receiving disability income; however, the total income generated from using sick leave with disability benefits may not exceed the principal's basic earnings. The School District shall continue its contribution for health and hospitalization insurance for up to six months (180 consecutive days) after the last day worked for absence due to total disability. Thereafter, the principal receiving long-term disability insurance benefits may continue in the district's group insurance plans at the principal's expense. Benefits payment shall continue beyond age 62 in accordance with federal regulations.

Section 4.04 Life Insurance: Effective upon enrollment in the District life insurance plan, the Employer will provide group term life insurance coverage for each full-time principal in the amount of \$200,000. Each principal may purchase additional group term life in increments of \$25,000 up to a maximum of \$100,000 at the group rate upon evidence of insurability and acceptance by the carrier. The cost of such additional coverage shall be paid fully by the principal through payroll deduction.

Section 4.05 Dental Insurance: The School District shall contribute the same amount toward the monthly premium for single or family coverage as identified in the Northfield Education Association Agreement. The effective date for employer contributions shall be January 1.

Section 4.06 Duration of Insurance Contribution: Upon separation of employment, all district participation and contribution toward group insurance benefits shall cease effective at the end of the month of the last working day except as provided under Section 4.04 for early retirement. However, principals may be continued in the group insurance plans at their own expense for a period following separation determined by the insurance carrier and COBRA Legislation.

**ARTICLE V
LONGEVITY**

Longevity added to base and steps:

	<u>2024-25</u>	<u>2025-26</u>
8 years completed	\$3,000	\$3,000
12 years completed	\$4,000	\$4,000
16 years completed	\$5,000	\$5,000
20 years completed	\$6,000	\$6,000

**ARTICLE VI
RETIREMENT**

Section 6.01 403(b) Matching Plan: The school district shall contribute \$4,000 for the two years of this contract a tax-deferred matching contribution plan for each full-time principal who authorizes a matching salary reduction for the same period.

An employee working less than full-time as a principal shall be eligible for a prorated school district contribution.

Such plan shall be approved and subject to applicable provisions of Minnesota Statutes and IRS Code Section 403(b) or IRS Code Section 457 and any amendments thereto.

The school district contribution and matching employee contribution will be made to a state-approved company of the principal's choice. It shall be the responsibility of the principal to make all arrangements required by the vendor to ensure that proper payment is made by the school district. The district shall make payment to the employee's selected company bi-monthly.

Section 6.02 Early Retirement Insurance: Any principal who has at least ten (10) years experience in Independent School District No. 659 and retires upon attaining age fifty-five (55) or thereafter may elect to be covered under the group health and hospitalization and dental plans provided by the School District as provided by law. The principal may continue participation in the district's group term life insurance plan according to provisions of Section 6 at the principal's own expense until the principal is eligible for Medicare. The District shall contribute toward the premium for health and hospitalization and dental coverage under the same conditions as an employed principal but no more than 80% of the health and hospitalization insurance premium, for nine (9) years from the date of retirement. Principals who retired prior to July 1, 2002, will continue to be eligible for the School District's contribution toward their insurance for the period of time established at the time of their retirement. Coverage will be available to a retired principal who has group medical insurance available to him/her from another employer; however, such other employer's coverage shall be considered primary.

Once a retired employee becomes eligible for Medicare the retired employee's coverage will convert to a Medicare supplement policy. Such policy (when combined with Medicare) will at a minimum be equivalent coverage to the group health and hospitalization plan offered to active employees and retired employees who are not eligible for Medicare.

In the event a retired employee and his or her dependent(s) become eligible for Medicare at different times, the individual insured will be converted to the Medicare supplement policy upon becoming eligible. At such time as there is only one other insured remaining on the family group health plan, he/she will be converted to a single

policy under the group health plan until they become eligible for Medicare. If dependent children are covered under the group health plan they will be eligible to continue coverage until such time that the last parent covered on the group health plan becomes eligible for Medicare.

Once the retired employee or their dependent(s) obtain Medicare eligibility, the District shall contribute up to \$400.00 toward the monthly premium of the Medicare supplement plan for the remainder of the contribution period as defined above.

When the retiree becomes eligible for Medicare, the retiree must be in compliance with M.S. 471.611.

ARTICLE VII DISCIPLINE AND DISCHARGE

Section 7.01 Discipline and Discharge: No principal shall be discharged or otherwise disciplined without just cause.

Section 7.02 Corrective Discipline:

Subd. 1. Objective. The first step in resolving most potential disciplinary situations is through a principal/superintendent conference.

Subd. 2. Written Reprimand. If the superintendent believes that a written reprimand is necessary, he/she will first confer with the principal regarding the circumstances.

Subd. 3. Representation. Both the principal and the school district are entitled to be represented at all levels of this disciplinary process.

Subd. 4. Progressive Discipline. The School District intends to follow a policy of progressive discipline with its employees. The normal sequence of discipline would be:

- (1) Conference with the employee;
- (2) Written reprimand;
- (3) Suspension without pay;

The relative seriousness of this matter will determine at what level disciplinary action is commenced.

Subd. 5. Appeal. The employee may request review of the district's decision through the grievance procedure. At the employee's option, the matter may be submitted directly to arbitration pursuant to Section 8 of the grievance procedure.

ARTICLE VIII OTHER BENEFITS

Section 8.01 Reimbursement for In-District Mileage: Principals driving their own cars for in-district travel for school purposes such as taking students home in emergencies, home visitations for the purpose of resolving student problems or conferences with parents and the like shall be reimbursed at the rate approved by the School Board consistent with other school district personnel.

Section 8.02 Severance Plan. This section does not apply to any principal or assistant principal hired on or after July 1, 2016. Each principal who has completed seven (7) years of continuous service as a licensed principal in the school district or combined with other administrative positions within the district

as identified in the Non-Union Administrators policy document agreements shall be eligible for payment upon separation of employment based on the following:

- a. Payment shall be equivalent to his/her daily rate of pay times a number of days determined by multiplying eight (8) days times the number of years' employment with the Northfield School District at the time of separation of employment. The daily rate shall be based on the principal's gross salary rate, including step, longevity and PHD differentials.
- b. The amounts shall be prorated for years during which the principal served part time.
- c. The maximum number of paid days shall be 120 days, and shall not exceed the number of sick leave days accumulated by the principal at the time of separation of employment.
- d. Deferred compensation under this section shall not be payable in the event a principal is terminated for cause.

The severance payment will be made to the Principal's 403(b) account if they have one. If the Principal does not have a 403(b) account the severance payment will be paid on the last paycheck received from the District, subject to all applicable taxes.

Years completed in the principal unit will be applicable toward severance benefits outlined in Non-Union Administrators policy document agreements should a principal be hired for a position associated with one of those agreements. The severance payment will be based on the terms of the agreement the individual is assigned at the time of separation from the District and not the principals agreement.

Section 8.03 Right to Use of Building: For Association purposes, the principals shall have the right to use of building, facilities and equipment if and when such equipment is not otherwise in use. The Association agrees to reimburse the school district for the use of materials consumed and for any damages and repairs as a result of the use of the building, facilities and equipment.

Section 8.04 Professional Improvement: The School Board, at its sole discretion, agrees to provide funds for the purpose of providing professional improvement conferences for Principals. These funds shall be included in the annual budget amounts approved by the School Board for each building. Travel, meals, lodging, registration fees and gratuities shall be deemed appropriate expenses for these accounts. The Principal shall apply to the Superintendent for approval to attend out-of-state professional conferences.

Section 8.05 Professional Dues: Professional dues for individual memberships in state and national principals' associations will be paid from the principals' allotted budget for this purpose as determined by the Principal.

Section 8.06 Vandalism/Safety & Security Reimbursement: The School District shall reimburse a principal who experiences vandalism of their vehicle or personal property, or experiences a personal threat, including racially motivated threats, in an amount up to \$1,000 in any given year toward the unreimbursed insurance deductible amount on the vehicle or personal property, or towards security measures for personal threats. As an example, the reimbursement outlined in this section could be used towards a home security system.

Section 8.07 Liability Insurance: The School District agrees to insure the employee for loss because of claims brought against him/her caused by any negligent act, error, omission, or breach of duty while acting within the scope of his/her employment or any claim against him/her solely by reason of the

holding of his/her position. The amount and extent of coverage shall be subject to limitations imposed by the insurance carrier and applicable law.

ARTICLE IX SENIORITY

Section 9.01 Seniority Date. Seniority shall be based upon continuous and unbroken employment as a licensed principal with Independent School District No. 659 from the most recent date of hire as a licensed principal. The seniority date for individuals employed by the district as site leaders pending receipt of principal licensure shall be the date on which the Board of Teaching issues the principal licensure as noted on the license.

Section 9.02 Seniority List. On or before November 15 of each year, the district shall prepare from its records a Principals' Seniority List, in order of seniority date, which shall contain the seniority date, name and areas of licensure for each principal as shown by licenses on file in the district office as of November 1 of said year, and current employment status. The list will be divided into lists for principals and assistant principals. A copy of the Principals' Seniority List will be provided to each principal and assistant principal on or before November 15 of each year. A principal or assistant principal may challenge the correctness of the information by filing a written challenge with the Director of Human Resources. In the absence of a written challenge filed within twenty (20) calendar days from the date the seniority list was issued, the issued seniority list will be conclusively deemed to be correct.

Section 9.03 Reduction of Principal and Assistant Principal Positions. In the event of reduction of principal positions, probationary principals shall be non-renewed before principals with continuing contract rights would be affected. Among principals with continuing contract rights, part-time principals shall be placed on unrequested leave of absence before full-time principals. If two or more principals have the same seniority date, the School Board shall determine which of such principals shall be placed on unrequested leave of absence. In the event of reduction of assistant principal positions, probationary assistant principals shall be non-renewed before assistant principals with continuing contract rights would be affected. Among assistant principals with continuing contract rights, part-time assistant principals shall be placed on unrequested leave of absence before full-time assistant principals. If two or more assistant principals have the same seniority date, the School Board shall determine which of such assistant principals shall be placed on unrequested leave of absence. Unrequested leave and recall to positions shall be governed by provisions of M.S. 122A.40.

ARTICLE X GRIEVANCE PROCEDURE

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to

run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Section 10.04 Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the school district's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty days after the date the event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the principal and the school district's designee.

Section 10.05 Adjustment of Grievance: The school district and the principal shall attempt to adjust all grievances which may arise during the course of employment of any principal within the school district in the following manner:

Within twenty days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the Board may be designated by the Board to hear the appeal at this level, and report its findings and recommendations to the School Board.
