## About CTIC

CTIC's were organized to assist students with disabilities by helping to provide a smoother transition from high school to the adult world. The focus is on students ages 14-21 and their families. Our committee consists of parents, students, staff from Faribault and Northfield school districts and members of agencies providing services for Rice County.

Meetings are generally held on the third Wednesday of every month at 3:15 pm. Visitors are welcome anytime. For more meeting information including dates, times and locations, contact co-chairpersons Mary Magnuson at 507-645-3409 or Lisa Evert at 507-645-6800.

CTIC members work to provide information, referral, and services in the three areas of transition: Independent Living (which includes Community Participation, Recreation and Leisure, and Home Living); Employment; and Post-Secondary Education and Training.
