

August 12, 2015

Longfellow Early Childhood Staff:

Welcome to the 2015-2016 School Year! We hope you have had time during the summer months to rest, relax and rejuvenate. We are excited to continue helping students and families through the Early Childhood Programs! We would like to welcome Cheyenne Lax, early childhood teacher to our team. We also welcome back Jacque Ims, school psychologist, as our sub for Ashley Patterson as she enjoys her time as a new mom. Ashley will be returning to us in November. Lynn Krominga will be fulfilling the ECSE Lead responsibilities.

Our building schedule will continue the same as last year. Staff hours on school days are from 8:00 a.m. – 4:00 p.m. Monday-Friday. Wednesday PLC time is from 8:00-9:00. There will no longer be Hand in Hand classes held Wednesday mornings. The NB program is continuing their Wednesday morning classes. There will be Hand in Hand classes on Friday afternoons.

During the week of August 31 we will spend some time focusing on team building, authentic assessment, speech/language as well as our new PLC goals. **Please note that we follow the district-wide schedule of 7:45-3:45 for all workshop days.**

We look forward to the new school year and seeing you all very soon.

Sincerely,  
Sara Line  
Early Childhood Coordinator

Jacque Ims  
School Psychologist

Lynn Krominga  
Assistant Director of Special Education
