

## Frequently Asked Registration Questions

- **How do I register for a study hall?**
  - You don't. You only enroll in the credit-earning courses you want to take. Open hours are automatically filled with study halls.
- **If I take a study hall, will I still be able to graduate on time?**
  - Yes, assuming that you are passing all of your classes each semester. If you have failed any courses, talk to your counselor about your situation.
- **What if I'm not sure about needing a study hall?**
  - Sign up for 7 credits knowing that you have until the midquarter point to drop an elective and add a study hall in its place. That gives you almost four weeks to experience your schedule without a study hall and determine if you need one.
