

Procedure 443 - Homebound Instruction

- I. The tutor will be paid an hourly rate for instruction as indicated in the NEA Master Agreement. Preparation and consultation with teachers may be included in the hours of compensation not to exceed ½ hour per hour of instruction. The district's mileage reimbursement will apply to homebound tutors.

- II. The homebound tutor will fill out the payroll claim form and the building principal will verify preparation and contact hours, sign the payroll claim form and forward it to the Superintendent or designee.
