I recommend for hire all individuals listed below:

To: Dr. Matt Hillmann, Superintendent
From: Tom Graupmann, Director of Student Activities
RE: Student Activity Account/ Speech Team
Date: November 11, 2016

The students participating in Speech this year have determined that another additional coaching position would be valuable to their team.

The MAFA Manual that oversees operations of a student activity fund states that student activity accounts are used to account for funds raised by the students to be used for the students. The Minnesota Department of Education has authorized students to fund raise for additional coaches.

The Speech Team will be allocating another \$2,000 (inclusive of salary and benefits) for the 2016-17 school year to hire this additional coach at an hourly rate. I have verified that there are sufficient funds available in the activity account.

The staff will complete a payroll claim form. The Activities Office will review and approve the payroll claim form and submit to payroll. The Finance Department will process payroll and invoice the student activity account quarterly for the total cost of salary and benefits.

If you have any questions, please contact me.

Thanks!
