

806 CRISIS MANAGEMENT

I. PURPOSE

The purpose of this policy is to direct District and building administration to develop crisis management plans to coordinate protective actions prior to, during, and after any type of emergency or potential crisis situation.

II. GENERAL STATEMENT OF POLICY

- A. The School District will engage in ongoing emergency planning within the School District and with first responders and other relevant community organizations. The School District will ensure that relevant first responders in the community have access to their building-specific crisis management plans and will provide training to School District staff to enable them to act appropriately in the event of a crisis.
- B. The School District shall develop tailored building-specific crisis management plans for each school building in the School District, and sections or procedures may be added or deleted in those crisis management plans based on building needs.
- C. The School District's administration and/or the administration of each building shall develop tailored building-specific crisis management plans. The building-specific crisis management plans will include general crisis procedures and crisis-specific procedures. The Crisis Management Plan will be maintained, updated and revisions distributed to the appropriate personnel on an annual basis.

Policy 806 – Crisis Management
