Co-Curricular Positions Modification Recommendations | September 25, 2017 | Updated October 4, 2017
Superintendent Matt Hillmann, Ed.D.

The 2017-19 Master Agreement with the Northfield Education Association changed the way co-curricular positions are added, eliminated, and modified. In the past, the District negotiated the specific number of coaching or advisor positions for each activity and the amount of stipend each position would receive based on its placement on the co-curricular salary schedule (commonly referred to as Schedule C). After the settlement of the agreement, the School Board will approve the additions, reductions, or modifications to positions and the associated stipend amount recommended by the District's co-curricular committee. The co-curricular committee is led by the Activities Director and includes coaches, advisors, and administrators. The salary schedule itself remains in the NEA Master Agreement and the stipend amounts for each "level" will still be part of the negotiations process with the NEA.

The following tables include positions recommended for added positions, a stipend increase, or reduction of the position due to lack of participation. The Board will be asked to act on these changes on October 9, 2017. The net total increase of the co-curricular recommendations is \$9,924.
