

Northfield Booster Club Raider Walk : Paving the Way

Raider Walk is your opportunity to leave a lasting imprint on the rich Raider athletic tradition - literally. The Walk, located between the High School and the Memorial Stadium, welcomes players and fans with a reminder of Northfield's high level of community support and involvement.

You have the opportunity to etch your name in stone, to honor a loved one, or demonstrate your organizations support for Raider activities. The Raider Walk is a great way to honor Northfielder's past, present and future. It's a meaningful way to mark graduations and other noteworthy milestones.

We invite you to take the Raider Walk with us today.
