TRANSPORTATION

Transportation will be arranged with Northfield Lines. Students must use the transportation provided, both going to and coming from the ski area. Students will be released to their own parents and no one else for any alternative transportation. The parent must talk to the advisors directly for the student to be released, or the student will not be allowed to attend the following week. Buses will depart as soon as possible after school from the Northfield Middle School and Northfield High School. Students will ski and board until 8:15 p.m. and be returned by 9:15 p.m. Schools will not be accessible upon returning to Northfield. Buses will have a driver present or will be locked when at Welch.

LESSONS

Lessons are not offered through the club. All participants in the Northfield Ski & Snowboard Club must know how to ski/snowboard or have taken appropriate lessons before the club starts in January. If you are interested in lessons check out our new Summit Ski Lessons below!

EQUIPMENT STORAGE

Northfield Lines reminds parents that ski equipment cannot be carried on regular school buses. Storage is available at both the middle and high school, and should be dropped off in the morning (middle school – storage room near cafeteria & high school – south balcony, opposite the balcony used for lunch). Equipment is transported to and from Welch on the bottom storage space of the coach bus. **Please clearly label all ski/snowboard bags & equipment.**

REFUNDS

Club Refunds for busing are available through Community Ed if the six guaranteed times don't happen; an injury happens; or an extended illness occurs. If you miss an occasional day of skiing or boarding for any other reason (including disciplinary reasons), transportation money will not be refunded. Rentals, Night Club pass, or other pass refunds are only available if insurance is purchased at the time of pass sale through Welch Village. Contact Welch to inquire about those refunds at info@welchvillage.com.

MIDDLE SCHOOL PARENT NOTE

Parents dropping off students and skis before school must park in the parking lot to unload skis. PARENT PICK-UP is at 9:15 pm. Students not picked up by 9:30 pm will be dropped off at the Northfield Police Station to wait for their parents.

RULES & REGULATIONS

Because Ski & Snowboard Club and Summit Ski Lessons are school activities, all school rules relating to smoking, vaping, juuling, drugs, and alcohol, etc. are the same as being in a school building and on the school grounds. Skiers and boarders will be referred to the assistant principal if school rules are broken. While on the bus, please follow the directions of the advisors and driver. Any disrespect to advisors, bus drivers, or Welch personnel will not be tolerated, and may result in suspension from Ski & Snowboard Club or Summit Ski Lessons. Lock up your equipment at Welch. If anyone has equipment stolen at the ski area, report the theft to the ski area office and call the Goodhue County sheriff. Please let the advisors know about the theft too. Be on the bus and ready to leave at **8:25 pm**. Those who are late **will not** ski the following Monday.

INJURIES

As in all sports, accidents do happen. Helmets and wrist guards are strongly recommended for all snowboarders. An injured skier or boarder is reported as quickly as possible to the ski patrol. The ski patrol assists the injured person on the hill; applies any necessary first aid; and brings the person down the hill to the first aid room where an accident report is filled out. In the event that the injury is considered serious, a club advisor will attempt to contact the parents by telephone to inform them of the injury. If the ski patrol feels it would be unwise or uncomfortable for the student to ride the bus back to Northfield, parents must arrange alternative transportation for the injured person. If the parents cannot be reached or if the parents cannot arrange transportation for the injured student, a Red Wing ambulance will be called to transport the person to the Red Wing hospital. Advisers are not legally responsible for the injured student if an ambulance is called. An advisor will ride along as a comfort to the child, but it is the parents' responsibility to pick up their child at the hospital. In case the parents cannot be reached, the Northfield Police will be notified and informed of the situation. Parents are urged to check their medical and hospital coverage to be sure it covers skiing and boarding injuries. No accident insurance is provided by the school or Welch Village. We look forward to another season of safe, fun skiing and boarding!
