Welcome Back:

I would like to welcome all of you to another school year. I officially started July 1 and have been learning information every day since. I am excited to see those I have already met, meet new staff, and continue working with those I have during the summer. Thank you to all of you that have helped me feel at home, and thank you for your patience as I continue to learn how things operate. I would also like to extend a warm welcome to the new staff; Geoff Staab will be teaching Math for the ALC and our Promise Fellow this year is Hillary Lyons.
