**How:**           **We are using the same computer training program this year.**  
**Your user name is your employee number.**  
**Your password is your employee number.**  
**You will receive an e-mail as a reminder.**  
**A link has been set up to get to the "ClarityNet online training". It is located in the**  
**lower left corner of the Buildings and Grounds home page.**  
**You may use your school computer or your home computer to complete this**  
**training. (We cannot guarantee that your home computer will work.)**  
**The time it takes to complete the program may vary from person to person.**  
**You can take the online training any time after August 20, 2011.**

**If you need a computer to use or assistance, contact Laurie Prior at 663-0610.**

Thanks,

**Elizabeth Bade, District School Nurse**  
**Kevin Larson, Director of Buildings & Grounds**
