

Policy 540 – Access to Curricular and Co-Curricular School Programs

Northfield Public Schools Access to Curricular and Co-Curricular School Programs

I. Purpose

The purpose of this policy is to define the terms of access to curricular and co-curricular school programs by students who are not enrolled in the Northfield Public Schools.

II. General Statement of Policy

The Northfield School District allows reasonable access to curricular and co-curricular school programs by students attending private, home, and charter schools. Applications for access to such programs shall be made through the building in which the course or program is offered. Access to school district programs by students not enrolled in the Northfield Public Schools requires payment of a fair share fee. Programs will be available on an “as space is available” basis with first consideration given to full-time students of the Northfield Public Schools.
