This includes the public comment portion of our meeting. The Board respects and values input on student matters, but when it relates to a specific student or to a specific student matter, such input must be heard by the appropriate personnel – such as the building principal or superintendent – and not during an open meeting of the School Board.

Social/Emotional Learning Curriculum Implementation

April 6th, 2017

What is SEL? *Source: Second Step*

- Recognizing emotions in oneself and others
- Managing strong emotions
- Having empathy for others
- Controlling impulses
- Communicating clearly and assertively
- Maintaining cooperative relationships
- Making responsible decisions
- Solving problems effectively

How is SEL Taught in Classrooms? *Source: Second Step*

Children learn SEL in a variety of ways, including the behavior they see modeled by the adults in their lives.

But SEL can also be taught explicitly in the classroom, in much the same way math or reading is taught:

- The teacher explains a concept with words, pictures, video, and/or audio
- Students practice the concept with skill practice, group discussion, individual writing, or partner work
- The teacher continues reinforcing the concept throughout the week
- The teacher sends information home for students to work on with parents
- The teacher checks for understanding
- The teacher re-teaches where necessary

Northfield Public Schools Strategic Plan Alignment:

- **Vision:** We will prepare every student for lifelong success within a world-class learning environment with a commitment to community partnerships and sustainability.
- **Mission:** We deliver educational excellence that empowers all learners to engage in our dynamic world.
- **Beliefs:** Learning Environment: We believe that everyone in our schools has the right to a positive learning environment that provides physical, emotional, and intellectual safety, and nurtures mutual respect, responsibility and rigor.
- **Strategies:** Climate: We will create and strengthen an environment that fosters mutual respect, responsibility, and rigor, and ensures the right to physical, emotional and intellectual safety for every person.
- **Ongoing Priorities:** Robust core subject instruction.
- **Near-Term Priorities:** Building and fostering relationships-commitment to social/emotional health for all.

Based on the feedback from teachers, the table reflects the number of highest rankings received by the three curricula.

Curricula	# of highest rankings from 47 teacher responses
Second Step	39
Strong Kids	2
Lions Quest	6

This is preliminary data. This proposal may change if the final data indicate a need for a change. **Data updated on March 21, 2017, so this table reflects the final data. As a result, Second Step is the curriculum of choice.**

Some details about the curriculum materials:

- Each classroom in grades K-5 would receive a classroom kit. One kit for each teacher who teaches the curriculum would be ordered in grades 6, 7, 8.
- One extra kit/grade level/building to be housed with the principal, PALS or social worker would also be ordered.
- Please note Northfield High School will plan a 2018-19 implementation.

Classroom Implementation

The information below is subject to change based on additional implementation planning

PreK: 5 units; 28 weekly themes; 5-7 minutes/day

Grade	Units	Total Lessons	Time per lesson	Grade	Units	Total Lessons	Time per lesson
K	4	25	20-30 minutes	5th	3	22	35-40 minutes
1st	4	22	20-30 minutes	6th	5	15	50 minutes
2nd	4	22	30-35 minutes	7th	4	13	50 minutes
3rd	4	22	30-35 minutes	8th	5	13	50 minutes
4th	3	22	35-40 minutes				

Expectations

Consistent Expectations	Flexible Decisions
K-5: Classroom teachers will implement the curriculum	*Time of day; probably during morning meeting; may be appropriate during literacy and writing time or science or social studies
6-8: Health teachers will implement the curriculum	Day of the week
Lessons will be done weekly	
Curriculum will be implemented with fidelity	Adding additional materials or activities as needed and interest indicate

*Time: Possibly during morning meeting (There are 174 school days; placing Second Step during morning meeting time still leaves 149-152 days for “regular” morning meetings.)

Initial Training is planned during Fall Workshop on Tuesday, August 29. Some preliminary training details:

- **PreK:** Up to 3 hours; done in a group; can be shortened
- **K-5:** 60-75 minutes online; 3 modules: introduction, tips for teaching, reinforcing; additional hour to review materials
- **6-8:** 135 minutes; 4 modules: introduction (30 minutes), explore the curriculum (45 minutes), practicing (40 minutes), reinforcing (20 minutes); led by a local facilitator in a group setting

Ongoing training and updates will be planned using staff meeting time during the school year.

Family Information: *Shared at Ready, Set, Go! Day on a table-perhaps with the PALS hosting the table; at MS open house.*

Costs: The Second Step curriculum will cost \$46,521.00 to supply Grades K-8 with the necessary materials. The District has secured a state Positive Behavior Intervention and Supports (PBIS) grant that will fund \$25,000 of the cost, leaving the District with a total investment of \$46,521.00. \$45,000 was included in the capital budget.

\$1 Purchase Option

Thank you for considering Apple Financial Services to fund your technology plan. Please find your \$1 Purchase Option financing proposal below.

Financed Amount	Annual Payments in Advance	Lease Term
\$554,785.00	\$141,291.29	4 Years

What is a \$1 Purchase Option?

This is a financing option designed for equipment ownership at the end of the financed term. The \$1 Purchase Option creates predictable payments while enabling universities and schools to deploy years' worth of equipment today using budgeted funds.

Why use a \$1 Purchase Option?

This option is usually recommended for educational institutions that know they want to own equipment at the end of term. Once the financed term ends, ownership will enable flexibility: continue using the equipment or trade it in to recover value toward new gear.

What are my options at the end of the financed term?

End of term options will be detailed in the final documents. The options include:

1. Purchase the equipment at end of term for \$1.
2. Trade in equipment for value toward a new purchase or financed term.

Overall, the \$1 Purchase Option enables administrators to buy more equipment today, while providing the flexibility that ownership allows.

Please do not hesitate to call or email me at the contact information below with any questions.

Lease Discount Disclosure Statement: Apple Inc. through the Apple Financial Services program may provide an equipment discount to certain third-party investors. The discount may be applied to facilitate a lease rate discount. The actual interest rate paid on any resulting lease may be reflected in an amortization table provided with lease documents. The quoted payment amount does not include amounts that may be due for taxes or fees, if applicable.

The lease charge portion of the payments can be determined by applying to the total adjusted cost the rate which will amortize the total adjusted cost down to the purchase option amount. The lease charge rate may be higher than the actual annual interest rate because of the amortization of certain costs and fees incurred by the third-party investor. Rates may be subject to verification that the Lessee is a state or political subdivision as defined in Sec. 103 of the IRS Code, 1986.
